### CPR/AED/First-Aid Certification

CPR/AED/FA certification classes are available upon request. The cost of this class is approximately \$25 per student, which covers the purchase of student workbooks. To request more information, please contact [cralston@cityoftulsa.org](mailto:cralston@cityoftulsa.org).

### Chainsaw Safety

This class is centered around the safe operation of chainsaws, which are often used for storm debris cleanup and in day-to-day operations. The class will include a discussion and demonstration of safety gear and how to select the right size of chainsaw for a job. The instructor will demonstrate safe starting procedures as well as tree and limb sawing practices. There will be discussions on storage, gas and oil mix, oil usage, and chain selection and sharpening.

These classes are open to the public. In addition to enrolling through GeoTalent, enrollment procedures through [OSU's LTAP Registration](#) must be completed. Reach out to [MelissaJohnson@cityoftulsa.org](mailto:MelissaJohnson@cityoftulsa.org) for information on the enrollment process.
