ASSIGNMENT OF WORK ORDERS:

Code Enforcement is committed to making every effort to help restore the quality of life to the neighborhoods within the City of Tulsa. Some neighborhoods experience a higher demand for Graffiti Abatement, and the citizens of those neighborhoods call to report graffiti violations as the violations affect their livelihood. The intent of assigning work orders is to effectively utilize our resources to complete Graffiti Abatements as quickly and efficiently as possible. Work orders will be grouped together in a common area and assigned electronically as a batch to Seller. There will be times when certain areas will have a concentrated cleanup effort and we will assign work orders to reflect those areas. Seller will be assigned a batch of work orders in an area and once those work orders are completed and documented to City's satisfaction, Seller will be allowed to pick up additional work orders.

Contract services are required throughout the year. Seller will have to meet the seven (7) workdays completion requirement (excluding holidays). Most work order assignments to Seller will be property on which unauthorized graffiti has been placed on private property, and the private property owner has not abated the graffiti after properly being notified.

Personnel Requirements

Seller must add field employees to meet due dates of assigned work orders. It is Seller's discretion as to the number of employees assigned to a crew.

While performing work for the City of Tulsa, ALL Seller's employees must wear apparel labeled with Seller's company name. When using a sub-contractor, the sub-contractor's employees must wear apparel labeled with Seller's company name. **(No Exceptions)**

Equipment Requirements

Seller must be able to send/receive work orders, invoices, etc. via electronic media. Electronic media shall be deemed to include but not be limited to email, thumb drive, etc. Email must be capable of receiving and/or sending large document files, including photographs.

- One digital camera, with time and date stamp capabilities, for each work crew and/or supervisor.
- Computer configured to send and receive electronic data to include email and attachments. (Batch work orders will be issued via electronic media as designated by Code Enforcement.)

Abatement Equipment:

- All necessary equipment for the full abatement as assigned. If Seller does not own the necessary equipment, they must be able to rent or purchase the necessary equipment within 24 hours.
- Equipment to achieve all varieties of abatement is solely Seller's responsibility.

When applicable all trucks will be marked with Seller's company name and always displayed while performing work for the City of Tulsa. Appropriate markings will be located on the driver's side door and the passenger side door of the vehicle being used. Markings will cover a minimum of 2 square feet of the area of each door.

EXECUTION OF WORK – PROCEDURES

Regular Abatement: Seller will be given individual and/or groups of work orders on a daily and/or weekly basis, as specified by Code Enforcement.

All regular abatement work orders **shall be completed as quickly as possible and within SEVEN (7) workdays or less from assignment.** For purposes of this Agreement, date of assignment will be the date work orders are assigned and the first day of the seven (7) required for completion will begin the following day.

Bidders shall include a written history of previous experience performing similar work with their Bid.

Seller will always attempt to contact any persons on the property to announce Seller's presence at the property.

Acknowledged by Seller: _____ (initial here)

BEFORE PICTURES

Prior to beginning any work order, Seller shall take digital color photographs of the work location. Photographs shall be taken in the manner prescribed in the training provided by Code Enforcement to Seller. These photographs will include the property condition before the abatement, to include but not be limited to all graffiti. **Seller’s failure to submit proper pictures will result in non-payment of the invoice.**

AFTER PICTURES

Additionally, Seller shall take digital color photographs of the work location after all work is completed, including but not limited all graffiti areas being abated. These photographs shall be submitted electronically to Code Enforcement in the manner instructed in the training. Code Enforcement must approve any other source of media. Cost of photography will be Seller’s responsibility. Invoices will be submitted in the same manner. **Seller’s failure to submit proper pictures will result in non-payment of the invoice.**

The use of a cell phone to take pictures will NOT be allowed unless an application capable of producing a picture equivalent to one a camera produces, with time and date stamp capabilities, can be downloaded on the cell phone.

