## I. STATEMENT OF PURPOSE:

### 1. Overview and Goals

The goal of this solicitation is to secure a Secondary Source for Hauling and Disposal of Household Pollutants for use by the Public Works Department of the City of Tulsa.

### 2. Term of Contract

The City intends to award a one-year annual contract. The City may offer the Seller the opportunity for additional one-year terms. The City also reserves the right to make multiple or partial awards. To do business with the City, You must agree to the terms and conditions of the City's standard Purchase Agreement, indicated by Your Authorized Agent's signature on the Purchase Agreement.

Capitalized terms used in this IFB and not defined in the Purchase Agreement shall have the meanings as ascribed to them in Title 6, Chapter 4 of the [Tulsa Revised Ordinances](#).

The entire Invitation for Bid (IFB), including any additional information submitted by Bidder and Accepted by City will be included as part of the Agreement between Seller and City. **All sheets of this IFB (including Sections I-V) must be submitted.**

#### ***Authorized Agent***

Several parts of the Bid (Affidavits, Purchase Agreement) must be signed by an “**Authorized Agent**.” An Authorized Agent means an agent who is legally authorized to bind the Seller under the law of the state in which the Seller is legally organized. For instance, under Oklahoma law, the Authorized Agent for each of the following types of entities is as stated below:

- **Corporations** – the president, vice president, board chair or board vice chair can sign; others can sign if they have and provide the City with (i) a corporate resolution giving them authority to bind the Seller, and (ii) a recent corporate secretary's certificate indicating the authority is still valid.
- **General Partnerships** – any partner can sign to bind all partners.
- **Limited Partnerships** – the general partner must sign.
- **Individuals** – no additional authorization is required, but signatures must be witnessed and notarized.
- **Sole Proprietorship** – the owner can sign. Any other person can sign if s/he provides a recent Power of Attorney, signed by the owner, authorizing him/her to bind the sole proprietorship.
- **Limited Liability Company (LLC)** – The manager as named in the Operating Agreement can sign. Any person authorized by the Operating Agreement, or a member can sign providing the person submits a copy of the authorization with a certificate of the members indicating the authorization is still valid.

Entities organized in states other than Oklahoma must follow the law of the state in which they are organized.

## **II. SCOPE OF SERVICES AND SPECIFICATIONS**

### **1. Scope of Services**

The City is requesting Bids for a Secondary Source for Hauling and Disposal of Household Pollutants for use by the Public Works Department when the Primary Seller is not able to meet the demands of the City of Tulsa.

#### **Delivery Requirements**

All prices quoted shall be based on delivery F.O.B. Tulsa, Oklahoma or to any other points as may be designated in the Specifications, with all charges prepaid by Seller to the actual point of delivery. Bids must state the number of Days required for delivery under normal conditions.

Absolutely no items over 500lbs. may be directly shipped to the City requiring the City personnel to unload from the shipping truck or trailer. The City carries no responsibility for any damages incurred during an unloading occurrence. All unloading shall be the responsibility of the Seller and/or shipping entity.

### **2. Specifications**

The Bid **must** meet or exceed the following Specifications.

Seller will provide all pertinent information regarding the Seller and its subcontractors' permits, insurance, credentials, and abilities to manage the City of Tulsa waste. City of Tulsa staff will perform site visits to any contract facility or subcontract facility utilized to dispose of material. Seller and its subcontractors will accept any unexpected waste received and/or provide assistance (if needed) to determine any unknowns City accidentally accepts. Seller and its subcontractors will be required to secure their loads to prevent littering. There will be a Waste Management Facility Evaluation for Seller or any subcontractor utilized in the disposal of waste.

Seller and its subcontractors shall remove unpermitted prohibited waste from the facility and transport to a disposal facility specially licensed and permitted to dispose of such waste. This transportation will take place as soon as possible, but no later than 90 days after acquiring the special waste.

Seller and any subcontractors utilized to dispose of the waste will be required to complete waste hauler manifests for each load transported out of the facility. Seller will provide all necessary training required for efficiently and safely receiving all approved waste. Seller will provide weekly, monthly, and/or annual reports as requested by the City of Tulsa.

The weekly hours of operation for the Household Waste facility are Wednesday and Saturday from 8:00am to 4:30pm. These hours and days are subject to change. No waste will be collected through events. This is a permanent facility, staffed by City, that will be collecting waste following a regular schedule. This is subject to change as citizen needs and resources evolve. Seller must provide training on how to sort, package, and label waste for Seller disposal. Seller will be required to dispose of waste within 72 hours of receiving a call from City.

