CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing.

Uniform Relocation Act and Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

Anti-Lobbying -- To the best of the jurisdiction’s knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and

3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction’s consolidated plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 135.

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

**Citizen Participation** -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

**Community Development Plan** -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

**Following a Plan** -- It is following a current consolidated plan that has been approved by HUD.

**Use of Funds** -- It has complied with the following criteria:

1. **Maximum Feasible Priority.** With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. **Overall Benefit.** The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2017, 2018, 2019 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. **Special Assessments.** It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

**Excessive Force** -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and

2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.
Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.

Specific HOME Certifications

The HOME participating jurisdiction certifies that:

**Tenant Based Rental Assistance** -- If it plans to provide tenant-based rental assistance, the tenant-based rental assistance is an essential element of its consolidated plan.

**Eligible Activities and Costs** -- It is using and will use HOME funds for eligible activities and costs, as described in 24 CFR §§92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in §92.214.

**Subsidy layering** -- Before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing;

Emergency Solutions Grants Certifications

The Emergency Solutions Grants Program recipient certifies that:

**Major rehabilitation/conversion/renovation** – If an emergency shelter’s rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation.

If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion.

In all other cases where ESG funds are used for renovation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

**Essential Services and Operating Costs** – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the recipient will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the recipient serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

**Renovation** – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

**Supportive Services** – The recipient will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal State, local, and private assistance available for these individuals.

**Matching Funds** – The recipient will obtain matching amounts required under 24 CFR 576.201.

**Confidentiality** – The recipient has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

**Homeless Persons Involvement** – To the maximum extent practicable, the recipient will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

**Consolidated Plan** – All activities the recipient undertakes with assistance under ESG are consistent with its consolidated plan.
Discharge Policy – The recipient will establish and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.

Executive Summary

ES-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The City of Tulsa is pleased to submit its 2017 Program Year Annual Action Plan. This is the Third year of the 2015-2019 Consolidated Plan. The Consolidated Plan is available at [http://www.cityoftulsa.org/media/1315/consolidated-plan5-14-15.pdf](http://www.cityoftulsa.org/media/1315/consolidated-plan5-14-15.pdf). The Consolidated Plan is carried out through Annual Action Plans, which provide a concise summary of the actions, activities, and the specific federal and non-federal resources that will be used each year to address the priority needs and specific goals identified in the Consolidated Plan.

2. Summary of the objectives and outcomes identified in the Plan

The overall outcome is to improve the quality of life of principally low and moderate income Tulsans, by creating suitable living environments, improving the availability of affordable housing and enhancing economic opportunities. The Annual Action Plan process identified the same overarching needs within the community, as identified in the Consolidated Plan. The following seven priority needs adopted are:

- Demolition of Substandard Housing
- Economic Development
- Homeless/Special Populations
- Housing Subsidies/Assistance
- Housing Acquisition, Construction & Rehabilitation
- Public Facilities and Infrastructure Improvements
- Public Services

The outcomes of addressing these needs will be measured by the increase in availability/accessibility, affordability and sustainability created by the programs and services provided throughout the course of the Consolidated Plan. By concentrating funds on a small number of specific needs, it is hoped that the main objective will be achieved and a greater number of principally low and moderate income persons will benefit from the available funding.

3. Evaluation of past performance

Over the course of the first year of the 2015-2019 Consolidated Plan, the City continued to improve its processes and delivery of services in addressing the housing, community development and economic development objectives identified. A complete and detailed year-end report has been written summarizing the result of activities that took place during Program year 2015 (PY15). A copy of this report can be found at [http://www.cityoftulsa.org/government/departments/finance/grants/plans-and-reports/](http://www.cityoftulsa.org/government/departments/finance/grants/plans-and-reports/)
Utilizing Community Development Block Grant (CDBG), HOME Investment Partnership (HOME), Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA) funds, the City of Tulsa has promoted Decent Housing, Suitable Living Environments, and Economic Opportunities. During PY15 the City expended over $7.1 million and accomplished the following:

- Assisted twenty-nine thousand nine hundred and eighty-three (29,983) people through public service activities;
- Assisted twelve thousand five hundred and fifty-five (12,555) people through public facilities and improvement activities;
- Provided rental housing subsidies to five hundred and thirty-one (531) households;
- Provided shelter facilities to two thousand four hundred and seventy-five (2,475) people;
- Created/retained eighty-six (86) jobs;
- Assisted seventeen (17) new and existing businesses;
- Rehabilitated one hundred and thirty-two (132) housing units;
- Assisted one (1) first time homebuyers; and
- Carried out clearance and demolition activities on fifty (50) substandard structures.