NOTICE TO ABATE – AUTHORITY

The work order and Notice to Abate Graffiti are the primary authority for Graffiti Abatement. If any discrepancy arises with any other documents during the execution of a work order (i.e., property photographs and legal description on notice/map do not match, etc.) it is Seller’s responsibility to contact Code Enforcement as provided in training – before any work begins. **Failure to contact Code Enforcement prior to performing any work will result in Seller absorbing all cost of the abatement on incorrectly designated property.**

WORK ORDERS

If the estimate of work listed on the work order varies more than 20% from actual conditions, Seller shall contact Code Enforcement, to reconcile any differences **prior to beginning work.**

Seller shall provide an itemized estimate of costs for work orders that exceed \$2,000.00 **PRIOR** to performing any work.

Actual abatement costs cannot exceed the estimate submitted by Seller and approved by Code Enforcement. Estimates will be valid for 30 workdays and apply in cases where the condition of the property has not changed.

The use of equipment to execute a work order is at the discretion of Seller in meeting work order requirements and is inclusive of the abatement costs. When Seller elects to use equipment in the performance of a work order, Seller is responsible for correcting all property damage incurred using that equipment.

Seller shall confine all equipment and employees to the lot/parcel identified in the work order. Seller shall not use adjacent property (whether vacant or not) for access purposes without express written approval by the adjacent property owner.

INVOICES

Seller shall provide an invoice attached to the completed work order(s) **within five (5) working days of completing all work on a particular work order. Seller will provide Digital photographs daily, per the above stipulations.** Additionally, the invoice will include the following information:

 - Signature line for Code Enforcement

2. Work Order with itemized cost and the date the work order was completed.

COMMUNICATION AND REPORTING

Seller shall maintain frequent communications, utilizing cellular phones, or email with Code Enforcement, as necessary. Directives and approvals shall be in writing, except in cases where expediency makes this impossible (verbal approvals in these situations are valid when followed by written confirmation).

While in the possession of work orders Seller shall provide a daily email with an update of the previous day's completed work orders by 8:00am each day to Code Enforcement. The update is a list of the work order numbers that were completed the day before. All work on each work order must be completed to the satisfaction of Code Enforcement per this Agreement. Invoices will not be paid until all work is accepted and approved by the Code Enforcement.

Transfer of work orders, photographs, invoices, etc. shall be performed electronically as directed by Code Enforcement. Electronic transfer of media includes digital photographs, email, and/or other methods determined appropriate by Code Enforcement.

Seller shall provide dated and time-stamped digital photography with all invoices and estimates, both prior to and after completion of all work. Photographs shall be performed in the manner described in "Before Pictures" and "After Pictures" of this Agreement. The work order and Notice to Abate Graffiti, provided by Code Enforcement, is the primary authority for Graffiti Abatement. Any ambiguity or conflict with other documentation shall be clarified prior to performing any work.

Jobs/Work Orders of \$2,000.00 or more shall require a verification estimate by Seller and submitted to Code Enforcement prior to commencing work.

Jobs/Work Orders of \$5,000.00 or more shall require a verification estimate by Seller and submitted to the Manager of Code Enforcement, prior to commencing work.

DEFINITIONS

Graffiti Removal - is the process of cleaning or eliminating unwanted paint, ink, or markings (usually spray paint) from surfaces including but not limited to walls, fences, sidewalks, or dumpsters. The best method depends on the type of surface, age of the graffiti, and type of paint or marker used.

Painting - is the process of applying color, pigment, or other mediums to a surface using tools such as brushes, rollers, or sprayers. It serves both aesthetic and protective purposes.

Power washing - (also known as pressure washing) is the use of high-pressure water spray to remove dirt, grime, mold, mildew, loose paint, and other debris (such as graffiti) from surfaces such as buildings, concrete, and outdoor substrates.

Paint matching - is the process of identifying or recreating the exact color of a paint so it can be duplicated for touch-ups, repairs, or repainting. The goal is to achieve a seamless match between the new paint and the existing surface.

Sandblasting - (also known as abrasive blasting) is a process that involves propelling fine particles (such as sand or other abrasive materials) at high speed onto a surface to clean, smooth, roughen, or shape it.

