**Section 3: Pricing adjustment of manufacturing and market feedback.**

	<b>Pricing Adjustment of Manufacturing &amp; Market Feedback</b>	<b>+/-% Manufacturing Pricing</b>	
<b>Elliott Electric Supply</b>	The Seller's proposal is based on copper wiring, galvanized steel, and conduit prices available at the time of bid and does not include any escalation costs or restrictions in availability. The Seller reserves the option to review its pricing and lead times at the time of purchase and/or release of material and adjust price accordingly to their manufacturing pricing above or below the wholesale market value. Such new price lists will be effective on the date shown on the price list(s), or 10 days from the date the price list(s) are received by the Purchasing Department, whichever is later. Any increase in the Manufacturer's Price List(s) will result in a benefit to you, and any decrease in the same will result in a benefit to the City.	<b>+ / - 20%</b>	<b>Above or Below Manufacturing Pricing</b>
