UTILITY BOARD: Documents were presented from the Utility Board by way of communications from C.R. Holden, Superintendent of Waterworks and Sewerage, together with recommendations thereon, as follows:

1. BILLS: The following bills were presented for payment.

O.B. Const. Co., Inc.	Periodical Estimate No. 4, Waterworks Bond Project No. WW62-431, I-44-2(200) 090(202)Utilities, Interstate 44 Bridge over Arkansas River Water Main Reloc. 95.6% Complete, 1962 Waterworks Bonds	\$ 3,380.20
O.B. Const. Co., Inc.	Periodical Estimate No. 2, Waterworks Bond Proj. #WW69-251, Lakeview Hts., between Mohawk Blvd & 38th St. N. on Gary, 1969 Water Bonds	\$ 4,007.25
William S. Robertson	Periodical Estimate No. 5, FINAL AND ACCEPTANCE, Revenue Sharing Proj. #TSW-25 & RSW-26, 6" water mains, 43rd & Hudson & 45th & Alleghany Revenue Sharing Period VIII	\$18,928.05
Briedwell Bros. Const Co., Inc.	Periodical Estimate No. 1, Revenue Sharing Proj. #RSW-36, Repair of Streets, Sidewalks & Curbs, North Tulsa, 17.9% Complete	\$ 4,116.60
Gutierrez, Smouse, Wilmut and Assoc., Inc.	Eng. Fees - Sanitary Sewer Bond Proj. #SA62-331, LaFortune Park Area - 1962 Sanitary Sewer Bonds, SA62-331	\$16,720.00
Black & Veatch	Eng. Fees - Sanitary Sewer Bond Proj. No. SA69-4, WPC-OKLA-0786, Startup Services, Southside Sewage Treatment Plant (10.5 MGD), 1969 Bonds	\$ 2,134.72
Black & Veatch	Eng. Fees - Sanitary Sewer Bond Project #SA69-7, WPC-OKLA-0784, Startup Services Northside Sewage Treatment Plant (11 MGD) 1969 Sanitary Sewer Bonds, SA69-7	\$ 2,956.80

2. PURCHASE OF EASEMENT: A request was presented to purchase an easement from Hugh Thomas Holland III, Trustee, of Vida M. Morgan Trust for Revenue Sharing Project No. RSW-22, Cherokee Industrial District Water Main, Section II, in the amount of \$250.00.

RECOMMENDATION: That this purchase be approved.

3. CHANGE ORDERS: Change orders were presented for the following contracts.

Change Order No. 1, Revenue Sharing Project No. RSW-35, Repair of Streets, Sidewalks and Curbs, Downtown and West Tulsa - a \$3,125 increase, which is necessary for addition of jackhammer cutting at asphalt street pavement.

Change Order No. 1, Revenue Sharing Project No. RSW-36, Repair of Streets, Sidewalks and Curbs, North Tulsa, \$3,125.00 increase, necessary for addition of jackhammer cutting at asphalt street pavement.

Change Order No. 1, Revenue Sharing Project No. RSW-37, Repair of Streets, Sidewalks and Curbs, East and South Tulsa - a \$2,750.00 increase, which is necessary for addition of jackhammer cutting at asphalt street pavement.

Change Order No. 1, Revenue Sharing Project No. RSW-38, Repair of Streets, Sidewalks and Curbs, Central Area of Tulsa - a \$4,500.00 increase, which is necessary for addition of jackhammer cutting at asphalt street pavement.

RECOMMENDATION: That these change orders be approved and executed on behalf of the City of Tulsa, subject to final approval by the City Attorney.

4. TABULATION OF BIDS - REBUILDING VERN MEDIO LIFT STATION: Bids were received February 19, 1980 for construction of Sanitary Sewer Bond Project No. SA62-325, Rebuilding the Vern Medio Lift Station, West 11th St. and 51st W. Avenue. All bids exceeded the Engineer's Estimate.

RECOMMENDATION: That all bids be rejected and the project not be readvertised at this time.

5. CONTRACTS: Contracts for the following Sanitary Sewer Districts were presented.

SSID No. 2038, Nonassessment, Sturgis Property, S. St. Louis Ave. and E. 13th Street. B & W Utilities, a joint venture of William E. Buffington and Charles William Wilkinson, Contractor and Sturgis Wassam & Edana Wassam, owners.

SSID No. 2081-X (NA), Kensington II, Blocks 3-8, E. 73rd St. S. & S. Trenton Ave. Rangeline Field Services, Inc., Contractor and The Riverside Co., owner

RECOMMENDATION: That these contracts be approved and executed on behalf of the City of Tulsa, subject to final approval by the City Attorney.

6. REQUEST TO CONSTRUCT WITH CITY FORCES: On approximately February 5, 1980, an 8" water main crossing the Interstate 44 at about 161st E. Ave. broke. The break apparently occurred under the eastbound roadway fill. A 2" galvanized main was pushed through the 8" cast iron line for temporary service; however, volume and pressure is limited.

February 29, 1980

Drawings were submitted for approval, construction to be done by City forces. This project consists of approximately 1200 feet of 12" water main. Verbal permission has been granted by the Division Highway Engineer to open cut the on and off ramps which will have to be crossed, provided that temporary ramps are constructed to adequately serve the expressway. Additional requirements of the Highway Department have been included in the plans.

RECOMMENDATION: That the Water and Sewer Department be authorized to construct this project with City forces.

7. DRAWINGS, PETITIONS AND REQUESTS TO PUBLISH ORDINANCES: Requests were presented for the following .

SSID No. 2083-X (NA), Summerfield South, S. 145th E. Ave. & E. 38th St. S.

SSID No. 2090 (NA), Pecan Acres (Part of Cambridge Square), S. Yorktown Ave. & E. 63rd St. S.

RECOMMENDATION: That these requests be granted, the drawings approved, and the City Attorney be requested to prepare the creation ordinances.

8. DRAWING FOR APPROVAL: Drawing was presented for Sanitary Sewer District No. 2091-E (NA), Southpark Center, 4500 S. Garnett Road.

RECOMMENDATION: That this drawing be approved.

9. STATE HEALTH DEPARTMENT PERMITS: The following are duly executed permits from the State Department of Health granting permission for construction of the referenced projects:

Sanitary Sewer District No. 2077 (NA), Harter's Second Addition (Part of Lot 18) S. Lewis Ave. & E. 22nd St. S.

SSID No. 2079-X (HC-72) NA, Minshall Park V (Eagle Point Apts), E. 71st St. S. and S. Irvington Ave.

SSID No. 2080 (NA), Wilcox Property, E. 29th St. South and South Rockford Ave.

Sanitary Sewer Bond Project No. SA62-325, Vern Medio Lift Station, W. 11th St. and 51st W. Avenue.

RECOMMENDATION: That these Permits be received and filed by the City Auditor.

10. ACCEPTANCES: The following Projects have been completed in accordance with the Contract Documents and to the satisfaction of the Water and Sewer Department.

SSID No. 1695-X (FC-72) NA, Ford-Still Property, 3100 E. 71st St. S.

SSID No. 1719-X (FC-77) NA, Burning Hills, E. 68th St. S. & S. Yale

SSID No. 1745-X (FC-82) NA, The Draw Bridge, 6800 S. Harvard Ave.

SSID No. 1976-X (NA), 51st and Mingo Commercial Center, E. 51st St. & S. 95th E. Ave.

SSID No. 2056 (NA), Southlawn Addition (Lots 14 and 20), 1400 E. 60th St. S.

RECOMMENDATION: That these projects be accepted.

11. DIRECT MAIN LINE EXCESS CAPACITY CONTRACTS: The following were presented.

Coventry Homes, Inc., 9904 S. 67th E. Place

Coventry Homes Inc., 9930 & 9926 S. 67th E. Place

RECOMMENDATION: That these contracts be approved and executed on behalf of the City of Tulsa, subject to final approval by the City Attorney; and, that the City Auditor be authorized to file the original of record.

12. URBAN ENGINEERING AGREEMENTS: The following were presented.

Sanitary Sewer Improvement District No. 2090 (NA) and WMEC No. 996, Pecan Acres (Part of Cambridge Square) S. Yorktown Avenue and E. 63rd St. South

Sanitary Sewer Improvement District No. 2091-E (NA), Southpark Center, 4500 S. Garnett Road

RECOMMENDATION: That these agreements be approved and executed on behalf of the City of Tulsa, subject to final approval by the City Attorney.

13. AMENDMENT TO AGREEMENT FOR MAINTAINING STRUCTURES: An agreement was presented for maintaining structures on Sanitary Sewer Easement for Part of Lots 19 and 20, Block 1, in Greenlawn Addition. The owners have acquired the adjacent property and wish to increase the size of their building. The owner agrees to remove the building if necessary for repair or discontinuance of the sewer.

RECOMMENDATION: That this agreement be approved and executed on behalf of the City of Tulsa, subject to final approval by the City Attorney.

14. UTILITY PERMIT APPLICATION: The Water and Sewer Dept. has applied for a permit to construct the water main in Budget Project No. BU-378, 12" Water Main at 165th E. Avenue at Interstate 44, which requires crossing Interstate 44. The project consists of approximately 1,200 feet of 12" water main and includes open cutting access ramps to the Interstate in addition to reducing traffic to one lane on 165th E. Ave. (See Item #6).

RECOMMENDATION: That this permit application be approved.

February 29, 1980

15. MASTER METER CONTRACTS: Master Meter Contracts were presented for the City of Glenpool, Jenks Public Works Authority, Owasso Public Works Authority and the Sand Springs Municipal Authority for sale of water, beginning January 1, 1980 and ending June 30, 1980. (The contract with Glenpool would begin April 1, 1980 to June 30, 1980.) All would be in the amount of \$0.72 per thousand gallons.

RECOMMENDATION: That these contracts be approved and executed on behalf of the City of Tulsa, subject to final approval by the City Attorney.

16. STANDBY WATER SUPPLY CONTRACT: A contract was submitted covering the terms of sale of water to Rural Water District No. 2, Creek County, Oklahoma, on a standby basis. Under this contract, Rural Water District No. 2, Creek County, agrees to make application for and pay the actual cost of installation of a 6" service connection and a 6" meter as provided by Ordinances. They further agree to pay to the City the actual cost of the making of each connection and disconnection, which is not to be less than \$75. The District will pay for the water at the present rate or which may hereafter be set up by Ordinances for similar service.

RECOMMENDATION: That this contract be approved and executed on behalf of the City of Tulsa, subject to final approval by the City Attorney.

17. WATER MAIN EXTENSION CONTRACTS: The following contracts were presented.

WMEC #989, Rustic Meadows, D & B Venture 77, A General Partnership, E. 81st St. and South 77th E. Ave.

WMEA #GL-135, Minshall Park V, Eagle Pointe Apartments, Alexander-Frutes Co., East 71st Street and South Irvington Ave.

RECOMMENDATION: That these Water Main Extension Contracts be approved and executed on behalf of the City of Tulsa, subject to final approval by the City Attorney.

18. EXHIBITS "F": The following Exhibits to Water Main Extension Contracts were presented.

WMEC No. 905, Holiday Inn Site, S & H, Inc. - no cost to city for 1st yr of operation

WMEC No. 932, Chimney Hills South Extended, John H. Williams - no cost to City for first year of operation

WMEC No. 939 - Mason Park Addition, Bob E. Surrentt - No cost for City for first year of operation.

RECOMMENDATION: That these exhibits be approved and made a part of the referenced projects.

19. LICENSE AGREEMENT: An agreement was presented of a License Agreement which authorized the City the right to construct, install, replace and repair water lines, water meters and auxiliary equipment to provide service to Minshall Park V (Gift Line No. GL-135). This license grants the City access to all areas of this property not occupied by permanent structures and places no responsibility or liability to replace any drive, street, curb or sidewalk which might be removed in the process.

RECOMMENDATION: That this agreement be approved and executed on behalf of the City of Tulsa, subject to final approval by the City Attorney.

20. CORRECTION OF SANITARY SEWER EASEMENT: A correction Sanitary Sewer Easement for filing in Sanitary Sewer Revision No. S-52-1A4-C, Tulsa Federal Savings and Association, 1800 South Yale Avenue, to Mid-America Federal Savings & Loan Assoc.

RECOMMENDATION: That this easement be received and the City Auditor be authorized to file the original of record.

21. SANITARY SEWER EASEMENTS FOR FILING: The following were presented.

SSID No. 2038 (NA), Sturgis Properties, S. St. Louis Ave. & E. 13th St., Sturgis Wassam and Edana Wassam, Husband and Wife

SSID No. 2077 (NA), Harter's Second Edition (Part of Lot 18), S. Lewis Ave. & E. 22nd St. S., Jerry L. & DeAnn McArtor, with an undivided  $\frac{1}{2}$  interest in the property; and Terry G. Edwards,  $\frac{1}{2}$  interest.

RECOMMENDATION: That these easements be received and the City Auditor be authorized to file the original of record.

22. WATER LINE EASEMENTS FOR FILING: The following were presented.

Water Line Easement for Gift Line No. GL-135, Minshall Park V (Eagle Point Apartments), Alexander-Frutes Co.

February 29, 1980

## 22. (Cont'd)

Revenue Sharing Project No. RSW-22, Section II, Cherokee Industrial District Water Main. Industries for Tulsa, Inc. (2); Virginia May Shadrick and Claude Taylor Shadrick, Husband and Wife; Jim F. Baker and Wilma Ann Baker, Husband and Wife; John W. Hahn and B. Kay Hahn, Husband and Wife; Ira E. Wixon, Jr. aka Ira Wixon, Jr. and John B. Wixon; Larkin Bailey; First National Bank and Trust Company of Tulsa, Successor, Trustee of the Henley C. Bundy Trust under revocable trust agreement dated December 31, 1973; Hugh Thomas Holland III, trustee, Fida M. Morgan, trust; Harold Charney and Yolanda E. Charney, husband and wife (2); Curtis B. Ford and Marie Ford, husband and wife; Cyrus N. Dotson and Regina Isabelle Dotson, husband and wife; James D. Robison and Angela B. Robison, husband and wife; and Jackie Dale Pittman and Linda K. Pittman, husband and wife.

RECOMMENDATION: That these easements be received and the City Auditor be authorized to file the original of record.

23. AGREEMENT FOR SEWAGE DISPOSAL: An agreement for Sewage Disposal was presented between the City of Tulsa, the City of Broken Arrow and Williams Brothers Constructors Inc., for Private Sanitary Sewer District No. P-859 (BA-5), 61st and S. 145th E. Ave. That agreement permits sewage originating within the City limits of Broken Arrow to be discharged into the sanitary sewer collection system of the City of Tulsa and be treated by the City of Tulsa. Tulsa agrees to charge Broken Arrow a sanitary sewer service charge based on a actual discharge. The City of Tulsa also agrees to permit Broken Arrow to construct and maintain a force main over certain rights-of-way owned by Tulsa.

Broken Arrow agrees to collect monthly sanitary sewer service charges from each customer and to require all connections and extensions to the collection system to comply with the ordinances, codes, policies, rules and regulations of Tulsa.

RECOMMENDATION: That this agreement be approved and executed on behalf of the City of Tulsa, subject to final approval by the City Attorney.

27. WATER MAIN EXTENSION CONTRACT: Water Main Extension Contract No. 998, Summerfield South, Bill Sparkman, Russell Dexter, Greg G. Frye, at 3800 South 145th East Avenue, was presented.

RECOMMENDATION: That this Water Main Extension Contract be approved and executed on behalf of the City of Tulsa, subject to final approval by the City Attorney.

28. WAIVER OF INSPECTION FEES: It has been requested by the Tulsa Airport Authority that a waiver for sewer inspection fees in the amount of \$10.00 be granted for the Tulsa International Airport facility. This work is being done by a contractor contracted to the City of Tulsa for the Terminal Expansion and Parking Garage contract.

RECOMMENDATION: That this request for waiver be approved.

It was moved by Commissioner Thomas seconded by Commissioner Young that all documents from the Utility Board be approved and that all recommendations thereon be accepted, subject to final approval of the City Attorney.

TULSA AIRPORTS IMPROVEMENT TRUST - CREATION OF \$410,000.00 INDEBTEDNESS: Communication was presented and reviewed by J. Richard Studenny, Secretary and Counsel for the Tulsa Airports Improvement Trust, requesting approval of the creation of \$410,000.00 indebtedness by the Tulsa Airports Improvement Trust, and requested further as follows:

The Trustees of the Tulsa Airports Improvement Trust request the City Commission to take the following actions:

Approve by 2/3 vote the incurring of the \$410,000.00 of indebtedness by the Tulsa Airports Improvement Trust;

Approve, by 3/4 vote, a waiver of the competitive bidding and allow direct placement of the indebtedness per negotiations with the Bank of Commerce, Tulsa, Oklahoma; and

Approve the Sublease Agreement by and between Tulsa Airports Improvement Trust and Pennant Aviation, Inc., and that that same be authorized to be executed on behalf of the City of Tulsa, subject to review and approval of same by the City Attorney.

These funds are to be used for construction of additional hangar facilities located at Tulsa International Airport. The Trust proposes to acquire and complete construction of a hangar, tentatively designated as Hangar 26 at the Airport, and to lease same to Pennant Aviation, Inc., as Lessee.

Following consideration, the following actions were taken by the City Commission:

Moved by Commissioner Thomas, seconded by Commissioner Hewgley that the incurring of the \$410,000.00 indebtedness by the Tulsa Airports Improvement Trust be approved.

Roll Call:

PUBLIC HEARING ON HOMEOWNER REPAIR AUTHORIZATION PROPOSAL: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa, and it was moved by Commissioner Young, seconded by Commissioner Hewgley that the proposal for homeowner repair authorization be opened for public hearing.

Roll Call:

Thomas	yea	Hewgley	yea
Purdie	absent	Young	yea
	Mayor	yea	
yeas 4	noes 0	absent 1	

Carried.

Director of Protective Inspections, Charles H. Banks, reviewed the matter and noted that various cities have had the home owners repair authorization for some time.

The recommendations from the Protective Inspections Office would limit repairs and as far as electrical, the work may not go beyond the service head; in plumbing the water work may not go beyond the water meter; sewer - work may not go beyond the clean-out plug; and mechanical the work may not go beyond the gas meter.

Also it is recommended that the word detached be used every time "single-family dwelling" is mentioned.

Chairman of the Tulsa City-County Electrical Board , William R. Eide, Sr., said that his Board rejected the proposal because of the reduction of public safety.

Jack Tulmity, Chairman of the Plumbing Board, also said his Board was against this proposal.

There were questions and answers about the issues. Commissioner Young was concerned about the added inspectors' load. Commissioner Thomas said he was not comfortable with this proposal which he feels will create problems the City of Tulsa has not had before.

Loyd Kenndey, representing the Mobile Home industry, said if this is approved, he would like for the mobile home industry to be excluded.

Mr. Campbell read a letter from the Mechanical Board, by Mr. Mayfield which supported the proposal.

Suzeette Birch said the Tulsa Home Owners Coalition gives favorable recommendations for this proposal.

Dan Steffanoff, representing Associated Independent Electrical Contractors of Tulsa who are in opposition to the proposal.

Mr. Steffanoff said the Fire Marshal was at the Electrical Board meeting and went on record against this ordinance.

John Hix, representing the National Electrical Contractors Association, and said that if the Board accepts this proposal, he would ask that the electrical portion be excluded therefrom.

Bill Moore, representing plumbing contractors, said if this is approved, they also would want to be exempt, and perhaps all the crafts that have to be licensed, would be excluded from this proposal.

Clint Sroufe, electrical, questioned the need of an ordinance for this proposal and requested the Commission not to approve the ordinance.

