Policy Statement

Background Information

This action will transfer a total of \$678,159.48 between funds, within Project 144104 (Riverside Drive and Related Infrastructure) to return the unused grant match funding to the primary project.

The TIGER (Transportation Investment Generating Economic Recovery) grant originally required a match of \$2,500,000, which was transferred from the 2014 Sales Tax Fund (Fund 405) to the TIGER Grant fund (Sub Fund 2500). The actual grant match required is less than the original projection and therefore these funds are eligible to be returned to the original source. The funds will be used for improvements along Riverside Drive and related infrastructure. This includes the bank stabilization, improvements, and access. The City improvements are coordinated with the Riverside Drive bank improvements connecting to the Gathering Place improvements.
