**UNLOADING DURATION:**

Unloading time shall be free of charge for a minimum of four (4) hours, beginning upon arrival of the truck at the designated plant, **with proper certification**, and ending upon its departure from the property. The City of Tulsa shall not be liable for the costs of containment, clean up, and returning the site to the pre-spill conditions. The Seller shall notify the City immediately in the case of a spill or accident. If a spill is detected by City personnel after a delivery has been made and it has not been contained, cleaned up, or disposed of, the City will immediately contain, clean up, and return the site to the condition existing before the spill. ### **PERFORMANCE EVALUATION:**

#### **Performance Evaluation Sample Submittal**

The City reserves the right to require Bidder's product to undergo performance evaluation testing prior to awarding the Bid. **The City of Tulsa will only accept one Bid for one product from each Bidder. In addition to the Bid submittal requirements of this IFB, the Bidder must submit the following on or before the Bid closing date.:**

1. The Bidder shall deliver or ship a one-liter sample (minimum) of the representative product to **City of Tulsa, A.B. Jewell WTP, 18707 E. 21<sup>st</sup> Street, Tulsa, OK 74134, Attention:**

**Hua Jiang.** The sample shall be labeled with the date, Bidder’s name, product name, and lot number. The Bidder must label the delivery package with the Bidder’s name, the product name, and the Bid number. The shipment packaging must meet U.S. Department of Transportation (USDOT) container, labeling, and marking requirements.

2. A Certificate of Analysis (CoA) corresponding to the sample lot number shall be enclosed with the sample.
3. A Technical Data Sheet with the information listed in the “QUALITY” section above shall be enclosed with the sample. All product furnished under any future contract award shall have the same quality as the submitted sample and Technical Data Sheet.
4. A current Safety Data Sheet (SDS) shall be enclosed with the sample.

The City reserves the right to reject the Bid if Bidder fails to submit a representative sample and all required documentation.

**Performance Evaluation Procedure:**

Bench-scale testing may be performed by the City on each of the ACH samples submitted by Bidders to evaluate each product’s respective performance. This testing may be performed on one or both Water Treatment Plant’s raw water. Bidders may also request a sample of raw water to perform their own bench-scale testing (raw water source will be at the City’s discretion). If a raw water sample is desired, Bidder shall supply a sample container and shipping container with prepaid shipping costs. **Ship container to City of Tulsa, A.B. Jewell WTP, 18707 E. 21<sup>st</sup> Street, Tulsa, OK 74134, Attention: Hua Jiang.** Shipping package should include Bidder’s Name, product name, Bid number and written request for raw water sample for product test.

Total Organic Carbon (TOC) and turbidity data will be used to evaluate overall performance of ACH products. Removal efficiencies will be determined at dosages selected by the City of Tulsa. Performance Factors (PF) will be calculated to compare the overall cost of each of the ACH products tested. For each dose, the ACH with the highest removal efficiency will be assigned a PF of 1.0. For the remaining ACHs, the removal efficiency of the best performing ACH is divided by the respective removal efficiency of the individual ACH to obtain each PF. Performance Factors will be calculated for both TOC and turbidity to obtain a combined PF for each ACH. See example of the evaluation in the following table:

Product	% Removal TOC	PF	% Removal NTU	PF	Combined PF
A	30	1.00	91	1.05	1.03
B	28	1.07	94	1.02	1.05
C	25	1.20	96	1.00	1.10

The adjusted cost for each product’s Bid is obtained by multiplying the Bid Unit Cost by the Combined PF for each ACH product. The ACH with the lowest performance adjusted cost will be deemed as the lowest Bid (if Bid submittal meets all other requirements delineated in IFB).

If the Bidder is providing a product that has not been previously used by the City, the City may purchase a single tank truckload or sufficient number of barrels at the Bid price to allow pilot-scale or full-scale plant demonstration. The Bidder will provide an appropriately sized feed pump. If problems are encountered during full scale testing which indicate a failure of the product to perform properly, the test will be discontinued and the remaining chemical returned to the Bidder. **The City will only pay for the chemical used.** Performance evaluation of the product will be based on the criteria listed previously in this document.

The City reserves the right to reject the Bid if the Bidder's product fails to meet desired performance criteria as determined by the City.

**METHOD OF PAYMENT:**

Payment of bulk deliveries shall be made for amounts delivered and determined by certified scale weights taken at an on-site scale for Mohawk deliveries and at off-site certified scales located no more than 30 miles from the A.B. Jewell facility for A.B. Jewell deliveries. **No other scale weights will be considered for payment purposes.**

If/when the Bid award is approved by the SSA committee, the City will make available on the City's Purchasing Website a summary of Bids received generally within 5 working days after the Bid Opening Date. City in its sole discretion may offer Seller an opportunity to renew this Agreement up to an additional four (4) one (1) year term(s). Seller understands and acknowledges that any future contracts or renewals are neither automatic nor implied by this Agreement. City's continuing purchase of the Supplies and/or Services set forth in this Agreement is subject to City's needs and to City's annual appropriation of sufficient funds in City's fiscal year (July 1<sup>st</sup> to June 30<sup>th</sup>) in which City purchases Supplies and/or Services. The City, at its sole option and to the extent allowable by law, may choose to exercise subsequent ninety (90) day extensions upon the price and upon the delivery terms set forth on Exhibit A – Delivery and Pricing to facilitate the finalization of related terms and conditions of a new award or as needed for transition to a new Seller.

