**Black History in Tulsa Parks SCAVENGER HUNT**

1 In 1928 blacks had to enter the back of what park? They have little to no access to the park and the park amenities. What park am I?

2 Once was an important part of the North Tulsa community, in the summer everyone wanted to swim there. I've been vacant for the last 10 years. What park am I?

3 We reopened this center in 2020! I'm the only center that has monthly food events and has a community garden. What park am I?

I'm the only community center that has a mural of national icons like Rosa Parks and Book T. Washington to famous Tulsans like Wayman Tisdale. What park am I?

## Policies to Note

In response to the COVID-19 pandemic, Tulsa Parks requires all staff and residents (ages 4 or older) to wear a face covering while inside our community centers and recreation facilities regardless of vaccination status or activity participating in unless otherwise notified by Tulsa Parks staff. Each program also has a unique set of health and safety guidelines.

Programs not meeting minimum enrollment prior to their start date will be cancelled, and some programs may have an enrollment deadline that can result in late enrollment fees.

Residents ages 10 and older must obtain a FREE Tulsa Parks ID card to participate in all programs at any Tulsa Parks Community Center. Visit one of our centers to register.

A 25% fee will be added to all rental and programming prices for residents living outside City of Tulsa limits, but senior citizen discounts, scholarships, and non-profit rates are available for some programs and services. Speak with a park staff member for more details.

Visit [www.cityoftulsa.org/park-rules](http://www.cityoftulsa.org/park-rules) for a full list of department policies and local ordinances pertaining to Tulsa Parks, programs and facilities.
