# TULSA CITY PROSECUTOR'S CITATION GUIDE TITLE 37 & 27 AND SELECT OTHER TITLES

**Fines:** Set court date 10 working days from the date of violation. The court division is determined by the last number of the citation (see below). List time as 8:30 a.m.

**BOOK TO COURT:** Set court date 10-20 working days from the date of the violation. Court division is determined by the last number of the citation:

1-3 Division I

4-6 Division II

7-0 Division III

When issuing multiple citations to a defendant, if one citation is required to be booked to court, please book all citations to court. **DO NOT** place pre-set monetary fines on those citations. They should read CRT or COURT. Use the lowest number to determine division. Do not split divisions on citations issued to same defendant.

JUVENILE TRAFFIC: State law requires parental notification when a citation with a pre-set fine is issued to a juvenile. Fill out the back of the green copy and attach it to the hard copy. When a juvenile citation requires a court appearance, the Court Division is Night Court at 4:00 p.m. on the first Wednesday that is 10-20 working days from the date of the violation. Juveniles must appear in court with a parent or legal guardian. Do not set any Juvenile traffic on Wednesdays that are legal holidays (check your court calendar).

**JUVENILE CRIMINAL:** Place *JBDC* in the fine box and *When Notified* for the court date. A parent or legal guardian must accompany juveniles appearing in court.

JUVENILE CURFEW/PARK CURFEW OR JUVENILE IN POSSESSION OF TOBACCO PRODUCT: Place JDMC in the fine box. Court date is the first Wednesday after ten working days at 4:00 p.m.(check your court calendar).
