

MLK from 36 St N to Apache in bad shape

Roadway improvement needed!

Make this street safer. How?

More lighting

Safer crossing

Make this area safer for kids. HIGHEST PRIORITY!

Engage with the schools

Make line of sight better north & south at intersection of Hartford & 36th St N

Engage with the school

Interested in adding a connection here, but would have to maintain it.

Speed humps on Lansing Pl

More lighting

Where do kids from Comanche go to school?

How do we make it safe for them?

Project	Improvement Type	Location	Length	Cost
A	Raised Pedestrian Tables + RRFs	Hartford Ave, North and South of existing bridge over Flat Rock Creek. Includes removal of existing, infill, curb and gutter, concrete table, striping, warning sign, RRFs and new sod (2 locations).	40 ft (each)	\$100,000 (\$50,000 x2)
B	Existing Bridge Extension	Single side of existing bridge over Flat Rock Creek. Includes 6' addition of sidewalk, jersey barrier, and re-striping of existing lanes.	120 ft	\$300,000
C	New Pedestrian Bridge	East of existing bridge over Flat Rock Creek. Includes prefabricated bridge at equal elevation + connection to existing sidewalks.	120 ft	\$600,000
D	Sharrows/Signed Bike Route	Hartford Ave, from E 31st St N to Flat Rock Creek. Includes thermoplastic road symbols and signage.	5,280 ft	\$20,000