It is anticipated that the facility will collect the same amount of waste that is collected from the two events that are currently being held by the M.E.T. for the Tulsa area. The facility will process 3,328 cars per year (64 cars per week). The amount collected per day, week and month can vary wildly but as mentioned, can be over 10,000 lbs. per week.

The services to be provided under this IFB include but are not limited to the following tasks:

- A.** Collect, package (containerize), sample, and label hazardous, special, and solid wastes.
- B.** Provide a complete listing of storage, loading, transfer, transportation, and disposal services for wastes to disposal or recycling facilities which will be utilized (must be registered with the U.S. EPA, the Oklahoma Corporation Commission, U.S. DOT, and any applicable out of state agencies). The facilities list should include the location, contact, phone and Federal/State TSD Number of each facility. Permits for each of these facilities should be attached with other information.
- C.** Disposal (including incineration, fuels blending, treatment, recycling landfilling) of hazardous and other regulated materials.
- D.** Provide roll-off boxes, box transportation for disposal, drums, packaging material, mobile collection sites (In case of emergency/natural disaster) on an as needed basis.
- E.** Recycling and treatment of waste materials whenever feasible.
- F.** Assume Generator Status of all waste. The Seller shall be deemed to be the “generator” (for the purposes of Oklahoma and Federal laws and regulations) of all materials accepted by the Seller at the Household Pollutant Collection Facility.
- G.** Respond to all City disposal requests within 72 hours of the written disposal request sent via facsimile or email.
- H.** Provide paperwork and documentation needed to complete waste shipments.
- I.** Provide City with fully executed copies of Waste Manifests within 35 days of waste shipment.
- J.** Provide City with Certificates of Disposal within 90 days of waste shipment, including methods of final treatment and disposal.
- K.** Maintain all necessary licenses and/or permits required under Federal, State, and local laws and regulations for the transportation and proper disposal of hazardous waste. A current copy must be sent to the City with their Proposal and before any and all renewals.
- L.** Submit an annual report in a format mutually agreed upon by the Seller and the City, which summarizes the services provided, expenditures paid, and any other info requested by the City Of Tulsa. The report shall be sent to the City no later than forty-five (45) days following the end of each City fiscal year. The City may also request reports to be submitted at other intervals throughout the year.
- M.** Provide assistance in setting up, staffing, and labor for temporary collection areas that could be necessary in emergency situations.

\*Please note – In order to allow Bidder to calculate the most economical price feasible for disposal services, the table provides the annual weight hauled for the specific categories as shown in Exhibit A – Delivery and Pricing page. This table is based on historical data of material collected at the Household Pollutant Collection Facility from Fall 2018-2020. This facility has serviced the household pollutant disposal needs of Tulsa and the surrounding communities. This is only an estimate of the amounts of materials the facility is expected to receive on an annual basis, and the amounts have the potential to fluctuate with increased citizen participation of the facility. Waste streams highlighted in gray will be disposed of through existing contracts outside of this Agreement but may be added to this Agreement if necessary. This Agreement is for a Secondary Seller only, so the amounts will vary greatly.

Timeliness of Bid submittals will be determined using only this clock.

***Exceptions to Timeliness Requirement***

The Purchasing Agent, at his/her sole discretion, may make exceptions only for the following reasons:

- City Hall closed for business for part or all of the day on the date the response was due;
- If the Purchasing Agent deems it appropriate due to large-scale disruptions in supply chains and the transportation industry that may have prevented delivery as required;
- If documented weather conditions caused the late delivery. You must provide documentation of such weather to the satisfaction of the Purchasing Agent.

In the event that the Bid submittal is delivered after the time specified and does not meet the exceptions listed above, the Bid will not be accepted and the submittal envelope will not be opened.

The City will not be liable for delays in delivery of Bids to the City due to handling by the U.S. Postal Service, or any other type of delivery service. The City reserves the right to postpone the date and time for submittal of Bids at any time prior to the Bid Opening Date or to delay or reschedule the Bid Opening Date for its own convenience.

The City reserves the right to cancel, revise, or amend this IFB and associated bidding documents up to the time specified for receipt of Bids.

## IV. BID EVALUATION AND AWARD

1. **Bid Evaluation**: The Assigned Buyer and departmental staff will work together to determine the winning Bid. Generally speaking, the Bid award will go to the **Lowest Secure Bidder: the Supply or Service that can best meet the City's needs at the lowest cost**. In addition to price and specifications, the Buyer and departmental staff may also evaluate Bidder history and experience, delivery time, maintenance requirements, and performance data, among other factors.
2. **Bid Rejection or Withdrawal**: The City may reject any or all Bids in whole or in part. Reasons a Bid may be rejected include, but are not limited to the following:
  - A submitted Bid does not contain all the necessary materials, signatures, and/or affidavits (listed on the included checklist);
  - The Bid does not meet specifications and requirements in some material way;
  - The Bidder holds outstanding debt to the City;
  - The Bidder adds additional terms and conditions that modify IFB requirements or attempt to limit Bidder's liability to the City.

