ORD.#  
WATERWORKS  
\$5,000,000.00  
BOND ISSUE

An Ordinance providing for, ordering and calling a special election in the City of Tulsa, State of Oklahoma, for the purpose of submitting to the qualified, property tax paying voters of said City of Tulsa, State of Oklahoma, a proposition for the issue of negotiable waterworks utility bonds of said City of Tulsa in the aggregate principal amount of Five Million (\$5,000,000.00) Dollars, payable within Twenty-five (25) years from and after the date of issue, for the purpose of providing a fund with which to defray the expense and pay the cost of acquiring, constructing and equipping, a water system for and to be owned by the City of Tulsa, State of Oklahoma, from Spavinaw Creek, near its junction with the Grand River in Mayes County, State of Oklahoma; including the cost of acquisition by rental, leasing, easements, condemnation, purchase and donation of any and all necessary lands, sites, locations, rights of way, water ways, water sheds, reservoirs, dams, abutments, approaches, telephone and telegraph lines, pumping stations, intake lines, auxiliary supply plants, tool and equipment houses, warehouses, conduits, filtration plants, and any and all necessary, requisite and convenient instrumentalities, works, devices and machinery incident to the efficient, economic, practical and convenient acquisition, construction and equipping of such water supply system and waterworks system; including defraying the expense and paying the cost of any and all labor, engineering and professional services, superintendents and heads of departments, inspections, clerical and office services and expense of Water Commission, necessary, requisite and convenient to be had, employed and used in connection with the acquisition, acquiring, construction, building, equipping and location of said waterworks and water supply system; including the defraying of the expense and paying the cost of acquiring by purchase, rental or leasing of any and all necessary materials, tools, machinery and supplies, requisite, used and useful, in the construction, building and equipping of said water works and water supply system; including defraying the expense and paying the cost of acquiring, purchasing, equipping and procuring any and all necessary pumps, conduits, power equipment, light equipment, dams, reservoirs, filtration plants, drains, pipe lines, pump and power units, pumping and power stations, telephone, telegraph and power transmission lines, railways and equipment warehouses, plants, tool and equipment houses and any and all other equipment materials, supplies, tools and accessories necessary or convenient for the acquiring, building, equipping and construction of said water works and water supply system; including the defraying the expense and paying the cost of remodeling, rebuilding, reconstructing, altering and changing the present water works and water supply system of the City of Tulsa, or so much thereof as shall be necessary so that the same may be used in connection and conjunction with the proposed waterworks and water supply system in the matter of supplying the City of Tulsa with water from the source above specified; said waterworks and water supply system to be acquired, constructed, equiped and owned exclusively by the City of Tulsa, Oklahoma, as a public utility; said bonds to bear interest, not to exceed the rate of Five (5%) per cent. per annum, payable semi-annually, and become due serially within Twenty-five (25) years from and after date of issue

thereof; providing for the levy and collection of an annual tax in said City of Tulsa for the payment of the interest on said bonds, and a sufficient amount to constitute a sinking fund for the payment of the principal thereof, when due; dividing the City of Tulsa into election precincts or districts for the purpose of such election; designating, constituting and appointing officers to conduct and hold such election; establishing and designating polling places in said precincts or districts for the purpose of such election; authorizing and directing and empowering the Honorable Mayor of said City of Tulsa to proclaim and call said election; and declaring an emergency." was placed on reading.

Moved by Younkman, seconded by Steiner, said Proposed Ordinance be referred to the Water Commission for consideration.
