

Infectious Disease Policy

Revision Effective 8/3/2022

1001.2.25

.255 Any employee who travels outside of the United States of America, must comply with all federal regulations related to quarantine and testing prior to returning. Additionally, upon return from international travel, the employee is required to follow CDC guidelines which currently can be found at <https://www.cdc.gov/coronavirus/2019-ncov/travelers/international-travel-during-covid19.html>. Any questions regarding CDC travel directives should be directed to City Medical before an employee returns to work after international travel.

~~.2521 Any employee travelling domestically on City business must provide acceptable proof of vaccination to City Medical before they can be approved to travel. The determination as to whether proof is acceptable will be made by the City Physician or their designee~~