Chemical paint removal - is the process of using paint strippers or solvents to dissolve and lift paint from surfaces, making it easier to scrape or wash off. It's commonly used on wood, metal, masonry, or concrete where abrasive methods like sanding or sandblasting may cause damage.

Poster removal - refers to the process of safely taking down posters from walls, doors, windows, dumpsters, or other surfaces without causing damage or leaving residue behind.

Manual scraping/removal - means physically cleaning a surface or object by hand, using a tool like a scraper, brush, or cloth, instead of using chemicals, machines, or power tools. It's typically used when you need precision or gentle cleaning, or when the buildup is too tough for simple wiping.

4. **Term.** The term of the Agreement begins on the date the Mayor/Mayor Pro Tem of the City of Tulsa executes this Purchase Agreement and terminates one year from that date. City in its sole discretion may offer Seller an opportunity to renew this Agreement up to an additional four (4) one (1) year term(s). Seller understands and acknowledges that any future contracts or renewals are neither automatic nor implied by this Agreement. City's continuing purchase of the Supplies and/or Services set forth in this Agreement is subject to City's needs and to City's annual appropriation of sufficient funds in City's fiscal year (July 1st to June 30th) in which City purchases Supplies and/or Services. In the event City does not appropriate or budget sufficient funds to perform this Agreement, this Agreement is null and void without further action by City.

The City may extend the Agreement for ninety (90) days beyond a final renewal term at the price and upon the delivery terms set forth on Exhibit A – Delivery and Pricing. The City, at its sole option and to the extent allowable by law, may choose to exercise subsequent ninety (90) day extensions upon the price and upon the delivery terms set forth on Exhibit A – Delivery and Pricing to facilitate the finalization of related terms and conditions of a new award or as needed for transition to a new Seller.

5. **Supplies Warranty.** With respect to all Supplies to be delivered under this Agreement, Seller warrants to City that such Supplies will be of good materials and workmanship and free from defects and will conform to the Specifications provided by City. 7. **Warranty Period.** Seller agrees that all warranties set forth herein will remain in effect for a period of one (1) year from the date City Accepts the Supplies and/or Services, or as specified in the Specifications, whichever is later. Seller shall not disclaim or otherwise limit the express warranties set forth herein.

10. **Force Majeure.** Seller will not be responsible for delays in delivery of the Supplies or Services due to acts of God, government action or inaction, fire, war, or riot, provided Seller notifies the City immediately, in writing of such pending or actual delay. 13. **Liability/Indemnification.** Seller shall hold City harmless for any loss, damage or claims arising from or related to its performance of the Agreement. Seller must exercise all reasonable and customary precautions to prevent any harm or loss to all persons and property related to the Agreement. Seller agrees to indemnify and hold the City harmless from all claims, demands, causes of action or suits of whatever nature arising out of the Supplies, Services, labor, or materials furnished by Seller or Seller's subcontractors under this Agreement. In addition, Seller agrees to indemnify, defend, and save harmless City and its officers, employees and agents from all suits and actions of any nature brought against them due to the use of patented appliances, products or processes provided by Seller hereunder. (Page 3 of 5)

14. **No liens.** Pursuant to City's Charter (Art. XII, §5), no lien of any kind shall exist against any property of City. Seller shall deliver all Supplies to City free and clear of liens. Delivery by Seller to City of Supplies which are subject to liens shall be a material breach of the Agreement and all damages and costs incurred by City because of the existence of such liens shall be paid to City by Seller. At City's option, City may return such Supplies to Seller and Seller shall pay the cost of returning such Supplies and reimburse City for any payments made for such Supplies.
15. **No Insurance by City.** If City is leasing Supplies herein, City shall not be required to obtain insurance for Seller's property. Seller shall be solely responsible for any insurance it deems necessary. City is self-insured for its own negligence, subject to the limits of the Governmental Tort Claims Act (51 O.S. § 151 et seq.).
16. **No Confidentiality.** Seller understands and acknowledges that City is subject to the Oklahoma Open Records Act (51 O.S. §24A.1 et seq.) and therefore cannot assure the confidentiality of this Agreement or other information provided by Seller pursuant to this Agreement that would be inconsistent with City's compliance with its statutory requirements thereunder.
17. **Compliance with Laws.** Seller shall comply and ensure its subcontractors used in the performance of this Agreement comply with all applicable federal, state and local laws, regulations and standards. Seller is responsible for any costs of such compliance. Seller certifies that it and all its subcontractors to be used in the performance of this Agreement are in compliance with 25 O.S. 19. **Termination.** City, by written notice, may terminate this Agreement, in whole or in part, when such action is in the best interest of City. If City terminates this Agreement, City shall be liable only for payment for Supplies accepted and Services rendered prior to the effective date of termination. City's right to terminate this Agreement is cumulative to any other rights and remedies provided by law or by this Agreement.
20. **Payment.** Invoices should be e-mailed to the City of Tulsa – Accounts Payable at: apinvoices@cityoftulsa.org. Payment will be made net 30 days after receipt of a properly submitted invoice or the City's Acceptance of the Supplies or Services, whichever is later.

