## COLLECTIVE BARGAINING AGREEMENT

Acknowledging that 11 O.S. 1991, Sections 51-101 et seq., as amended, grants to police officers well recognized rights of labor, such as the right to organize, the right to be represented by a collective bargaining agent of their choice, and the right to bargain collectively concerning wages, hours, and other terms and conditions of employment; pursuant thereto, this Agreement is entered into by and between the City Of Tulsa, Oklahoma, a municipal corporation (hereinafter referred to as "Employer"), and Lodge 93, Fraternal Order Of Police, the exclusive collective bargaining agent of the Tulsa Police Officers (hereinafter referred to as "Lodge") and thus is made to:

- (a) Establish wages, hours, benefits, grievance procedures, and other conditions of employment of represented officers of the City of Tulsa Police Department;
- (b) Provide for quality law enforcement and policing services throughout Employer's boundaries on an uninterrupted basis for the benefit of the citizens of Tulsa;
- (c) Assist in the amicable adjustment of labor disputes.

### ARTICLE 1 - RECOGNITION

Section 1.1 Employer recognizes Lodge as the exclusive bargaining agent for all Employees of the Tulsa Police Department as defined by 11.O.S., 51-102(10) and 11 O.S. 50-101(6), specifically all employees upon completion of the Tulsa Police Department's Field Training Program except:

- (a) The Police Chief (Chief)
- (b) One Police Officer designated by the Chief
- (c) Civilian employees

Section 1.2 Those Employees in the classification of Captain and above shall be covered by the terms and conditions of employment set forth in this Agreement, except in certain specific Articles, wherein they are addressed.

Section 1.3 The parties recognize the Fraternal Order of Police as the exclusive employee representative as set forth under 11 O.S. 51-103 of the Fire and Police Arbitration Act of the State of Oklahoma. Employer agrees that under said statutes the City and the Lodge are the only parties which may legally and appropriately confer, negotiate and enter into agreements on matters which relate to wages, hours and other conditions of employment as provided in the F.P.A.A. and the collective bargaining agreement covering all employees.

Section 1.4 Lodge and Employer hereby acknowledge that 11 O.S. 1991, Section 51-111, as it may be legislatively or judicially amended, modified, interpreted, repealed or invalidated from time to time, asserts that "all rules, regulations, fiscal procedures, working

conditions, departmental practices and manner of conducting operation and administration of ... police departments currently in effect on the effective date of any negotiated agreement shall be deemed a part of said agreement unless and except as modified or changed by the specific terms of such agreement.”

## ARTICLE 2 - MANAGEMENT RIGHTS AND RESPONSIBILITIES

Section 2.1 Lodge recognizes the prerogative of Employer to operate and manage its affairs in all respects and in accordance with its responsibilities, and the powers of authority which Employer has not officially abridged, delegated, granted, or modified by this Agreement are retained by Employer, and all rights, powers, and authority Employer had prior to the signing of this Agreement are retained by Employer and remain exclusively without limitation within the rights of Employer.

Section 2.2 Except as may be limited herein, Employer retains the rights in accordance with the constitution and laws of the State of Oklahoma and the responsibilities and duties contained in the Charter of the City of Tulsa and the ordinances and regulations promulgated thereunder as follows:

- (a) To determine Police Department policy including the rights to manage the affairs of the Police Department in all respects;
- (b) To assign working hours, including overtime;
- (c) To direct the members of the Police Department, including the right to hire, promote, or transfer any employee;
- (d) To discipline, suspend or terminate any employee for good and sufficient cause (good and sufficient cause is synonymous with "just cause");
- (e) To determine the organizational chart of the Police Department, including the right to organize and reorganize the Police Department and the determination of job classifications and ranks based upon duties assigned;
- (f) To determine the safety, health, and property protection measures for the Police Department;
- (g) To allocate and assign work to all Employees within the Police Department;
- (h) To be the sole judge of the qualifications of applicants and training of new Employees;
- (i) To schedule the operations and to determine the number and duration of hours of assigned duty per work period provided that any hours worked in excess of forty (40) hours per work period shall be considered overtime;

- (j) To establish and enforce Police Department rules, regulations, and orders;
- (k) To introduce new, improved, or different methods and techniques of Police Department operation or change existing methods and techniques;
- (l) To determine the amount of supervision necessary;
- (m) To control the departmental budget;
- (n) To take whatever actions may be necessary to carry out the mission of Employer in situations of emergency.

### ARTICLE 3 - SAVINGS CLAUSE

Section 3.1 If any provisions of this Agreement, or the application of such provision, should be rendered or declared invalid by any court action or by reason of any existing or subsequently enacted legislation, the remaining parts or portion of this Agreement shall remain in full force and effect.

### ARTICLE 4 - NONDISCRIMINATION

Section 4.1 Employer agrees not to discriminate against any Employee for or because of his activity in behalf of, or membership in, Lodge. Employer and Lodge agree that there shall be no discrimination against any employee because of race, creed, size, gender, national origin, religion, age, disability or status of Lodge membership.

Section 4.2 The use of masculine or feminine gender in this Agreement shall be construed as including both genders.

### ARTICLE 5 - PROHIBITION OF STRIKES

Section 5.1 Lodge shall neither cause nor counsel any person to hinder, delay, limit, or suspend the continuity or efficiency of Employer's function, operation, or service for any reason; nor shall it in any manner coerce, intimidate, instigate, induce, sanction, suggest, conspire with, promote, support, sponsor, engage in, condone, or encourage any person to participate in any strike, slowdown, mass resignation, mass absenteeism, or any type of concerted work stoppage. Lodge shall not aid or assist any person or parties engaging in the above-prohibited conduct by giving direction or guidance to such activities and conduct, or by providing funds, financial, or other assistance for the conduct or direction of such activities or for the payment of strike, unemployment, or other benefits to those persons or parties participating in such prohibited conduct and activities; provided, however, that Lodge may provide legal representation. In applying the provisions of this Article, all terms used herein shall be given the meaning commonly understood. Lodge shall not be in breach of this Agreement where the acts or actions herein before enumerated are not caused or authorized directly or indirectly by Lodge.

Section 5.2 Upon notification confirmed in writing by Employer to Lodge that certain of its members are engaging in a wildcat strike, Lodge shall immediately, in writing, order such members to return to work at once and provide Employer a copy of such an order, and a responsible official of Lodge shall publicly order them to return to work. Such characterization of the strike by Employer shall not establish the nature of the strike. Such notification by Lodge shall not constitute an admission by it that a wildcat strike is in progress or has taken place or that any particular member is or has engaged in a wildcat strike. The notification shall be made solely on the representations of Employer. In the event that a wildcat strike occurs, Lodge agrees to take all reasonable effective and affirmative action to secure the members return to work as promptly as possible.

Section 5.3 Employer agrees that it shall not lock out any Employees because of a labor dispute.

## ARTICLE 6 - SENIORITY

Section 6.1 As used herein, the term "seniority" shall refer to and be defined as the continuous length of service or employment within each job classification set forth in Article 1.

- (a) Seniority shall commence on the first regularly scheduled workday of the Basic Police Academy.
- (b) Subsequent seniority dates for Employees shall commence on the effective date of promotion to a higher rank or classification.
- (c) After the effective date of this Agreement, seniority for an Employee rehired shall commence on the date of rehire. Rehired does not include recalled Employees.

Section 6.2 Except where impractical due to skill levels of Employees, or experience of Employees, or where specific working conditions exist which would preclude certain Employees from working specific shifts or substations, and considering required manning levels, seniority will be the dominant factor to be considered by the Chief of Police. Seniority shall be exercised in the following sequence of priority with "a" being first:

- (a) Substation assignment.
- (b) Shift assignment.
- (c) Assign regular days off.
- (d) Annual leave requested within the two, thirty (30) calendar day application periods per Section 12.5.
- (e) Seniority will be the dominant factor in granting time off for vacation and floating holidays prior to one hundred twenty (120) hours before the

requested day off. Thereafter, requests for time off will be granted on a first come, first served basis provided the time off will not cause the shift to fall below minimum manning.

General shift change assignments and substation assignments shall occur only one time per year on the last Sunday in August.

Section 6.3 If two (2) or more Employees in the same classification are promoted on the same date, their seniority standing shall be determined in the order of their rank on the certified Employee list from which appointments are made. Provided that if two (2) or more Employees are tied on the certification list and are promoted on the same day, then a random lottery system shall be used to determine the Employees' seniority standing. Effective with recruit classes graduating after July 1, 2011, seniority within the same basic Police Academy class shall be determined based on the Employee's performance in the Police Academy utilizing the Employee's combined academic and shooting percentage scores. In the event that two or more Employees are tied, a random lottery system shall be used to determine the Employees' seniority standing. Seniority determination shall be made not later than ten (10) days following graduation by Employees involved from the Tulsa Police Academy.