There being no others who wished to be heard, it was moved by Commissioner Young, seconded by Commissioner Thomas that the hearing be closed as of this day and time.

Roll Call:

Thomas	yea	Hewgley	yea
Purdie	absent	Young	yea
	Mayor	yea	
yeas 4	noes 0	absent 1	

Carried.

Commissioner Thomas said he is not persuaded that the proposal has any benefit whatsoever to the City of Tulsa. The issue came from a very small segment of the population and he has not seen any overwhelming support for it. It would add a level of beauracracy to an already difficult paper load, and he will not support it.

February 29, 1980

Mayor Inhofe said that if this proposal is turned down at this time, any time a person wants to bring it up again, he can get with all the appropriate persons and agencies and present the proposal again.

Commissioner Hewgley supports the proposal with the provision of a higher penalty.

Commissioner Young said perhaps people are making repairs on their own homes at the present time because they do not know it is improper. He is reluctant to think they knowingly are making these repairs illegally. He has strong convictions that if this proposal is approved, we are going to be increasing the bureaucracy, and will not support the ordinance.

Following consideration, it was moved by Commissioner Young, seconded by Commissioner Thomas that this proposed ordinance not be approved.

Roll Call:

Thomas	yea	Hewgley	no

METROPOLITAN TULSA TRANSIT AUTHORITY: Commissioner Young, as a Trustee of the MTTA Operations and Planning Committee, requested as follows: On February 1, 1980, the City Commission approved the additional funding of \$20,000 for MTTA for some new route studies, but limited same to two months for report and review of routing for MTTA. In a meeting with the staff of MTTA, it has been determined that two months of time is not long enough to be able to make ample study of the new routes and existing routes which are not meeting minimum income standards. He requested an extension of from two months to four months at no additional cost.

Moved by Commissioner Young, seconded by Commissioner Thomas that the request be granted and the time extended from two months to four months at no additional cost.

Roll Call:

Thomas	yea	Hewgley	yea
Purdie	absent	Young	yea
	Mayor	yea	
yeas 4	noes 0	absent 1	
	Carried.		

PARK AND RECREATION BOARD - OKLAHOMA NATURAL GAS COMPANY TO CROSS CITY(PARK) PROPERTY: Communication was presented and reviewed by Hugh McKnight, Director of Park and Recreation Department. A representative of the Oklahoma Natural Gas Company has requested an easement or right-of-way agreement across tract of land known as Hunter Park to install a six inch gas line. A map depicted the location to be described as the south 15' of the north 65' of the NW¼ of NE¼ of Section 22, T18N, R13E, Tulsa County, Oklahoma.

In the February meeting of the Park and Recreation Board, upon advice of legal counsel, the Board by formal vote, recommended to the Mayor and Board of Commissioners that a right-of-way or easement agreement not be entered into, but that the City Commission specifically approve the construction of this pipeline across City property per the franchise agreement with the City of Tulsa and Oklahoma Natural Gas Company, as recited in Title 15, Tulsa Revised Ordinances §.61-77. It was further recommended that Oklahoma Natural Gas Company be notified of this permission by a certified copy of the Minutes of the City Commission Meeting at which this matter is considered.

Moved by Commissioner Thomas, seconded by Commissioner Young that the Park Board's recommendation be approved; that Oklahoma Natural Gas Company be permitted to construct pipeline at location so described; and that Oklahoma Natural Gas Company be furnished a certified copy of these Minutes.

February 29, 1980

ANIMAL LOAN AGREEMENTS WITH CLARENCE WRIGHT, A CITY EMPLOYEE: Communication was presented from and reviewed by Hugh McKnight, Director of Park and Recreation, submitting two loan agreements with Clarence Wright, a City employee.

Under the provisions of these agreements, Mr. Wright would loan to the City a male boa constructor and a female red-footed tortois for the purposes of breeding.

Under Title 31, Section 7, a City employee may not enter into a contract with the City unless the City will receive extraordinary benefits by viture of such contract. As per terms of the agreement, no money will change hands, and the only real benefit would be the monetary value of every other offspring, should any occur. It is difficult for Mr. McKnight to establish "extraordinary" benefits to the City, other than recognition to the responsibility we have in trying to breed animals kept in captivity, especially those species which are indicated by the Convention on International Trade in Endangered Species. Participation in breeding loans with other zoos and private parties is necessary for the proper fulfillment of this obligation.

He then recommended that the agreements be approved and executed with the clear understanding that they are with a City employee.

Moved by Commissioner Young, seconded by Commissioner Hewgley that the recommenda- tion be approved, and the agreements be approved and executed on behalf of the City of Tulsa.

Roll Call:

Thomas	yea	Hewgley	yea

	Carried.		

NEEDS OF UTILITIES SERVICES DIVISION: Communication was presented from the Superin- tendent of Waterworks and Sewerage and reviewed by Utilities Services Director R.L. Schober, requesting additional \$7000 funding from general services to extend the four people to answer customer calls pertaining to refuse services and to do coding from edit listings of private haulers route lists until May 1, 1980.

This need has been reviewed by Budget and they concur that same can be appropriated into Account No. 7300-1079-8370-000000.

He noted that to complete the project they have to do the paperwork for the data edit project, besides taking refuse calls. It was noted they are still losing in excess of 300 calls per day in their Telephone Customer Service Section.

Commissioner Young expressed concern about these temporary jobs being extended into permanent jobs.

Commissioner Thomas said these concerns are valid ones. We should be aware that this may need more serious consideration when the next budget cycle comes around.

Moved by Commissioner Young, seconded by Commissioner Thomas that this \$7000 allocation for extension to May 1, 1980, be approved.

Roll Call:

Carried.

ADDITIONAL ITEM - TULSA PARKING AUTHORITY: City Attorney Bales advised the Board that the Tulsa Parking Authority met at 3:00 o'clock on Thursday, and amended its indenture for security for payments of bonds. Mr. Bales said as a member of the Parking Authority, he would like to offer the amendment to this Board for approval. Since the matter meets the test of the open meeting law, and there is an urgency involved since there was a deadline of February 29 to get 51% of the bond owners to agree to the amendment to create a parking authority renewal and replacement reserve account, he asked that same be considered at this time by the City Commission.

Moved by Commissioner Thomas, seconded by Commissioner Young that the matter be added to this agenda as new business, inasmuch as this is a matter which was not known about until after the posting of the written agenda.

## Roll Call:

WHEREUPON, said Ordinance was declared duly passed, and was signed in open meeting by Mayor James M. Inhofe, attested by City Auditor F.F. Campbell and was numbered 14404.

FLOODWAY PORTION OF Z-4763: Deputy City Attorney William M. Northcutt informed the City Commission that the Ordinance just approved and passed, involved property under Z-4763, being located 1/4 mile east of Mingo, on the south side of 91st Street.

The portion outside the floodway was rezoned to CO, RM-0 and RS-3 by the City Commission May 30, 1978. Ordinance 14404 establishes those classifications and excludes the floodway portion located on said 40 acres.

TMAPC staff member Wayne Alberty, was called upon to explain the process in this matter. He said that the subject floodway property was not advertised for FD, and was excluded from the other classifications, so in order to establish FD on that portion so indicated, it will be necessary for the City Commission to decide to have the TMAPC staff to advertise FD on that portion for the hearing process.

Following consideration, it was moved by Commissioner Thomas, seconded by Commissioner Purdie that the Planning Commission Staff be instructed to process an application for the FD portion of property under said Z-4763.

WEED HEARING: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa upon notices being sent to property owners by the City-County Health Department to mow weeds and clean trash on said properties before this date, or to appear and show why same should not be done.

No one was present with a weed notice.

Neil Walker, Health Officer reported one notice had not been followed, and recommended that a Resolution be adopted authorizing the proper officials to cause the property to be mowed and the costs charged to the property owner.

Thereupon, Resolution was introduced, entitled:

A RESOLUTION AUTHORIZING THE CLEANING, CUTTING AND MOWING OF PROPERTY OWNED BY MARY C. ALEXANDER, TRUST ESTATE, LOCATED IN THE CITY OF TULSA, OKLAHOMA; MAKING CERTAIN FINDINGS OF FACT AND DETERMINATIONS AS TO THE CONDITIONS OF SAID PROPERTY TO BE DETRIMENTAL TO THE PUBLIC HEALTH, BENEFIT AND WELFARE, OR CREATES A HAZARD TO TRAFFIC OR FIRE HAZARD TO THE PROPERTY; AND DIRECTING APPROPRIATE PERSONS AND OFFICIALS OF THE CITY OF TULSA TO CARRY OUT THE PROVISIONS OF THIS RESOLUTION IN ACCORD WITH OKLAHOMA LAW; AND DECLARING AN EMERGENCY.

Approximately 9440 East 41st Street, Lot 1 Block 7 Alexander Trust Addition Amended.

Moved by Commissioner Thomas, seconded by Commissioner Hewgley that the hearing be closed, and the Resolution adopted as introduced.

COMMITTEE ON NEEDS AND STANDARDS: Communications were presented from John Ogren, Purchasing Agent, for the Committee on Needs, Standards and Specifications, recommending as follows:

Waive Bids 78-583 for repairs to air conditioning system in City Hall. Emergency expenditure of \$22,600 was approved by the City Commission on March 16, 1979. This requests that Purchasing be allowed to negotiate for this amount.

Bill Reed was present and was asked to clarify the emergency. He advised that with the summer months upon us, the sealed bid procedure would take too long and the system would not be working when needed.

Award bid 78-126 - Pilot Fitness Program for the Fire Department to Tulsa Fitness Evaluation Center in the amount of \$19,000.

Moved by Commissioner Young, seconded by Commissioner Hewgley that the recommendations be approved as presented.

March 27, 1979

FY 1979- CETA TITLE IV - YCCIP PROJECT EXTENSIONS: Communication was presented from Department of City Development and reviewed by staff member John Scott noting that the Youth Community Conservation and Improvement Projects (YCCIP) is a program providing disadvantaged youth with employment and training opportunities and is funded through CETA, Title IV.

The FY 1979 projects were originally reviewed and approved last October for funding through March 31, 1979. The Youth Advisory Council and the Manpower Area Planning Council have reviewed the current YCCIP projects and based on monthly programmatic and fiscal data for each project, these councils have recommended some changes in the individual projects. He submitted a summary of the requested revisions.

The Manpower Area Planning Council recommends approval of the extension of the YCCIP projects as revised for funding through the remainder of FY 1979.

Moved by Commissioner Thomas, seconded by Commissioner Young that the recommendation be approved and carried out accordingly.

SUMMER RECREATION SUPPORT PROGRAM GRANT APPLICATION - FIFTH YEAR: Communication was presented from the Department of City Development and reviewed by Donna Ponds-Watson, staff member of the Park and Recreation Department.

Recently the Department of Labor informed the Park and Recreation Department that \$69,020 could be available to the City and Tulsa, Creek and Osage Counties for the summer of 1979. The grant funds will assist in providing services to approximately 4000 youth in the City ages 8 through 13. Tulsa's share of the \$51,106.74 is expected to be distributed at approximately 55% to the Park and Recreation Department and 45% to community agencies. The amount of \$3690 of the Tulsa share is carry-over funds from the 1978 program.

It was recommended that the City Commission approve the request to apply for Department of Labor-Community Services Administration funds.

Moved by Commissioner Purdie, seconded by Commissioner Young that the recommendation be approved and the Mayor authorized to execute said Grant Application on the part of the City of Tulsa.

Roll Call:

REDUCTION OF BUILDING PERMIT FEE - McCULLOCH INDUSTRIES PLANT: Communication was presented and reviewed by Charles Norman, attorney representing four Tulsa firms who were selected by the McCulloch industries to design and construct the Tulsa facility: Hammond Engineering, Netherton & Associates; Larkin & Associates, and Flintco. It is requested that the City Commission grant relief to them from the double permit fee. The Building Permit fee is in the amount of \$11,694.50 which under the provisions of the Code, the Building Inspector was required to double same and is charging a fee in the amount of \$23,389. The effect of the double fee requirement imposes a penalty of \$11,694.50 upon the project for the commencement of the work prior to the formal issuance of the Building Permit.

In this instance, four firms were endeavoring to accelerate the design and construction of a facility to accommodate an industry moving to Tulsa which is considered to be a highly desirable addition to the economic base of the community.

Since there were no technical violations of the codes or of any construction practices to date, it is requested that the City Commission grant a waiver of the double portion of the fee, or reduce the amount to be paid to a sum that is in keeping with the nature of an incident which is regretted by all the firms involved.

In discussion, it was noted that a precedent was established which could be followed, wherein the double fee was reduced to \$1000, which was about a third of the double fee in that case. Therefore, Commissioner Hewgley suggested that the same rough percentage be used in this case and that the double fee portion be reduced to \$3500.

However, Commissioner Thomas said that as he remembers the case in point, percentages were not involved, and that the amount of \$1000 was settled on as a reasonable fine or penalty for this type of infraction. He would support a \$1000 penalty.

Following consideration, it was moved by Commissioner Purdie, seconded by Commissioner Thomas that the applicant be granted a waiver of a portion of the double fee, and that a penalty of \$1000 be imposed in addition to the regular permit fee.

APPEAL FOR PRIVATE GUARD LICENSE - CHRISTOPHER L. OFFOR: Appeal was filed from the decision of the Police Chief to deny the application of Christopher L. Offor for a private guard license.

Deputy Chief Herb Hartz advised the Board the application was denied because the applicant is not a citizen of the United States. Otherwise he has no objections to the granting of the application.

Mr. Offor was present.

Following consideration, it was moved by Commissioner Purdie, seconded by Commissioner Hewgley that the matter be referred to Legal for a report back in 10 days.

March 27, 1979

REZONING APPLICATION Z-5214 - JOE MITCHELL: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa, upon recommendation of the Tulsa Metropolitan Area Planning Commission, whose report shows as follows:

Application Z-5214 - Joe Mitchell

3 acres SE/c 66th St N & 129th E Ave  
from AG to IL

Protests: Wilbur Rogers, Bill Blan, Sue Kurt and David Schaffitzel.

TMAPC action: 9 members voted 7-1-1 to recommend IL on the N 300 feet and to deny the balance of:

Begin at NW/c Section 4-20-14, Tulsa County; th S 715';  
th E 235' to W R/W line of RR; th NW along W R/W of RR  
a dist of 740'; th W 110' to point of beginning.

Wayne Alberty, staff member to TMAPC reviewed the Planning Commission's report and recommendation. He displayed and reviewed maps which are the results of a study made of this area at the request of the Planning Commission.

Upon a call for protests, Wilbur Rogers said he lives across the street, and it would appear that this will be the same as a salvage yard to the detriment of those who have invested in their properties and homes in the area. He wants all of the application denied.

Bill Blan, a property owner to the south, spoke in protest.

David Schaffitzel also spoke in protest, although he would not mind the 300 feet if applicant would not be able to get the rest of the property rezoned. Although he had been approved by the Planning Commission, he has not attempted to move his building.

Mr. Mitchell was present and in answer to questions, said he does not intend to have a salvage yard. He is going to build a home on the property and have a light carburetor business on the portion recommended IL by the Planning Commission, and of course does not want to do anything to be detrimental. He received a Health Dept. permit for septic tank installation today.

Commissioner Young noted that in December, 1978, Mr. Mitchell had stated he would move cars on the property and build a septic tank after the first of the year, but that these things had not been accomplished.

Commissioner Thomas said that this Board is to examine the land use and it would appear that proposed use is a proper land use. If zoning regulations are not complied with stiff penalties can be imposed under the due process of the law. He thinks the standards for IL are sufficient to prevent a salvage yard.

Thereupon, it was moved by Commissioner Thomas, seconded by Commissioner Hewgley that the North 300 feet of said property be approved and rezoned as IL as recommended by the Planning Commission, subject to publication of the necessary Ordinance thereon.

2. DRAWINGS AND PETITIONS FOR CREATION OF SANITARY SEWER DISTRICTS: Drawings and petitions requesting the creation of a sanitary sewer district for the following were presented:

Sanitary Sewer Improvement District No. 2013 (NA) Ozark Garden Farms, 3500 East King Street, the west 60 feet of the east 100 feet of the north 140 feet of the south 165 feet of Lot 8, Ozark Garden Farms, an addition to the City of Tulsa, Tulsa County, Oklahoma

Sanitary Sewer Improvement District No. 2028 (NA) Mingo Valley Acreage (Part of Lot 3) Mingo Valley Expressway and East 11th Street South, north 180' of the west half of Lot 3, Mingo Valley Acreage Addition, an addition to the City of Tulsa, Tulsa County, Oklahoma

RECOMMENDATION: That these requests be granted, the drawings approved, and the City Attorney be authorized to prepare the creation ordinances.

3. ACCEPTANCES: The following projects have been completed in accordance with the contract documents and to the satisfaction of the Water and Sewer Department.

Sanitary Sewer Improvement District No. 1911-X (HC-38) (NA) Mintract Offsite, 1400'± South of 76th Street South on Sheridan Road

Sanitary Sewer Improvement District No. 1957 (NA) Yorkshire Estates (Pt. of Blks. 9 & 10) East 35th Street South and South Darlington Avenue

Sanitary Sewer Improvement District No. 1978-X (NA) Towne Centre II, East 41st Street South and South 107th East Avenue

RECOMMENDATION: That these projects be accepted by the City of Tulsa.

4. DRAWINGS, SPECIFICATIONS AND ADVERTISEMENT FOR BIDS, AND ADDENDUM NO. 1: The following were presented:

Revenue Sharing Project No. RSS-54, Cherokee Industrial District Sewer Main, bids to be received May 29, 1979, Funds for this project are available in Revenue Sharing Funds, Code No. 4100 5008 9800 002024, Addendum No. 1 changes certain construction specifications.

April 27, 1979

4. CONTINUED:

Sanitary Sewer Project No. SA69-4 (A), WPC-OKLA-0786, Southside Sewage Treatment Plant, reconstruction of Mooser Creek Bridge and Water Main, bids to be received June 5, 1979. Funding for this in accordance with Grant Agreement Amendment for WPC-OKLA-0786 approved by Utility Board and Board of City Commissioners under dates of August 16, 1978 and August 18, 1978, respectively. Addendum No. 1 is necessary to modify construction specification Item 317.2 to provide for lump sum payment of the temporary water main to be constructed under this project and to modify Materials Specifications to add the term "or equal" in accordance with Federal requirements.

RECOMMENDATION: That these drawings, specifications and Addendum No. 1 be approved and the City Auditor be authorized and instructed to advertise these projects for bids.

5. DRAWINGS, SPECIFICATIONS, AND READVERTISEMENT AND ADDENDUM NO. 1: Revenue Sharing Project No. RSW-32, 6-inch water main, Jasper Street and 76th East Avenue; bids to be received May 22, 1979; Funds for this project are available in Revenue Sharing Period VIII, Code No. 4100 5008 9800 002023. Addendum No. 1 is necessary to modify the construction specifications.

RECOMMENDATION: That these drawings, specifications and Addendum No. 1 be approved and the City Auditor be authorized and instructed to advertise for bids.

6. CONTRACTS: The following contract documents for the referenced projects were presented:

Sanitary Sewer Improvement District No. 1891-X (FC-109)  
(SE8-15) (NA) Timbercrest Addition (pt of Lot 18, Blk 3)  
7700 South Oswego Place, contract between Bowline Construction Company, Inc. contractor, and Emmet C. and Gail Richards, owners.

Sanitary Sewer Improvement District No. 1999 (NA)  
Mingo Terrace (A part of Block 4) East Admiral Place  
and South Memorial Drive, contract between the City  
and McGuire Brothers Construction, Inc. contractor and  
Ollie W. Gresham, Victor D. Watts and John E. Cline, Jr.,  
owners.

