Please describe your plan for cleanup and removal of recyclable goods, waste and garbage during and after your event:

All trash will be personally bagged and disposed of at the dump by me. We're a very small crew that will be easy to manage in terms of waste. I'll have 3 bins around our setups at the Brut. We will be getting quick shots downtown and won't have craft services set up until our hotel scenes, so no risk of litter blowing away. I am a full type A personality when it comes to trash maintenance.