Section 6.4 The provisions of this Article shall not exclude such other seniority rights in existence on the effective date of this Agreement except those existing provisions as may be specifically modified or changed by this Agreement.

Section 6.5 Seniority shall terminate for the purposes defined in Section 6.2 when any Employee covered hereby terminates his employment with the City of Tulsa Police Department for any reason.

Section 6.6 In the event of a reduction in force, Employees shall be laid off in inverse order of seniority to be determined from Employee's original date of hire. Employees shall be recalled from layoff status by seniority to be determined from their original date of hire into the Tulsa Police Academy. Recall rights shall be preserved for a period of one (1) year from the date of layoff. Notice of recall shall be mailed by certified mail to Employees at their last place of residence shown on Employer's personnel records. Any Employee who fails to report for duty within fifteen (15) working days following receipt of notice of recall or within fifteen (15) working days following attempted delivery of such notice if the same is unclaimed or otherwise not actually received shall be deemed as having permanently terminated his employment.

Section 6.7 Employees in the classification of Captain and above shall be excluded from Section 6.2 (a), (b), (e).

Section 6.8 No Employees in the rank of PD-03 or below will be immediately supervised by non-sworn personnel.

Section 6.9 Employees laid off and subsequently recalled to duty shall not be considered to have a break in seniority or service time as dictated under this Article.

## ARTICLE 7 - GRIEVANCES AND ARBITRATION

Section 7.1 The Lodge may file a grievance concerning the meaning, interpretation, application, or alleged violation of the terms and provisions of this Agreement. No matter shall be entertained as a grievance hereunder unless written notice is filed within the time periods referenced in Sections 7.4 and 7.5 after the occurrence of the event or after the Employee or Lodge becomes aware of or reasonably should have been aware of the event giving rise to the grievance. Grievances on subjects listed in Section 7.4 shall only be submitted per Section 7.4. Grievances on subjects listed in Section 7.5 shall only be submitted per Section 7.5.

Section 7.2 The Grievance Committee, hereinafter referred to as "Committee", may assist the Lodge or any member(s) of the bargaining unit with the preparation and submission of a grievance at any level. Three (3) members of Committee may attend a grievance hearing with no loss of pay. Committee may investigate and consider any grievance submitted, and may meet to consider a single grievance or several grievances collectively. Committee shall consist of the Lodge President and the Board of Directors of the Lodge. Committee shall be vested with complete, final and exclusive authority to accept, reject, or otherwise weigh or determine the merits of grievances submitted hereunder by Employees. Employees shall process all grievances through the Lodge and Employer shall only respond to those grievances processed through Committee, presented on the proper Lodge grievance form and signed by a member of the Lodge Grievance Committee. If a grievance is rejected by Committee it shall be considered resolved or withdrawn. The decision by Committee with respect to such matters shall be binding upon the Employee(s) aggrieved.

Section 7.3 In computing any period of time prescribed herein, the day of the act or event from which the designated period of time begins shall not be included. The last day of the period so computed shall be included, unless it is a Saturday, or Sunday or a designated City holiday, in which event the period shall continue until the end of the next day which is not one of the aforementioned days. Provided that all time limits set forth may be extended by the mutual written consent of the grievant(s) and Employer's representatives. Failure of the Employer to respond to a grievance within the prescribed time period shall automatically initiate the next grievance step as well as the grievant's obligations to comply with that step's time limitations. All time limits set out in this Article shall be strictly observed and any failure of a grievant to comply with such time limits shall automatically terminate any right to continue the grievance.

Section 7.4 A grievance which involves a suspension, promotion, demotion or dismissal shall be filed in writing, on the grievance form attached hereto as Appendix "D", with the Human Resources Director or his designee within ten (10) calendar days of the Employee receiving written notification of the action. A written appeal involving suspension, promotion, demotion or dismissal shall state the nature of the grievance and designate an election to have the matter determined through Civil Service Commission appeal procedures or by an impartial arbitrator selected through arbitration procedures.

A grievance which involves a promotional issue shall be filed in writing with the Chief of Police within ten (10) calendar days after the Employee becomes aware, or reasonably should have become aware of the event giving rise to the grievance. The Chief of Police shall respond in writing to the Employee with ten (10) calendar days from receipt of such grievance. A copy of

the Chief's written response shall be forwarded to the Human Resources Director or his designee. If elected by the Employee as a Civil Service Commission case, a written appeal involving a promotional issue shall be filed with the Personnel Director or his designee within ten (10) calendar days of the Employee's receipt of the Chief of Police response.

The Human Resources Director or his designee shall investigate and/or review the grievance and a determination to support or revise the decision of the Chief of Police will be made. The Human Resources Director or his designee shall submit his recommended grievance resolution to the Civil Service Commission in accordance with recommended resolution processes. The Human Resources Director or designee may conduct a hearing to help clarify and/or resolve disputed issues. A written response from the Human Resources Director or his designee shall be provided to the grievant and the Chief of Police within fifteen (15) calendar days from receipt of the Employee's written grievance appeal.

An Employee's election for arbitration shall waive any right to a Civil Service Commission appeal and an election for Civil Service procedures shall waive any right to arbitration. Failure to file a disciplinary action appeal within ten (10) calendar days shall waive all appeal rights of any kind. The appeal election chosen by an Employee shall be binding on the Employee and all parties to this Agreement.

Section 7.5 Grievances, other than those set forth in Section 7.4, shall be submitted in writing within twenty (20) calendar days of the event being grieved on the grievance form attached hereto as Appendix "E" and shall follow the procedure set forth herein:

- Step 1: A grievance shall be presented in writing by the grievant(s) or a designated representative of the Lodge to the grievant's Division Commander. The Division Commander shall respond to the grievant(s) in writing within ten (10) calendar days. If a grievance is filed by the Lodge and involves a contractual interpretation, Department rule or procedure, the Lodge shall file the written grievance directly to the Chief of Police or his designee under Step 2 below. The Employer shall not be bound by the decision or reasons set forth in the response by the Division Commander or his designee.
- Step 2: If the grievance is not resolved, the member(s) or the Lodge shall file a written grievance with the Deputy Chief over the Division Commander with whom the grievance was filed in Step 1 within ten (10) calendar days after receipt of the Division Commander's response. The Deputy Chief shall respond in writing to the grievant(s) or the Lodge within ten (10) calendar days following the receipt of any grievance. The Employer shall not be bound by the decision or reasons set forth in the response by the Deputy Chief or his designee
- Step 3: If the grievance is not resolved, the member(s) or the Lodge shall file a written grievance with the Chief of Police or his designee within ten (10) calendar days after receipt of the Deputy Chief's response. The Chief of Police or his designee shall respond in writing to the grievant(s) or the

Lodge within ten (10) calendar days following the receipt of any grievance. The Employer shall not be bound by the decision or reasons set forth in the response by the Chief of Police or his designee.

Step 4: If the grievance is not resolved it may be submitted in writing to the Human Resources Director or his designee by the Lodge within ten (10) calendar days of receipt of the written answer from the Chief of Police. The Human Resources Director or his designee shall investigate and/or review the grievance and a determination to uphold or revise the decision of the Chief of Police will be made. A fourth (4<sup>th</sup>) Step hearing may be held to help clarify the disputed issue(s). As an alternative to a 4<sup>th</sup> Step hearing, the parties may mutually agree in writing to engage in non-binding mediation, the cost of which, if any, to be shared equally by the parties. A written response from the Human Resources Director or his designee shall be provided to Lodge and the grievant within fifteen (15) calendar days from the date of the 4<sup>th</sup> Step hearing. In the event the Human Resources Director or his designee fails to respond within the fifteen (15) calendar day time-frame, the Employer shall be bound by the response submitted by the Chief of Police or his designee.

Section 7.6 The Lodge may request in writing the grievance be submitted to arbitration if the issue is not resolved within the Step 4 process. Any such written request shall be provided to the Human Resources Director or his designee within ten (10) calendar days from the receipt of Employer's final response. The parties shall then request a strike list panel of seven (7) arbitrators from the Federal Mediation and Conciliation Service as soon as reasonably possible.

Section 7.7 Within seven (7) calendar days of receipt of the panel, the City and the Lodge shall alternately strike the name of one arbitrator from the list of seven (7) until one name remains with the City and the Lodge alternating making the first strike from the list.

Section 7.8 The arbitrator so selected shall attempt to conduct a hearing within thirty (30) calendar days after the appointment of the arbitrator, if such is practical given the schedules of the parties and the arbitrators. The arbitrator shall endeavor to select a date which is satisfactory to the City and the Lodge. If the parties are unable to agree on a hearing date, the arbitrator is empowered to select a date. The hearing shall be informal and the rules of evidence prevailing in judicial proceedings shall be persuasive but not binding. The arbitrator shall have the power to administer oaths and to require by subpoena the attendance and testimony of witnesses, the production of books, records, and other evidence relative or pertinent to the issues presented to them for determination. Any and all documentary or other data deemed relevant may be received in evidence. At the conclusion of the hearing, the arbitrator shall specify a briefing schedule, if any, and shall specify a reasonable period of time within which to issue findings of fact and an award, if any.