Sanitary Sewer Improvement District No. 2008-X (NA) Park  
Plaza East IV, 135th East Avenue and East 41st Street,  
contract between the City and McGuire Brothers Construction,  
Inc. Contractor and Anderson Development Company, owner.

Sanitary Sewer Improvement District No. 2022-X (HC-63) (NA)  
Sheridan Valley, South Sheridan Road and 78th Street South,  
contract between Floyd R. Hardesty dba The Hardesty Company,  
contractor, and Sheridan Valley, Inc. owner.

RECOMMENDATION: That these contracts be approved and executed on behalf of the City of Tulsa subject to final approval by the City Attorney.

7. SANITARY SEWER SPECIAL CONNECTION CONTRACTS: The following were presented.

Helen Frances Besly, executrix of the Estate of Ruth L.  
Tibbs, deceased, 1348 East 66th Place, connection fee, \$20.00

Mark Finnerty Company, 8908 South 69th East Avenue,  
connection fee, \$20.00

Gray Properties VI, 5688 West Skelly Drive,  
Connection fee, \$20.00

Tom & Gay McCaslin, 6534 and 6536 East 30th Street,  
connection fee, \$40.00

RECOMMENDATION: That these Sanitary Sewer Special Connection Contracts be approved and executed on behalf of the City of Tulsa subject to final approval by the City Attorney and the City Auditor be authorized to file the original copy of record.

April 27, 1979

8. DIRECT MAIN LINE EXCESS CAPACITY SANITARY SEWER CONNECTION CONTRACT: Garnett Road Church of Christ, 12002 East 31st Street, excess capacity fees, \$774.40 and administration fees, \$39.36

RECOMMENDATION: That this contract be approved and executed on behalf of the City of Tulsa subject to final approval by the City Attorney and the City Auditor be authorized to file same of record.

9. MULTIPLE SERVICE CONTRACTS FOR WATER TO ESTABLISH MINIMUM BILL FOR UNITS SHOWN: The following contracts for water service were presented:

Sooner Federal Savings & Loan, 11001, 11003, 11005 and 11007,  
East 13th Street, An Apartment Building

Sooner Federal Savings & Loan, 1233, 1235, 1237 and 1239,  
South 110th East Avenue, An Apartment Building

Sooner Federal Savings & Loan, 1234, 1236, 1238, and 1240  
South 110th East Avenue, An Apartment Building

Sooner Federal Savings & Loan, 1225, 1227, 1229 and 1231,  
South 110th East Avenue, An Apartment Building

Sooner Federal Savings & Loan, 1226, 1228, 1230, and 1232,  
South 110th East Avenue, An Apartment Building

Veterinary Properties Partnership, 4750 South Union,  
An Office Building

RECOMMENDATION: That these contracts be approved and executed on behalf of the City of Tulsa subject to final approval by the City Attorney.

10. ASSIGNMENT OF WATER MAIN EXTENSION CONTRACT: On April 15, 1977, the City of Tulsa entered into contract with Tom S. Graham and Wallace G. Franklin covering the construction of water mains to serve Fieldstone Addition. The said mains have been constructed pursuant to the terms of the contract and various cost exhibits required by the contract have been submitted and duly approved. This is an assignment from Wallace G. Franklin assigning all right, title and interest in the said Water Main Extension Contract No. 874 to Tom S. Graham.

RECOMMENDATION: That the City of Tulsa consent to this assignment for Water Main Extension Contract No. 874, Fieldstone Addition.

11. WATER MAIN EXTENSION CONTRACTS: The following were presented.

Water Main Extension Contract No. 957, Park Plaza East IV,  
Anderson Development Company, East 41st Street and South  
135th East Avenue

Water Main Extension Contract No. 960, The Lodge, Lincoln-  
The Lodge Limited, an Oklahoma Limited Partnership, South  
Yale Avenue and East 80th Street South

RECOMMENDATION: That these contracts be approved and executed on behalf of the City of Tulsa subject to final approval by the City Attorney.

12. EXHIBITS "D" AND "E", WATER MAIN EXTENSION CONTRACT NO. 851: Ridgecrest, Gloria F. Huckaby dba Ridgecrest Company, Exhibit "D" - \$7,838.20 and Exhibit "E" - \$6,145.97

RECOMMENDATION: That these exhibits be approved and made a part of the Water Main Extension Contract No. 851.

13. REQUEST TO CONSTRUCT WITH CITY FORCES: Job No. BU-366, Installation of a fire hydrant at the intersection of East Pine Street and North Owasso Avenue, estimated cost of this project is \$3,285.00. This project is necessary to replace a fire hydrant which was removed at the time of constructing the 16-inch water main, due to existing underground obstructions (existing 16-inch water line, storm sewers, and underground Public Service Company cables.) Costs to be charged to 1978-1979 Water and Sewer Department Budget.

RECOMMENDATION: That Job No. BU -366 be approved for construction by City forces, charging same to 1978-1979 Water and Sewer Department Budget.

April 27, 1979

14. RIGHT OF WAY EASEMENT: Right-Of-Way Easement from Public Service Company of Oklahoma for execution by the City of Tulsa for portion of Section 12, Township 19 North, Range 14 East, Tulsa County, OK. This easement is needed by Public Service Company to install an additional feeder line from their sub-station.

RECOMMENDATION: That this easement be approved and executed on behalf of the City of Tulsa subject to final approval by the City Attorney.

15. SANITARY SEWER EASEMENTS FOR FILING: The following were presented:

Sanitary Sewer Revision Project No. 237-B, Rosemont Heights (Carpet City) East 15th St So & So Delaware Pl, Alice Jo Schomer, a widow

Sanitary Sewer Improvement District No. 1928 (NA) Villa Grove Heights No. 1 ( Part of Lot 1, Block 5) 3400 East 41st Street South, Michael and Mary Rauch, husband and wife

Sanitary Sewer Improvement District No. 1990-E (HC-56) (NA) Woodhill Excess Capacity Main, East 91st Street So and South Sheridan Road, R & VK Development Company

RECOMMENDATION: That these easements be received and the City Auditor file them of record.

16. WATER EASEMENT: Water Main Extension Contract No. 960, The Lodge, H.G.P. The Lodge, Ltd. (an Oklahoma Limited Partnership, The Lodge, South Yale and E. 85th Street

RECOMMENDATION: That this easement be received and the City Auditor be authorized to file same of record.

17. RELOCATION OF 6 5/8-inch O.D. Ammonia Pipeline, Mid-America Pipeline System, Revenue Sharing Project No. RSS-54, Cherokee Industrial District Sewer Main. The proposed construction of this project requires that a 6 5/8 inch diameter liquid ammonia pipeline be lowered at Station 46+00 or immediately north of 56th Street North. The proposed lowering would require that approximately 800 feet of pipeline be exposed to obtain enough slack on the pipeline to lower the line without cutting. Mid-America Pipeline System, owners and operators of the pipeline propose to lower the pipeline in place for an estimated \$7,250.00. The amount of reimbursement will be based on the actual cost accrued to lower the pipeline and their records will be available for auditing by the City of Tulsa.

RECOMMENDATION: That the Water and Sewer Department be authorized to enter into negotiations with Mid-America Pipeline System for the proposed lowering at an estimated cost of \$7,250.00. The cost of this lowering is to be charged to Code No. 4100 5008 9800 002024.

18. LEASE AGREEMENT - MOBILFONE SERVICE, INC.: The following was presented.

Lease Agreement between Mobilfone Service Inc. and the City of Tulsa Water and Sewer Department. This agreement is on a month to month basis at a cost of \$29.50 monthly. The leased equipment is a paging device carried by the electrician assigned to the Construction and Maintenance Division.

RECOMMENDATION: That this agreement be approved and executed on behalf of the City of Tulsa subject to final approval by the City Attorney.

19. AGREEMENT FOR MAINTAINING STRUCTURES ON SANITARY SEWER EASEMENT: This agreement authorized Gardner and Finnerty Construction, their heirs, successors and assigns, the right to maintain a structure at the referenced address on the following described property:

Lot six (6), Block Four (4), Southfield Estates, an addition to the City of Tulsa, Tulsa County, State of Oklahoma, according to the recorded plat thereof (8137 South 75th East Avenue)

RECOMMENDATION: That this agreement be approved and executed on behalf of the City of Tulsa subject to final approval by the City Attorney, The City Auditor be authorized to file the original of record in the office of the County Clerk of Tulsa County.

Moved by Commissioner Purdie, seconded by Commissioner Young, that all documents from the Utility Board be approved, all recommendations be accepted, and all easements be filed of record all subject to final approval by the City Attorney.

Whereupon, said Ordinance was declared duly passed, and was signed in open meeting by Mayor James M. Hewgley, attested by City Auditor F.F. Campbell, and was numbered 14433.

SETTLEMENT OF PROPERTY DAMAGE CLAIM - CITY OF TULSA V. CARNAHAN: Communication was presented from the Legal Department recommending settlement of case which involves extensive damage to a City Police vehicle, a 1977 Plymouth Fury No. 7722. The repair estimate on the vehicle is approximately \$2000. This vehicle was scheduled to be replaced in the near future. Mr. Carnahan is insured by the Farmers Insurance Company which has offered to settle the claim for \$2700 and their receiving said vehicle for salvage.

It was recommended that the settlement be approved and that the title be transferred to the Farnes Insurance Group.

Thereupon, Resolution was introduced, entitled:

A RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE THE NECESSARY INSTRUMENTS TO TRANSFER TITLE OF THE HEREINAFTER DESCRIBED VEHICLE TO FARMERS INSURANCE GROUP; AND DECLARING AN EMERGENCY.

(1977 Plymouth Fury, four-door sedan, Serial No. RK41G7A227662.)

Moved by Commissioner Thomas, seconded by Commissioner Purdie that the settlement be accepted and the Resolution be adopted as introduced.

CDBG PUBLIC SERVICE PROJECT TERMINATION: Communication was presented from the Department of City Development and reviewed by Dr. John Piercey, Director.

The staff of the Neighborhood Development Division of the department, after having completed an extensive analysis and review of the performance of Year IV CDBG projects through March 31, 1979, has identified the following Public Service (social service) projects as "out of compliance" with the 55% residency requirements in their contracts:

## School Outreach

## Juvenile Delinquency Prevention.

These projects failed substantially to serve 55% of their clients from the designated neighborhood strategy areas as required by their contracts and by the Department of Housing and Urban Development, during the first eight months of the Year IV program year and have little chance of bringing their performance up to contract goals during the remaining portion of their contract period.

It is recommended that both projects be terminated effective May 1, 1979, with their unutilized funds returned to the CDBG Contingency Account for reprogramming.

He noted that the Citizens Coalition has concurred with the termination of the School Outreach Program, but does not concur with the recommendation on the Juvenile Delinquency Prevention Program.

All persons present were given an opportunity to be heard.

Carol Wyant listed reasons why she thought the Juvenile Delinquency Prevention Program should continue, noting that the Juvenile Bureau has increased its financial responsibility for the program and has agreed this would be the last year to ask for funding. She further noted that since they have been in operation, they have successfully reduced the amount of juvenile delinquency in the area served, and in effect, they are being penalized for being successful. They could expand their scope of service to educate the people in the area on preventing burglaries and other crimes. The program does not have access to any other than CDBG funds, and they do not want to be out of compliance with HUD requirements, so she asked if they would see if they could use other City monies for this project.

Lawrence G. Myers, Director of the Juvenile Bureau of the District Court, echoed Mrs. Wyant's thoughts and noted that increased activities would move the contract more in compliance. Right now it is meeting 46% of the census tracts and the Citizen's Group has voted to continue the funding cycle through July. Tulsa County and the Juvenile Bureau funds are committed for the year ending June 30. He would be willing to cut off the program to get it through the fiscal year. The success of the program is working against it.

In answer to questions from the Board, Dr. Piercey noted that the sum of \$4600 is involved for May and June and the total amount that HUD could require would be to re-pay the entire amount for the year for the program - \$29,900. If the Commission wishes to grant an exception in this case, it should be done by reviewing other alternative funding possibilities.

April 27, 1979

Dr. Piercey also was concerned about the large number of other programs which may not be in compliance and would expect waivers if this one is granted.

Commissioner Thomas thought that since this is a successful program, and has failed to maintain its goal to serve 55% of the residency thereby, we will not be opening the door or setting a precedent by permitting it to continue.

Following further consideration, it was moved by Commissioner Hewgley, seconded by Commissioner Thomas that the School Outreach Program be terminated, and that the Resolution thereon be adopted, which is entitled as follows:

A RESOLUTION PROVIDING FOR THE TERMINATION OF THE CONTRACT FOR TECHNICAL AND PROFESSIONAL SERVICES MADE AND ENTERED INTO THE 29TH DAY OF AUGUST, 1978, BY AND BETWEEN THE CITY OF TULSA, OKLAHOMA, AND YOUTH SERVICES OF TULSA, INC., WHICH PROVIDED FOR CERTAIN SERVICES IN CONNECTION WITH COMMUNITY DEVELOPMENT BLOCK GRANT PROJECT NUMBER 308001, ENTITLED "SCHOOL OUTREACH PROGRAM"; PROVIDING FOR THE RETURN OF SAID PROJECT'S UNUTILIZED FUNDS TO THE CDBG CONTINGENCY ACCOUNT FOR REPROGRAMMING; AND DECLARING AN EMERGENCY.

Moved by Commissioner Hewgley, seconded by Commissioner Thomas that the Resolution be now adopted as introduced.

## HEARING ON AMENDMENTS TO URBAN RENEWAL PLAN FOR DOWNTOWN NORTHWEST URBAN RENEWAL PROJECT

OKLA R-7: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa pursuant to recommendations of the Tulsa Urban Renewal Authority, and it appearing that due and public notice was given as required by law, Mayor Inhofe called upon staff member Steve Childers who displayed a map and delineated the one block which is to be acquired under this modification, being located between 2nd and 3rd streets and between Boston and Detroit Avenues. One building remains on this block and it is intended to clear the block to make it available for redevelopment. He recommended that the modification be approved and an Ordinance be adopted to effect this change.

It was determined that no one else was present who wished to speak for or against this proposal.

Following consideration, it was moved by Commissioner Thomas, seconded by Commissioner Hewgley, that the hearing be closed and the Ordinance be placed on reading, entitled:

## ORDINANCE NO. 14434

ORDINANCE ADOPTING MODIFICATIONS TO THE DOWNTOWN NORTHWEST URBAN RENEWAL PLAN, PROJECT NO. OKLA. R-7, WHICH MODIFICATIONS WERE HERETOFORE RECOMMENDED TO THE BOARD OF COMMISSIONERS OF THE CITY OF TULSA BY THE TULSA URBAN RENEWAL AUTHORITY; AND DECLARING AN EMERGENCY.

Whereupon, said Ordinance was declared duly passed, and was signed in open meeting by Mayor James M. Inhofe, attested by City Auditor F.F. Campbell, and was numbered 14434.

April 27, 1979

AIRPORT AUTHORITY - LAKELAND CONSTRUCTION IN DEFAULT OF ITS CONTRACT: Communication was presented from the Airport Authority recommending that the City declare Lakeland Construction in default of its contract of August 30, 1977, for the Delta Cargo Building Expansion, and that demand be made on the Surety, Fidelity Fire Insurance Company, for completion of said project. Richard Studenny, Airport Attorney reviewed this.

Following consideration and discussion, it was moved by Commissioner Thomas, seconded by Commissioner Hewgley that the request be approved, that Lakeland Construction Company Inc., be declared in default of its contract for the Delta Cargo Building Expansion at Tulsa International Airport, and that demand be made on the surety American Fidelity Fire Insurance Company for Bond No. 04-938-1984985, for completion of said project, and that the Mayor be authorized to execute letters to that effect.

AIRPORT AUTHORITY - NOTICE OF DEFAULT ON RIVERSIDE COMMERCIAL LEASE - E.E. TERRY: Communication was presented from the Airport Authority by its attorney Richard Studenny to Rivair Flying Service, Inc., under date of February 22, 1979, notifying them they are in default of their sublease agreement of the original E.E. Terry commercial lease agreement, for nonpayment of rentals, fees and charges in the amount of \$2224.10. The letter so served as a 30 day written notice.

Richard Studenny, Airport Authority attorney, requested the City Commission to ratify the Airport Authority's action.

Moved by Commissioner Thomas, seconded by Commissioner Hewgley that the action of the Airport Authority in regard to Rivair Flying Service, Inc., be and the same is ratified by this Board.

DENVER CORPORATION REQUEST: The Denver Corporation has a building located on Elwood with two entrances on 6th and one on 7th. This is a parking facility and there has been a problem with the driveway entrances which problem is being reviewed by Engineering and may be resolved administratively.

Dave Sanders, attorney with Bert McElroy, counsel for the Denver Corporation, was present and said that in the meantime, they would like to have a 60 day temporary occupancy permit. He said the building is finished and they have a contract with Cities Service to provide spaces effective May 1.

Commissioner Hewgley said he would agree to a temporary permit, but if the problems have not been worked out, he would recommend that the occupancy of said structure be terminated.

City Engineer Miller said that not all items have been satisfied, but he does not anticipate problems except with the driveway questions.

Mr. Sanders said he was not aware of any other problems except cracks in the concrete structure, and he has a letter from Ron Wood which may satisfy this question.

Following consideration and discussion, it was moved by Commissioner Young, seconded by Commissioner Hewgley that a 60 day temporary occupancy permit be granted, contingent upon the other items of concern being met.

HEARING ON PRIVATE CLUB APPLICATION APPEAL - SARAH ANN KENNEDY: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa upon appeal of Sarah Ann Kennedy by her attorney Scott D. Keith for license to become a supervisory employee of the Bomber Lounge.

Police Chief Harry Stege advised that his office had turned down this application inasmuch that applicant had been arrested March 20, 1979, for the sale of alcoholic beverage, plead guilty and was given a deferred sentence to October 1, 1979. She was also charged with operating the premises without being on the license March 23, 1979, and requested a jury trial, which is still pending.

Scott Keith was present and asked that the application for license as a supervisory employee be granted. She has not had any previous violations.

During discussion, Commissioner Hewgley said that it is the Board's policy to look upon appeals with favor, if the offense has been a year or longer, but in this case it has been only about a month. Therefore, it was moved by Commissioner Hewgley, seconded by Commissioner Thomas that the appeal be denied.

MTTA BUS SHELTER PROPOSAL: Communication was presented from the Metropolitan Tulsa Transit Authority and reviewed by its General Manager, E.P. Gooding. It was recommended that the City Commission accept the concept of entering into an agreement for bus stop shelters which will be financed by advertising revenues and which will be constructed and maintained by the contractor at no cost to the City or the citizens of Tulsa.

It was further requested that the MTTA be designated to receive proposals for such shelters and make recommendation to the City Commission on award of contract.

He recommended that the MTTA be the catalyst for this project, but they would want some one from Legal, Traffic Engineering to help and have someone be a liaison between them and the City Commission.

Tom Tannehill, attorney for Stokely Advertising, Inc., submitted letter from them showing their interest in this project.

Following consideration, it was moved by Commissioner Young, seconded by Commissioner Purdie that Metropolitan Tulsa Transit Authority's recommendations be approved, and that this matter be referred to the Legal Department.

APPEAL OF INTERNATIONAL BUSINESS AIRCRAFT, INC.: On March 16, 1979, International Business Aircraft, Inc., filed an appeal with the City Commission from the decision of the Airport Authority to construct a pilot lounge on premises at the International Airport. At that time same was referred to Legal to see if the City Commission has any authority to hear such appeals.

