

City of Tulsa Purchasing Department
175 E. 2nd Street 15th Floor
Tulsa, OK 74103

TAC 071D
Gasoline and Diesel Fuel
Asset Management Department
Bid Date: October 27, 2022

Buyer: Shelley Crayton
scrayton@cityoftulsa.org
Please contact if you have any questions

1. Delivery:

If Your Bid is Accepted, state the number of Days You need to deliver the Supplies and/or to begin providing Services:

Deliveries shall be made to the various locations in the City of Tulsa listed in these specifications, and the city reserves the right to add other locations or delete locations during the term of the contract without affecting the contract price.

2. Pricing

Prices bid for unleaded gasolines and ULSD products shall be based on the "Oil Price Information Service" close of day publication wholesale rack average posting. Prices bid for Bio-Diesel shall be based on the "ASTM D6751" publication posting weekly nearest to the delivery date.

The Bidder(s) will be required to furnish:

- (a) the applicable product publications to the city with their bid submission
- (b) be required to provide applicable product publications to the City with each invoice.

All product publications are at no additional cost to the City.

BID CONSTANT:

The Bid Constant is the amount per gallon the Bidder(s) submits as a constant price which together with the "OPIS" Daily Rack Average Price per gallon plus the required regulatory taxes/fees is the total cost to the City on any given day for product that is delivered to the City of Tulsa. All products must read four (4) decimal points to the right.

Pick-up and Delivery costs must be included in the bid price.

(ESTIMATED QUANTITIES FOR EVALUATION PURPOSES ONLY)

The City does not guarantee any specific quantity or number of purchases, if any, that will be made during the agreement period