Section 7.9 With respect to the interpretation, enforcement or application of the provisions of the Agreement, the decisions, findings and recommendations of the arbitrator shall be final and binding on the parties to this Agreement. The arbitrator's decision shall be based on

the factual evidence introduced at arbitration, and the arbitrator shall not rely on any evidence not admitted at the arbitration. The arbitrator's authority shall be limited to the interpretation and application of the terms of this Agreement and/or any supplement thereto and shall not extend to those extra-contractual (i.e., Worker's Compensation, Unemployment Compensation issues, etc.) matters for which a forum and remedy is available pursuant to statute. The arbitrator shall have no jurisdiction to establish provisions of a new Agreement or variation of the present Agreement or to arbitrate away, in whole or part, any provisions of this Agreement or any supplement thereto or amendment thereof; nor shall any wage structures or structures of job classifications be subject to arbitration. This shall not preclude individual wage grievances.

Section 7.10 The cost of the impartial arbitrator shall be shared equally between Lodge and Employer. If a transcript of the proceedings is requested, then the party so requesting is responsible for its payment in full. If the parties do not agree to split the cost of the transcript then the party not paying for half the cost of the transcript shall have no right to the transcript.

Section 7.11 It is specifically and expressly understood that filing a grievance under this Article which has as its last step either the Civil Service Commission grievance process or binding arbitration, constitutes an election of remedies and a waiver of any and all rights by both parties, Lodge or other representatives of the party to litigate or otherwise contest the last answer rendered through the Grievance Procedure in any court or other appeals forum to the extent permitted by law.

Any Employee who has completed the Field Training Program but has completed less than one (1) year of service, shall not have the election of remedies as provided by this Article to proceed to the Civil Service Commission.

## ARTICLE 8 - DUES DEDUCTION

Section 8.1 Employees may authorize payroll deductions for the purpose of paying association dues. No authorization shall be allowed for payment of initiation fees, assessments other than provided in Section 8.3, or fines.

Section 8.2 If Lodge elects to establish payroll deductions for the purpose of dues payment, it will so notify Employer as to the amount requested. Before the commencement or alteration of the dues check-off schedule, each affected Employee shall sign an authorization card, provided by Lodge, authorizing the stated monthly dues deductions.

Section 8.3 The Employer agrees to make payroll deductions of an FOP payroll assessment fee in addition to those provided in Section 8.1 from the paychecks of bargaining unit members in accordance with the Lodge constitution and bylaws. The assessment shall be applicable to members who have signed and have on file with the Employer a voluntary, effective, authorized, and approved payroll deduction card.

Section 8.4 The payroll deduction and payroll assessment shall be revocable by Employee notifying Employer in writing. Lodge shall be notified of any revocation.

Section 8.5 Prior to changing the requested amount of dues check-off, if such a system is implemented, Lodge shall notify Employer of such change in writing thirty (30) days in advance and in accordance with Section 8.2 above.

Section 8.6 Lodge will indemnify, defend, and hold Employer harmless against any claims made and against any suits instituted against Employer on account of payroll deduction of Lodge dues or payroll assessments per Section 8.3 above.

## ARTICLE 9 - LODGE BUSINESS

Section 9.1 The President of the Fraternal Order of Police, Lodge #93 shall be assigned to a special forty (40) hour administrative position for the purpose of conducting necessary business relating to furthering Lodge/Management relations. The specific conditions of the administrative position assignment are further clarified within the Memorandum of Understanding agreed to by the parties and dated May 25, 1994. Pay for the Lodge President shall be equal to the amount of his normal assignment.

Section 9.2 A Lodge member shall be assigned to a special forty (40) hour Lodge administrative position for the purpose of conducting necessary business relating to furthering Lodge/Management relations and community relations. Outside of normal Lodge duties, the duties of this position shall include participating in public forums, community-related training and provide input, support or advice related to various community initiatives that would benefit the Lodge, the Tulsa Police Department and the City of Tulsa. The extra duties shall be mutually agreed upon by the Lodge and the City. The duties of this position may be shared with the Lodge President. Pay for the Lodge member shall be equal to the amount of his normal assignment.

Section 9.3 The President, First Vice-President, Second Vice-President, Secretary, Treasurer, Chairman of the Negotiations Committee, and the Chairman of the Board of Directors shall be allowed duty time to attend regularly scheduled Lodge meetings each month if his regular shift occurs during periods of time in which such meetings are held. Such time off with pay shall not exceed the period of time required for two Lodge meetings in any calendar month.

Section 9.4 Lodge delegates, Local, State and National Officers, if any, shall be granted up to forty (40) hours per calendar year to attend the State Fraternal Order of Police Convention, the National Fraternal Order of Police Convention or any other Lodge business deemed necessary by the FOP President, provided the leave would not cause a hire back as of the date it is requested. In addition to the leave provided above, State and National Officers, if any, shall be granted one hundred twenty (120) hours per calendar year to attend National Board Meetings, National Memorial Services, National Day on the Hill, Western States Meetings, National Presidents' Meetings, State Presidents' Meetings, Winter Board Meetings, State Memorial Services and other Lodge business, if necessary. The parties agree that the total hours provided under Section 9.4 shall not exceed a maximum of twelve hundred (1200) hours of leave for Lodge members. Requests for leave provided for in this article, shall be processed through the Lodge President. The Lodge President shall monitor the use of requested leave to ensure the appropriate use of such leave. The Lodge President will also provide written pre-notification to

the Chief regarding all requested hours of leave. The Lodge President shall also provide a quarterly report to the Chief of Police which includes the Employees' names, the number of hours expended, the type of event/meeting and the total hours utilized within the current fiscal year regarding such leave.

Section 9.5 Up to four (4) members of Lodge shall be paid for off duty time spent in actual negotiations. The FOP President may attend all negotiations as part of his regular duties. Additional Lodge members may participate in actual negotiations during duty time only if such participation will not result in the accrual of compensatory time or overtime. If an officer has been subpoenaed or is the Lodge table representative in grievance or interest arbitration proceedings involving the Lodge, the time spent in said proceedings shall be considered as hours worked.

Section 9.6 One member from each shift of each Division on duty during Lodge meetings will be allowed duty time to attend regular Lodge meetings.

Section 9.7 Two (2) members of the Lodge shall be allowed duty time, upon approval of the Chief, to attend to legislative matters involving non labor or benefit issues and relating to criminal or technical issues involving law enforcement and/or criminal statutes. The Lodge and the City shall communicate and coordinate such legislative efforts through the Mayor's legislative affairs designee. Such time shall be during the regular legislative session in Oklahoma City and shall normally be limited to one (1) day per week per member.

Section 9.8 No additional time off, with or without pay, shall be granted to any Employee for purposes other than those specified in this Article 9 or Article 7 without the prior approval of the Chief of Police.

## ARTICLE 10 - BULLETIN BOARDS

Section 10.1 Employer agrees to allow Lodge a Bulletin Board at each Police Station, Substation and Tulsa International Airport. The location of Bulletin Boards shall be mutually agreeable to Employer and Lodge.

Section 10.2 Bulletin Boards shall be used for the purpose of posting notices of Lodge meetings; Lodge elections; Lodge election returns; Lodge appointments to office; Lodge recruitment, educational, recreational, and social affairs; and such other matters as may be agreed upon by Lodge and Employer

Section 10.3 It is understood that material of a political, controversial, or inflammatory nature shall not be posted. The Chief of Police or his designee shall be authorized to remove any material from the Bulletin Boards which does not conform to the intent of this Article.

Section 10.4 It shall be the responsibility of Lodge to maintain the Bulletin Boards, to insure prompt removal of outdated materials, and further insure that the posting of such material is limited only to those Bulletin Boards provided in Section 10.1 above. All such material shall

be approved and signed by either the President, First Vice-President, Second Vice-President, or Secretary of Lodge.

## ARTICLE 11 - POLICE DEPARTMENT RULES AND REGULATIONS

Section 11.1 Employer shall meet and confer with Lodge Grievance Committee prior to changing Regulation No. 30, Police Officer Bill of Rights (attached Appendix "B").

Section 11.2 The Lodge President shall be provided copies of any and all pre-action notices, pre-termination notices, written reprimands, suspensions, demotions, or terminations given to any sworn officer of the Police Department. The Lodge President shall also be provided notice of all administrative investigations (with exception of sexual harassment), assigned at the departmental or divisional level, prior to Employees being interviewed.

