ADDENDUM NO. 2
TO
PROJECT NO. PR 25-06-R
LEGACY PARK IMPROVEMENTS

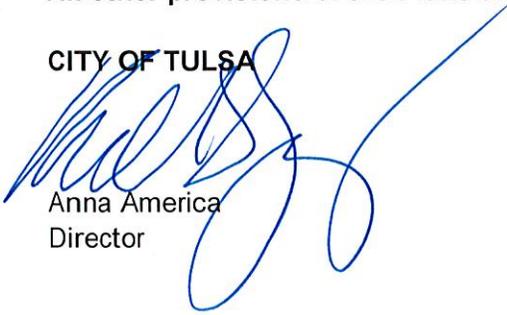

This Addendum No. 2 consisting of three (3) clarifications, submitted by Planning Design Group, is hereby made a part of the Contract Documents to the same extent as though it were originally included therein and shall supersede anything contained in the Plans and Specifications with which it might conflict. **All addenda to the contract documents should be denoted on the last page of the Proposal in the space provided.**

This Addendum No. 2 consists of the following:

1. The attached documents list the detailed items that have been modified in Addendum No. 2. These documents shall be inclusive and apply to this project.

All other provisions of the Plans and Specifications shall remain in full force and effect.

**ADDENDUM NUMBER TWO
TO
CONTRACT DOCUMENTS AND SPECIFICATIONS
FOR
INVITATION TO PROJECT NO. PR 25-6-R
LEGACY PARK IMPROVEMENTS**

Dated: February 26, 2026

The following changes, clarifications and/or additions are hereby made as part of the contract documents for the construction of this project, as fully and completely as if the same were originally included therein and shall supersede anything contained in the plans and specifications with which it might conflict.

1. HORIZONTAL WOOD FENCE QUESTION:

Submitted Question:

There is a cedar wood fence that uses 2-1/2" square metal posts. They are asking what the thickness of these metal posts should be. Can you clarify? For reference, please see the section view on sheet D-3.

Answer:

The posts are to be 12 gauge black powder coated posts for both the 4' and 6' height horizontal wood fences.

2. HORIZONTAL WOOD FENCE QUESTION:

Submitted Question:

Asking how these are to be fastened to this post. Their concern is splitting during installation and possible future splitting of this cedar.

Answer:

The horizontal boards are to be fastened to the posts using #12 self-tapping screw in 2-1/2" length.

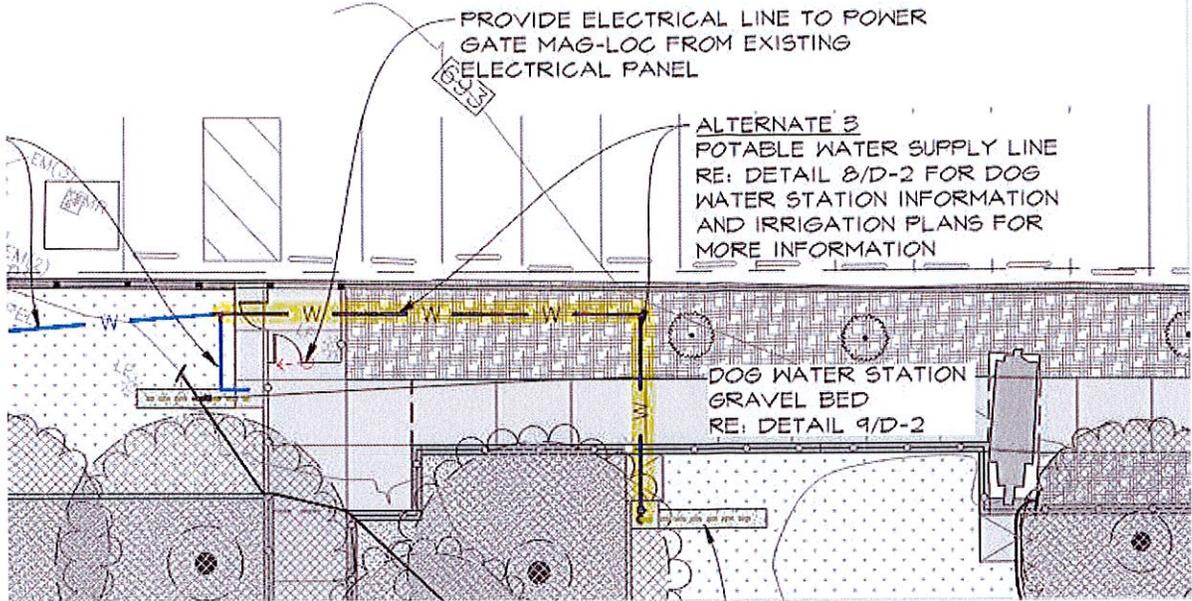

3. SMALL DOG PARK WATER STATION PLUMBING QUESTION:

Submitted Question:

The small dog water station is an alternate. Is the plumbing to it also an alternate or is it to be ran regardless?

Answer:

The section of plumbing running to the small dog park water station will be included as an alternate. This section of plumbing is highlighted in yellow below:

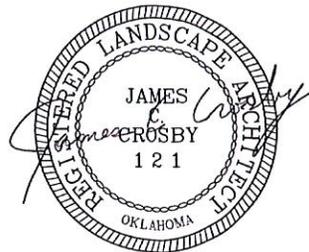

This Addendum forms a part of the Contract Documents and modifies the original Bidding Documents, issued January 29, 2026, in accordance with INSTRUCTION TO BIDDERS and as noted below.

**Acknowledge receipt of this Addendum on the Proposal Form.
Failure to do so may subject the Bidder to disqualification.**

This Addendum consists of two (2) page Addendum, including attachments.