5. **Supplies Warranty.** With respect to all Supplies to be delivered under this Agreement, Seller warrants to City that such Supplies will be of good materials and workmanship and free from defects and will conform to the Specifications provided by City. 10. **Force Majeure.** Seller will not be responsible for delays in delivery of the Supplies or Services due to acts of God, government action or inaction, fire, war, or riot, provided Seller notifies the City immediately, in writing of such pending or actual delay. City reserves the right to pursue all legal and equitable remedies to which it may be entitled.
13. **Liability/Indemnification.** Seller shall hold City harmless for any loss, damage or claims arising from or related to its performance of the Agreement. Seller must exercise all reasonable and customary precautions to prevent any harm or loss to all persons and property related to the Agreement. 14. **No liens.** Pursuant to City's Charter (Art. XII, §5), no lien of any kind shall exist against any property of City. Seller shall deliver all Supplies to City free and clear of liens. Delivery by Seller to City of Supplies which are subject to liens shall be a material breach of the Agreement and all damages and costs incurred by City because of the existence of such liens shall be paid to City by Seller. At City's option, City may return such Supplies to Seller and Seller shall pay the cost of returning such Supplies and reimburse City for any payments made for such Supplies.
15. **No Insurance by City.** If City is leasing Supplies herein, City shall not be required to obtain insurance for Seller's property. Seller shall be solely responsible for any insurance it deems necessary. City is self-insured for its own negligence, subject to the limits of the Governmental Tort Claims Act (51 O.S. § 151 et seq.).
16. **No Confidentiality.** Seller understands and acknowledges that City is subject to the Oklahoma Open Records Act (51 O.S. §24A.1 et seq.) and therefore cannot assure the confidentiality of this Agreement or other information provided by Seller pursuant to this Agreement that would be inconsistent with City's compliance with its statutory requirements thereunder.

City's right to terminate this Agreement is cumulative to any other rights and remedies provided by law or by this Agreement.
19. **Payment.** Invoices should be e-mailed to the City of Tulsa – Accounts Payable at: [apinvoices@cityoftulsa.org](mailto:apinvoices@cityoftulsa.org). The purchase order number shall appear on all invoices, packing lists, packages, shipping notices, instruction manuals and other written documents relating to the Supplies or Services. Packing lists shall be enclosed in each and every box or package shipped pursuant to this Agreement, indicating the content therein.

20. **Price Changes.** The parties understand and agree that the variables in Seller's cost of performance may fluctuate, but any change in Seller's cost of performance will not alter its obligations under this Agreement, nor excuse performance or delay on Seller's part. Notwithstanding the foregoing, after the first year of the term, the Seller may request a price increase in addition to any other price increase set forth in this Agreement. In its sole discretion, the City may approve the request if it determines that such price increase is in the City's best interest.
21. **Right to Audit.** Seller agrees that Seller's books, records, documents, accounting procedures, practices, price lists or any other items related to the Supplies and/or Services provided hereunder are subject to inspection, examination, and copying by City or its designees. The Agreement is subject to cancellation by the City for Seller's failure to deliver on time. All deliveries are required F.O.B to the City's facilities. For any exception to the delivery date specified in the Agreement, Seller shall give prior written notification and obtain written approval from the City. The Acceptance by the City of later performance with or without objection or reservation shall neither waive the City's right to claim damages for such breach nor constitute a waiver of the requirements for the timely performance of any obligation remaining to be performed by Seller.

City does not and will not agree to binding arbitration of any disputes.
30. **No Waiver.** A waiver of any breach of any provision of this Agreement shall not constitute or operate as a waiver of any other provision, nor shall any failure to enforce any provision hereof operate as a waiver of the enforcement of such provision or any other provision.
31. **Entire Agreement.** The entire agreement between City and Seller is contained in the Agreement. No verbal agreement between the parties is binding. Any scope of services, scope of work, quote, invoice, acknowledgment or other communication or other document issued by Seller in connection with this Agreement will be for the purposes of describing in greater detail the Supplies and/or Services (as applicable) to be provided. Seller's rejection or modification of the terms set forth in the City's IFB is void and of no effect, unless any such modification improves upon the City's terms or Specifications, in which case the improvement is accepted. Seller understands and acknowledges that if it adds terms and conditions to its Bid that are different from the terms set forth herein that City may reject the Bid as non-responsive.
32. **Amendment/No Assignment.** The Agreement may only be modified or amended in a writing signed by both parties. Notwithstanding anything to the contrary stated herein or in the attachments to this Agreement, no future agreements, revisions or modifications that may be required under this Agreement are effective or enforceable unless such terms, revisions or modifications have been reduced to writing and signed by City and Seller.