Section 11.3 It is agreed that reduction of accrued vacation is an effective means of corrective discipline which does not impose financial hardship on the Employee and does not create a manning problem for Employer. An Employee who commits an offense for which the Employee could be suspended, may, at the sole discretion of the Chief, be offered a vacation leave accrual reduction in lieu of suspension, which, if accepted, shall be considered a suspension for purposes of progressive discipline. An Employee so disciplined cannot receive additional discipline for the same incident. Reduction of accrued vacation shall be limited to sixteen (16) hours for a single incident. The reduction of accrued vacation shall not be subject to any grievance procedure. An Employee who is to be disciplined may elect to receive a suspension without pay in lieu of such reduction of accrued vacation.

Section 11.4 Complaints that were investigated and determined to be unfounded, exonerated or not sustained shall not be considered, utilized, or compiled in any report to determine disciplinary action that might be taken in regards to an investigation. After the statute of limitations expires on civil or criminal matters, not sustained or unfounded allegations against an Employee shall be removed from the Employee's file, provided there have been no similar allegations during the above-mentioned period.

Section 11.5 Disciplinary actions listed below may not be considered, utilized, or be the basis of future disciplinary decisions, in part or whole after the times identified below expire. Such timeframes commence on either the date of the offense or the date the Employee is placed on either administrative leave or restricted duty, whichever is later. For investigations that commence on or after July 1, 2022, such timeframes commence on the date of the subject disciplinary action. For discipline consisting of counseling or a letter of reprimand, the timeframe shall begin to run no later than 90 days from the date of the offense.

1. Counseling documentation shall be purged and expunged after the passage of one (1) year.
2. Division Letters of Reprimand shall be purged and expunged after the passage of one (1) year.
3. Department Letters of Reprimand and Vacation Reductions shall be purged and expunged after the passage of three (3) years.

4. Suspensions and Orders of Demotion shall be purged and expunged after the passage of five (5) years.

The parties agree that the above provisions shall not apply to discipline for employment discrimination or harassment workplace incidents. The parties further agree that if the discipline relates to dishonesty by the Employee being disciplined the time periods for purging and expunging shall be increased to two years for counseling documentation, two years for Division Letters of Reprimand, and five years for Department Letters of Reprimand, and seven years for Suspensions, Vacation Reductions, and Orders of Demotion.

Section 11.6 An Employee shall be allowed to review his/her personnel file under appropriate supervision at any reasonable time and challenge any information maintained in the file. No complaint whether founded, unfounded, or not sustained will be maintained in an employee's personnel file without a disposition.

## ARTICLE 12 - VACATIONS

Section 12.1 Vacation and annual leave (leave which complies with Section 12.5) with pay shall be granted to Employees in accordance with the provisions of this Article. An Employee must be on regular employment status and have completed the original probationary period before becoming eligible for paid annual leave. Annual leave shall normally be requested and granted during the twelve (12) month period immediately following Employee's vacation accrual year. Vacation days shall not exceed the total amount of accrued vacation days credited to an Employee at the time he commences such leave. Employees shall not be permitted to use either accrued vacation days or accrued compensatory time during a period of suspension except as provided in Section 11.3.

Section 12.2 Vacation days shall be accrued by Employees covered by this Agreement as follows:

Years of Completed Service	Monthly Accrual	Yearly Accrual
Date of employment to completion of fifth year	9.333 hours	112 hours
5 years but less than 10 years	10.667 hours	128 hours
10 years but less than 15 years	14 hours	168 hours
15 years but less than 20 years	15.333 hours	184 hours
20 years but less than 25 years	16.667 hours	200 hours
25 years or more	17.333 hours	208 hours

Section 12.3 The maximum amount of vacation leave that may be accrued by an Employee shall be twice the amount for which the Employee is eligible to accrue in one calendar year. No additional vacation leave shall be credited to an Employee who has reached the maximum amount. However, an Employee on injury leave may accrue up to an additional six (6) months of vacation accruals beyond this maximum while on injury leave. Any such excess accrual beyond the normal maximum accruals must be utilized by the Employee within twelve (12) months following return to work from injury leave. Holidays or other nonscheduled workdays shall not be included in computing usage of vacation leave. Annual leave shall normally be taken in forty (40) hour increments.

Section 12.4 Upon separation, an Employee shall be paid for the unused portion of his/her accrued vacation leave provided he/she has completed the Field Training Officer Program. The unused vacation leave shall be paid out at the Employee's regular rate (as defined by FLSA), which is synonymous with the City's adjusted rate of pay, at the time of separation. However, notwithstanding the Injury Leave allowance noted above, under no circumstances shall the Employee be paid for more than twice the amount the Employee is eligible to accrue in one (1) calendar year. An Employee who is dismissed from the service of Employer for embezzlement of Employer's funds or theft of Employer's property, shall be ineligible for payment of accrued vacation leave. An Employee shall not receive pay for accrued vacation leave in lieu of time off except as provided in this Section 12.4.

Section 12.5 Accrued vacation days may be taken singly or in groups according to Section 6.2 of this Agreement. However, whenever an Employee desires to take off forty (40) hours or more consecutive accrued hours, said period of consecutive hours is designated as "annual leave" and must be applied for in the following manner:

By the last Sunday in August and January of each year, each Division Commander shall conspicuously post a notice and form upon which each Employee may select his semi-annual leave on a seniority basis as provided for in Section 6.2. The August application for semi-annual leave shall pertain to leave taken in the months of September, October, November, December, January and February. The February application for semi-annual leave shall pertain to leave to be taken in the months of March, April, May, June, July, and August. The notice shall state that each Employee requesting semi-annual leave must complete the posted form within thirty (30) calendar days after its initial posting in order to prevail on the basis of seniority. An Employee may complete the form after the expiration of thirty (30) days, and in such event, seniority does not apply but such requests will have priority over leave requests not qualifying for annual leave. In this situation it shall be first come, first served. Annual leave requested outside of the seniority application period shall be granted provided that staffing requirements are met at the time the request is made. Computation of the forty (40) hour period designated as "semi-annual leave" shall not take into account any regular days off, so that a series of accrued hours off will be considered consecutive, even if regular hours off are interposed. It is permissible for an Employee to combine vacation days, regular days off, compensatory days, holidays, and any other approved time off, for the purpose of designating his leave. Once an Employee has been approved for semi-annual leave, such leave shall not be changed without Employee's consent, except in a bona fide emergency situation. An Employee may take more than one (1) semi-annual leave during any semi-

annual period, but seniority shall control the taking of only those leaves which are selected in the manner set forth above. If two (2) or more separate semi-annual leaves are requested during either thirty (30) day signup period, seniority shall control and apply to all such requests as provided in Section 6.2. Employer shall complete the scheduling process as quickly as possible, but in no event shall the process exceed thirty (30) days from the date the forms are turned in.

Section 12.6 Employees shall first expend vacation leave in such a manner so as to be considered concurrent with associated benefits arising under the Family and Medical Leave Act (see Article 29). The parties agree total vacation leave expenditures shall be otherwise unaffected by Article 29 provisions.

### ARTICLE 13 - BASIC WORK PERIOD AND OVERTIME

Section 13.1 For the purpose of this Agreement the established work period for each Employee shall be seven (7) days. The work period shall begin at 12:01 a.m. each Sunday and end at 12:00 midnight the following Saturday. Regardless of statutory obligations, all time worked in excess of forty (40) hours during any work period shall be considered overtime pursuant to this Agreement. Overtime shall be compensated in one-quarter (1/4) hour increments. Overtime worked which cannot be divided evenly by fifteen (15) shall be rounded to the nearest one-quarter (1/4) hour. Overtime will be administered in a fair and equitable manner. Each officer shall be allowed thirty (30) minutes for lunch each day. Officers shall also be entitled to two fifteen (15) minute breaks each shift. Unusual and emergency work situations may preclude the taking of breaks during the work shift. The lunch and breaks may be combined. Call back shall be limited to only those Employees qualified to perform all of the duties of uniformed patrol officers, including without limitation operation of MDT dispatching and report taking as determined by a proficiency certification. The Employer shall offer training on a semi-annual basis to Employees not assigned to a uniform patrol assignment in the fields necessary to perform all the duties of uniform patrol officers.

Section 13.2 Vacation days, holidays, compensatory time, funeral leave, approved injury leave and pre-shift squad meetings attended shall, for the purposes of this Article, be considered as time worked within a given work period.

Section 13.3 An Employee who is off duty and is called in to work or ordered to report for purposes other than court when such time is outside the Employee's regularly scheduled shift shall receive a minimum of two (2) hours of pay. An Employee who is off duty and is called in to work or ordered to report for purposes of court when such time is outside the Employee's regularly scheduled shift shall receive a minimum of three (3) hours of pay. The above minimum shall not apply if the appearance is required two (2) hours before or one-half (1/2) hour after an Employee's regular shift begins or ends. Employees who are placed on call in their off-duty hours for purposes of testifying in court but who are not called shall receive one (1) hour of compensatory time per day on call.

