QUESTIONS AND ANSWERS:

- 1. What are the other duties outside of course management? (reference to repairs and maintenance)
 - Response: These duties are outlined in the request and referenced as nominal repairs which may be compared to those a home or business owner would perform. These duties do not include maintenance that would require a licensed skilled tradesperson.
- 2. Will a list of commitments for service agreements or leases be available? Response: The cart lease payment is \$180,000 annually and is the only contract for which the seller is expected to assume until the expiration date. (This is the third year of a five-year lease held by Casper)
- 3. How many carts total?
 - Response: 90 Mohawk- 140 Belcher
- 4. Why was the decision made to use gas powered carts?
 Response: Cost and battery replacement (\$80-\$90K each third year)
- 5. How much of Mohawk is in the flood plain?
 - Response: About 75 percent of the two courses are in the flood plain. Pecan Valley front 9, and back 9. Woodbine back 9, and holes 7, 8 &9. It can take two (2) days to drain down.
- 6. What is the water supply for each course?
 - Response: Mohawk is lagoons and Lake Yahola Belcher is City Water
- 7. Has any other source of water been explored such as wells, effluent?

 Response: There was a study completed and the report from which deemed it cost prohibitive to run a 2 mile supply line from the South Side Water Treatment plant to the golf course. It would take a special bond issue.

- Is there a backup water supply for Mohawk?
 Response: A secondary source is a 6 inch City main that requires "Quick couplers".
- Does the City give consideration to the courses at Belcher during repair and maintenance of water supply in the area? Response: Yes
- 10. Will the City provide the water usage rate in gallons per month / per golf facility? Response: The figures for Page Belcher are provided in Appendix D added by this addendum. Water usage for Mohawk has not been appreciable because irrigation is provided by a lagoon system.
- 11. Is a record of water usage for Belcher available by month or week?

 Response: Monthly figures are provided in Appendix D added by this addendum.
- 12. Why was the grass on greens 14, 15, and 17 changed later than the balance of the greens?
 - Response: They were near to 71st and thought to be something the City could do. All greens are Champion Bermuda now.
- 13. In composing a response to the "Recommendation for improvement" mentioned in the RFP, what is the capitol allowance?
 Response: \$90,000.00
- 14. From where does the funding for renovation come? (How much is expected?) Response: Renovation projects are funded by tax revenue.
- 15. How is the budget apportioned?
 Response: \$90,000.00 equipment budget is flexible between courses.
- **16.** Excerpts from Page 6, and page 10 of the proposal are confusing. Who provides all equipment? Response: The City provides all equipment.
- 17. Will the City furnish a list of existing maintenance equipment?

 (RFP page 6, states that list of the current equipment for all four golf courses) main items such as mowers, tractors, spray rigs, utility vehicles, etc. items under \$1,000 wouldn't be necessary
 - Response: A list of maintenance equipment appears in Appendix C added by this addendum.

 - Response: Financial detail is provided in Appendix B which was added by the addendum.

- 20. Is additional financial detail available?
 - Response: Financial detail is provided in Appendix B which was added by the addendum.
- 21. Who owns the clubhouse and cafeteria inventory?

- 22. Will the first month of the new contract be prefunded?
 Response: The City expects to set aside funding for a new agreement.

III. GENERAL DESCRIPTION AND BACKGROUND:

The City owns four, eighteen-hole golf courses. Two are located at Page Belcher Golf Course (Belcher), 6666 S. Union Avenue, and two are located at Mohawk Golf Course (Mohawk), 5323 E. 41st Street North.

The land for Belcher was initially reserved through the design and development of its surrounding residential subdivision. Many of the golf course fairways have homes adjacent to them. The terrain is rolling and heavily treed primarily with native Oak trees in the roughs and non-play areas. Belcher is located in the southwest area of the city with good access from the City's expressway system and State Highway 75. There is also a large shopping mall located approximately ½ mile southeast of the Page Belcher site.

