INSPECTION REQUEST LINE

Quick Reference Guide for Requesting

- Inspections
- Results
- Account Balances

INSPECTION LINE:

918.596.1720

MAIN PHONE: 918.596.9656

FAX: 918.699.3100

Schedule an Inspection

In an ongoing commitment to improve customer service, your Development Services Department has installed an Interactive Voice Response System. You can now schedule inspections, cancel inspections, check inspection results, or check account balances 24 hours a day, 7 days a week!

Inspection Line: 918.596.1720

Before calling you will need:

- A touch-tone telephone.
- A site-specific permit number.
- An inspection code. Choose from the codes listed on the back of this brochure.

Choose from the Following Options:

Press (1) Schedule an Inspection
Press (2) Cancel/Reschedule an Inspection
Press (3) Obtain Inspection Results
Press (5) Obtain Escrow Account Status
Press (6) Access Building Information Line
Press (0) Transfer to Staff
Press (#) Disconnect and Hang Up
Press (*) Additional Information

The IVR system will prompt you each step of the way. You may perform multiple transactions during a call. At the end of the call you will be issued a confirmation number.

We recommend that you keep a record of your confirmation numbers and associated transactions in case they are needed for future reference.

Request an Inspection

1. Call the Inspection Request Line. Press 1.
2. When prompted, enter the permit number. The system will confirm the permit by speaking back the permit number and site address.
3. Enter the inspection code (using a code from the list on the back of this brochure).
4. Enter the Inspection Date. **The cut-off time is 7:00 a.m. for an inspection on the same day.**
5. Select the inspection time preference.
6. Select how special instructions will be communicated to the inspector.

After you have scheduled the inspection, you will be able to:

- Request another inspection, same permit.
- Request another inspection, different permit.
- Get a confirmation number and end call. Use this confirmation number when inquiring about this telephone request.

Cancel/Reschedule an Inspection

1. Call the Inspection Request Line. Press 2.
2. When prompted, enter the permit number. The system will confirm the permit by speaking back the permit number and site address.
3. Enter the inspection code (using a code from the list on the back of this brochure).

The cut-off time is 6:00 a.m. to cancel an inspection on the same day.

After you have cancelled the inspection, you will be able to:

- Reschedule the inspection.
- Cancel another inspection, same permit.
- Cancel another inspection, different permit.
- Get a confirmation number and end call. Use this confirmation number when inquiring about this telephone request.

Obtain Inspection Results

1. Call the Inspection Request Line. Press 3.
2. When prompted, enter the permit number. The system will confirm the permit by speaking back the permit number and site address.
3. Enter the Inspection Code (using a code from the list on the back of this brochure).

After you have listened to the inspection results, you will be able to:

- Listen to more results, same permit.
- Listen to more results, different permit.
- Return to the Main Menu.

Obtain Escrow Account Status

1. Call the Inspection Request Line. Press 5.
2. When prompted, enter your contractor account number followed by the # key.

After you have listened to the account status, you will be able to :

- Obtain the last five transactions.
- Repeat the Account Status Information.
- Return to the Main Menu.
