Submit proposals (sealed) to:
Office of the City Clerk
City of Tulsa

Suite 260
Tulsa, OK 74103
I. OVERVIEW AND GOALS:

With this Request for Proposal (RFP), the City of Tulsa’s (City) Office of Financial Empowerment & Community Wealth (OFE) in the Mayor’s Office of Resilience and Equity is soliciting proposals for a nonprofit provider partner(s) to manage Tulsa’s Financial Empowerment Center (FEC). Please refer to Appendix B for more details on the FEC model. We look forward to receiving your proposal.

II. BACKGROUND:

Tulsa’s FEC was launched in December 2020 as a local replication of the Cities for Financial Empowerment (CFE) Fund’s evidence-based model for providing free, professional one-on-one financial counseling as a public service of the City.

CFE Fund’s model sets up the City to facilitate program implementation and management of the FEC while day-to-day service provision is conducted by a qualified nonprofit partner organization(s).

Since inception, the Tulsa FEC has connected with over 1,500 Tulsans seeking guidance to reach their financial goals. On average, approximately 20% of active clients have reached at least one outcome as defined as:

<table>
<thead>
<tr>
<th>Banking</th>
<th>Debt</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Open a safe and affordable banking account - banking access is critical to individual and community financial security</td>
<td>• Decrease non-mortgage debt by at least 10% - although some debt represents a productive investment in assets, reducing non-mortgage debt can make resources available for saving or spending to improve quality of life, it can also lead to a higher credit score.</td>
</tr>
<tr>
<td>• Use banking account actively - begins using and maintains active use of a banking account; fostering active use of the banking account furthers a client’s ability to manage finances</td>
<td>• Reduce the number of delinquent (past due) accounts - on time bill payment is the most important part of the credit score algorithm.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Credit</th>
<th>Savings</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Establish a credit score – credit history and score are key indicators of a person’s financial life and used by a diverse range of actors to make financial decisions about a person</td>
<td>Set aside at least one week’s worth of income for the future – small amounts of savings can mitigate income volatility and unexpected expenses, which can lead to financial instability</td>
</tr>
<tr>
<td>• Increase credit score by at least 35 points – higher credit scores allow for better terms and conditions for a range of services, and cheaper ways to borrow money</td>
<td>Adopt new savings behaviors – adoption of positive behaviors or strategies may be more indicative of long-term financial stability than a snapshot of savings balances</td>
</tr>
</tbody>
</table>

The success of Tulsa’s FEC relies heavily on strong community partnerships. Partners can fall into two primary categories: referral partners and co-location partners. Referral partners inform clients of FEC services and share information on how to request an FEC appointment. Co-location partners provide FEC counselors with physical space and equipment onsite, as well as direct connection to their clients. FEC services become embedded in existing programs under this partnership category. Co-location partners typically also share some of the FEC counselor salary costs with the FEC.
III. **TIMELINE:**
The schedule below provides estimated dates for the RFP and contracting process. The City may adjust this schedule as needed. Responses to the RFP must be submitted to the City of Tulsa as outlined in this section.

Responses are due no later than **Wednesday July 26, 2023, 5:00 PM (CST)**
Responses received after this date and time will not be considered.

APPENDIX A – City of Tulsa General Contract Terms

It is anticipated that the City of Tulsa will enter into an Agreement with the selected Respondent ("SELLER") for an initial term ending one (1) year from the date of its execution by the City’s Mayor, with four (4) one-year renewals available at the option of the City. Contracts entered into by the City of Tulsa generally include, but are not limited to, the following terms:

1. **Renewals.** Seller understands and acknowledges that any future contracts or renewals are neither automatic nor implied by this Agreement. The continuing purchase by City of the Services set forth in this Agreement is subject to City’s needs and to City’s annual appropriation of sufficient funds in City’s fiscal year (July 1st to June 30th) in which such Services are purchased. In the event City does not appropriate or budget sufficient funds to perform this Agreement, this Agreement shall be null and void without further action by City.

2. **No Indemnification or Arbitration by City.** Seller understands and acknowledges that City is a municipal corporation that is funded by its taxpayers to operate for the benefit of its citizens. Accordingly, and pursuant to Oklahoma law, City shall not indemnify nor hold Seller harmless for loss, damage, expense or liability arising from or related to this Agreement, including any attorneys’ fees and costs. In addition, Seller shall not limit its liability to City for actual loss or direct damages for any claim based on a breach of this Agreement and the documents incorporated herein. City reserves the right to pursue all legal and equitable remedies to which it may be entitled. City will not agree to binding arbitration of any disputes.

