REGULATORY FLOODPLAIN MAP ATLAS

August 2026

This printed Floodplain Map Atlas is provided for general reference and illustrative purposes only. While care has been taken to compile accurate and useful information, printed maps may not reflect the most current data available. All geographic information is subject to limitations related to scale, resolution, date of source materials, and interpretation. Because underlying data can change over time and without notice, this printed atlas should not be relied upon as a substitute for official or up to date sources.

For the most current floodplain information, users should consult the City of Tulsa's online Floodplain Map Atlas, available at:
https://www.cityoftulsa.org/government/departments/water-and-sewer/flood-control/floodplain-map-atlas

Users should independently verify any information before making decisions or taking action, and should obtain professional advice when necessary. The burden of determining the accuracy, completeness, and timeliness of information rests solely with the user.

Property owners within the Tulsa city limits may obtain an official flood zone determination by contacting the Customer Care Center by calling 311 or (918) 596 2100 or by emailing Tulsa311@cityoftulsa.org