The first course built at Belcher was Olde Page. It opened in 1977 and is 6,338 yards long. The greens on Olde Page were rebuilt in 2006. At that time, they were sodded with L-93 Bentgrass. A complete irrigation system was installed, as well as a Flowtronex PSI, Inc. Pump Station. The architect was Randy Heckenkemper. In the summer of 2010 the Bentgrass was removed from the greens and Champion Bermuda was installed.

Belcher's, Stone Creek course opened in 1987 and is 6,105 yards in length. The greens were rebuilt in 2003, planted with L93 Bentgrass, and a Toro irrigation system was installed as part of the renovation. Course shaping, new water features and cart path replacement were also included. Randy. Heckenkamper was the architect for this renovation as well. In May of 2012, Stone Creek was converted to Champion Bermuda.

The two 18-hole Mohawk courses are located only a few minutes northeast of downtown, in the City's Mohawk Park. The nationally recognized Tulsa Zoo and Living Museum, Oxley Nature Center and numerous picnic areas together with the golf facilities make up this 2,800 acre park.

Having first opened in the 1930s, Mohawk is older than Belcher and some-what flatter. A number of the holes are located in the flood plain of creeks which traverse the site. The Pecan Valley course is 5,288 yards long and was originally designed by Perry Maxwell. Woodbine is the second course at Mohawk and at 6,482 yards long it is the longest of all City courses.

Nine holes of the Pecan Valley course were redesigned and rebuilt in 2000 to serve the First Tee youth program. Southern Hills Country Club (SHCC) raised the money for this project which added new greens, irrigation, and a Teaching Center. The program is provided and managed by SHCC.

Renovation's for both Mohawk courses were completed in 2010 that included improvements to the short-order food service area at the Clubhouse. The irrigation booster pump station, which distributes water from the park's lagoon system rather than using City water, was also rebuilt. All of the greens are now covered in Champion Bermuda.

IV. CITY'S RIGHTS AND RESPONSIBILITIES

Both golf course complexes are currently leased to the Tulsa Public Facilities Authority (T.P.F.A.) by the City. The Lease Agreement enables the City to provide revenue bond financing for golf improvements.

Rights

Under the terms of the T.P.F.A. Lease Agreement, the City retains the responsibility to administer, operate, maintain and repair the golf courses on behalf of T.P.F.A. and mandates that all greens fees and other user fees and charges must be approved by T.P.F.A. Current authorization permits occasional discounting of greens fees up to 33%, at the discretion of the golf management service and with approval of the Park and Recreation Department Director. It is anticipated that the authorization for occasional discounting will remain in effect.

Responsibilities

The City will perform frequent, on-site reviews of the maintenance and guest service programs. Monthly meetings will be scheduled with the Seller to review performance of services.

The City will authorize the Seller to use all City owned golf facilities including the golf courses, cart barns, maintenance buildings and clubhouses, including clubhouse food service equipment and furniture.

The City will permit the Seller to use its existing golf maintenance equipment. It is expected that the Seller will keep all maintenance equipment in good working order if used in the maintenance program. No payment will be required for use of the equipment; however, at the termination of the agreement, the equipment must be in good working order and with a monetary value consistent with a predetermined depreciation schedule, such schedule to be agreed to by both parties at the initiation of the agreement.

The City will continue to hold title and/or ownership to all items, therefore none of the items may be sold, donated or used as a trade-in without the City's approval.

A list of existing maintenance equipment is available to potential Respondents by request.

V. FINANCIAL SUMMARY

During the last 5 years expenses have exceeded revenue. The recent increase in rounds may be partially attributed to the closings of two area courses.

