Background Information

The City of Tulsa Received \$87,826,517.00 in American Rescue Plan Act (ARPA) funds to be used as specified in the US Department of the Treasury's Final Rule and accompanying information in the Compliance Reporting Guidance. This Budget action will transfer \$2,000,000.00 of ARPA appropriated fund balance between project strings.

These funds were awarded to the Oklahoma National Guard (ONG) to construct a new Airmen Center at the National Guard base in Tulsa in March 2024. After further discussion between the City and the ONG, it has been decided that the City will oversee the project. This transfer will move funds between project strings to account for this change.
