STORM SEWER -- CAT CREEK. From the report of the City Engineer and the City Attorney, and upon the statement of Mr. C. O. Frye in open meeting, it was found and determined by the Board that the profiles and specifications for the construction of the remainder of the Cat Creek Sewer were not sufficiently definite, and that at the present time on account of certain improvement made by the Frisco Railroad Company since the awarding of the contract to C. O. & H. Frye on the 28th day of April, 1916, it is for the best interests for the city and all parties concerned that the contract as heretofore executed, be cancelled and annulled and that said work be re-advertised and new bids be called for the same; and the said C. O. Frye having stated in open meeting that up to the present he had not been to any actual expense to exceed the sum of $25.00, and that he agrees and consents to accept a sum of money as per itemized statement to be filed by him in a sum not exceeding $25.00, and upon the payment of the same to release said city of Tulsa from any and all obligations to him by reason of having executed said contract; and the city agrees to release the said C. O. & H. Frye and their bondmen from further obligations under the contract and cancel the same.

SYMPATHY TO J. H. SIMMONS, MAYOR. A resolution expressing the sympathy of the members of the Board of Commissioners to Mayor J. H. Simmons on account of the death of his mother, Mary E. Simmons, introduced.

R E S O L U T I O N

A resolution expressing the sympathy of the members of the Board of Commissioners of the City of Tulsa, Oklahoma, to Mayor John H. Simmons and his family on account of the death of his mother Mary E. Simmons.

WHEREAS, we have recently learned of the death of Mrs. Mary E. Simmons, the mother of John H. Simmons, Mayor of the City of Tulsa, Oklahoma, and

WHEREAS, it is now the desire of the members of the Board of Commissioners of said city in regular meeting assembled to express our sympathy for our Mayor, his father and the other members of the family in this sad hour and

WHEREAS, we also wish while expressing our sympathy to extend our condolence to Mayor Simmons and his family, knowing that his mother was just as dear to him and his family as our own mothers are and have been to us and knowing also that such an occasion is a trying one and yet believing that our Mayor is able to realize the fact that such sad occasions must necessarily come to all of us in the course of human events and that it is not within our power to dictate all occurrences just as we may have a desire that they should happen, but that a Power superior to our own controls our destinies and that we must submit our wills to our Supreme Being,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE CITY OF TULSA, OKLAHOMA:

That we hereby express our sympathy to Mayor John H. Simmons and to his father and all the members of his family on account of the death of Mary E. Simmons, the mother of John H. Simmons, which occurred at Hartville, Missouri, on the 28th day of November, 1916, and

BE IT FURTHER RESOLVED that while we extend to the Mayor and his family our heartfelt sympathy, yet we offer condolence in the fact that our Supreme Being knows better than we when such sad occasions must necessarily occur and we should bow serenely to the will of our Maker, and

BE IT FURTHER RESOLVED that a copy of this resolution be spread upon the minutes of this meeting and a copy be transmitted by the City Auditor to our Mayor, and

BE IT FURTHER RESOLVED that at this time we adjourn this meeting without further proceedings.