Richard Studenny, Airport Authority Attorney, said that he has not been able to get the report out that the Legal DEpartment will need to make this determination, He requested that the matter be delayed another 30 days.

Bernard Piel, attorney for International Business Aircraft, Inc., noted it has been six weeks since his initial request, so he would specifically object to 30 days as being somewhat excessive.

After discussion, it was determined that this is not a normal administrative appeal question and that 30 days should be allowed for research and report by the Airport to the Legal Department, and in turn from Legal to the City Commission.

Moved by Commissioner Thomas, seconded by Commissioner Hewgley that the matter be continued to May 29, 1979.

REPORT FROM BUDGET ON TERRA REQUEST FOR APPROPRIATION: Communication was presented and received by City Treasurer-Budget Director Edward C. Koepsel, regarding the request of Commissioner Thomas for additional funds in the amount of \$400,000 for the Tulsa Energy Resources Recovery Authority. In attempting to determine the availability of funds, he prepared three schedules reflecting General Revenue Sharing budgeted revenues vs. revised estimates, vs. an estimate of revenues available for FY 1979-80; Long Range Sales Tax Fund with the same type of information; and the General Revenue Sharing expenditure budget for FY 1978-79.

The schedules show what funds will be available through June 30, 1979 and the amount of approved commitments for the use of said funds.

He concluded that in assuming that the approved and pending requests referred to in his report carry higher priorities than the TERRA request, it is apparent that funds are not available for the subject request without a reordering of priorities by the City Commission.

Commissioner Thomas took exception to the Budget report in that it appears his recommendation is to abandon the project, but Commissioner Thomas does not feel this should be done.

Commissioner Hewgley noted that a vote will not be for or against TERRA, but he thinks TERRA should ask for the \$400,000 in the budget process.

Commissioner Thomas indicated that not all the money would be required at one time. Perhaps \$200,000 could be appropriated out of current funds and we could examine our position in the budget process for the next year.

Commissioner Thomas moved that \$200,000 be approved and the Budget Department designate the source of funds.

Mr. Koepsel asked what project should be cut down or cut out to accommodate this approval.

Commissioner Young suggested that perhaps TERRA could determine what the costs would be and come back and ask for funding.

Said Motion died for lack of a second.

It was then moved by Commissioner Young, seconded by Commissioner Purdie that the matter be referred back to TERRA to establish costs and then bring it back for a funding source.

CETA TITLE IV YOUTH COMMUNITY CONSERVATION AND IMPROVEMENT PROJECTS: Communication was presented from the Department of City Development and reviewed by staff member John Scott advising that the Manpower Area Planning Council met May 21, 1981, and made the following policy and funding recommendations on the YCCIP Program:

That the CETA Annual Plan be modified to allow both in-school and out-of-school youth to participate in YCCIP.

That the following allocations be made to three projects:

#21 - American Diabetes Association	\$2,484	Receptionist/Clerk/Typ
#26 - City of Sapulpa	18,305	Cleanup & Beautification
#27 - City of Drumright	8,490	" "

It was further recommended that any additional lapse funds generated during this summer be used to extend the Sapulpa and Drumright projects to 10 weeks each, with allocations of \$20,339 and \$9,433 respectively.

Moved by Commissioner Hewgley, seconded by Commissioner Gardner that the change in the CETA Annual Plan be approved, and that the funding allocations be approved as requested.

COMMITTEE ON NEEDS, STANDARDS AND SPECIFICATIONS: Communications were presented from the Purchasing Agent for the Committee recommending as follows:

Award of Bid 80-133 - engine driving standby generating sets for the Fire Department to the sole bidder, Mechanical & Electrical Equipment Co., for seven units at \$1729 each or a total of \$12,103.

Award of Bid 80-539 - repair parts ofr Mueller Fire Hydrants for the Water and Sewer Department to low bidder by item:  
Utility Supply Company - \$9,926.84 and  
U.S. Supply Company - 11,013.50.

Waive sealed bid procedure (80-793) for carpet at Gilcrease Museum from single source, Carpet City for a total of \$5800.

Award of Bid 80-542 - Bell joint clamps for Water and Sewer;  
Item 1 to U.S. Supply Company for \$2076.80  
Item 2 - 9 to Rohan Supply Company for \$22,265.00.

Waive sealed bid procedure (80-792) for twenty dispatcher chairs for the Police Department from Scott-Rice Co. for \$4,381.00.

Award Bid 80-324 - Radiator Repair/Replacement Service to sole bidder, Central Radiator Supply.

May 29, 1981

Moved by Commissioner Young, seconded by Commissioner Gardner that these recommendations be approved and carried out accordingly.

## Roll Call:

Eaton	absent	Hewgley	yea
Gardner	yea	Young	yea
	Mayor	yea	
yeas 4	noes 0	absent 1	
	Carried.		

HEARING ON APPEAL FOR PRIVATE GUARD LICENSE - WILLIAM FLOYD BEAN: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa upon appeal of William Floyd Bean, whose license for private guard has been revoked by the Police Chief.

Deputy Police Chief Bob Dick advised that the license was revoked after a renewal application which listed the answer no to questions of whether applicant had ever been arrested or convicted, and in checking the record, it was found that he had been arrested on four separate occasions, the last of which was February, 1981.

Mr. Bean was present and said he was not familiar with the form and had not meant to falsify his answers.

Chief Dick strongly recommended denial,

Mr. Bean said if this is taken away from him, he will be unemployed and this is the way he makes his living.

Mayor Inhofe acknowledged the applicant's feelings, but advised that that does not alter the fact that there are certain guidelines to be followed to hold this type of license.

Moved by Commissioner Gardner, seconded by Commissioner Young that the revocation of license by the Chief be upheld and the appeal be denied.

## Roll Call:

Eaton	absent	Hewgley	yea
Gardner	yea	Young	yea
	Mayor	yea	
yeas 4	noes 0	absent 1	
	Carried.		

HEARING ON APPEAL FOR PRIVATE GUARD LICENSE - EARL RIPPETOE: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa upon appeal of Earl Rippetoe whose application for private guard license has been denied by the Police Chief.

Deputy Police Chief Bob Dick said the application was denied because of previous arrests which were not reported on the application. The most recent arrest was in 1977. The main reason for denial is because he answered no to whether he had ever been arrested.

Mr. Rippetoe was not present.

When asked how strong his recommendation on this matter was, Chief Dick said that it appears that most of these offenses were traffic violations, and the applicants usually do not think of those as "crimes" to be listed on their applications.

It was moved by Commissioner Gardner, seconded by Commissioner Young that the appeal of Earl Rippetoe be granted.

## Roll Call:

Eaton	absent	Hewgley	yea
Gardner	yea	Young	yea
	Mayor	yea	
yeas 4	noes 0	absent 1	
	Carried.		

HEARING ON APPEAL FOR PRIVATE GUARD LICENSE - HUGHEY GEORGE HUGHES: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa upon appeal of Hughey George Hughes whose application for private guard license was denied by the Police Chief.

Deputy Police Chief Bob Dick said this application was denied based on Mr. Hughes answer "no" to questions of arrest or conviction, where in fact there appears to be six occasions.

Mr. Hughes was present and said he did not intend to falsify his report, but had in fact forgotten those incidents. He had reviewed his arrest sheet and then remembered the traffic incident in 1974 and another matter in 1962.

It was noted that he has had no arrest record in the past five years.

Moved by Commissioner Gardner, seconded by Commissioner Young that the appeal of Hughey George Hughes be approved.

## Roll Call:

Eaton	absent	Hewgley	yea
Gardner	yea	Young	yea
	Mayor	yea	
yeas 4	noes 0	absent 1	
	Carried.		

May 29, 1981

REZONING APPLICATION NO. Z-5549 - JACK C. COX (H & R INV.) This matter comes on for hearing before the Board of Commissioners of the City of Tulsa upon recommendation of the Tulsa Metropolitan Area Planning Commission, whose report shows:

Application Z-5549 - Jack C. Cox.  
2.5 acres N of 71st S., East of S. Utica  
From RM-1 to OM  
No protests.

TMAPC, 7 members voted unanimously to recommend to the City Commission that the following property be rezoned OM:

Tract in the SW $\frac{1}{4}$  SE $\frac{1}{4}$  Section.

Rick Malone of the Planning Commission Staff reviewed the report and recommendation.

No one else was present on this application.

Moved by Commissioner Young, seconded by Commissioner Hewgley that the hearing be closed as of this day and time, the recommendation of the Planning Commission be adopted, and the property under application be rezoned OM.

Roll Call:

Eaton	absent	Hewgley	yea
Gardner	yea	Young	yea
	Mayor	yea	
yeas 4	noes 0	absent 1	
Carried.			

STREET LIGHTS: Communication from the Traffic Engineer submitted a list of intersections and cul-de-sac locations for the installation of street lights, together with other locations where the energy cost of existing lights are to be assumed by the City.

Moved by Commissioner Hewgley, seconded by Commissioner Young that the recommendations be approved and that Public Service Company be notified accordingly.

Roll Call:

Eaton	absent	Hewgley	yea
Gardner	yea	Young	yea
	Mayor	yea	
yeas 4	noes 0	absent 1	
Carried.			

AWARD OF BIDS FOR RESTROOM MODIFICATION FOR THE HANDICAPPED AT CITY HALL: Communication was presented from the City Engineer's Office submitting compilation of bids received May 22, 1981, for Project No. 584502 - Restroom Modification for the Handicapped at City Hall, showing as follows:

Engineer's Estimate	\$	7,500.00
DACO Const. Inc.		5,700.00
Custom Craft Const. Co.		6,736.00

Daco Construction, Inc. submitted the lowest bid which is regular in every respect and it is recommended that contract be awarded to them.

Moved by Commissioner Hewgley, seconded by Commissioner Young that the compilation of bids be received and filed, and the bid of Daco Construction Inc. be accepted, and contract be so awarded.

Roll Call:

Eaton	absent	Hewgley	yea
Gardner	yea	Young	yea
	Mayor	yea	
yeas 4	noes 0	absent 1	
Carried.			

AWARD OF BIDS FOR PROJECT 320001 - FURNISH & INSTALL NEW POWER OPERATED HOISTWAY BI-PARTING DOORS AND POWER VERTICAL LIFTING CAR GATE AT PERFORMING ARTS CENTER: City Engineer's Office submitted a compilation of bids received May 5, 1981, on this project showing as follows:

Engineer's Estimate	52,000.00
Otis Elevator Co.	53,968.00

Although this bid is over the Engineer's Estimate, it is considered to be reasonable and it is recommended that bid be awarded to Otis Elevator who submitted the only bid on this project.

Moved by Commissioner Hewgley, seconded by Commissioner Young that the compilation be received and filed, the bid of Otis Elevator Company be accepted, and contract be so awarded.

Roll Call:

Eaton	absent	Hewgley	yea
Gardner	yea	Young	yea
	Mayor	yea	
yeas 4	noes 0	absent 1	
Carried.			

May 29, 1981

RENOVATION OF PIERCE BUILDING - 3RD & DETROIT: Communication was presented from the City Engineer's Office recommending approval of the request from Olsen-Coffey, Architects, for a building permit for the renovation of the Pierce Building at the northeast corner of 3rd and Detroit. The applicant plans to put the building back into as much the original condition as possible. There are currently two sidewalk light wells existing on the Detroit side. They plan to retain these and re-build the sidewalls with a brick veneer and put in new hand-rails.

Moved by Commissioner Hewgley, seconded by Commissioner Young that the request be approved as recommended.

## Roll Call:

Eaton	absent	Hewgley	yea
Gardner	yea	Young	yea
	Mayor	yea	
yeas 4	noes 0	absent 1	
Carried.			

APPLICATION TO CLOSE A PORTION OF SOUTH 112TH EAST AVENUE: Communication from the City Engineer's Office recommended approval of the application of Joseph R. McGraw for the close of a portion of South 112th East Avenue in Pheasant Run Addition. The utility companies and City Agencies have no objections to the closing. Since the reight-of-way has not been opened for public use in the past five years, it is recommended that the Legal Department prepare the necessary Ordinance to close the public way.

Moved by Commissioner Hewgley, seconded by Commissioner Young that the request be approved and referred to Legal for the necessary Ordinance thereon.

## Roll Call:

Eaton	absent	Hewgley	yea
Gardner	yea	Young	yea
	Mayor	yea	
yeas 4	noes 0	absent 1	
Carried.			

EXTENSION OF TIME ON PFPI PERMIT NO. 92: Communication from the City Engineer's Office recommends approval of request from Culver Construction Company for a 30 day extension of time on PFPI Permit No. 92 - storm sewer to serve Tamarac. A letter of approval from contractor's bonding company was received by the Engineering Department. Approval is based on a \$20 per day permit fee.

Moved by Commissioner Hewgley, seconded by Commissioner Young that PFPI Permit No. 92 be extended 30 days as requested.

## Roll Call:

Eaton	absent	Hewgley	yea
Gardner	yea	Young	yea
	Mayor	yea	
yeas 4	noes 0	absent 1

		Carried.	

August 18, 1978

INDEPENDENT LOCAL 1776: Mayor Inhofe noted that the large group of persons in attendance are concerned with item 12 on the agenda, and in the interest of time he would recommend same be taken up at this time. He further noted that he has a list of names of people who are to speak on this matter, and he asked that each limit his or her presentation to 2½ minutes and to identify specific area problems. He said that the secretary would make notes of the specific problems.

Moved by Commissioner Eagleton, seconded by Commissioner Purdie that item 12 be taken up at this time.

Roll Call:

Thomas	absent	Hewgley	yea
Purdie	yea	Eagleton	yea
	Mayor	yea	
yeas 4	noes 0	absent 1	
	Carried.		

Mayor Inhofe called upon James Hilliard, Chief representative of Local 1776 for a brief explanation, who said that the workers he represents are willing to do their job and in the past have performed satisfactorily, but were not faced with the situation they have today.

Lottie Sherman made general statements about Mr. Hilliard, how the workers had sought him to represent them; that Local 1180 has not helped the employees; that the employees have taken punishment from Mr. Richmond; something about fear instilled in the employees in the 2½ minute limit; that the City is still taking dues out of the checks for 1180, and that the union is a form of protection for the employees and if they do not want 1180 they should not be compelled to stay in it. She said that any conflict in the Refuse Department was not caused by the employees but was because the City does not recognize their requests for better conditions and improvements. She said the citizens are not satisfied with the way the City changed the refuse service. She thought the service was better before Mr. Richmond came to the department. She said he has told so many lies the employees don't trust him. She said the equipment is in disrepair and she said some of the dollies are very heavy.

Mayor Inhofe noted there is a definite procedure outline that can be followed to change unions if the employees are not satisfied with the one representing them now. The City Commission has no control over it, but it can be done.

Mr. Hilliard noted that this City Commission did not cause the situation, but it has to deal with it.

Kenneth Russell from the Street Department, said that about 95% of the employees want 1776 to represent them.

Willie Jordan thought the old schedule was better. One curb side and one back yard per week isn't working out. They are to pick up just so much, and there is so much garbage stacked in the back yard pickup that they are not allowed to take it all, and therefore there are lots of complaints.

W.D. Walker has been an employee for 13 years. He thinks the old schedule is better and he doesn't think the citizens are satisfied with the service they are getting with the present schedule. He thinks the department tells the employees one thing and the citizens another.

Mr. Easley has been with the City 9 years, and has never seen anything worse than it is now. If they clock in a minute late, they are docked 15 minutes. One day he made three loads and was told to go out again. He felt like he had done his share, and was told he would be suspended for a day. He will do his job, but he will not be forced to do anything.

Kenneth Barber complained about Phil Richmond. He also favored the old schedule of garbage pickups.

H.F. Roberts complained of unsafe equipment, and slick tires on the trucks.

W.A. Goodwin said he had been with the department 23-24 years. One day they took one of his men from this crew, leaving just himself and one man to work, and when he complained to his foreman, and asked to speak to Mr. Richmond, they wouldn't let him. It is too difficult for two men to work that big a route.

Claude Herron doesn't like the setup and the docking of 15 minutes time if they are late a minute. He complained of poor vehicles. He thinks they should put every pickup at the curb. He feels the refuse workers are put last.

Jeff Nix, attorney for 1776 suggested the City Commission check the statute on collective bargaining. The problems start at the bottom with Phil Richmond and go to the top to this Commission.

Mr. Hilliard made closing statements. He criticized Phil Richmond and thought he should be replaced.

Barbara Connelly said it is not fair to fire a woman when she gets pregnant. Also she thought they should furnish the Refuse workers with uniforms.

Mayor Inhofe said he would meet with the Attorney, Jeff Nix.

UTILITY BOARD: Documents were presented from the Utility Board by way of communications from C.R. Holden, Superintendent of Waterworks and Sewerage, together with recommendations thereon, as follows:

1. BILLS: The following bills were presented for payment to the following:

Black & Veatch	Engineering Fees, WPC-OKLA-0784, SA69-7, Additions to Northside Sewage Treatment Plant (11 MGD)	\$5,255.32
(From 1969 Sanitary Sewer Bond Funds)		

2. GRANT AGREEMENT AMENDMENT: A Grant Agreement Amendment for Grant C-400786-02-3, WPC-OKLA-0786, SA69-4, Southside Sewage Treatment Plant (10.5 MGD) was submitted, which increases the grant in the amount of \$369,300.00.

RECOMMENDATION: That this increase be approved and made a part of the original agreement.

3. AGREEMENT - STREAM MONITORING, SPAVINAW CREEK: A renewal was presented for Memorandum Agreement for Fiscal Year 1978-79 for the operation of a stream monitoring gauge station and other work related to the collection and computation of stream flow records on Spavinaw Creek between the Oklahoma Water Resources Board and the City of Tulsa. The terms for the agreement provide for the City to contribute and pay to the Oklahoma Water Resources Board the sum of \$1,850.00 for fiscal year 1978-79.

RECOMMENDATION: That this agreement be approved and executed on behalf of the City of Tulsa, subject to final approval by the City Attorney.

4. RESOLUTION NO. 4: Resolution was introduced, entitled:

A RESOLUTION ADOPTING AND APPROVING FINAL DETAILED PLANS, PROFILES, SPECIFICATIONS, AND ESTIMATES OF PROBABLE COSTS; AND PROVIDING FOR THE IMPROVEMENT OF SANITARY SEWERS AND STORM SEWERS IN COMBINED SANITARY AND STORM SEWER DISTRICT NO. 1872 (ASSESSMENT).

along with the final drawings, plans and specifications.

RECOMMENDATION: That Resolution No. 4 be approved and the City Auditor be authorized to advertise for bids to be received on September 12, 1978.

5. CONTRACTS: The following contracts were presented.

Sanitary Sewer Improvement District No. 1940 (Nonassessment), Watt-Tyler Property, 4400 South Jackson, W.N. Couch, Inc., Contractor, and J. Neal Watt and Gary L. Tyler, owners.

Sanitary Sewer Improvement District No. 1946-X (Nonassessment), Blue Robb Addition, East 31st Street South and South 129th East Avenue, Tulsa Utility Contractor, Inc., Contractor and Hesselbein Tire of Oklahoma, Inc., Owner

Sanitary Sewer Improvement District No. 1956 (Nonassessment), Claypool Addition (E/2 of Lot 9), East 47th Street South and South Harvard Avenue, Tulsa Utility Contractors, Inc., Contractor and South Harvard Medical Building Assocs., owner.

Sanitary Sewer Improvement District No. 1966-X (Nonassessment) Southbridge Office Park, East 71st Street South and South Wheeling Avenue, M.E. and Everett T. McGuire dba McGuire Brothers Const. Co., Contractor and Southbridge Development Co., Inc., owner.

RECOMMENDATION: That these contracts be approved and executed on behalf of the City of Tulsa, subject to final approval by the City Attorney.