Section 13.4 Employees required to respond to phone calls off-duty shall be eligible for overtime compensation for time spent responding to such qualifying calls in accordance with

Section 13.1. Compensated off-duty phone calls must be approved by Police Department Supervision. Phone response work conducted via telephone shall be rounded up and paid in ½ hour increments and is not subject to the minimum time requirements set forth in Section 13.3. Appropriate designation of such phone response shall be documented by use of a time slip submission.

Section 13.5 Employees shall designate in writing to their Division Commander, on a form supplied by Employer, each time, their election to receive a payment for overtime work or holiday compensation in compensatory time off or cash. Forms must be submitted by the Employee within five (5) days of completion of the additional time worked. Employees who fail to make such a designation within five (5) days shall be deemed to have elected cash payments. Cash payment, if elected pursuant to this Article, for overtime work shall be at the rate of time and one-half (1-1/2) the Employee's adjusted rate of pay. "Adjusted rate" is the Employee's hourly rate plus the hourly rate for any other item required by law to be included in the adjusted rate. Compensatory time shall accrue at the rate of one and one-half (1-1/2) hours of compensatory time for each overtime hour worked. An Employee cannot elect compensatory time when working a special event on a voluntary basis.

Section 13.6 The maximum accrual of compensatory time which an Employee may have accrued at any one time shall be one hundred and eighty (180) hours. However, if after December 31, 2022, an Employee has in excess of one hundred and eighty (180) hours, the Employee shall be allowed to keep the time and shall not accrue any more time until expenditure of compensatory time falls below one hundred and eighty (180) hours. If an Employee has not received an earlier City pay off of the compensatory time above one hundred and eighty (180) hours and/or utilized those hours prior to retirement or resignation, he/she shall receive compensation for such time at his/her rate of pay at termination.

Section 13.7 Each fiscal year, Employees shall have the option to convert up to eighty (80) hours of accrued compensatory time into pay. Conversion shall be in increments of no less than eight (8) hours and will be converted at the hourly rate that the Employee is making at the time of conversion.

Section 13.8 Any request to use accrued compensatory time shall be subject to the condition that granting same shall not unduly disrupt the operations of the Tulsa Police Department. The Chief of Police or his duly designated representative shall authorize all such compensatory time before it is taken.

Section 13.9 Any Employee required to physically work in excess of seven (7) consecutive days by reason of a shift change shall receive one (1) bonus day off without loss of pay to be scheduled by the appropriate supervisor and taken between the date of the shift change and the Employee's next scheduled day off. Bonus days cannot be taken thereafter nor may they be accrued for any purpose. The provisions of this Section shall only apply during the general shift change to be made in August of each year.

Section 13.10 Effective upon the August 2022 Shift Change, at least one-quarter (1/4) of all bid board positions will work ten (10) hours a day, for four (4) days per work period. Overtime (1½) will be paid on all hours worked in excess of forty (40) hours per work period in

accordance with Article 13 of this Agreement. Expenditure of vacation leave and sick leave shall be calculated on an equivalent hourly basis.

Non bid board positions may work ten (10) hours a day, for four (4) days per work period with the approval of the Chief of Police. The Chief must make his decision on the work period hours at least two weeks prior to the final date that division transfer letters are due. Once the Chief has made his decision on the work period hours, the hours may not be changed during the “shift” year.

Section 13.11 Employees in the classification of Captain and above shall be excluded from the provisions of Sections 13.3 through 13.10 of this Article. If the rank or certain positions within the rank are determined to be non-exempt, claims for back wages shall be limited to two years or to the effective date of the revised Fair Labor Standards Act depending on which FLSA standard is applicable to any such determination.

Section 13.12 Employees in the ranks of Captain, Major, or Deputy Chief may be granted paid Administrative Leave (straight time paid leave) by the Chief of Police or designee when he/she determines it is in the best interest of the Police Department. Administrative Leave in excess of one week shall require approval of both the Police Chief and the Human Resources Director. Administrative Leave may be granted based on work requirements that unusually subject an Employee to work beyond forty (40) hours due to workload or meetings outside normal hours and who are not eligible for overtime (PD-04 and above). The use of Administrative Leave shall require the Employee to submit appropriate leave report documentation based on public sector accountability requirements.

#### ARTICLE 14 - HOLIDAYS

Section 14.1 The following days shall be observed as holidays, and Employees will be granted time off with pay unless required to be on duty:

New Year's Day	(January 1)
Martin Luther King Jr.'s Birthday	(3 <sup>rd</sup> Monday in January)
Good Friday	(Friday before Easter)
Memorial Day	(Last Monday in May)
Juneteenth	(June 19)
Independence Day	(July 4)
Labor Day	(1st Monday in Sept.)
Veteran's Day	(November 11)
Thanksgiving Day	(4 <sup>th</sup> Thursday in Nov.)
Friday after Thanksgiving	(4 <sup>th</sup> Friday in Nov.)
Christmas Eve	(December 24)
Christmas Day	(December 25)
Two Floating Holidays	

Paid holidays will also include such other days as shall be officially designated as a special holiday for all of Employer's employees.

Section 14.2 Non bid-board Employees who are regularly assigned to work Monday through Friday with Saturday and Sunday as normal days off shall observe a designated holiday which falls on Saturday or Sunday on the preceding Friday or following Monday respectively. All other Employees shall observe the designated holidays on the actual days specified in Section 14.1. Prior to the “bid-board” process used each year to determine assignments for specific personnel, the Employer and Lodge shall mutually determine which positions within each division of the department shall be designated as Administration.

Section 14.3 Excluding personnel considered “administrative” in section 14.2, uniform personnel that participate in the Bid Board process shall be allowed to work holidays that fall on their regular scheduled workday(s). Holiday work schedule(s) for non-bid personnel (assignments) will be made on an as needed basis by each Division Commander to address their respective manpower requirements on any particular holiday.

Section 14.4 Employees scheduled to work assignments on a holiday as defined in Sections 14.1 and 14.2 shall be compensated by either compensatory time off or cash payment based upon their election pursuant to Article 13. Employees who volunteer for such assignments shall qualify for all benefits under this article. If compensatory time has been elected, the Employee will receive such compensatory time at the rate of time-and-one-half for all time worked on the holiday, up to the maximum amount of compensatory time which an Employee can accrue pursuant to Article 13. If the Employee has elected cash payment, all time worked on the holiday shall be compensated at the rate of time-and-one-half the Employee's adjusted rate of pay (FLSA regular rate). If the Employee has elected compensatory time but has accrued or reaches the maximum accrual allowed pursuant to Article 13, all hours worked which cannot be applied to compensatory time shall be compensated by the payment of cash at the rate of time and one half the Employee's hourly rate of pay. All such premium compensation described in Section 14.4 shall be in addition to the Employee's regular pay for such day. An Employee who works additional hours in excess of their regular scheduled work time on a holiday designated by the City shall receive straight-time hourly compensation for such time worked in addition to overtime pay.

Section 14.5 Compensation for holidays that fall on an Employee's regular day off shall be shift based. Therefore, an Employee working an eight (8) hour shift shall be compensated for eight (8) hours of pay or compensatory time at straight-time rates and an Employee working a ten (10) hour shift shall be compensated for ten (10) hours of pay or compensatory time at straight-time rates in accordance with his election pursuant to Article 13. The election of compensatory time shall be subject to the maximum accrual specified in Article 13.

Section 14.6 An Employee must work his regularly scheduled work day immediately preceding and immediately following the holiday to receive holiday pay as defined in Section 14.4 when such holiday is not worked, or to receive premium pay as defined in Section 14.4 when such holiday is worked. An approved leave of absence with pay shall be considered as time worked for the purposes of Section 14.6; however, if Employer has reason to believe that an Employee has abused or has used excessive sick leave in the past, it may, in its discretion, deny his request for sick leave for the day preceding or following the holiday.

Section 14.7 An Employee who is absent on a holiday for which such Employee is scheduled to work shall be placed on leave without pay during such absence unless the absence is verified by a medical statement as defined in Section 14.10. If the absence is so verified, the Employee will receive his regular pay for the day and will not be charged a day of sick leave for the holiday.

Section 14.8 An Employee whose employment terminates and the last day worked precedes a holiday shall not be paid for such holiday, except for Employees whose retirement date coincides with a designated holiday.

Section 14.9 Employees must use the sixteen (16) or twenty (20) hours for the Floating Holidays within the calendar year or the hours will be forfeited each December 31. Employees shall receive a reminder notification by the end of August that such time must be scheduled prior to the end of the year. It is understood that Employees shall not be allowed to work on a scheduled Floating Holiday. Employees must take floating holidays on a full-day basis.