3. **Intellectual Property Indemnification by Seller.** Seller agrees to indemnify, defend, and save harmless City and its officers, employees and agents from all suits and actions of every nature brought against them due to the use of patented, trademarked or copyright-protected appliances, products, materials or processes provided by Seller hereunder. Seller shall pay all royalties and charges incident to such patents, trademarks or copyrights.

4. **General Liability and Indemnification.** Seller shall hold City harmless from any loss, damage or claims arising from or related to the performance of the Agreement herein. Seller must exercise all reasonable and customary precaution to prevent any harm or loss to all persons and property related to this Agreement. Seller agrees to indemnify and hold the City harmless from all claims, demands, causes of action or suits of whatever nature arising out of the services, labor, and material furnished by Seller or Seller’s subcontractors under the scope of this Agreement.

5. **Liens.** Pursuant to City’s Charter (Art. XII, §5), no lien of any kind shall exist against any property of City.

6. **No Confidentiality.** Seller understands and acknowledges that City is subject to the Oklahoma Open Records Act (51 O.S. §24A.1 et seq.) and therefore cannot assure the confidentiality of contract terms or other information provided by Seller pursuant to this Agreement that would be inconsistent with City’s compliance with its statutory requirements there under.

7. **Compliance with Laws.** Seller shall be responsible for complying with all applicable federal, state and local laws. Seller is responsible for any costs of such compliance. Seller shall take the necessary actions to ensure its operations in performance of this contract and employment practices are in compliance with the requirements of the Americans with Disabilities Act. Seller certifies that it and all of its subcontractors to be used in the performance of this agreement are in compliance with 25 O.S. Sec. 1313 and participate in the Status Verification System. The Status Verification System is defined in 25 O.S. Sec.
8. **Right to Audit.** The parties agree that books, records, documents, accounting procedures, practices, price lists or any other items related to the Services provided hereunder are subject to inspection, examination, and copying by City or its designees. Seller shall retain all records related to this Agreement for the duration of the contract term and a period of three years following completion and/or termination of the contract. If an audit, litigation, or other action involving such records begins before the end of the three year period, the records shall be maintained for three years from the date that all issues arising out of the action are resolved or until the end of the three year retention period, whichever is later.

9. **Governing Law and Venue.** This Agreement is executed in and shall be governed by and construed in accordance with the laws of the State of Oklahoma without regard to its choice of law principles, which shall be the forum for any lawsuits arising under this Agreement or incident thereto. The parties stipulate that venue is proper in a court of competent jurisdiction in Tulsa County, Oklahoma and each party waives any objection to such venue.

10. **No Waiver.** A waiver of any breach of any provision of this Agreement shall not constitute or operate as a waiver of any other provision, nor shall any failure to enforce any provision hereof operate as a waiver of the enforcement of such provision or any other provision.

11. **Entire Agreement/No Assignment.** This Agreement and any documents incorporated herein constitute the entire agreement of the parties and supersede any and all prior agreements, oral or otherwise, relating to the subject matter of this Agreement. This Agreement may only be modified or amended in writing and signed by both parties. Notwithstanding anything to the contrary herein, the City does not agree to the terms of any future agreements, revisions or modifications that may be required under this Agreement unless such terms, revisions or modifications have been reduced to writing and signed by both parties. Seller may not assign this Agreement or use subcontractors to provide the Goods and/or Services without City’s prior written consent. Seller shall not be entitled to any claim for extras of any kind or nature.

12. **Equal Employment Opportunity.** Seller shall comply with all applicable laws regarding equal employment opportunity and nondiscrimination.
APPENDIX B – Financial Empowerment Center Model

Please note that this provides a broad overview of the model. During the course of engagement, the City of Tulsa and CFE Fund will be providing further details on all components of the model.

Key elements of the FEC model and operations include:

**Model:**
- Professional, one-on-one and free public service.
- Systematically track data and outcomes for client management and evaluation.
- Connects to a range of local government and nonprofit service delivery systems.
- Prioritizes sustainability efforts to become a permanent service in the locality.