6. DRAWINGS, PETITIONS AND REQUESTS TO PUBLISH ORDINANCES: Drawings and Petitions requesting the creation of the following sanitary sewer districts:

Sanitary Sewer Improvement District No. 1938 (Nonassessment) Maryland Gardens (Pt of Block 2), 1000 North Richmond Avenue

Sanitary Sewer Improvement District No. 1978-X (Nonassessment) Towne Centre II, East 41st Street South and South 107th East Avenue

Sanitary Sewer Improvement District No. 1979-X (Nonassessment) Time Mark Addition, 650' East of Garnett Road on Pine

Sanitary Sewer Improvement District No. 1980-X (HC-53) (Nonassessment) Southfield Estates Second, East 81st Street South and South 76th East Avenue

Sanitary Sewer Improvement District No. 1981-X (FC-125) (Nonassessment) Guier Woods IV, East 75th Place South and South Harvard Avenue

RECOMMENDATION: That these requests be granted, the drawings approved, and the City Legal Department be authorized to prepare the necessary creation ordinances.

August 18, 1978

7. STATE HEALTH DEPARTMENT PERMITS: The following are duly executed permits from the State Department of Health granting permission for construction of the referenced projects:

Sanitary Sewer Improvement District No. 1937-X (FC-117) (NA) Rockwood Hills Estates (Lot 17) East 72nd Street South and South Evanston Avenue

Sanitary Sewer District No. 1940 (NA) Watt-Tyler Property, 4400 South Jackson

Sanitary Sewer District No. 1948 (NA) Royal Manor South (Cherry Hills Apartments) West 49th Street South and South Indian Avenue

Sanitary Sewer District No. 1950-X (FC-119) (NA) Southwood Terrace, East 81st Street South and South Delaware Avenue

Sanitary Sewer District No. 1955-X (FC-122) (SE8@16) (NA) Silver Oaks III, East 76th Street South and South Urbana Avenue

Sanitary Sewer District No. 1956 (NA) Claypool Addition (E/2 of Lot 9), East 47th Street South and South Harvard Avenue

RECOMMENDATION: That these Permits be received and filed by the City Auditor.

8. ACCEPTANCES: The following were presented.

Sanitary Sewer District No. 1747-X (FC-83) (NA) Silver Oaks (Block 3) 7600 S. Yale Ave.

Sanitary Sewer District No. 1816 (NA) K & C Addition, East 21st St. S. & S. 92nd E. Ave.

Sanitary Sewer District No. 1870 (NA) Sambo's Restaurant (53rd Pl. & S. Peoria) East 53rd Place and South Peoria Avenue

Sanitary Sewer District No. 1881-X (NA) (FC-105) Walnut Creek V, E. 85th Pl S. & S. Harvard Ave.

Sanitary Sewer District No. 1887-X (NA) Woodland Hills Center, E. 31st St. S. & S. 145th East Avenue

Sanitary Sewer District No. 1892-X (NA) Walter Properties, E. 21st Street South and South 117th East Avenue and East Tecumseh St. and North Norwood Place

Sanitary Sewer District No. 1901-X (NA) Burning Tree East, South 86th East Avenue and 63rd Street South

Sanitary Sewer District No. 1923-X (NA) Raphael Plaza, East 71st Street South and 360' West of South Memorial Drive

RECOMMENDATION: That these projects be accepted.

9. AGREEMENTS FOR URBAN ENGINEERING SERVICES: Agreements were presented for the following districts.

Sanitary Sewer Improvement District No. 1971 (NA) Warrenton South, East 66th Street South and South Fulton Avenue, Robert V. Steele, Engineer and Design Props., Inc., Owner

Sanitary Sewer Improvement District No. 1978-X (NA) Water Main Extension Contract No. 935, Towne Centre II, East 41st Street South and South 107th East Avenue, Poe & Assocs. of Tulsa, Inc., Engineer and First Home Service Corp., Owner

Sanitary Sewer Improvement District No. 1979-X (NA) Time Mark Addition, 650' East of Garnett Road on Pine, Hammond Engineering Co., Engineer and Time Mark Corporation, Owner

Sanitary Sewer Improvement District No. 1980-X (HC-53) (NA) Southfield Estates Second, East 81st Street South and South 76th East Avenue, Hammond Engineering Co., Engineer, and Sotucum, Inc., Owner

Sanitary Sewer Improvement District No. 1981-X (FC-125) (NA) and Water Main Extension Contract No. 936, Guier Woods IV, East 75th Place South and South Harvard Ave., Mansur-Daubert-Williams, Inc., Engineer and Design Properties, Inc., Owner

RECOMMENDATION: That these agreements be approved and executed on behalf of the City of Tulsa, subject to final approval by the City Attorney.

10. REQUEST FOR ABANDONMENT OF SANITARY SEWER: A request was presented from T and B Development Company that certain sanitary sewers in Block 1, 2 and 3 of Metro Park be abandoned by the City and given to T and B Development Co. to maintain as private sanitary sewer service lines. T and B Development Company is the owner of all of Blocks 1, 2 and 3 of Metro Park and the sewers do not presently serve any property which is not owned by T and B Development Company.

RECOMMENDATION: That the request be approved.

11. WATER MAIN EXTENSION CONTRACTS: The following were presented.

Water Main Extension Contract No. 926, Southern Heights, Robert L. Parmele and Robert L. Parmele Jr., East 76th Street South and South Winston Avenue,

Water Main Extension Contract No. 929, Diversified Industrial Park, INB Properties Southeast, Inc., 4400 South Mingo Road

RECOMMENDATION: That these contracts be approved and executed on behalf of the City of Tulsa, subject to final approval by the City Attorney.

12. EXHIBITS "D" AND "E": The following were presented.

Water Main Extension Contract No. 899, Gilcrease Hills Village I, Blocks 15 and 16, Gilcrease Hills Development Corporation

RECOMMENDATION: That these exhibits be approved and made a part of the referenced contract.

13. AMENDMENT TO WMEC NO. 791 AND AMENDED EXHIBIT "E": T and B Development Company, current property owner of Metro Park, is in the process of vacating certain streets and easements within the Metro Park Addition primarily for the purpose of making a large tract suitable for use by a single user. A request was submitted from Crow and Thieman, attorney's for T and B Development Company, asking that the original contract be amended and that the water line described in the amendment be removed from the City of Tulsa's water distribution system.

RECOMMENDATION: That the amendment to Water Main Extension Contract No. 791 and the amended Exhibit "E" submitted herewith be approved and execute on behalf of the City of Tulsa, subject to final approval by the City Attorney.

14. MOHAWK PARK WATERLINE: A request was presented to the City Commission from the Park and Recreation Department. The Park Department is preparing to have a new 10" waterline constructed to serve Mohawk Park and the Zoo. The routing of this line requires a pipeline license from the Atchison, Topeka and Santa Fe Railway Company at a cost of \$150. It is requested that the City Auditor be authorized to prepare a warrant in the amount of \$150.

The Water and Sewer Department submitted two copies of a Pipe Line License covering the crossing at Station 4464 + 22, Mohawk Rail Siding, Oklahoma.

RECOMMENDATION: That the Pipe Line License be approved and that the City Auditor be authorized to issue a warrant.

15. SANITARY SEWER EASEMENTS FOR FILING: The following were presented.

Sanitary Sewer District No. 1924-X (NA) Collegiate Square, East 71st St. & S. Trenton Ave.

Sanitary Sewer District No. 1962-X (FC-123 (SE8-17) (NA) Southern Hts., East 76th St. South and South Winston Avenue

Sanitary Sewer District No. 1968-X (NA) Fontana (Royal Fork Restaurant) 7700 E. 51st So.

RECOMMENDATION: That these easements be received and the City Auditor be authorized to file the original of record.

16. RESTRICTIVE WATER LINE EASEMENT: A restrictive water line easement was presented for Gift Line No. GL-119, Kensington, Block 7, (Cinnamon Stick Apartments) Cinnamon Associates, LTD

RECOMMENDATION: That this easement be received and the City Auditor be authorized to file the original of record.

17. RIGHT-OF-WAY AGREEMENT: A Right-of-Way agreement was presented which authorized Oklahoma Natural Gas Company to construct a 4" gas line across the property owned by the City in Section 1, Township 20 North, Range 15 East, Rogers County, on which the Spavinaw Flow Lines are located. ONG agrees to maintain the gas line and to rebuild any existing roadway after construction.

RECOMMENDATION: that said agreement be approved and executed on behalf of the City of Tulsa, subject to final approval by the City Attorney.

19. ELECTRIC BILL - LAKE EUCHA CAFE: A request was presented to pay the electric bill for Lake Eucha Cafe from the end of the July billing period through November from the hunting and fishing fund in order to keep the Cafe open for the normal time provided in the contract - maximum estimated cost of this would be \$450.00.

RECOMMENDATION: That this request be approved.

20. PROPOSED WATER AND SEWERAGE SYSTEMS TO SERVE GILCREASE HILLS VILLAGES IV AND V: Re: Water Main Extension Contract No. 650. This contract required the owner to build a secondary pumping and storage system to serve the Gilcrease Hills area. A report was prepared and presented by W.R. Holway and Associates entitled "Water and Sewerage System for Gilcrease Hills Development Corporation, Village IV and V". This report outlines a proposed second phase which includes constructing a 500,000-gallon elevated storage tank as an interim measure instead of a 2-million gallon ground level storage reservoir. A 1½-million gallon reservoir would be constructed at a later date. The report also included a plan for the proposed sewerage system to serve the area north of Apache.

RECOMMENDATION: That this report and the proposed method of extending the water and wastewater systems to serve the area be approved in concept and that the staff be authorized, along with special Attorney for the Utility Board, prepare an amendment to Water Main Extension Contract No. 650.

August 18, 1978

25. STREAM WATER APPLICATION #52-568: A final Order of the Oklahoma Water Resources Board relating to Stream Water Application No. 52-568 was presented, as approved at the Oklahoma Water Resources Board's regular mnthly meeting. Board Order: After careful review and study of data, the Oklahoma Water Resources Board finds that the amount authorized was not placed to beneficial use within the statutorily mandated time frame and, therefore, the vested right is hereby cancelled as of August 8, 1978.

RECOMMENDATION: That the Final Order submitted be received and filed.

26. STREAM WATER APPLICATION NO. 54-517 - FINAL ORDER: A final order of the Oklahoma Water Resources Board was submitted relating to Stream Water Application No. 54-517 as approved at the Oklahoma Resources Board meeting. Board Order: The Oklahoma Water Resources Board finds that the terms of Permit No. 54-517 have not been met and the City of Tulsa has lost 9% of its total allocation and the permit is thereby reduced to 143,707 acre-feet per year this 8th day of August, 1978.

RECOMMENDATION: That the Final Order submitted be received and filed.

27. STREAM WATER APPLICATION NO. 64-520: A final order of the Oklahoma Water Resources Board was submitted relating to Stream Water Application No. 64-520 as approved at the Oklahoma Water Resources Board's regular meeting of August 8, 1978.

Board Order: The Oklahoma Water Resources Board finds that the amount authorized in the above permit was not placed to beneficial use; therefore, the permit is hereby cancelled this 8th day of August, 1978.

As to Item 20, Commissioner Eagleton asked that the Water & Sewer Department Staff report indicating whether this approval of additional sewage will coincide with the phasing out of Flat Rock and Coal Creek Plants.

Moved by Commissioner Eagleton, seconded by Commissioner Hewgley, that the recommendations of the Utility Board be approved, and that the contract documents be approved and executed on behalf of the City of Tulsa, subject to approval by City Attorney, and that the Water/Sewer Department Staff report as requested.

LAKESIDE HOME SEWER SYSTEM FUND CLOSEOUT: Communication was presented from the Budget Office and reviewed by Mike Kier, noting that the Board approved an allocation of \$18,538.50 from GRS as part of cost of a Lakeside Home Sewer Improvement Project. These funds along with \$16,786.04 from Tulsa County were placed in a special fund to complete the project.

The project involving construction of a lift station and a force main connecting the Home with the City's Sanitary Sewer System is now complete. Total project cost is \$33,580.07. Balance remaining in fund is \$1744.47. The City and County agreed to share the cost of the project. The remaining funds are an excess contribution of the City.

It was requested that the Board approve the closeout of the Fund (No. 3209) and return remaining funds to GRS Fund no. 5009.

Moved by Commissioner Eagleton, seconded by Commissioner Purdie that the recommendation be approved as presented.

CITY DEVELOPMENT - CETA PROJECTS: Communications were presented from the City Development Department and reviewed by staff member John Scott concerning the following projects:

CETA Title I FY 1979 Annual Plan in the total amount of \$3,148,432, which has been approved by the Manpower Area Planning Council with recommendation for concurrence by City Commission for submission to the Department of Labor.

CETA Title II Modification #10 (Grant No. 40-50431-21) which is required to extend current Title II grant through December 31, 1978 and obligates \$171,094 to be spent during the first quarter of FY 1979 in the Tulsa Poverty Area and the Bristow Area. Same comes with recommendation of the Manpower Area Planning Council for approval by City Commission for submission to the Department of Labor.

CETA TITLE VI Modification #4 (Grant No. 40-7-430-60) which is required to extend current Title VI grant through December 31, 1978. Same has been approved by the Manpower Area Planning Council which recommends City Commission concur therein for submission to the Department of Labor.

Moved by Commissioner Eagleton, seconded by Commissioner Purdie that the recommendations be approved and executed on behalf of the City of Tulsa.

Roll Call:

AKDAR SHRINE: Letter from the Akdar Shrine requesting waiver of fees for Police Assistance in their parade planned for September 9, 1978, was continued from the meeting of August 15 to this date for further consideration.

Chuck Tawater of the Akdar Shrine was present and said that their organization had planned on using the auxilliary police, but cannot because of the new ruling of the City Police Department which was made because of the question of liability of the City on workmen's compensation for those persons. He said they will have approximately 10 to 12,000 shriners and families attending the convention taking place September 7, 8 and 9.

Larry Coulson was present and spoke on this matter.

Commissioner Purdie moved that the request be granted, the fees waived, and that the Chief of Police be instructed to assign the necessary Traffic officers to the parade.

Motion was seconded by Commissioner Hewgley.

HEARING ON APPEAL FOR PRIVATE GUARD LICENSE - LARRY L. JACKSON: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa upon appeal of Larry Lewis Jackson for private guard license which was denied by the Police Chief.

Chief Bob Dick advised they had re-checked the records and found an expungement therefore, the original charge cannot be used against the applicant.

Moved by Commissioner Eagleton, seconded by Commissioner Purdie that the appeal be granted in light of said expungement of Mr. Jackson's record for offense.

## Roll Call:

Thomas	absent	Hewgley	yea

Carried.			

HEARING ON APPEAL FOR PRIVATE GUARD LICENSE - GARRY W. MCINTOSH: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa upon appeal of Garry W. McIntosh for private guard license which was denied by the Police Chief.

Chief Bob Dick said that Oklahoma City reports that Mr. McIntosh had been handled as a mental patient, but that he has been unable to get the details from them.

Mr. McIntosh said he saw the report and knows nothing of that as he has not been in an Oklahoma City or therabouts mental institution. He said he had been at Northeastern and had seen a therapist at Sapulpa.

Moved by Commissioner Eagleton, seconded by Commissioner Hewgley that this matter be continued one week for the Police Chief's office to check further with Oklahoma City.

HEARING ON APPEAL FOR PRIVATE GUARD LICENSE - COY V. POYNDEXTER: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa upon appeal of Coy V. Poyndexter for private guard license which was denied by the Police Chief.

It was determined that Mr. Poyndexter was not present.

Deputy Bob Dick reviewed the basis for denial by the Chief.

Moved by Commissioner Purdie, seconded by Commissioner Eagleton that the Police Chief's decision be upheld, and that the appeal be denied.

Roll Call:

POLICE CHIEF'S REPORT ON REQUEST FOR PAYMENT - JOSEPH R. COLEMAN: Police Chief Stege presented a reviewed his report on the request of Joseph R. Coleman for payment for architectural services in remodeling of records division of the Police Courts Building. It is the Chief's feeling that Mr. Coleman, having been a previous City Commissioner, was well aware of the provisions and risk when he agreed to perform the services. However, it is his understanding that the working documents were not used by the Engineering Department in preparing plans and bidding documents. He would recommend that the claim be denied.

Assistant City Attorney McNeill, in answer to questions, said that no contractual obligation is involved. This would be a question only of recognizing any moral obligation.

It was determined that Mr. Coleman was not notified this would be on the agenda. Therefore, it was moved by Commissioner Purdie, seconded by Commissioner Coleman that the matter be continued, Mr. Coleman so advised, and a copy of subject letter be sent to Mr. Coleman.

ELM PARK AREA APARTMENT BUILDINGS: This date had been set for receiving reports from the several agencies involved with the Elm Park Area Apartment Buildings.

Communication was presented by and reviewed by D.N. Irwin, Chief Building Inspector. In the August 4, 1978, meeting the City Commission concurred in recommendation of Commissioner Hewgley to have the several involved City agencies report on actions taken by each pursuant to findings released at the August 1st meeting.

The Division of Protective Inspections developed a list of fire hazard and safety requirements and provided that list to the Fire Marshal on August 8 for his transmittal to the building owner. A second list of deficiencies relative to minimum liveability standards was provided to the owner, by mail, on August 14, 1978.

Eugene Colleoni was present and said that the area residents want to see progress made in reference to what is contained in the petition.

Commissioner Hewgley said that until the occupants actually physically move from the apartments, the City is just making a plan of action to do what is necessary when they do move out.

Chief Gann, City Fire Marshal, reviewed a list of deficiencies noted by his office. A ten day notice was given to the owner, but the time has not expired for a further check.

Roy Wilson, Health Department representative, said they had served a 30 day notice on the 7th of August for correction of violations.

Mack Kriegel, attorney, representing Mr. Williams, noted that they have done extensive repairs to the fire escape and there is still some painting to be done on that. They immediately began to clean up the whole area, removing trash, etc. Eviction notices have been given to those tenants causing problems, running early in September. He thinks they can have the 10 day list completed by Tuesday, and thinks they can have the two apartment buildings up to code within 45 days. He said they have the immediate hazards taken care of and it would appear that after the end of 10 days Commissioner Eagleton noted they seem to have the immediate hazards taken care of and it appears that at the end of 10 days the Fire Marshal's list should be completed. With the scheduling of continued work, she thinks the reports are sufficient.

City Engineer Miller said he would give a status report next Friday as to whether the emergency work has been completed and whether scheduling has been made.

Moved by Commissioner Eagleton, seconded by Commissioner Hewgley that the reports be received and filed.

August 18, 1978

HEARING ON PROPOSED ORDINANCE REVISIONS TO TITLE 21: Mike Reel, Finance & Revenue Department, submitted and reviewed Ordinance revisions to Title 21, as follows:

Chapter 2 - This amounts to the repeal of the current chapter and adoption of proposed replaement; it includes the addition of licensing the Movie Theatres at the rate of \$25 per annum; provided that the initial license must be preceded by an application which is signed by the FireMarshal's office stating that the applicant has complied with the Fire Codes.

There was quite a bit of dicussion of "Merchant Distributor" and it was recommended if they are subject to a food handler's license, their license fee should be reduced by that amount.

Following further discussion, it was moved by Commissioner Eagleton, seconded by Commissioner Purdie that same be referred to Legal to re-work and back to City Commission for further consideration.

Roll Call:

Thomas	absent	Hewgley	yea
Purdie	yea	Eagleton	yea
	Mayor	yea	
yeas 4	noes 0	absent 1	
Carried.			