Section 14.10 For the purposes of this Agreement, "medical statement" shall be defined as communication from a licensed medical doctor (M.D.) or Doctor of Osteopathy (D.O.) stating:

- (a) The date or dates the Employee was seen professionally by the doctor;
- (b) The date the Employee was, or is expected to be, released to go back to work.

Section 14.11 Employees in the classifications of Major and above shall be excluded from Sections 14.4 and 14.5 of the Article.

Section 14.12 Holidays as designated in Section 14.1 are provided as a shift-based benefit. Therefore, Employees who are normally assigned to work a ten (10) hour shift will be compensated for the ten (10) hours of Holiday benefit for each holiday and Employees who are assigned to work an eight (8) hour shift shall be compensated for eight (8) hours of Holiday benefit for each holiday.

## ARTICLE 15 - SICK LEAVE

Section 15.1 Each Employee shall accrue paid sick leave at the rate of eight (8) hours for each full calendar month of service. A maximum of twelve hundred (1200) hours of sick leave may be accrued by Employees. After accrual of nine hundred sixty (960) hours of sick leave, any excess accrued may be converted to annual vacation leave at a ratio of 8 hours of vacation per each 8 hours of accrued sick leave.

Section 15.2 Employees may use accumulated sick leave for the following purposes:

- (a) When an Employee is incapacitated by sickness or non-job-related injury, or for medical, dental, or optical diagnosis or treatment.
- (b) For necessary care/attendance of members of the Employee's immediate family or household, as defined in Section 15.3.
- (c) After exposure to contagious disease when the attendance at duty, in the opinion of the City Physician, jeopardizes the health of others.

Section 15.3 For the purposes of this Article, "immediate family" shall be defined as husband, wife, son, daughter, mother, and father (including foster and step situations within these relationships). Use of sick leave for care/attendance of the immediate family or household shall be limited to a maximum of one hundred twenty (120) hours in any calendar year except for FMLA purposes provided that a completed Certification of Health Care Provider has been properly submitted and approved.

Section 15.4 Sick leave with pay shall not exceed the total amount the Employee has accrued. Leave without pay may be granted for sickness beyond the amount of accrued sick leave. After six (6) months of service, accrued vacation leave may be used for sick leave when accrued sick leave has been exhausted.

Section 15.5 Sick leave shall be expended in not less than one (1) hour increments. Holidays and other nonscheduled working days shall not be included in computing sick leave expenditures. Accrued sick leave shall not be paid to an Employee upon separation, except as set forth in Sections 15.10 and 15.11.

Section 15.6 Federal and state statutes shall govern sick leave restoration after military leave. An Employee who is laid off and returns to Employer's employment within one (1) year from the date of the layoff shall have his former unused sick leave reinstated.

Section 15.7 An Employee who is absent from duty for reasons which entitles him to sick leave shall notify his supervisor within a reasonable time prior to his usual reporting time, if physically able to do so. When an absence due to illness or non-job-related injury exceeds forty (40) hours, the Employee shall present at the time he returns to work a medical statement as defined in Section 15.9. Employer may, when the absence is forty (40) hours or less, require an Employee to present a medical statement before allowing the absence to be classified as sick leave.

Section 15.8 Employer may investigate the alleged illness or accident of an Employee absent on sick leave. Such an investigation shall be made only when based upon reasonable cause and in a consistent manner which least interferes with the employee's and/or their family's lifestyle. Employee shall notify his/her division desk officer or supervisor during the Employee's regularly scheduled work hours whenever leaving Employee's home or the hospital while on sick leave. False or fraudulent use of sick leave shall be cause for disciplinary action. Such action may include dismissal.

Section 15.9 After initial approval of sick leave, an Employee who continues to be physically unable to perform his normal duties shall be requested to present each thirty (30) calendar days a physician's statement to his Division Commander confirming his continued inability to perform his normal duties. The Chief of Police may at any time request a physician's statement or medical opinion from the City Physician regarding the Employee's ability to continue work or return to work.

Section 15.10 Upon retirement after completion of twenty (20) years of service, Retirees with at least nine hundred sixty (960) hours of accrued sick leave shall receive payment for the first six hundred (600) hours of accrued sick leave at a rate of one (1) hour of pay for every two (2) hours of sick leave up to a maximum of three hundred (300) hours of pay at the Retiree's pay step at the time of separation. Any sick leave accruals in excess of six hundred (600) hours and up to the twelve hundred (1200) hour accrual maximum that are not converted to vacation (per Section 15.1), shall be paid out at the rate of one (1) hour of pay for every one (1) hour of sick leave up to a maximum of six hundred (600) hours of pay at the Retiree's pay step at the time of separation. An Employee who has died in the line of duty, regardless of the Employee's length of service, shall have the same benefit under this section as a Retiree that has completed twenty (20) years of service.

Section 15.11 Employees who lack the necessary nine hundred sixty (960) hour accrual bank to qualify for the sick leave retirement buyout, shall provide evidence of and receive credit for major illness or non-job-related injury leave periods to reach qualification levels. In such cases, approved sick leave periods extending at least forty (40) hours shall be considered a major illness and shall be added to the accrual bank, for calculation purposes only. Any buyout would then occur only on the current available balance per 15.10 above.

Section 15.12 Employees shall first expend sick leave in such a manner so as to be considered concurrent with associated benefits arising under the Family and Medical Leave Act (see Article 29). The parties agree total sick leave expenditures shall be otherwise unaffected by Article 29 provisions.

## ARTICLE 16 - INJURY LEAVE

Section 16.1 The Lodge and the City of Tulsa recognize the necessity of maintaining a policy and procedure for administering Injury Leave within the City of Tulsa. The guidelines provided in the Tulsa Police Department Policy and Procedure Manual shall be used for administering injury leave under this agreement. It is the policy of the Employer to provide compensation and leave time for Employees who incur disabilities in accordance with State Statute Title 11 Section 50-116 et. seq. and/or Workers' Compensation Title 85A.

Section 16.2 While on Injury Leave, an Employee shall be entitled to all vacation, sick, and other leave benefit accruals. The employee's credit for computing time in grade for pay increases and promotional seniority considerations shall not be affected.

Section 16.3 The parties agree that for purposes of administering Injury Leave as it applies to members of this bargaining unit, Employees awaiting a final claim decision of the

Claims Administrator may elect to use Injury leave as stated in this Article 16. Upon notification from the Claims Administrator that the claim is denied, the City is authorized to deduct any Injury Leave used from the Employee's accruals of sick leave, vacation leave, or compensatory time, in that order, to reimburse the Injury Leave used. If the Employee lacks sufficient accruals of leave to reimburse the Injury Leave then the reimbursements shall come from accruals of sick leave, vacation leave, and compensatory time as they are earned by the Employee. Should the claim be denied and Injury Leave reimbursed, this will not prejudice any later action by the Employee in a Workers Compensation claim or other proceeding to contest said denial and to recover the personal leave that reimbursed said Injury Leave.

Section 16.4 If a police supervisor requires an officer to seek immediate medical treatment for a job-related incident and the cost of treatment is not paid through Worker's Compensation coverage or the medical insurance available to the officer, City shall pay all costs of the treatment.

#### ARTICLE 17 - FUNERAL LEAVE

Section 17.1 In the event of the death of a member of an Employee's immediate family, an Employee will be granted leave of absence with pay up to a maximum of three (3) working days to attend the funeral of the deceased. If the deceased's funeral is held at a location in excess of 250 miles from the City of Tulsa, an Employee shall be entitled to apply two (2) accrued sick leave days for travel time. The use of such sick leave days shall be in addition to the funeral leave provided. In the event the employee has been named as the Executor of the estate of the deceased immediate family member, he/she shall be entitled to the use of two (2) additional days off work upon verification of executorship and approval of the Chief or his designee. Such time is understood to be solely for the purpose of handling the business affairs of the deceased and shall be charged to the employee's sick leave account.

Section 17.2 For purposes of this article, an Employee's immediate family is defined as husband, wife, son, daughter, father, mother, sister, brother, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparents, and grandchildren of the Employee and grandparents of the spouse (including foster and step situations within these relationships) and any other relative living in the Employee's household at the time of death.

#### ARTICLE 18 - LEAVES OF ABSENCE

Section 18.1 A Personal or Emergency Leave of absence may at the Employer's discretion be granted to Employees for educational purposes, serious personal matters which cannot be resolved during the Employee's regular time off, to allow the Employee to attend his wedding or the wedding of a brother, sister, son, or daughter. The Employee may elect to use accrued vacation leave or compensatory time for personal or emergency leave. Personal or emergency leave may be granted for any other purpose or purposes which Employer may from time to time permit. A personal or emergency leave of absence without pay may at the Employer's discretion be granted to Employees who have no accrued vacation leave or compensatory time, with the approval of the Employee's Supervisor.

