Small Group Activity
You will be divided into small groups.

As a small group please discuss questions 1-3 below related to the Cabinet priority that was just presented.

1. Where is the highest leverage opportunity?
 - a. *What issue or barrier, if solved, would unlock the most progress for students?*
2. What is within THIS GROUP'S power to move?
 - a. *Is it related to funding or policy?*
3. What is ONE action we could take in the next 60–90 days? What is one action that we could take in the next 6 months?

Identify one person in the group to share with the larger group during the share out and alignment portion of the agenda:

- What is the Opportunity?
 - *The high-leverage area where progress can be accelerated for students (what matters most to move right now).*
- What is the Action?
 - *The specific next step the Cabinet can take in the near term.*
- Who is the Owner?
 - *Who is responsible for leading or coordinating the next step.*