Chapter 9 - Closing out of Business Sale - requires an application to be made; limits the number of renewals permitted; sets forth certain duties of the Licensee; provides for revocation and license denial appeal; and increases the penalty from \$20 fine to a maximum of \$300.

Following consideration and discussion, it was moved by Commissioner Eagleton, seconded by Commissioner Hewgley that the recommendations be approved and that same be referred to Legal for preparation of the necessary Ordinance thereon.

Roll Call:

Thomas	absent	Hewgley	yea
Purdie	yea	Eagleton	yea
	Mayor	yea	
yeas 4	noes 0	absent 1	
Carried.			

Chapter 17 - Shooting Galleries: This renames the chapter to "Indoor Firing Range"; sets forth procedures for application, eliminates need of quarterly renewal of license by Commission Action, sets forth specific requirements with regards to range construction, safety, and maintenance procedures; requires an initial inspection by the Police Department to ascertain safety precautions; and reduces the fee from \$25 quarterly to \$25 per annum due to a possible conflict with State law.

Commissioner Eagleton noted that she would like to have a provision in this chapter for a 90 day review of the initial license. After that, an annual renewal would be all right.

It was noted there could be standards, such as a free standing building, private parking facilities, etc.

Commissioner Purdie recommended that the Inspectors be included in this Ordinance instead of the Police Department.

Commissioner Eagleton disagreed, in that the Police Department would have to know about firearms, etc., and it might be necessary for them to make such inspections.

It was further recommended that the fee structure be investigated.

Moved by Commissioner Hewgley, seconded by Commissioner Purdie that the recommendation be approved in concept and referred to Legal on the 90 days - one year, inspections, and investigation of fee structure.

Chapter 24 "Cabarets" - repealing Sub-section 9 of Chapter 2, Section 21, and adopting Chapter 24 in lieu thereof. This provides for 4 classes of cabarets; provides for a temporary cabaret license, and will include a penalty clause which was inadvertently omitted - an increase of the fine from \$20 to a maximum of \$300 for each day of violation.

Commissioner Purdie said that Chief Stege needs to review these recommendations. Therefore, it was moved by Commissioner Eagleton that this be referred back to Mr. Reel, Chief Stege and to Legal for review, and if there are any substantive changes to come back to this Commission, otherwise Legal to prepare the Ordinance thereon.

Motion was seconded by Commissioner Purdie.

Roll Call:

Carried.			

August 18, 1978

Chapter 25 - Peddler License - This repeals Section 21 Sub-section 30, Chapter 2 Title 21 and adopts Chapter 25 in lieu thereof. Mr. Reel said the proposal has some recommended changes and needs further research. He felt that Section 14 has to be worked out with DTU.

Bob Griffin, representing Tul Center Inc, who has the contract with the City to operate and maintain the pedestrian system, submitted a letter and advised that he would like for a Committee to be formed to review this further.

Moved by Commissioner Purdie, seconded by Commissioner Eagleton that this recommendation be deferred for further study by Reel, Legal, DTU & Engineering.

Roll Call:

Thomas	absent	Hewgley	yea

	Carried.		

REQUEST THAT HEALTH DEPARTMENT'S PROCEDURE IN ABATING WEED NUISANCES BE RE-EXAMINED: Communication was presented from Norman Jacobs requesting a complete re-examination of the Health Department's current procedure in abating the weed nuisances to expedite such matters.

Mr. Jacobs was present and said that he thinks that the high weeds in the neighboring tract to his property is harboring the ticks that have invadated his property.

Wanda Hubbard of the Rolling Hills area was also present and spoke to the Board about this problem.

They did not understand why it took so long to get compliance from property owners and why it was necessary to have to notify the same property owners over and over that their properties have to be mowed and cleaned. Who do they have to be forced to do this?

Assistant City Attorney McNeill advised that the procedure for abatement of weed nuisances on private property is pursuant to State Statute.

Mayor Inhofe said that he had reviewed the previous problems of ticks with the Health Department. It is statewide problem. He has talked with the Health Department and with Commissioner Purdie on burning off properties. He said that it was possible to get the State law changed on procedure for abatement of the weed nuisances.

PURCHASING AGENT - FINAL REPORT OF AUCTION: Communication was presented and reviewed by John Ogren, Purchasing Agent, submitting final report on sale of surplus auction on August 10, 1978, and requesting an allocation of \$5000 from the \$57,075 total proceeds to be put in a restricted account in the Purchasing Department Budget to be used over the next year on an as needed basis to do such things as replace missing starters and batteries; fix flat tires; perform general clean-out of trash, and other maintenance which would appear to increase the proceeds by more than cost.

Also in accordance with the terms of the contract, please authorize the issuance of \$4851.38 to Rene' Bates Auctioneers.

It was noted that this sounds like a good idea, but there may be a procedural problem.

Moved by Commissioner Eagleton, seconded by Commissioner Purdie that this be referred to Budget and Legal for recommendation.

AGREEMENT WITH AL STOREY WRECKER SERVICE: Communication was presented from the Legal Department submitting an agreement between Al Storey Wrecker Service, Inc., General Motors Acceptance Corporation, and the City of Tulsa. This agreement permits GMAC to take possession of automobiles towed by Al Storey under direction of the City as traffic hazards, provided, if GMAC has a security agreement containing a right-to-repossess-without-breach-of-the-peace clause and if the payments are delinquent. The City agrees to surrender the automobile upon request under these circumstances. In return, Storey agrees to hold the City harmless as a result of the surrender. The right to repossess under clauses of this type has been held constitutional and permissible by recent Oklahoma Supreme Court decisions.

Moved by Commissioner Eagleton, seconded by Commissioner Hewgley, that this agreement be approved and executed subject to final approval by the City Attorney.

Thomas	absent	Hewgley	yea
Purdie	yea	Eagleton	yea
	Mayor	yea	
yeas	4	noes	0
	Carried.	absent	1

RELEASE OF PROPERTY BONDS FORFEITED IN DISTRICT COURT: Communication was presented from the Legal Department submitting a Release of Property Bonds that were forfeited in District Court. During 1970 and 1971, Raymond Littles, who died in 1972, posted property bonds to assure appearances of defendants in Municipal Court. Collateral for the bonds was real estate described as Lot 8, Block 6, Northside Addition to the City of Tulsa. The bonds were posted under authority of Oklahoma Stats., Title 59, Section 1324, which also permits them to be filed of record in the Office of the County Clerk. When so filed, they become a lien against the real estate described. A large number of the forfeitures were later vacated and set aside as is permitted by state law; however, they were not released of record in the County Clerk's Office. Nor was a claim filed against the estate of Mr. Littles within the statutory time limit. Based upon the cases interpreting the Oklahoma forfeiture statutes, the age, number and likelihood of recovery on the bonds, Judge Lawrence Yeagley, Presiding Judge of the Municipal Criminal Court, has recommended that the bonds be released.

August 18, 1978

The unreleased bonds total approximately \$267,000. The property is worth approximately \$6,000, and TURA is attempting to acquire it.

Moved by Commissioner Eagleton, seconded by Commissioner Hewgley, that this Release be approved and the City Auditor be authorized to file of record in the Office of the County Clerk.

	Mayor	yea	
yeas	4	noes	0
	Carried.	absent	1

PROPERTY DAMAGE CLAIM OF NITA HUBBARD: Communication was presented from the Legal Department submitting a property damage claim of Nita Hubbard against the City of Tulsa in the sum of \$20.37. Ms. Hubbard reports that on July 24, 1978, the City was in the process of resurfacing South Wheeling Avenue in the 700 block when an asphalt roller being operated by a City employee struck the rear of her 1970 Toyota automobile, breaking the plastic lens covering the rear brake light. The claimant reports that the City employee advised her that he was unable to stop his machine in time to avoid damage to the claimant's automobile.

August 18, 1978

The Legal Department investigated this claim and has confirmed the occurrence of an accident as reported by the claimant. Investigation into the dollar value of the damage sustained by the claimant has resulted in the discovery that the plastic taillight lens cover which was broken on the claimant's automobile cost \$5.37, plus tax. The claimant has agreed to accept this sum in full satisfaction of her claim. Legal is satisfied from our investigation that the claimant's damage resulted from the negligent operation of City equipment and, accordingly, recommends that the compromised damage claim be approved.

Moved by Commissioner Eagleton, seconded by Commissioner Hewgley, that this property damage claim of Nita Hubbard be approved and the City Auditor be authorized to issue a warrant in the amount of \$5.59.

PROPERTY DAMAGE/PERSONAL INJURY CLAIM OF TODD ALAN BOWEN: Communication was presented from the Legal Department submitting a claim from Mr. Joseph Q. Adams, on behalf of his client Todd Alan Bowen against the City of Tulsa for \$1,753.65 property damage, together with an unspecified amount for personal injuries. Mr. Bowen's motorcycle was damaged beyond repair, and he received unspecified injuries as a result of a collision between his motorcycle and a broken manhole cover which was lying in the East 15 Street roadway at its intersection with South Delaware Place. The accident occurred at approximately 1:00 A.M. on July 8, 1978.

The Legal Department investigated this claim and recommend that this claim be denied. The traffic officer who investigated the claimant's accident reported the exposed manhole opening and the broken manhole lid. The Streets Maintenance Division immediately installed a replacement lid. The broken cover exposed an open manhole located in the center of a very busy street. The claimant struck a portion of the broken manhole cover which was lying in the middle of the two westbound traffic lanes on 15th Street. The City had no knowledge either of a broken manhole cover or an exposed manhole opening on 15th Street prior to the claimant's accident. The maintenance of City streets, including manhole covers, is a proprietary of city streets, including manhole covers, is a proprietary function of a city government and, in the absence of negligence the City is not liable for damages.

Moved by Commissioner Eagleton, seconded by Commissioner Hewgley, that this property damage/personal injury claim be denied.

## Roll Call:

Thomas	absent	Hewgley	yea
Purdie	yea	Eagleton	yea
	Mayor	yea	
yeas	4	noes	0
	Carried.	absent	1

PROPERTY DAMAGE CLAIM OF JOE FINER: Communication was presented from the Legal Department submitting a property damage claim against the City of Tulsa from Joe Finer in the amount of \$285. Mr. Finer reports that City Streets Maintenance personnel have removed a portion of his lawn, causing a major eyesore in front of his house. He further complains that the pavement in front of his home has been damaged by City trucks. The claim submitted represents the cost of replacing the sod which was removed by City personnel.

The claim has been investigated by the Legal Department. The claimant's property is at the corner of Sleepy Hollow Drive and East 74th Street in Tulsa. These streets are not curbed and guttered, but, instead, rely solely upon bar ditch swales adjacent to the street. In the course of time, the claimant has filled in the bar ditch adjacent to his property, resulting in the obstruction of a drainage culvert under 74th Street. As a result of this obstruction, drainage from the claimant's property could not enter the culvert, the roadway could not properly be drained, resulting in its damage, and surface water was being forced to cross the roadway, resulting in problems for the claimant's neighbors. The City's action in restoring the functioning of the drainage swale adjacent to the public roadway and the functioning of its drainage culvert occurred entirely within the dedicated roadway for the street, not upon the claimant's property as alleged.

Moved by Commissioner Eagleton, seconded by Commissioner Hewgley, that this Property Damage Claim be denied.

DENIAL OF PROPERTY DAMAGE CLAIM: Communication was presented from the City Legal Department recommending denial of the property damage claim submitted by Mr. and Mrs. Douglas A. Downing in the amount of \$2,000. The claimants report that a large tree located in front of their home was damaged in a storm and they requested the City to remove a large broken limb which was hanging loosely over the street and was hazardous to pedestrians. Claimants further report that they had maintained the tree and it was in excellent condition, except for the broken limb. In response to their request to the City, a City crew proceeded to remove the entire tree. Claimants further state that the tree's removal has resulted in a landscape imbalance on their property.

The removal of the tree has been confirmed; however, the tree was not located in the claimants' yard, but was immediately adjacent to the curb and well within the City's right-of-way. State law provides that trees growing in the public right-of-way are subject to the supervision of the municipality over its streets. The City crew which removed the subject tree acted in good faith upon their determination that the tree should be removed to ensure public safety.

Moved by Commissioner Eagleton, seconded by Commissioner Hewgley, that the recommendation of the City Legal Department be approved; and, that this claim be denied.

## Roll Call:

DENIAL OF PROPERTY DAMAGE CLAIM - DAVID W. MILLER: Mr. Robert C. Gates, on behalf of his client David W. Miller, has submitted a claim against the City of Tulsa in the amount of \$2,100. In 1974, the City contracted with H.J. Happel Co. for the installation of a trunk water line in the right-of-way of South Mingo Road. Mr. Miller's property abuts Mingo Road and three very large trees stood in front of his property in close proximity to the intended course for the City's water line. In recognition of this fact, Mr. Miller conveyed an additional right-of-way across his property for the purpose of routing the City's water line around his trees. Subsequent to the installation of the water line, the trees died. The contractor offered Mr. Miller the sum of \$500 to settle his claim, which is viewed by him as an unacceptable settlement offer. The claim submitted represents the cost of removing the dead trees and replacing them with smaller nursery trees.

H.J. Happel Co. was the City's contractor on this bond project improvement and is legally in the status of an independent contractor. A dispute has been ongoing between Mr. Miller and H.J. Happel since January of 1976. The Water and Sewer Department, the City Legal Department and the consulting engineering firm who had control over the water line installation have all attempted to assist Mr. Miller in obtaining satisfaction from the City's contractor. However, no legal basis can be found which would fix ultimate responsibility upon the City of Tulsa.

Moved by Commissioner Eagleton, seconded by Commissioner Hewgley, that the recommendation of the City Legal Department be approved and that this claim be denied.

## Roll Call:

Thomas	absent	Hewgley	yea
Purdie	yea	Eagleton	yea
	Mayor	yea

	Carried.		

DENIAL OF CIVIL RIGHTS CLAIM - GARY JOURNEYCAKE: Mr. Ronald M. Mook, on behalf of his clients, Police Officer Gary Journeycake and his wife, has submitted a claim against the City of Tulsa in the sum of \$10,000. This claim for damages is based on the alleged violation of his clients' civil rights by the Tulsa Police Department on July 22, 1978.

August 18, 1978

This claim has been investigated by the Legal Department. Our investigation has involved personal contacts with the claimants' attorney and responsible officials in the Police Department. The Legal Department has determined, and the claimants' attorney agrees, that the essence of the dispute is centered upon matters which are directly addressed in the FOP work contract with the City. They are satisfied that the employee's misunderstanding occurred in good faith and are informed that this matter has been resolved and requires no further action. Accordingly, the Legal Department recommends denial of this claim.

Moved by Commissioner Eagleton, seconded by Commissioner Hewgley, that the recommendation of the City Legal Department be approved and that this claim be denied.

September 8, 1978

**AIRPORT INDUSTRIAL CENTER:** On September 1, 1978, William Buffington, developer, asked the City Commission for a Resolution ratifying the plat of Airport Industrial Center. At that time the City Commission continued the matter to this date and asked the TMAPC Staff to transmit copies of the Minutes of the TMAPC concerning their approval of said plat.

Communications were presented from the TMAPC and reviewed by Wayne Alberty, staff member, submitting the Minutes of the Planning Commission which approved Airport Industrial Center Addition located in Section 33-20-14, at the SW corner of Pine & North 145th East Avenue on February 15, 1978, and its subsequent release on July 12, 1978.

Mr. Alberty displayed a copy of the plat which has been filed of record and noted that same was released by the Planning Commission after July 1. He noted that it is now required by state law under the Municipal Code that the City Commission endorse its approval of the plat prior to same being filed of record. The subject plat is one of four which have been released by the Planning Commission since July first and has not received the endorsement by the City Commission. The reason for this, is that the Planning Commission was under the impression that they should proceed under the authority of Title 19 which does not provide for approval by the City or County. However, recently, the attorney doing title work on subject plat called attention that approval by the City Commission is needed, or it might result in a title flaw.

Airport Industrial Center Plat has been processed and released, and all utility companies and City agencies are satisfied.

Bill Buffington, developer of subject tract, was present and asked that the Resolution be adopted, which is entitled as follows:

A RESOLUTION RATIFYING AND APPROVING AIRPORT INDUSTRIAL CENTER  
ADDITION TO THE CITY OF TULSA FOR DEDICATION, AND DECLARING  
AN EMERGENCY.

Moved by Commissioner Purdie, seconded by Commissioner Hewgley that the Resolution be now adopted as introduced.

Roll Call:

**INDIAN ACRES ASSESSMENT DISTRICT:** On September 1, 1978, Wesley A. Pitcock requested that the ditch aligned to run mostly on his property in Lot 5 Block 2 Memorial Acres, a part of Indian Acres Assessment District, be divided equally between his property and his neighbor to the south. Also he asked whether the channel could be installed underground. The matter was continued to this date for report from the City Engineer.

City Engineer C. Harold Miller submitted and reviewed a report from R.W. Steele & Associates, Inc., which is the engineering firm responsible for the design of the Indian Acres project delineating the rationale of the alignment and design of the outfall drainage facility from the Indian Acres detention facility.

Mr. Miller noted, that in reviewing the design and rationale, the Engineering Department concurs in the design and finds that it is consistent and in accordance with all approved design criteria of the City of Tulsa. He displayed a map thereof.

Mr. Pitcock was present and said that although he has reviewed a copy of Mr. Steele's report, he still asks whether that ditch can be divided.

Mr. Steele was called upon to answer questions. He said his firm has reviewed this property in depth over the past 3 years. He said they studied the drainage lines along Mr. Pitcock's property and the adjacent owner, Mr. Moore, and feels whichever way they go, it will not satisfy all parties concerned, but thinks this is the most feasible way to meet the criteria standards. There will be no cost to the district for the construction of the drainage facility along the alignment shown. The drainage gets quite deep in there, and there is about a 9 foot difference in elevation, so it is imperative to follow the natural drainage.

As far as underground system as requested by Mr. Pitcock, his firm studied the use of various methods, but there is no practical way the district can be drained except by an open earth lined channel. He said that they went back into the records and found an aerial photo taken in February, 1950. The drainage pattern at that time was virtually the same as this. From aerial photo taken in 1963, they observed two ponds on Mr. Moore's property and Mr. Pitcock's property and one further downstream. Those ponds have been filled in and are gone. It is his opinion that the drainage has been hampered and there is no way for the water to get through without an adequate drainage facility.

September 8, 1978.

Mr. Steele said the District has some land it can trade with Mr. Pitcock so that any loss can be fully recovered by Mr. Pitcock. He mentioned other benefits which might be derived when 21st place is vacated.

Mayor Inhofe pointed out that these negotiation proposals are not proper for this Commission to consider and suggested they be worked out another place and time.

Mr. Rubin Haye, Engineering staff member, stated that the proposed plan meets the City's criteria. An alternate placement of the channel would require more right-of-way from Lot 3 and would cause a cut off in the middle of Lot 4. It is his opinion that the proposed alignment as presented by Mr. Steel is the most feasible plan.

Mr. Steele said he feels the division was fair when considering the location of the houses in place, etc.

Commissioner Eagleton in discussion said she agrees that it is a matter of negotiation as to compensation etc. to the property owner, regardless of where the channel goes. She will support the alignment as it appears on the map before us.

Following consideration, it was moved by Commissioner Eagleton, seconded by Commissioner Hewgley that the Board concurs in the alignment as submitted by Mr. Steele and approved by our City Engineer.

REQUEST FOR HEARING ON APPEAL FOR PRIVATE CLUB LICENSE - MARGARET JANE HEALEY: Communication was presented from Curtis L. Culver, attorney for Margaret Jane Healey requesting permission for hearing on appeal for a private club license which was denied by the Police Chief July 25th. The appeal was filed at the City Commission Secretary's office August 30. He has been advised that the normal appeal time is 5 days after receipt of the denial, which seems rather short. At the time the application was denied, Mr. and Mrs. Healey thought they could live with this and felt they could hire someone else, but found it was difficult. They then sought his counsel to file an appeal.

