Policy Statement

Background Information

I have been selected to attend the 2025 Real Time Crime Center Leadership Summit hosted by Axon at their Global Headquarters. I have been recognized as a leader shaping the future of public safety and real-time operations. The summit will bring together like-minded leaders in the space to share insights and expertise on next-generation AI and integrated technologies implemented in Real Time Crime Centers (RTCCs). This event also offers a unique opportunity to directly influence Axon's roadmap, to ensure solutions are aligned with the needs and challenges of RTCCs. All travel and accommodations will be paid for by Axon. There is NO cost to the City of Tulsa for my attendance to this event as travel and lodging are being covered by Axon Enterprises, Inc. Additionally, they will be covering all hosting all meals, and arranging any travel to and from hotel and airport.

Provide background information on the requested action.

Summation of the Requested Action

Requesting approval for donation of airfare and hotel for the 2025 Real Time Crime Center Leadership Summit hosted by Axon at their Global Headquarters.

Summarize the pertinent details of the requested action

Other Pertinent Details

Provide any additional information that should be considered when considering approval of this contract document

Processing Information for City Clerk's Office

Post Execution Processing

- Mail vendor copy (add'l signature copies attached)
- Must be filed with other governmental entity
- Add'l governmental entity approval(s) required

Additional Routing and Processing Details

Please send the signed, approved Donation RFA to Alexia Benson
@ abenson@cityoftulsa.org

October 27, 2025

Dear Real-Time Crime Center Leader,

We are excited to invite you to the **2025 Real-Time Crime Center Leadership Summit**, taking place December 16–17 at Axon’s Global Headquarters in Scottsdale, Arizona. As a leader shaping the future of public safety and real-time operations, your insights and expertise are essential as we explore how next-generation AI and integrated technologies are redefining Real-Time Crime Centers (RTCCs) nationwide.

Event Highlights

- **AI-Powered Real-Time Operations and Decision Support**

Experience how the latest advancements in AI, automation, and real-time analytics are transforming incident response and operational command. We’ll explore how multi-modal AI—from video to voice to sensor data—is enhancing situational awareness, enabling faster decision-making, and empowering frontline teams with live, actionable intelligence.

- **The Next Evolution of RTCCs: Connected, Scalable, and Smarter**

Dive into how RTCCs are expanding beyond traditional operations. We’ll highlight success stories in regional collaboration, cloud-based scaling, and next-gen data fusion—bridging law enforcement, fire, and emergency management to create fully connected public safety ecosystems.

- **Ethics, Transparency, and Community Trust**

Join leaders discussing how to operationalize responsible AI. We’ll focus on ensuring transparency, addressing algorithmic bias, and maintaining community trust as real-time systems grow in power and complexity.

- **The Future of Technology and Infrastructure**

Preview innovations driving the next era of RTCCs—from AI-assisted video analysis and automated alerting to cloud-native orchestration platforms and augmented reality command interfaces. Discover how these technologies are creating more proactive, predictive, and resilient centers.

Shape Axon's RTCC Product Roadmap

This session offers a unique opportunity to directly influence Axon's AI and RTCC product roadmap, ensuring our solutions are aligned with the needs and challenges of real-time crime centers across the country.

Event Details

Dates: December 16–17, 2025

Location: Axon Global Headquarters, Scottsdale, AZ

RSVP/Register: [Click here](#)

December 16th is a travel day. We ask that you arrive in time for a working dinner, which will begin at 5:30pm MT. On December 17th we will begin at 8:00am MT and conclude at 5pm MT. Breakfast, lunch, and dinners will be provided, as will transportation to and from the airport. We will have an optional networking reception on December 17th for those who need to stay a second night because of flight schedules.

Travel & Accommodation

Should state law and agency policy allow, Axon will cover your travel and accommodations. Axon intends for its offer to cover travel and accommodation for participants to comply with all relevant laws, regulations, and ethical guidelines. Accordingly, this offer is made without the expectation of exclusivity or preferential treatment in any bidding arrangements, and Axon extends this offer with the understanding that it will not face procurement restrictions or additional reporting obligations as a result. If state or local laws require the Agency to report or disclose the fair market value of the benefits provided by Axon, please let us know and we will provide the information necessary to facilitate your compliance with such reporting requirements.

For questions, please contact: **Jess Farr** at jfarr@axon.com or **339-224-1258**

We look forward to welcoming you in Scottsdale and shaping the next chapter of real-time public safety together.

Sincerely,

Rick Smith
Axon CEO and Founder
