ORDINANCE NO. 1839 -- VACATION B 85 O.T. The matter of vacating certain streets and alleys to be used by the Tulsa & Santa Fe Railway Company was presented by Judge Cottingham of Oklahoma City, and it was suggested by the City Attorney that certain portions of the streets and alleys, especially that portion of Frankfort Avenue which said company asks to be vacated and the alley in Block 85 O.T. is paved and all the paving assessments have not been paid. It was thereupon agreed by Judge Cottingham that the said railway company would assume and agree to pay all paving assessments affected by any vacation mentioned in the vacation Ordinance No. 1839. It was suggested that a statement be mailed to the said Tulsa & Santa Fe Railway Company showing just what paving assessments have not been paid which are affected in any way by the vacations above indicated, and that thereupon the said railway company would pay said assessments. Thereupon it was moved by Brink, seconded by Younkman, that said ordinance No. 1839, be passed with the understanding that said paving assessments be paid by said railway company.