Moved by Commissioner Purdie, seconded by Commissioner Eagleton that the time requirement be waived and the hearing proceed.

## Roll Call:

Thomas	yea	Hewgley	yea
Purdie	yea	Eagleton	yea
	Mayor	yea	
yeas 5	noes 0		absent 0
	Carried.		

Deputy Police Chief Bob Dick advised the Board that the denial was based on an alcohol related violation by applicant on April 17, 1973. She plead guilty of selling beer to a minor while working at a beer club. This is the only conviction on her record, having occurred over 5 years ago.

Mr. Culver said that in this instance, Mr. and Mrs. Healey are the owners and operators of this club. However, Mrs. Healey was denied a license and the Ordinances require that a person named on the license be present at all times during normal business hours of the club. Therefore, they desire that they both be shown in this capacity so Mr. Healey would not have to be present at all times. Based on the City's Ordinance, she was convicted of selling an alcoholic beverage to a male of about 19 or 20 years of age. To withhold a manager-operator's license from her is an undue exercise of police power. He noted that although the Police Chief is bound by the Ordinance and cannot waive its provisions, this Commission has the right to review the merits and grant a waiver of that provision.

Commissioner Thomas said it has been the posture of this Commission not to hold past offenses against a person for an undue time. It having been 5 years since subject offense, he moved that the appeal be granted and license issued to Margaret Jane Healey as requested.

CLOSE OF PUBLIC WAY - ALLEYWAY IN 200 BLOCK SOUTH YORKTOWN - PUBLIC HEARING: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa upon request of Dorothy Huffman Andrick and Mimi Huffman Alexander, by their attorney Phyllis L. Zimmerman. The proposed closing is located in Wakefield Addition.

It appearing that all affected property owners have been notified of this hearing according to Ordinance provisions.

City Engineer Miller reviewed his report which shows that the utility companies and City agencies have no objections to the request and he recommends approval of the request to close same.

September 8, 1978

All persons present were given an opportunity to be heard.

Mrs. Lois Sexkiller asked if this would affect her property on South Xanthus. It was determined that it was not the alley behind her house, but was located west of Yorktown running parallel between 2nd and 3rd Streets.

Following consideration and discussion; it was moved by Commissioner Thomas, seconded by Commissioner Hewgley that the hearing be closed as of this day and time, the request for closure of said alleyway be approved, and the Legal Department be instructed to prepare the necessary Ordinance thereon.

HEARING ON APPEAL FOR OVERHEIGHT SIGN - DONREY OUTDOOR ADVERTISING COMPANY: Communication was presented from Director of Protective Inspections, Charles Banks, and reviewed by City Engineer C. Harold Miller regarding the request of Donrey Outdoor Advertising Company for waiver of height restrictions to install a sign 75 feet from the ground to top of said sign at 7900 Broken Arrow Expressway. It was recommended that the request be denied.

Jim Rogers, General Manager of Donrey was present and said the variance is requested because an adjacent sign blocks the view of their advertising display.

Mr. Miller noted that the past City Commissions have held to the 50 foot height restriction with the exception of the Ford Glass Plant sign which was allowed to be above 50 feet because of some trees.

Mr. Rogers said he observed a tire company sign at the on-ramp of 244 between Lewis and Harvard that appears to be over 50 feet high.

Bill Stokeley objected to the proposed overheight sign and thought the code should be adhered to in most cases.

Dean Scott, Deputy Chief Building Inspector said an extensive study of this situation was made and it is the department's opinion that the problem could be alleviated by a relocation of the site. The blockage of one sign by another is one of the hazards of the trade, but the department does not recommend nor deny any one a sign permit on that basis, but in this instance, it is recommended that the height waiver be denied.

Commissioner Hewgley pointed out we do have an Ordinance that has been followed, with one exception (Ford's) which apparently was for aesthetic reasons, and he thinks to grant this exception would possibly set up a height war.

Following consideration, it was moved by Commissioner Hewgley, seconded by Commissioner Eagleton that the request be denied as recommended by Inspections.

CITY DEVELOPMENT - CDBG FOURTH YEAR CONTRACTS: Communication and summaries were presented from the City Development Department and reviewed by staff members Vertie Tomlin and Jack Shambra covering the following projects:

Contract with Tulsa Human Services Agency, Inc., for CDBG Project No. 950215 "Varick Child Care" \$67,702.

Contract with Tulsa Neighborhood Comprehensive Health Services, Inc., for CDBG Project No. 950515 "Oral Health, Hygiene, and Treatment Program" \$60,000.

Contract with Metropolitan Tulsa Transit Authority for CDBG Project 204013 "MTTA Senior Citizen and Handicapped Program" \$60,763.

Contract with Tulsa Neighborhood Comprehensive Health Services, Inc., for CDBG Project 204030 "Moton Health Care Transportation" \$40,000.

Contract with Tulsa Human Services Agency, Inc. for CDBG Project 950211 "Tulsa Area Nutrition Project" \$171,465.

Contract with Tulsa Neighborhood Comprehensive Health Services, Inc., for CDBG Project 503008 "Moton Alcoholic Treatment Program" \$18,000.

A RESOLUTION NAMING THE BOARD OF CITY COMMISSIONERS OF THE CITY OF TULSA AS SPONSORING AGENCY FOR COMMUNITY DEVELOPMENT BLOCK GRANT PROJECT NO. 103007, ENTITLED "SIDEWALKS"; PRESCRIBING TERMS AND CONDITIONS; AND DECLARING AN EMERGENCY. \$100,000

September 8, 1978

FY 1978 - CETA, TITLE III YCCIP MODIFICATION NO. 1: Communication was presented from the City Development Department and reviewed by Joyce Stewart, staff member, concerning the CETA Title III, Youth Community Conservation and Improvement Projects which provides economically disadvantaged youth with employment and training opportunities in projects which create tangible benefits for the community. This supplemental allocation of \$46,535, plus all unspent funds from the original YCCIP grant will be carried over for use in the FY 1979 YCCIP program. Total amount is \$185,107.

It was requested that the Board of Commissioners approve the CETA Title III YCCIP Modification No. 1 for \$46,535 as recommended by the Manpower Area Planning Council.

Moved by Commissioner Eagleton, seconded by Commissioner Purdie that the request be approved as recommended.

AWARD OF BIDS FOR CRUTCHFIELD PARK: Communication was presented from Hugh McKnight, Director of Park and Recreation Department submitting tabulation of bids received August 29, 1978, for construction at Crutchfield Park (CDBG Project 306021) showing as follows:

	Base Bid
Daco Construction Inc.	\$ 37,959
WSM Management Inc.	44,290
Engineer's Estimate	39,750

It is recommended that the contract be awarded to Daco Construction, Inc., and that the Legal Department prepare the necessary contract documents thereon.

Moved by Commissioner Eagleton, seconded by Commissioner Hewgley that the recommendation be approved, the bid of Daco Construction, Inc., accepted as the lowest and best bid therefor, and that the Legal Department prepare the necessary contract documents thereon.

CITY TREASURER/BUDGET DIRECTOR - GENERAL REVENUE SHARING ENTITLEMENT PERIOD 10: Communication was presented and reviewed by Ed Koepsel concerning General Revenue Sharing Entitlement Period 10 and Statement of Assurances therefor. It appears that all approved projects within the budget can be carried out. The change in Entitlement income, however, does show the need for establishing contingency/reserves in the adoption of budgets for such funds.

It is requested that the City Commission approve the statement of assurances for Entitlement Period 10, and authorize the Mayor to sign so that these assurances can be forwarded to the Office of Revenue Sharing.

Moved by Commissioner Thomas, seconded by Commissioner Eagleton that the request be approved and the Mayor be authorized to execute the Assurances on behalf of the City of Tulsa.

September 8, 1978

REQUEST ORDINANCE TO MAKE IT OFFENSE TO FLY HELICOPTER LOWER THAN 1000 FEET: A letter was received from William P. Sterne, 1030 East 18th, asking for an Ordinance making it an offense for persons to fly a helicopter lower than 1000 feet above a residential area, except in cases of emergency. The reason for the request is that on Sunday September 3, 1978, about 12:20 in the afternoon, his house was "buzzed" not one time but three times by a low flying helicopter. He called the Police Department but was told there was no law governing the height of a flying helicopter.

However, Deputy City Attorney Bill Northcutt told the Board that under Title 1 of TRO there is a provision governing the height of aircraft which would include a helicopter, to be no lower than 1000 above the City of Tulsa.

The Mayor instructed Legal to forward that information to Mr. Sterne.

PETITION FOR CURFEW IN SANDY PARK HOUSING ADDITION: Mr. John Smith, 6368 West 11th Place, advised the Board that a petition containing some 86 persons was given to him by residents of Sandy Park housing addition, requesting that the City of Tulsa impose a curfew of 9:00 or 10:00 p.m. on their addition. This was based on reports of thefts, vandalism, etc. that occurs after those hours.

Chief of Police Stege said one of the problems of imposing a curfew is one of constitutionality in applying it to a limited area rather than City-wide. Another problem is enforcement. Currently the police staff is 61 below strength and if police officers were assigned to enforce a curfew, it would have to be for a good and valid reason to protect the public peace, health and safety over the entire city or over a class. It cannot apply to one residential area.

Moved by Commissioner Eagleton, seconded by Commissioner Hewgley that the petition be received and filed, and that the Police Chief work directly with the residents on their problems.

DENIAL OF CLAIMS: Communications were presented from the Legal Department recommending denial of the following claims:

James A. Mitchell, \$96.79 auto damage by golfball from golf course adjacent to where Mr. Mitchell parked. Accident was no fault of the City and there being no negligence on the part of the City, it was recommended the claim be denied.

Susan Hawksworth, reimbursement claim against the City in the amount of \$300 for horse picked up by City and auctioned to a third party. Mrs. Hawksworth was able to recover her horse by purchasing it from the individual who bought it. However, the City records show the actions on the part of the City was in full compliance with Tulsa's ordinance, and it is recommended that the claim be denied.

Joe Conners, for Bason Company, Inc., for some \$639.45 property damage at 6530 East 21st sustained May 19, 1978, by a backup of city sewer line. The City had no prior notice of this condition, and is not liable for the damage. It was recommended that the claim be denied.

Moved by Commissioner Thomas, seconded by Commissioner Hewgley that the claims be denied in their entirety.

HEARING ON WEED NOTICES: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa pursuant to notices served by the City-County Health Department for cleanup and mowing of weeds on properties within the City Limits by this date, or the owners may appear and show cause why the notices should not be followed.

No one was present with a weed notice.

Neil Walker of the City-County Health Department reviewed 27 weed and trash cases. He recommended Resolutions be adopted authorizing the proper persons to cause the weeds to be mowed and trash removed from respective properties.

Thereupon Resolutions were introduced, entitled:

A RESOLUTION AUTHORIZING THE CLEANING, CUTTING AND MOWING OF PROPERTY OWNED BY (FOLLOWING LIST) LOCATED IN THE CITY OF TULSA, OKLAHOMA; MAKING CERTAIN FINDINGS OF FACT AND DETERMINATIONS AS TO THE CONDITIONS OF SAID PROPERTY TO BE DETRIMENTAL TO THE PUBLIC HEALTH, BENEFIT AND WELFARE, OR CREATES A HAZARD TO TRAFFIC OR FIRE HAZARD TO THE PROPERTY; AND DIRECTING APPROPRIATE PERSONS AND OFFICIALS OF THE CITY OF TULSA TO CARRY OUT THE PROVISIONS OF THIS RESOLUTION IN ACCORD WITH OKLAHOMA LAW; AND DECLARING AN EMERGENCY.

HEARING ON APPEAL FOR PRIVATE CLUB EMPLOYEE LICENSE - ALPHONSO THOMPSON: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa upon appeal of Fred C. Cornish for Alphonso Thompson for license to become an employee having supervisory control of the Car Wash Lounge, 3205 North Peoria. (This was set for hearing November 4, 1977, and continued to this date.)

Assistant Police Chief Herb Hartz reviewed the file and advised that the Chief turned down this application because in September, 1972, applicant was convicted of permitting people to remain in a club after hours.

Mr. Cornish presented the appeal.

Following consideration of the fact it has been over five years since the conviction on this minor matter occurred, it was moved by Commissioner Franden, seconded by Commissioner Kerpan that the hearing be closed as of this day and time, the recommendation of the Chief be overruled, and the appeal for license be granted for Alphonso Thompson.

CETA TITLE III YOUTH COMMUNITY CONSERVATION AND IMPROVEMENT PROJECTS: Communication was presented from the Community Development Department and reviewed by staff member Judy Stewart requesting approval of preapplication for Federal Assistance to cover the Youth Community Conservation and Improvement Projects portion of the Youth Employment and Demonstration Projects Act of 1977 in the amount of \$173,215. The funds will enable selected user agencies in the three-county area to employ economically disadvantaged out-of-school youth in community conservation and improvement projects.

Moved by Commissioner Thomas, seconded by Commissioner Eagleton that the recommendation be approved and the preapplication for Federal Assistance be approved and the Mayor be authorized to execute same on behalf of the City of Tulsa.

## Roll Call:

HEARING ON CLOSING OF PUBLIC WAY - 3300 BLOCK WEST CAMERON STREET: Application was received from Charles Perryman, 3311 West Easton for closing of 3300 Block West Cameron, reviewed by the City Engineer, and on October 21, 1977, the City Engineer recommended approval noting there have been no objections from the utility companies and City agencies, subject to the entire area being retained as an easement.

At that time, this matter was set for public hearing this date, and the surrounding property owners were notified by certified mail.

No one was present on this matter.

Following consideration and discussion, it was moved by Commissioner Thomas, seconded by Commissioner Kerpan that the hearing be closed as of this day and time, the recommendation of the City Engineer be approved, and that the 3300 Block West Cameron be closed, subject to publication of the necessary Ordinance thereon.

PARKING METERS: Communication addressed to Commissioner Franden from Downtown Tulsa Unlimited, Inc., was presented dealing with the issue of parking meter replacement, pricing and enforcement.

It was recommended that new meter expenditure should be limited to a critical control area bounded by 2nd to 9th, Denver to Detroit, which includes approximately 1100 of the 2066 downtown meters. The rate should be increased to 10 cents per half hour. Further the program should be accompanied by a stronger enforcement program.

Following discussion, it was moved by Commissioner Franden, seconded by Commissioner Eagleton that the communication from DTU be received and filed, and a copy furnished to the Budget Office.

## Roll Call:

Thomas	yea	Franden	yea
Kerpan	yea	Eagleton	yea
	Mayor	yea	
yeas 5	noes 0		absent 0
Carried.			

At the end of the meeting, Tony Solow presented a petition on this matter, signed by members of the downtown area business community, stating that the proposed increase is undesirable, unfair, and discriminatory, and asking that the proposed parking meter rate increase be denied.

Moved by Commissioner Thomas, seconded by Commissioner Franden that the petition be received and filed.

November 8, 1977

REZONING APPLICATION NO. Z-4995 - BRUCE HARLTON: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa upon recommendation of the Tulsa Metropolitan Area Planning Commission, whose report shows as follows:

Application Z-4995 - Bruce Harlton (Motor Homes Sales, Inc.)  
1.6 acres located 1/4 mile east of NE/c. Admiral & 145th E. Ave.  
no protests From RS-1 to IL  
TMAPC Action, 7 members voted unanimously to recommend to the  
City Commission that the following property be rezoned IL:

Part of Lot 3 Section 3-19-14, Tulsa County, OK., more particularly described in the report.

Wayne Alberty of the Planning Commission Staff reviewed the report and recommendation.

No one else was present on this matter.

Following consideration and discussion, it was moved by Commissioner Thomas, seconded by Commissioner Eagleton that the hearing be closed as of this day and time, the recommendation of the Planning Commission be adopted, and the property under application be rezoned IL, subject to publication of the necessary Ordinance thereon.

Roll Call:

REZONING APPLICATION NO. Z-5046 & PUD 203: ROY JOHNSEN: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa upon recommendation of the Tulsa Metropolitan Area Planning Commission, whose report shows as follows:

Z-5046 & PUD 203 - Roy Johnsen (Davis)  
27.23 acres located W of NW/c. 101st Street & Yale  
From AG to RS-1  
No protests:

TMAPC Actions: 7 members

Z-5046: Voted unanimously to recommend to City Commission that following property be rezoned RS-1 with the exception of 3.5 acres to remain AG:

Parcel in SE 1/4 Section 21-18-13 (more particularly described in metes and bounds in the report)

PUD 203: Voted unanimously to recommend that the PUD 203 be approved on the following property (27.23 acres) per conditions of the staff and per text amended by the applicant:

Land lying in SE 1/4 Section 21-18-13 Tulsa County, Ok., more particularly described in the report.

Wayne Alberty of the Planning Commission Staff reviewed the report and recommendation.

Roy Johnsen reviewed the application.

In discussion, it was noted that the private streets would not have curbs and gutters but it would be desirable to have the City Engineer review and approve the design. Mr. Forth said if there would not be curbs and gutters, the streets should be 23 feet wide.

Tony Solow, District 26, spoke in favor of the application.

Following consideration and discussion, it was moved by Commissioner Franden, seconded by Commissioner Eagleton that the hearing be closed as of this day and time; that the property under Z-5046 less the said 3.5 acres be rezoned to RS-1; that the property under PUD 203 be supplementally zoned in accordance with the conditions of staff and amended text, subject to adding: (1) That the private street grade be subject to approval by City Engineer as well as detention thereon; (2) and that the covenant with regard to the detention facility maintenance, where the City would have the right of enforcement; meet with the City Attorney's approval, subject to publication of the necessary Ordinance thereon.

November 8, 1977

REZONING APPLICATION NO. Z-5057: CHARLIE F. LEAKE: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa upon recommendation of the Tulsa Metropolitan Area Planning Commission, whose report shows as follows:

Application No. Z-5057 - Charlie F. Leake (E. O. Sumner)  
35 acres north side 111th Street, 1/4 mile west of Yale  
From AG to RS-2

Protests: Carol Taylor, 4012 E. 108th Street

TMAPC Action: 8 members voted unanimously to recommend to the Board of Commissioners that the following property be rezoned RS-2:

All SW $\frac{1}{4}$  SE $\frac{1}{4}$  Section 28-18-13 less W228' of S 477.63' and less E 330' of S 330' containing 35 acres more or less.

Wayne Alberty of the Planning Commission Staff reviewed the Planning Commission report and recommendation.

E. O. Sumner was present.

Tony Solow of the Planning Team, District 26, supported the application.

Following consideration and discussion, it was moved by Commissioner Franden, seconded by Commissioner Eagleton that the hearing be closed as of this day and time, the recommendation of the planning Commission be adopted, and the property under application be rezoned to RS-2 subject to publication of the necessary Ordinance thereon.

CHANGE ORDER NO. 6 - FIRE STATION NO. 4: Communication was presented from Deputy Fire Chief P. M. Dudley asking for funds to replace 275 square feet of sidewalk in front of Fire Station No. 4 now under construction. When the station was let for bid, it was not apparent that the sidewalk would be replaced.

It was requested that the addition be approved and Change Order No. 4 in accordance therewith, be approved adding \$440 to Wickersham Construction Co. contract.

Moved by Commissioner Franden, seconded by Commissioner Kerpan that the request be approved and Change Order No. 6 be approved and executed on behalf of the City of Tulsa.