Section 18.2 Employees requesting Emergency Leave and/or leaves of absence without pay shall submit a written application to the Chief of Police or his designee prior to such leave. Applications for Emergency Leave and/or leaves of absence shall state the specific amount of time off desired and the reason. The Chief of Police or his designee shall, within ten (10) days following submission of a request for such leave, notify the Employee in writing whether the request has been granted or denied.

Section 18.3 During leaves of absence without pay and sick leave in excess of thirty (30) consecutive days, no vacation or sick leave will be accrued during the entire period of the leave. The Employee's department must initiate the appropriate leave correction sheets when necessary to adjust leave accrual. Further, such absence shall not be used in computing time in grade for SPIs, promotions, or for completion of the probationary period.

Section 18.4 At the expiration of a leave of absence without pay, the Employee shall be reinstated in the rank he held at the time such leave was granted. Failure on the part of an Employee to report promptly at the expiration of a leave of absence without pay may be cause for dismissal.

Section 18.5 Military leave shall be administered pursuant to the "escalator" principle incorporated into federal and state law. The returning veteran will be offered the rank, pay and seniority status the employee would hold if the employment relationship had continued without interruption by military service. The employee continues to accrue seniority during his/her absences to the extent the employee would have been able to accrue seniority if he/she had remained present. While the accrual level changes the accrual bank remains constant during the employee's absence.

## ARTICLE 19 - EDUCATIONAL AND LANGUAGE INCENTIVE PAY

For current Employees, proof of such educational achievement shall be made by presenting to the Chief of Police or his designee an official certified transcript with a completed Police Educational Incentive Request Form. New Employees shall provide an official certified transcript to the department prior to acceptance into the Academy in accordance with established hiring guidelines. No other documentation shall be considered acceptable for substitution unless special approval is granted by the Personnel Director or his designee based on a transcript not being available due to unexpected or unusual circumstances.

Section 19.3 The Chief of Police or his designee shall, for current employees, certify the educational attainment and incentive pay amount, which will become effective on the first day of the pay period following certification. Employees on original appointment probationary status shall automatically receive their educational incentive pay effective upon completion of the Academy or assignment to field duty as an APO. ### Drug Testing Policy

#### **.1 Drug Policy Defined**

- .11 It is the policy of the City of Tulsa that the use of illegal drugs and the abuse of legal drugs in the workplace constitutes a violation of the law and may also represent a threat to personal and public safety and property. Abuse of such substances can grossly diminish the productivity and reliability of employees there by violating the public trust. Such behavior shall not be tolerated and the City of Tulsa will administer a program to educate employees regarding the hazards of substance abuse and to eliminate such abuse.
- .12 The elected officials, management, collective bargaining units and employees of the City of Tulsa have a joint interest in workplace safety, the elimination of substance abuse and the improvement of related job performance safety and efficiency.
- .13 The City’s program shall include efforts to rehabilitate employees suffering from substance abuse problems. Employees are strongly encouraged to seek voluntarily, proactive assistance through the Employee Assistance program if they use illegal drugs or have an alcohol related problem. (See Section .193) However, this policy allows continuation of the employment of an individual upon an initial occurrence of a random positive drug or alcohol test which was initiated by the City and after review of the employee’s total work record. Upon an employee’s return to work after such a test result, any further positive drug or alcohol test shall be dealt with according to the provisions of this Policy and the CBA.

#### **.2 Effective Date**

This policy will be effective thirty (30) days after official posting and following distribution of the policy to all bargaining unit members.

#### **.3 Authority**

This policy shall be in accordance with and administered pursuant to The Oklahoma Standards for Workplace Drug and Alcohol Testing Act (Okla. Stat. tit. 40. §551, et. seq.), and where applicable to those subject to US DOT regulations, 49 U.S.C. §31306 of the Federal Statutes and the Department of Transportation (DOT) rules and regulations (49 CFR Parts 40:382, 391, 392, and any amendments thereto). Drug and alcohol testing required by and conducted pursuant to federal law or regulation shall be exempt from the provisions of the Standards for Workplace Drug and Alcohol Testing Act and the rules promulgated pursuant thereto.

#### **.4 Application**

- .41 This policy shall apply to all FOP Lodge 93 bargaining unit members. It shall not apply to independent contractors or employees provided by temporary agencies.
- .42 The provisions of this policy, which apply specifically to employees who are under the Department of Transportation commercial motor vehicle driver regulations, are directed at those employees who are required to hold an Oklahoma Commercial Driver’s License type A, B, or C due to the requirements of their position and job duties.

#### **.5 Pre-Placement Testing**

All external applicants for City positions within classified regular or classified part-time employment or sworn Fire Department positions shall undergo drug and/or alcohol testing prior to assignment.

- .51 Job applicants shall be tested only after a conditional offer of employment is made.

- .52 Pre-employment dilute negative drug test is considered a negative test and the test will not be repeated.
- .53 If the job applicant is unable to provide the quantity of urine needed for the test, the collector shall instruct the job applicant to drink not more than 40 ounces of fluids and after a period of up to three (3) hours, again attempt to provide a complete sample using a fresh collection container. Refusal to drink fluids is not a refusal to be tested. The original insufficient specimen shall be discarded.
- .54 If the applicant is still unable to provide an adequate specimen, the insufficient specimen shall be discarded, testing discontinued, and the MRO notified. At this time the MRO will perform a medical evaluation to determine if there is a legitimate medical condition that prevents production of a sufficient urine specimen. The MRO must determine if the medical condition is acute or permanent, and if permanent, whether there are clinical signs of illegal drug use. Medical conditions that would prevent the production of a suitable amount of urine must be an ascertainable physiologic condition or a medically documented pre-existing psychological disorder, but will not include unsupported assertions of "situational anxiety" or dehydration.
- .55 If a legitimate acute medical explanation is found by the MRO, the test shall be cancelled. If the job applicant is covered under DOT guidelines, then an alternative drug testing methodology may be used to achieve a negative drug test. If the legitimate medical explanation is a chronic or permanent medical condition, then the MRO must determine if there is clinical evidence that the individual is an illicit drug user. If there is no clinical evidence of drug use, the MRO will report the test as negative in those individuals with chronic medical conditions. If there is no medical evidence of a condition that prevents to production of a suitable amount of urine, then the test will be reported as a refusal to test.

#### **.6 For-Cause Testing**

Drug or alcohol testing may be conducted on any bargaining unit member if there is a reasonable belief that the member may be under the influence of drugs or alcohol.

- .61 No "for-cause testing" shall be initiated unless the circumstances are properly reviewed and agreed upon by at least two representatives of City management (which shall be considered to include supervisory level personnel).
- .62 A written record of the observation leading to a drug or alcohol test shall be created and signed by the supervisor(s), who made such observations, within twenty-four (24) hours of the observed behavior.
- .63 The City Medical Section shall be the records and reporting function for all drug or alcohol related information. Supervisors shall report to City Medical any instances of testing which occurs outside of the City Medical facility or City designated test sites; or cases involving an employee's refusal to submit to testing. Supervisors shall also provide the associated written report signed by the supervisor to City Medical in either instance.
- .64 Reasonable belief to support for-cause testing shall be based upon, among other things:
  - .641 Observable and articulated phenomena such as physical symptoms or manifestations of being under the influence of drugs or alcohol while at work or on duty (appearance, behavior, speech, body odors, etc.), or the direct observation of such use while at work; or
  - .642 Reports of drug or alcohol use while at work or on duty from reliable and credible sources, which are independently corroborated; or
  - .643 Evidence that an individual has tampered with a drug or alcohol test during his employment with the current employer.
  - .644 Evidence that an employee is involved in the illegal use or possession of drugs or the sale, solicitation

or transfer of drugs while on duty or while on the employer's premises or operating the employer's vehicle, machinery, or equipment.

**.7 Post-Accident Testing**

- .71 Post-accident drug or alcohol testing may be conducted on City employees only when there has been damage to City property, in an amount reasonably estimated at the time of the accident to exceed Five Hundred Dollars (\$500) or an actual work related injury to an employee or third party has occurred, and there is a reasonable belief (as defined in Section.6) that the accident, injury or damage was a direct result of the employee's use of drugs or alcohol (except as noted in Sections .72 through.73).
- .72 Employees subject to DOT commercial motor vehicle driver regulations who suffer a vehicle accident during operation of a commercial motor vehicle, shall be tested for alcohol and controlled substances as soon as possible after an accident if:
  - (a) the accident involved the loss of human life; and/or
  - (b) if the driver receives a citation under state or local law arising from the accident.
- .73 If such testing cannot be administered within two hours of an accident as noted in Section .72 (a) or (b) above, the supervisor shall prepare and maintain a written record of the reasons. After eight hours such efforts to administer testing shall cease and the written record shall be forwarded to City Medical and will be made available by City Medical to the Federal Highway Administration (FHWA) upon request.

