Thank You Very Mulch

One of our city parks got some much-needed attention over the weekend. A small group of volunteers from Victory church met in Henthorne Park to remove old mulch from the playground. Shoveling mulch into wheelbarrows is no easy task and the parks department really appreciates all their hard work. I'm sure all the kids will be happy once this project is complete and the playground reopens with fresh mulch.

Who We Are

Meet the Serve Tulsans team Joel Hensley and Alisia Myers. We are employees at the City of Tulsa in the Working in Neighborhoods Department. Our primary goal is to serve the neighborhoods of Tulsa and help those making this community a great place to live. It takes the dedication of many people working together across the City to make it happen.

We understand that volunteers are a key part of achieving our goal and appreciate all they do. In an effort to coordinate, promote, and celebrate volunteers we created www.servetulsans.org. It is our hope that this website will be a great resource for all Tulsans. As always if you have any questions or comments please send an email to neighborhood@cityoftulsa.org.