The purchase order number shall appear on all invoices, packing lists, packages, shipping notices, instruction manuals and other written documents relating to the Supplies or Services. Packing lists shall be enclosed in each and every box or package shipped pursuant to this Agreement, indicating the content therein.
21. **Price Changes.** The parties understand and agree that the variables in Seller's cost of performance may fluctuate, but any change in Seller's cost of performance will not alter its obligations under this Agreement, nor excuse performance or delay on Seller's part. Notwithstanding the foregoing, after the first year of the term, the Seller may request a price increase in addition to any other price increase set forth in this Agreement. In its sole discretion, the City may approve the request if it determines that such price increase is in the City's best interest.
22. **Right to Audit.** Seller agrees that Seller's books, records, documents, accounting procedures, practices, price lists or any other items related to the Supplies and/or Services provided hereunder are subject to inspection, examination, and copying by City or its designees. The Seller shall be solely responsible for the payment of all employee wages and salaries, taxes, withholding payments, fringe benefits, insurance premiums, continuing education courses, materials or related expenses on behalf of its employees, subcontractors, and agents. Nothing in this Agreement will be construed to create a partnership, joint venture, or agency relationship among the parties. For any exception to the delivery date specified in the Agreement, Seller shall give prior written notification and obtain written approval from the City. The Acceptance by the City of later performance with or without objection or reservation shall neither waive the City's right to claim damages for such breach nor constitute a waiver of the requirements for the timely performance of any obligation remaining to be performed by Seller.

28. **Headings.** The headings used herein are for convenience only and will not be used in interpreting this Agreement.

The parties stipulate that venue is proper in a court of competent jurisdiction in Tulsa County, Oklahoma and each party waives any objection to such venue. City does not and will not agree to binding arbitration of any disputes.
31. **No Waiver.** A waiver of any breach of any provision of this Agreement shall not constitute or operate as a waiver of any other provision, nor shall any failure to enforce any provision hereof operate as a waiver of the enforcement of such provision or any other provision.
32. **Entire Agreement.** The entire agreement between City and Seller is contained in the Agreement. No verbal agreement between the parties is binding. Any scope of services, scope of work, quote, invoice, acknowledgment or other communication or other document issued by Seller in connection with this Agreement will be for the purposes of describing in greater detail the Supplies and/or Services (as applicable) to be provided. Seller's rejection or modification of the terms set forth in the City's IFB is void and of no effect, unless any such modification improves upon the City's terms or Specifications, in which case the improvement is accepted. Seller understands and acknowledges that if it adds terms and conditions to its Bid that are different from the terms set forth herein that City may reject the Bid as non-responsive.
33. **Amendment/No Assignment.** The Agreement may only be modified or amended in a writing signed by both parties. Notwithstanding anything to the contrary stated herein or in the attachments to this Agreement, no future agreements, revisions or modifications that may be required under this Agreement are effective or enforceable unless such terms, revisions or modifications have been reduced to writing and signed by City and Seller. Seller may not assign this Agreement or use subcontractors to provide the Supplies and/or Services without City's prior written consent. Seller shall not be entitled to any claim for extras of any kind or nature.