**.8 Random and Scheduled Periodic Testing**

FOP Lodge 93 bargaining unit members shall be required to undergo drug or alcohol tests on a random selection basis or on a scheduled periodic basis.

- .81 "Random selection basis" is defined as a mechanism for selecting employees resulting in an equal probability that any bargaining unit member will be selected.
- .82 The City may not waive the selection of any employee who has been selected under the above mechanism.
- .83 Upon initiation of this policy those employees subject to drug and alcohol testing as a commercial motor vehicle driver under DOT regulations shall be tested at the following minimal test rates per those regulations:
  - (a) the initial minimum yearly percentage rate for random alcohol testing shall be twenty-five percent (25%) of all drivers;
  - (b) the initial minimum yearly percentage rate for random controlled substances testing shall be fifty percent (50%) of the average number of drivers;
  - (c) these yearly percentage standards shall be subject to change by, and shall be based upon, the current DOT regulations.
- .84 Other bargaining unit members shall be tested at a frequency rate determined by the City and as determined appropriate in view of program administrative considerations, state law or other legal requirements.
- .85 Employees shall be notified of their selection during the first half of their work shift. Every employee who is selected for random drug or alcohol testing shall proceed to the test site as soon as reasonably possible upon notification, unless the employee is performing a safety sensitive function at the time of notification which will not reasonably allow his/her replacement. In such cases, the supervisor shall ensure

the employee proceeds to the testing site as soon as reasonably possible.

- .86 If an Employee needs fluid in order to give a full sample, he/she shall be provided with sealed bottled water for that purpose.

**.9 Post-Rehabilitation Testing**

- .91 The City may require an employee to undergo drug or alcohol tests without prior notice for a period of two (2) years after the employee's return to work following a confirmed positive test, or following participation in a drug or alcohol dependency program at the request of the City of Tulsa.
- .92 Post-rehabilitation testing shall be conducted in addition to any other testing the employee is subject to under this policy.

**.10 Substances For Which Tests May Be Given**

- .101 Ethyl Alcohol or Ethanol (beer, liquor, etc.)
- .102 Cannabinoids or Marijuana (pot, weed, grass)
- .103 Cocaine (including crack)
- .104 Amphetamines (including speed)
- .105 Opiates (including morphine, codeine, heroin)
- .106 Semi-synthetic and synthetic narcotics (hydrocodone, hydromorphone, meperidine, methadone, oxycodone, propoxyphene)
- .107 Phencyclidine (including angel dust, PCP)
- .108 Threshold reporting levels shall be those established and maintained by the Oklahoma State Department of Health. Any positive levels below those established for confirmatory test levels shall not be reported to the City Medical Review Officer by the testing laboratory. In accordance with OAC 310:683 (5-5(c)), neither the testing laboratory nor the MRO shall disclose the quantitative levels of any substance in a positive test through any means.

**.11 Drug or Alcohol Testing Methods and Documentation**

Collection, storage, transportation, and testing procedures shall be conducted in accordance with rules established by the Oklahoma State Board of Health and applicable Federal Statutes and regulations including the following:

- .111 Testing facilities shall meet the qualifications and standards of and be licensed by the State Department of Health.
- .112 Samples shall be collected only by those persons "deemed qualified" by the State Board of Health and appropriate labeling of samples shall occur so as to reasonably preclude the probability of erroneous identification of test results.
- .113 Urine samples that are appropriate for drug and alcohol testing shall be collected with due regard to the privacy of the individual being tested. In no case shall the City's representative directly observe collection of a urine sample.
- .114 A written record of the chain of custody of the sample shall be maintained until the sample is no longer required.
- .115 An applicant or employee shall be given the opportunity to provide notification of any information which he/she considers relevant to the test, including currently or recently used drugs or other relevant information.
- .116 Reporting levels utilized for identification of positive substance abuse results shall be those levels established by the Federal Department of Transportation.

- .117 An employee who is found to have a positive drug test may designate an appropriate testing facility to which the split sample shall be sent for repeat testing. Such a testing facility must also meet the standards of this section.

## **.12 Costs**

The City is responsible for all costs associated with drug or alcohol testing.

- .121 If an employee requests a retest of the split specimen to challenge the findings of a confirmed positive test the employee is responsible for the cost of the test. However the City is responsible for arranging the test and may request reimbursement but cannot make payment a condition of doing the re-test.

- .122 Any test of a current employee must be performed during or immediately after the employee's scheduled work period and is deemed as compensable work time as applicable under the Fair Labor Standards Act.

## **.13 Refusal to Undergo Testing; Tampering with Sample**

Employees refusing to undergo testing according to the terms of this policy shall be subject to disciplinary action up to and including termination. Employees found supplying or attempting to supply an altered sample or a substitute sample, not their own, by whatever means, shall be subject to disciplinary action up to and including termination.

## **.14 Medical Review Officer**

The City shall employ and/or contract with a Medical Review Officer, who is qualified by the State Board of Health.

- .141 The Medical Review Officer shall receive test results from the testing facility and evaluate those results in conjunction with the subject employee and/or applicant. The MRO may only report that the results were positive or negative.

- .142 Upon receiving a confirmed positive test result the Medical Review Officer shall contact the applicant or employee prior to notification of City officials. The applicant or employee shall be given the opportunity to explain the test results. If the employee tests positive in accordance with a lawful prescription, the MRO shall not report the result as positive.

## **.15 Confidentiality**

The City shall comply with all provisions of the Workplace Drug and Alcohol Testing Act including confidentiality and shall treat all tests and all information related to such tests, including interviews, memoranda, reports, and statements as confidential.

- .151 All records relating to drug testing shall be kept separate from personnel records.

- .152 Such records may not be used in any criminal proceeding or civil or administrative action except in actions taken by the City or otherwise involving the subject employee and the City, unless there is a valid court order authorizing the release of such records.

- .153 Records shall be the property of the City of Tulsa and will be made available to the affected applicant or employee for inspection and copying upon request.

- .154 Records may not be released to any person other than the applicant or employee without the applicant or employee's expressed written permission, or if otherwise required by law.

- .155 Employees within supervisory or management positions shall be responsible for compliance with this

policy. They shall also ensure employees seeking treatment or within rehabilitation processes are treated fairly and appropriately as concerns their job rights and job security. Additionally, supervisors and managers shall ensure that all reasonable efforts are made to allow for confidential handling of diagnosis and treatment of employees with substance abuse problems.

#### **.16 Disciplinary Action**

The City of Tulsa recognizes that substance abuse is treatable and that appropriate responses to these problems include education, treatment and rehabilitation. The City shall not take disciplinary action against an employee who tests positive for drugs or alcohol the first time under the following listed conditions. However, this shall not preclude the use of paid administrative leave in cases involving reasonable belief or disciplinary action for other violations.

- .161 A non-probationary employee with no prior positive drug test will be given one (and only one) opportunity to continue employment after an initial occurrence of a positive drug or alcohol test where such testing was required by the City. In such cases no direct disciplinary action shall be effected due to the test results alone. However, some period of leave without pay may occur prior to the employee being allowed to return to work dependent upon the employee's leave accruals and per .163 below. Such an attempt to allow for rehabilitation of an employee is believed to be an appropriate course of action to meet the City's obligation to both our employees and to the citizens. A subsequent positive test shall be addressed according to the disciplinary procedures covered by the Collective Bargaining Agreement.
- .162 Continued employment after a positive test shall be contingent upon the employee acknowledging receipt of this drug testing policy and his/her obligations under this section. The obligations are to undergo random or periodic drug and/or alcohol post-rehabilitation testing for two (2) years after return to duty and satisfactory participation in the Employment Assistance Program. Employees who have had a positive drug or alcohol test shall not be allowed to return to work until they can provide a verified negative "return to work" drug or alcohol test (as applicable), performed at the City of Tulsa's designated testing site. (Available vacation, compensatory or sick leave accruals may be utilized by the employees in such situations.)
- .163 Grievances arising from implementation and operation of this drug testing policy will be handled through the Collective Bargaining Agreement. No FOP Lodge 93 bargaining unit members shall be disciplined for a positive test that is a result of a lawful job related exposure or contact.

#### **.17 Testing Procedure**

When a drug or alcohol test is appropriate under this policy the employee's exempt supervisor shall transport or arrange for the employee to be transported to the Medical Section or the City designated testing facility for testing. If the Medical Section is closed, the employee shall be transported to Hillcrest Medical Center Emergency Department (or other City designated after hours testing facility).

- .171 Employees must present a picture I.D. (Oklahoma Driver's License or City I.D., etc.) or be accompanied by an exempt supervisor who can provide identification witness as the City's representative to the Medical testing personnel representative prior to testing and as required by Oklahoma Department of Health procedures.
- .172 The exempt supervisor shall make a reasonable effort to ensure that the employee is safely transported to their place of residence after any drug or alcohol testing is completed under criteria of for-cause testing in .6.
