Are you preparing for a reception, small corporate function or party?

WaterWorks Art Center has the space for your event needs. Up to 150 guests can enjoy our beautiful large studio space with its picturesque windows, stage, and adjoining outdoor patio with views of historic Newblock Park and the downtown Tulsa skyline. An abundance of adjacent parking and a kitchenette are available for your event at no extra cost. Check on facility availability with WaterWorks Staff at (918) 596-2440.

*Art-based Teambuilding
Fuels Creativity!*

Inspire and energize your team with our fun and creative visual art activities. No experience is necessary as our professional and enthusiastic instructors guide your team as they create beautiful artwork involving innovative thinking and problem solving.

Choose activities that require collaboration between team members or projects that allow each person to explore his or her own ideas. Projects may reflect a corporate goal, theme or strategy – or just let your team’s imaginations take them in a new direction.

We’ll work with you to create an event that takes your team out of their ordinary day-to-day routine and into our space for an art activity, a meeting, and even a meal.

Collaborative Painting

(3 hours) • \$30/person

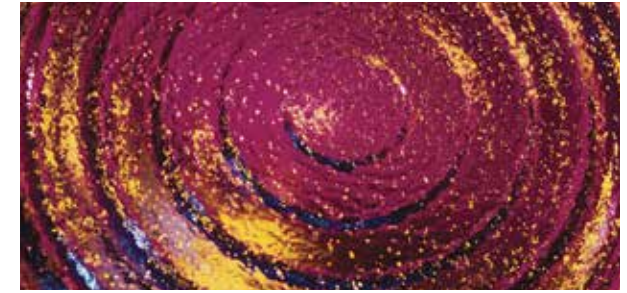

This project requires your team to negotiate colors, shading, transitioning between images and final details. You’ll end up with one large image on canvas that is perfect for use in a meeting room or break area.

Individual Custom Painting

(3 hours) • \$30/person

If you want a truly custom image for your group to paint, we can customize a design for you. In this project, each person paints his or her own painting and the image reflects a corporate project, logo, goal or mission statement.

Fused Glass Plates

(2 hours) • \$40/person

This is one of our most popular offerings! Each person creates a 6” square or 4” x 6” rectangular plate and learns to cut glass and design a one-of-a-kind plate. This is a fabulous introduction to working with “warm glass.” All glass plates will be fully fused and ready to pick up at WaterWorks two weeks after the class.

Clay Creations

(2 hours) • \$30/person

We offer two different types of clay experiences for our private parties:

The “Impressions” Project provides a brief pottery wheel demonstration to give participants an appreciation of the skill involved in creating the form they will alter using natural objects, texture tools and underglazes.

The second clay experience involves working with soft clay slabs to create a vessel from scratch. Participants then texture and color their creations as desired.

All projects are bisque-fired, then clear-glazed and ready to pick up at WaterWorks two weeks after the event.
