
DATE: August 11, 2017

TO: G.T. Bynum, Mayor
Jack Blair, Chief of Staff
BlightStat Invited Attendees

FROM: James Wagner, Office of Performance Strategy and Innovation

SUBJECT: BlightStat

On Friday, August 11th, the Office of Performance Strategy and Innovation will host a BlightStat meeting with city departments and community stakeholders to discuss performance metrics. The purpose of this meeting is to identify gaps in defining, identifying, and addressing blighted properties. A presentation will be given by the Office of Performance Strategy and Innovation and Working in Neighborhoods and discussed with the Mayor's Office and community stakeholder leadership.