REPLACEMENT OF EMPLOYEE'S GLASSES - EARL ADAMS: Communication was presented from the Personnel Department, Safety Director Richard L. Bingham, noting that Earl Adams was one of three people involved in the Assembly Center explosion May 3, 1977. The explosion heavily pitted Mr. Adams' glasses, and he has asked replacement of same.

It was recommended that these glasses be replaced through the Safety Glasses Program in Safety Division at a cost of approximately \$25.

Moved by Commissioner Eagleton, seconded by Commissioner Franden that the recommendation be approved, and the replacement of said glasses be made through the Safety Glasses Program.

REQUEST USE OF CITY COMMISSION ROOM NOVEMBER 15 - REPRESENTATIVE POULOS: Communication addressed to Commissioner Franden from William F. Poulos, State Representative, was presented concerning the use of the City Commission Room at 7:30 p.m., November 15, 1977 by the Joint House-Senate Municipal Government Committee for a public hearing.

It was indicated by the City Commission that its meeting of November 15 could be a long one and could run over into the time requested by Rep. Poulos.

Moved by Commissioner Franden, seconded by Commissioner Eagleton, that the Joint Committee be permitted to use the City Commission Room November 15, but to notify Mr. Poulos that the Commission meeting might run over, and the Committee would have to wait, or make an alternate choice for meeting place.

CITY ENGINEER REPORT - LINCOLN PROPERTY DEVELOPMENT AT 49th & LEWIS: Communication was presented from the City Engineer concerning the request of Charles E. Norman for Lincoln Property Company to exempt the 6.7 acre tract now zoned OL at 49th and Lewis from detention requirements. This is the former site of the Children's Medical Center. This property is now to be developed under RS single family category in accordance with development standards approved by the Board of Adjustment.

It was recommended by the City Engineer that the City Commission interpret the detention standards as applying to properties as they are developed, regardless of underlying zoning. It was indicated that the Legal Department has expressed concurrence with this statement.

Moved by Commissioner Franden, seconded by Commissioner Thomas that the recommendation be approved, and that Lincoln Property Company development on 6.7 acres at 49th and Lewis be exempt from detention requirements accordingly.

STREET LIGHTS FOR BURNING TREE ONE ADDITION: Communication from the Traffic Engineer recommends approval of location of three additional street lights requested by the Burning Tree Homeowners Association, subject to contract between the association and Public Service Company which relieves the City of Tulsa from any liability for maintenance or operational costs.

The locations of the additional street lights have been reviewed by the Traffic Engineer's office and are found to be satisfactory.

Moved by Commissioner Franden, seconded by Commissioner Kerpan that the recommendation be approved and the three additional street lights as requested for Burning Tree ONE Addition be approved.

LEGAL REQUEST TO COMMENCE LITIGATION - BOARD OF ADJUSTMENT CASE - NELSON JOHNSON: Communication from Legal requested authority to commence appropriate litigation against Nelson Johnson who lives at 7427 East 74th Street. On September 15, 1977 the Board of Adjustment in Case No. 9678 denied a requested side yard zoning setback variance to legalize a storage shed being erected by Mr. Johnson without required zoning clearnace and building permit. The Building Inspector allowed him 30 days in which to remove the illegal structure. He has refused to respond.

If the request is approved, it was recommended that the City Auditor issue warrant for \$30 for initial court costs and additional minimal costs as will be required for this litigation.

Moved by Commissioner Thomas, seconded by Commissioner Eagleton that the request be approved and the City Auditor be instructed to issue warrants accordingly.

November 8, 1977

PROPERTY DAMAGE CLAIM OF WARREN B. RUMLEY: Communication was presented from the Legal Department submitting a recommendation for Denial of a Property Damage Claim of Warren B. Rumley. On October 14, 1977, Mr. Rumley's automobile was damaged when the right front tire ran over a City-owned water meter lid, thereby causing the lid to flip up into the right front fender of the auto. Mr. Rumley feels that these damages were incurred due to the negligence of the City of Tulsa. After an investigation of this claim the Legal Department found that on September 22, 1977, the water meter was read and the lid at that time was securely replaced by the meter reader. There is no evidence available to suggest that the City of Tulsa had any connection with the meter lid between the date of the last inspection and the date of the claimant's accident. It is the opinion of the Legal Department that the City of Tulsa has no legal liability for claimant's damages.

Moved by Commissioner Thomas, seconded by Commissioner Eagleton, that this property damage claim be denied.

HEARING ON PRIVATE CLUB LICENSE VIOLATION - VALHALLA LOUNGE: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa upon complaint of the Police Chief as follows:

Complaint - Private Club License No. 025769

Issued to: James Edmund Muehlberg, dba Valhalla Lounge,  
Located at 1329 East 41st Street, was violated, in that  
on 10-12-77, police officers entered the premises  
and found three female employees dancing on the  
stage in various degress of nudity.

Thomas Whalen, attorney for the club was present.

Jack Morgan, City Prosecutor, reviewed the case.

After conferring with the <sup>Club's</sup> attorney, Mr. Morgan announced that an Agreed Order of Suspension had been worked out, whereby it is alleged that if the testimony and evidence were presented, same would be sufficient to suspend the operation of said club for 15 days.

It was recommended that the license be suspended for a period of 15 days from 6:00 a.m. November 13, 1977 to 6:00 a.m. November 28, 1977.

Moved by Commissioner Thomas, seconded by Commissioner Kerpan that the hearing be closed as of this day and time, the recommendation of the Prosecutor be approved, and that the Valhalla Lounge license be suspended for 15 days accordingly, and that the Mayor and Auditor be authorized to execute an Agreed Order of Suspension pursuant thereto.

Carried.			

WHEREUPON, bids from the following were opened and read.

Gestetner Corporation - No Bid	Filed 11/16/77, 2:10 p.m.
Addressograph Multigraph - No Bid	Filed 11/22/77, 10:30 a.m.
Advance Duplicating Systems	Filed 11/25/77, 9:20 a.m.
Office Systems, Inc.	Filed 11/23/77, 4:45 p.m.
A.B. Dick Products Co. of Tulsa-No Bid	Filed 11/22/77, 1:55 p.m.
Pitney Bowes	Filed 11/25/77, 10:30 a.m.

Upon opening the bid of A.B. Dick Products, it was found that they had submitted a "No Bid", but a protest letter was enclosed, which states that their contract in effect with the City of Tulsa at this time covers the copier machine at the Airport and are, therefore, protesting this bid. Moved by Commissioner Eagleton, seconded by Commissioner Franden, that the Legal Department be asked to respond to this protest before an award is made.

CETA TITLE VI PROJECT FUNDING: Communication was presented from the Community Development Department and reviewed by Harry Wolohon, Director, noting that the City Commission has previously approved 8 series of short-term projects designed to provide employment in the public sector and non-profit agencies.

The Manpower Area Planning Council approved the 9th series of Title VI project requests during its regular meeting November 17, 1977.

The Two projects in this series are: Field Team - CDBG Strategy Development Exercises with a requested amount of \$10,526; and Inventory Retrieval System for the Park Department, non-animal materials, in the amount of \$3,312.

It was recommended that the Additional Title VI project allocations totaling \$13,838 be approved as recommended by the MAPC.

Moved by Commissioner Eagleton, seconded by Commissioner Franden that the recommendation be approved and additional Title VI Project allocations be approved in the amount of \$13,838.

CETA TITLE III YETP AND YCCIP GRANT APPLICATIONS: Communication was presented from the Community Development Department and reviewed by Joyce Stewart noting that the Tulsa Area Manpower Consortium (Tulsa Creek and Osage Counties) is eligible for funding under Subpart II, Youth Community Conservation and Improvement Projects (YCCIP) and Subpart III, Youth Employment and Training Program (YETP) of the YEDPA.

On September 9, 1977 the City Commission approved the receipt of a Department of Labor YEDPA Planning Grant in the amount of \$26,424 to prepare the comprehensive grant applications now being presented for consideration.

Total grant funds requested from the Department of Labor to implement said CETA Title III Youth Program is \$691,461 - \$528,470 is for the YETP program and \$162,991 is for the YCCIP Program. Approximately 350 economically disadvantaged youth will secure full or part-time employment under this new youth work experience/career counseling and guidance program. An additional 1600 young person will be provided with career development and counseling programs. Economically disadvantaged youth will be given priority for these services.

It is requested that the City Commission concur with the recommendation of the MAPC and approve the YETP and YCCIP grant applications, authorizing the Mayor to sign.

Following consideration and discussion, it was moved by Commissioner Thomas, seconded by Commissioner Eagleton that the request be granted and the Mayor be authorized to sign said applications.

Roll Call:

Thomas	yea	Franden	yea
Kerpan	yea	Eagleton	yea
	Mayor	yea	
yeas 5		noes 0	absent 0

Carried.

REQUEST FOR GENERAL REVENUE SHARING FUNDS FOR WATER & SEWER DEPARTMENT REHABILITATION GRANT FROM EDA: Communication was presented from the Community Development Department and reviewed by Shirl Butler noting that on September 22, 1977, EDA approved a grant of \$175,000 to the City of Tulsa for renovation of the Water and Sewer Department office building and warehouse.

An analysis of the bids received for this project indicated a bid could be awarded within the grant amount -- if all deductive alternates were excluded.

However, two of these alternates included mandatory requirements for handicapped facilities. Also, due to bid conditions stipulating the order of exclusion of deductive alternates, it will be necessary to include other deductive alternates. In summary, it will require an additional \$40,000 (estimated) in order to award a bid for renovation of the Water and Sewer Department buildings.

A new bulletin issued by the EDA allows the City to request that funds from LPW II projects that are bid and/or let in an amount under the grant award- be transferred to projects exceeding the grant amount.

It is noted that the Water and Sewer Department waterline LPW II projects awarded by the Commission November 22, 1977, were \$48,473.65, under the amount of the grant.

It would appear feasible upon completion of the waterline projects, to request transfer of an amount equal to the underrun to the building renovations overrun. However, in the interim it will be necessary for the City to guarantee the funds necessary to complete the overrun experienced in the building renovation bid, with a letter from the Mayor to that effect.

The Budget office has indicated that General Revenue Sharing Funds are available for this purpose and will require Commission approval to transfer the additional \$40,000 in GRS funds to the EDA Local Public Works Fund 5901, which is currently established at \$1.4 million for a total of \$1,440,000.

November 25, 1977

Assistant City Attorney Neal McNeill indicates there are no legal barriers in the bid specifications to awarding a bid, the conditions noted are met.

It is recommended that the City Commission authorize an additional \$40,000 for EDA-Local Public Works Fund 5901 and approve a letter committing the City of Tulsa to fund the difference between the EDA grant amount established for the Water and Sewer Department building renovation and the actual bid awarded for that renovation, and authorize the Mayor to sign.

Moved by Commissioner Kerpan, seconded by Commissioner Franden, that an additional \$40,000 be authorized from General Revenue Sharing funds to the EDA-Local Public Works Fund 5901, and that the Mayor be authorized to execute a letter to the EDA committing the City of Tulsa to fund the difference between the EDA grant amount and the actual bid awarded for said project.

WATER & SEWER DEPARTMENT - TABULATION OF BIDS FOR LPW PROJECT 08-51-26834 (EDA77-1):

Communication was presented from the Water and Sewer Department submitting tabulation of bids and recommendation of award to Daco Construction, Inc., of project Local Public Works Project No. 08-51-26834 (EDA77-1) Renovation and Administration and Warehouse Buildings in the base bid lump sum of \$201,779, which includes 7 deductive alternates which had been the intention to delete in order to bring the contract to within the \$175,000 grant amount. However, these deductive alternates included two items for handi-capped facilities and were so placed within the order of deletion that it was impractical to delete any of the alternatives. It is therefore necessary to retain the deductive alternates in order to preserve the integrity of the grant.

It was recommended the bid of Daco Construction Inc be accepted in the amount of \$201,779, as the lowest and best bid for said project, and that contract be so awarded.

WATER & SEWER DEPARTMENT - REQUEST FOR ADDITIONAL MAINTENANCE FUNDS FOR WATER & SEWER DEPARTMENT: Communication was presented from the Water and Sewer Department requesting \$495,000 to be used for overhaul of the flowline engines at the pump stations, for automotive and construction equipment replacement and equipment for removal of sludge from the waste treatment plant sludge lagoons.

Budget Department staff member Roger Ward was present and said his department is ready to recommend \$238,000 short term sales tax, but that they do not have all the necessary information to make a report at this time. They could make a response next Tuesday, but do not have enough information to report on the entire program request.

Moved by Commissioner Eagleton, seconded by Commissioner Franden that the request be referred to Budget for a response November 29, 1977.

APPEAL FOR PRIVATE CLUB LICENSE - NORMA JEAN PETERSON: This matter comes on for hearing before the Board of Commissioners of the City of Tulsa upon appeal of Michael L. Green, attorney for Norma Jean Peterson, whose application for license having supervisory control of the Center Plaza Club, was denied by the Police Chief.

Deputy Chief Stege reviewed the police files in this matter and noted that the license was denied because applicant had been arrested in August, 1975 for operating a club without a license.

Michael Green reviewed the case and noted that this came about through a misunderstanding.

Following consideration, it was moved by Commissioner Franden, seconded by Commissioner Kerpan that the hearing be closed as of this day and time, the appeal of the applicant be approved, and license issued accordingly.

November 25, 1977

HEARING ON EXCEPTION TO MORATORIUM - J. RONALD HENDERSON: This matter was received by the City Commission November 22, 1977, and set for hearing this date.

Commissioner Eagleton announced she will abstain on this matter.

Charles Hardt, Chief Hydrologist for the City, reviewed the report from the Engineering Department for exception to moratorium requested by J. Ronald Henderson for building permits on Lots 9-13 Block 1, Wolf Point Industrial Parkway West, to modify present detention pond by excavating bottom and placing material on front part.

Application was evaluated based on the guidelines laid out in the Special Exception Criteria dated September 21, 1976.

Wolf Point Industrial Park was developed by utilizing a levee adjacent to Mingo Creek joining the St Louis-San Francisco Railroad on the north and Pine Street on the South to remove that area behind the levee to receive and store the runoff from within the development until such time as the water level on Mingo Creek subsided.

This proposal is to modify the present detention pond by excavating the bottom of the pond and placing the material on the front part of the lots to bring the pad elevations up above the computed water surface elevation.

He expressed concern about the operation of the two flap gates which drain the area behind the levee into Mingo Creek. These flap gates must be properly maintained at all times to insure the flooding does not occur within the development. The flap gates are maintained by the Wolf Point Industrial Park Owners Association which is responsible for the monitoring, the condition and effectiveness of the storm sewer flap gates.

The applicant requests the proposed finished floor elevations to be at an elevation of 606 feet, which is 2 feet above the detention pond surface elevation.

It was recommended that the exception be granted and building permits be authorized with a minimum finished floor elevation of 606 feet in accordance with the submitted drainage plans, providing all other conditions of the building and zoning codes are satisfied.

Mr. Hardt does not favor a levee type construction and usually would not endorse this type, but long before the interim development control had been established, this type development was approved for the entire project. There is not the typical detention maintenance assurance on this project that the City now requires.

City Engineer Miller noted that this originally came about far in advance of our present policy for maintenance agreements on detention systems, but the City could now require that since this has come up. It was suggested that approval include a requirement that a maintenance agreement be entered into with respect to detention with private ownership maintenance responsibility.

Mr. Henderson was present and saw no difficulty in meeting such a requirement with respect to subject application.

Following consideration and discussion, it was moved by Commissioner Franden, seconded by Commissioner Thomas that the exception be granted with the condition that a private agreement for maintenance of the detention structure and the flap gates be required, and subject to a minimum floor elevation of 606 feet.

EXCEPTION TO MORATORIUM - CLINE L. MANSUR: This matter was received from the Engineering Department recommending approval of exception to the moratorium and for building permit at Lot 7 Block 16, Tulsa Southeast Industrial District at a finished floor elevation of at least 672 feet.

Mr. Mansur had requested that this matter be heard the same day it is received because of an urgency in obtaining a building permit.

Charles Hardt, the City's Hydrologist reviewed the application of Cline L. Mansur for exception to the moratorium and granting of a building permit at Lot 7, Block 16, Tulsa Southeast Industrial District with the guidelines of the Special Exception Criteria dated September 21, 1976.

He recommended approval with a minimum finished floor elevation of 672 feet, provided all other conditions of the building and zoning codes are satisfied.

Moved by Commissioner Thomas, seconded by Commissioner Kerpan that the request be granted and building permit be authorized with a minimum finished floor elevation of 672 feet.

RECEIVE APPLICATIONS FOR EXCEPTION TO MORATORIUM: Engineering reports were received on the following applications for exceptions to the moratorium:

- a. Cal Johnson Construction Co., for building permit at 625 East Xyler for a room addition, and was recommended approved by the City Engineer.
- b. Daniel W. Hood, for building permit at 11119 East 56th to construct a 60 x 240' steel frame warehouse building in Carter Industrial Park, and was recommended approved by the City Engineer subject to a minimum finished floor elevation of 677 feet and an overland swale on the west side of the lot.
- c. Phillip G. Smith, Hammond Engineering Co., for channel modifications in Lot 2 Block 4 Metro Park Addition, to improve existing conditions on a tributary of Mingo Creek for a distance of 624' immediately west of S. 129th E. Ave., and was recommended approved by the City Engineer.

Moved by Commissioner Franden, seconded by Commissioner Kerpan that the Applications for exception to the moratorium be received and set for hearing November 29, 1977.

CODED COMMUNICATIONS: On November 18, 1977, the City Commission referred a request from Coded Communications for partial payment of equipment under bid 76-31 - Fire Station Alerting & Vehicle Status Display System, for report from the Fire Chief.

Deputy Fire Chief Dudley replied in memo that the Communications Department is responsible for accepting and approving all installations for payment. He recommended same be referred to Legal and Communications Department with a consideration of paying an additional 20 percent of the total contract and leave the final 10 percent to be paid upon completion of the installation and final approval and acceptance by the Communications Department.

Doug Mayfield of the Communications Department was present, and suggested that the payment be made if it can be legally done.

Moved by Commissioner Kerpan, seconded by Commissioner Thomas that the matter be referred to Legal to amend the contract so additional payment can be made.

REFUSE DEPARTMENT PROPOSAL: LANDFILL SITE: Communication was presented from Philip E. Richmond, Director of Solid Waste Management, recommending entering into contract with Breisch Engineering Company, Inc., to perform services in connection with acquiring a specific landfill site, for a consideration of \$10,775.

Commissioner Thomas said that the site is not yet identified because we are still in negotiations for same. However, he can say that the location is a strip pit area in far east Tulsa, and that the area residents have no objections.

Moved by Commissioner Thomas, seconded by Commissioner Kerpan that the allocation of this amount be approved from General Revenue Sharing Account, and the matter referred to Legal for preparation of contract with Breisch Engineering Company.

November 25, 1977

Whereupon, said Ordinance was declared duly passed, and was signed in open meeting by Mayor Robert J. LaFortune, attested by City Auditor F. F. Campbell, and was numbered 13991.

STREET IMPROVEMENT DISTRICT 2210 - AMENDMENT TO CONTRACTS: Communication from the Legal Department to the effect that the Amendments to contracts for storm sewer improvements and street improvements for Street Improvement District 2210 - Eastland Park, was recommended continued one week.

However, the City Engineer noted that until the insurance and bonds are in hand, that the contractor be issued a temporary permit for one week to proceed with construction. But if they do not come back in by December 2, 1977, the Engineering Department will stop the work.

Moved by Commissioner Thomas, seconded by Commissioner Kerpan, that the contracts be continued one week to December 2, 1977, and that a temporary permit for one week be issued to the contractor to proceed with the construction on said projects.
