PAVING ASSESSMENTS -- M. V. RAILROAD COMPANY. The matter of certain delinquent paving assessments, due in various districts in the City of Tulsa from the Midland Valley Railroad Company was called to the attention of the Mayor and Board of Commissioners by the City Attorney, who stated that the Midland Valley Railraod Company proposes to pay all of their delinquent assessments, provided no penalty is demanded from the said railroad company on any paving done under the provisions of the City Charter except the 7%; and it appearing from the statement of the City Attorney that it is very doubtful whether or not any penalty other than the 7% interest can be demanded by the City, except on the pavement constructed under the provisions of the State law before the adoptionof the Charter, it was moved by Walker, seconded by Brink, that an adjustment with the Midland Valley Railroad Company on all assessments now delinquent and due from said railroad company be made on the payment by the Midland Valley Railroad Company of the full amount of the face of each tax bill plus 7%, except in the case of the assessment made before the adoption of the Charter, in which case the 18% penalty shall be paid.