**Operations:**
- Program implementation and management is led and overseen by the local government.
- Service provision is conducted by one or more qualified nonprofit partners or local government agencies, formalized via Memorandum Of Understanding.
- Counselors conduct financial triage with clients to determine the nature of their financial situation, set goals, and establish a specific plan of action with each client focused in four primary areas: banking, savings, debt, and credit.
- Client retention, critical to outcome achievement, is prioritized as counselors work with clients to make progress on their action plan.
- All counselors must be trained based on the CFE Fund’s training standards and pass a CFE Fund–administered final exam.

**The Financial Counseling Session**

As defined for the Model, one-on-one financial counseling and coaching represents a mix of direct service goal setting and light case management provided by highly trained professionals to advise people on their financial and personal goals in the areas of banking, savings, debt, and credit. Using deep technical knowledge of financial issues and the ability. One-on-one counseling, either in person or remotely, is conducted or tracked with the goal of clients achieving meaningful, defined financial outcomes. A financial counseling session is a confidential, private meeting between an FEC counselor and individual (or household) lasting a minimum of 30 minutes. Sessions can be either in person or remote (i.e. phone, video) given they meet the 30-minute requirement.

The initial counseling session consists of a comprehensive financial health assessment, where counselors conduct triage to determine the full nature of the client’s financial situation, support the client in setting goals, and establish a specific client-led action plan to manage their finances, pay down debt, increase savings, establish and build credit, and access safe and affordable mainstream banking products. Retention, or returning for more than one session, is critical; clients are more likely to achieve outcomes if they participate in multiple counseling sessions. Throughout the process, counselors advise clients, and track progress towards outcomes aimed at enhancing financial stability.

**Partnership Structure**

The Model is a partnership between local government and community-based organizations, with critical and distinct roles for each partner.

*Local Government (city or county)* plays a central role of directing and coordinating the initiative on the ground. The local government partner ensures quality and consistency of service delivery by establishing protocols for monitoring and evaluation, using public channels for marketing and promotion of services, and supporting integration of service delivery within other public programs and local government access points.
Financial Counseling Providers recruit, hire and supervise the FEC counselors. They are responsible for all data collection and regular reporting to the local government and the CFE Fund. They support public marketing efforts by participating in outreach events and presentations. In addition, nonprofit providers establish and maintain relationships with other community partners hosting counselors, referral partners, and other outreach and community efforts. This provider role can also be fulfilled by a local government agency.

Local and National Counselor Training Partners deliver financial counseling training instruction based on the training standards provided by the CFE Fund, focusing on financial content, counseling and coaching skills, and cultural awareness. Partners can deliver this training in a variety of formats, including at a local college, through self-paced webinars, and/or with program managers or national training providers teaching the curriculum. Prior to working with their own clients, counselors must pass an exam that evaluates their command of training material and succeed at a period of mentored, experiential training (such as role-playing, shadowing, and observation). In addition, local government and counseling provider managers coordinate continuing education opportunities as the program evolves to further counselors’ professional development and understanding of new financial issues that those with low incomes face.

Programmatic Partners are crucial to integrating the FEC services into the service streams of local government and nonprofit agencies, especially those serving people with low and moderate incomes. Partnerships deeply embed financial counseling/coaching into local government and nonprofit programs, advancing both programs’ goals. Partnerships can have a variety of characteristics in a scale of increasing integration, which are: formalized via MOU, defined referral process, co-location, FEC participation fully integrated, coordinated case management, regular reporting, data sharing agreement, and Supravitamin Effects Study. Potential complementary program integrations could include homeownership assistance, homeless prevention, foreclosure prevention, workforce development, asset building, financial access, domestic violence prevention, or other social services.

Philanthropic Partners are influential in the launch of the FEC and subsequent enhancement opportunities. At the start of the implementation phase, localities secure funding from local and/or national funders to partially match the CFE Fund's investment to launch the FEC. Funder engagement in the FEC stems from a range of interests, including geographic footprints, programmatic priorities, innovation opportunities, and issue-based giving. Once the FEC has launched, funders offer opportunities to enhance the Model with targeted pilots, while also providing support to complement the public funding.

Data Collection and Reporting

Data collection and reporting are essential to the success of the Model, used to improve service delivery, track required outcomes, and further budgetary and political sustainability efforts. FEC initiative partners will be required to use the FEC database throughout the grant period and participate in all national data collection, tracking, and evaluation activities. Partners have access to all local data collected and can create customized reports.

Learning Community

The CFE Fund operates a national learning community of local government partners engaged in FEC development and implementation. Learning community calls or events are valuable opportunities to learn and share best practices.
