Serve Tulsans Update

Hello, volunteers, community members, and advocates. After a year and a half hiatus the Serve Tulsans Newsletter is back. During this interlude, our community has dealt with challenges no one could have imagined and in the face of adversity Tulsans continue to find ways to make a difference in the lives of others. This type of determination helps make Tulsa a better place for everyone. It is clear Tulsans want to help their community, and the Serve Tulsans team is here to facilitate that ambition. We will continue to post volunteer opportunities as they arise and support the local organizations that do great work in this City. Each month this newsletter will feature organizations that match a specific theme. The theme for October will be Harvest!