It is anticipated that the City of Tulsa will enter into an Agreement with the selected Respondent for an initial term ending one (1) year from the date of its execution by the City's Mayor, with nine (9) one-year renewals available at the option of the City. Agreements entered into by the City of Tulsa generally include, but are not limited to, the following terms:

- 1. Renewals. Seller understands and acknowledges that any future contracts or renewals are neither automatic nor implied by this Agreement. The continuing purchase by City of the Services set forth in this Agreement is subject to City's needs and to City's annual appropriation of sufficient funds in City's fiscal year (July 1st to June 30th) in which such Services are purchased. In the event City does not appropriate or budget sufficient funds to perform this Agreement, this Agreement shall be null and void without further action by City.
- 2. No Indemnification or Arbitration by City. Seller understands and acknowledges that City is a municipal corporation that is funded by its taxpayers to operate for the benefit of its citizens. Accordingly, and pursuant to Oklahoma law, City shall not indemnify nor hold Seller harmless for loss, damage, expense or liability arising from or related to this Agreement, including any attorneys' fees and costs. In addition, Seller shall not limit its liability to City for actual loss or direct damages for any claim based on a breach of this Agreement and the documents incorporated herein. City reserves the right to pursue all legal and equitable remedies to which it may be entitled. City will not agree to binding arbitration of any disputes.
- 3. Intellectual Property Indemnification by Seller. Seller agrees to indemnify, defend, and save harmless City and its officers, employees and agents from all suits and actions of every nature brought against them due to the use of patented, trademarked or copyright-protected appliances, products, materials or processes provided by Seller hereunder. Seller shall pay all royalties and charges incident to such patents, trademarks or copyrights.
- 4. **General Liability.** Seller shall hold City harmless from any loss, damage or claims arising from or related to the performance of the Agreement herein. Seller must exercise all reasonable and customary precaution to prevent any harm or loss to all persons and property related to this Agreement.
- 5. Liens. Pursuant to City's Charter (Art. XII, §5), no lien of any kind shall exist against any property of City. Seller agrees to indemnify and hold the City harmless from all claims, demands, causes of action or suits of whatever nature arising out of the services, labor, and material furnished by Seller or Seller's subcontractors under the scope of this Agreement.
- 6. **No Confidentiality.** Seller understands and acknowledges that City is subject to the Oklahoma Open Records Act (51 O.S. §24A.1 *et seq.*) and therefore cannot assure the confidentiality of contract terms or other information provided by Seller pursuant to this Agreement that would be inconsistent with City's compliance with its statutory requirements there under.

- 7. **Compliance with Laws.** Seller shall be responsible for complying with all applicable federal, state and local laws, regulations and standards. Seller is responsible for any costs of such compliance. Seller shall take the necessary actions to ensure its operations in performance of this contract and employment practices are in compliance with the requirements of the Americans with Disabilities Act. Seller certifies that it and all of its subcontractors to be used in the performance of this agreement are in compliance with 25 O.S. Sec. 1313 and participate in the Status Verification System. - 8. Right to Audit. The parties agree that books, records, documents, accounting procedures, practices, price lists or any other items related to the Services provided hereunder are subject to inspection, examination, and copying by City or its designees. Seller shall retain all records related to this Agreement for the duration of the term of this Agreement and a period of three years following completion and/or termination of the contract. If an audit, litigation or other action involving such records begins before the end of the three year period, the records shall be maintained for three years from the date that all issues arising out of the action are resolved or until the end of the three year retention period, whichever is later.
- 9. Governing Law and Venue. This Agreement is executed in and shall be governed by and construed in accordance with the laws of the State of Oklahoma without regard to its choice of law principles, which shall be the forum for any lawsuits arising under this Agreement or incident thereto. The parties stipulate that venue is proper in a court of competent jurisdiction in Tulsa County, Oklahoma and each party waives any objection to such venue.
- 10. **No Waiver.** A waiver of any breach of any provision of this Agreement shall not constitute or operate as a waiver of any other provision, nor shall any failure to enforce any provision hereof operate as a waiver of the enforcement of such provision or any other provision.
- 11. **Entire Agreement/No Assignment.** This Agreement and any documents incorporated herein constitute the entire agreement of the parties and supersede any and all prior agreements, oral or otherwise, relating to the subject matter of this Agreement. This Agreement may only be modified or amended in writing and signed by both parties.