City reserves the right to waive minor deficiencies of specifications, technicalities or informalities in a Bid, provided that the best interest of the City would be served without prejudice to the rights of other Bidders. Bid withdrawal, meanwhile, may only be accomplished by having an Authorized Agent request the withdrawal in person at the City Clerk's office before the City's close of business on the Bid Submission Date.

3. **Bid Award Recommendation and Appeal**: Upon confirming the Bid recommended for selection, the Assigned Buyer will email all participating Bidders a memo announcing the recommended Bid. This email will also share the time, date, and virtual meeting link for the Standard, Specifications, and Award (SSA) committee meeting where the Bid award recommendation will be reviewed.

If approved by SSA, the award recommendation is then sent to the Mayor for the Mayor's final approval. SSA meetings are held Thursdays at 8:30am in the City of Tulsa Council Meeting Room, 175 East 2<sup>nd</sup> Street, 2<sup>nd</sup> Floor, Tulsa, Oklahoma. The meeting will be held on a given Thursday at 8:30 am, depending on when the Bid award has been determined. During this meeting, Bidders who are not recommended for award can issue an appeal and ask that the Bid award be reconsidered. Bidders who are not recommended for award can also email the Assigned Buyer prior to the SSA meeting if they have any questions or concerns regarding the award recommendation.

If/when the Bid award is approved by the SSA committee, the City will make available on the City's Purchasing Website a summary of Bids received generally within 5 working days after the Bid Opening Date. After a Bid award is recommended to the Mayor, a copy of the Bid summary will be available in the City Clerk's Office. Bid results are not provided in response to telephone or email inquiries. All Bid awards are subject to Acceptance by the City.

City in its sole discretion may offer Seller an opportunity to renew this Agreement up to an additional four (4) one (1) year term(s). At City's option, City may return such Supplies to Seller and Seller shall pay the cost of returning such Supplies and reimburse City for any payments made for such Supplies.
15. **No Insurance by City.** If City is leasing Supplies herein, City shall not be required to obtain insurance for Seller's property. Seller shall be solely responsible for any insurance it deems necessary. City is self-insured for its own negligence, subject to the limits of the Governmental Tort Claims Act (51 O.S. § 151 et seq.).

Packing lists shall be enclosed in each and every box or package shipped pursuant to this Agreement, indicating the content therein.

20. **Price Changes.** The parties understand and agree that the variables in Seller's cost of performance may fluctuate, but any change in Seller's cost of performance will not alter its obligations under this Agreement, nor excuse performance or delay on Seller's part. Notwithstanding the foregoing, after the first year of the term, the Seller may request a price increase in addition to any other price increase set forth in this Agreement. In its sole discretion, the City may approve the request if it determines that such price increase is in the City's best interest.

For any exception to the delivery date specified in the Agreement, Seller shall give prior written notification and obtain written approval from the City. The Acceptance by the City of later performance with or without objection or reservation shall neither waive the City's right to claim damages for such breach nor constitute a waiver of the requirements for the timely performance of any obligation remaining to be performed by Seller.

City does not and will not agree to binding arbitration of any disputes.
30. **No Waiver.** A waiver of any breach of any provision of this Agreement shall not constitute or operate as a waiver of any other provision, nor shall any failure to enforce any provision hereof operate as a waiver of the enforcement of such provision or any other provision.
31. **Entire Agreement.** The entire agreement between City and Seller is contained in the Agreement. No verbal agreement between the parties is binding. Any scope of services, scope of work, quote, invoice, acknowledgment or other communication or other document issued by Seller in connection with this Agreement will be for the purposes of describing in greater detail the Supplies and/or Services (as applicable) to be provided. Seller's rejection or modification of the terms set forth in the City's IFB is void and of no effect, unless any such modification improves upon the City's terms or Specifications, in which case the improvement is accepted. Seller understands and acknowledges that if it adds terms and conditions to its Bid that are different from the terms set forth herein that City may reject the Bid as non-responsive.
32. **Amendment/No Assignment.** The Agreement may only be modified or amended in a writing signed by both parties. Notwithstanding anything to the contrary stated herein or in the attachments to this Agreement, no future agreements, revisions or modifications that may be required under this Agreement are effective or enforceable unless such terms, revisions or modifications have been reduced to writing and signed by City and Seller.
