National Volunteer Week During COVID - 19

First, THANK YOU!! The work that volunteers do in our community is invaluable and collectively serves as a cornerstone for the positive outcomes we see throughout our city. During these unprecedented times, it is hard to discern when, where and how to help those in need. Given that Tulsans are safer at home and should only leave for essential trips, we wanted to share ways that you can still support others.

▪ Check on your neighbors in need
▪ Donate to a worthy cause
▪ Explore ways to connect and volunteer virtually
▪ Give blood
▪ Call, text or write a friend
▪ Find ways to show gratitude to those on the front lines

Small acts of kindness can go a long way during these difficult times. Social distancing may make us feel far apart but, we are all in this together.