4. Summary of citizen participation process and consultation process

The goals of the City’s citizen participation process as it relates to the Consolidated Plan and Annual Action Plans are:

- To increase the involvement of low-income persons, residents of public housing, minority populations, non-English speaking persons and persons with special needs;
- To clarify roles and responsibilities enabling a variety of organizations to participate cooperatively in meeting the goals and objectives identified by the community; and
- To ensure that all citizens and organizations have an opportunity to participate in the evaluation of funded activities.

During the development of this Third Year Annual Action Plan, citizens were provided the following opportunities to participate in the process:

- HUD Community Development Committee meeting to set priorities needs and goals – September 7, 2016
- HUD Community Development Committee meetings for recommendation of awards – February 2 & 7, 2017
- Second Year Annual Action Plan comment period - March 6, 2017 through April 4, 2017.
- Second Year Annual Action Plan Public Hearing – April 4, 2017

5. Summary of public comments

During the needs assessment public hearing comments were received concerning:
- Early childhood education and childcare programs, including programs targeting dual language learners and the growing Hispanic population;
- Public facilities;
- Transitional living programs for homeless youths;
- Educational and training classes for adults;
- Access to affordable housing;
- Assistance to victims of abuse;
- Transportation;
- Access to food;
- Tulsa’s homeless population, including access to legal aid.

During the draft plan comment period and public hearing, comments were received concerning:

- The value of HUD block grant funding and the overall benefit to the community;
- Increase need for services to low and moderate income seniors.

6. **Summary of comments or views not accepted and the reasons for not accepting them**

All comments received were accepted and incorporated in the Third Year Annual Action Plan.

7. **Summary**

The City of Tulsa is looking forward to continuing to meet the underserved needs of the community and improving the quality of life of principally low and moderate income Tulsans. During the third year of the Five Year Consolidated Plan, the HUD Development Community Committee has recommended funding thirty (30) external agencies and two (2) City departments to conduct forty (40) activities. Total grant funds awarded, including administration, totals $5,499,801.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

The City of Tulsa Grants Administration is committed to working with local agencies and service providers to create solutions to best address the needs of the community. The entities which have provided input and insight into the 2017-2018 Annual Action plan are listed in the following sections.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

Tulsa benefits from a strong and cohesive coalition of local government officials, service providers, lenders, and volunteers. These various groups coordinate effectively to avoid duplication of services and facilitate a delivery system that meets the needs of Tulsa's various populations.

The city continues a targeted public outreach effort to educate and engage the public in the annual planning and funding opportunities process. Activities include:

- Posting and advertising all public meetings with adequate advance notice to citizens for maximizing participation;
- Ensuring all public meetings and other forms of communication are accessible to people with disabilities and non-English speaking persons;
- Utilizing web-based communication tools to solicit input from citizens;
- Working with local service providers, INCOG, the Housing Authority of the City of Tulsa, local lenders, and others to leverage public and private resources;
- Coordinating resources and services for affordable and supportive housing, in conjunction with local service providers, housing officials, lending institutions, developers, and non-profit organizations, including the City's Continuum of Care;
- Conducting meetings with HOME and CDBG grantees;
- Meeting with funded agencies to discuss their programs, successes and challenges; and
- Providing on-going citizen participation opportunities in HUD Community Development Committee meetings.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness

The City of Tulsa and the Tulsa City/County Continuum of Care (CoC) continuously work to develop an inclusive coordination and consultation process. Although it is still a work in progress, the focus remains to collaborate on all aspects of the Emergency Solutions Grant process including planning, funding, implementing and evaluating homeless assistance and prevention programs at the local level. One way coordination is accomplished is the
opportunity for CoC member agencies to provide input at public hearings, which is part of the City’s Citizen Participation Plan. The City of Tulsa Grants Administration (GA) participates in monthly CoC meetings facilitated through the A Way Home for Tulsa (AWHFT) Governance Board. The A Way Home for Tulsa program is a community-wide initiative that provides a way for multiple local stakeholders to work together to create a systematic local strategy. The AWHFT board is also working with the City of Tulsa to develop continuum-wide program outcomes in order to monitor and evaluate CoC and ESG program performance, and to inform the stakeholders of City of Tulsa US Department of Housing and Urban Development (HUD) initiatives. Collaboration has been bolstered through recently adopted changes to the City’s grant allocation process. In September 2015, the City of Tulsa passed Ordinance 23362 that outlines the grant process for the HUD grants received. Contained in the Ordinance is the requirement for the inclusion of a non-HUD funded CoC member to sit on the HUD Community Development Committee (CDC). The HUD CDC’s responsibilities include the following duties, which play an important role in fulfilling the City’s collaboration with the CoC:

- Receiving public input of needs.
- Receiving input from the CoC regarding homeless needs, priorities, goals, outcomes and evaluation measures.
- Consulting with the CoC regarding allocation of funds, developing performance standards, and evaluating outcomes of ESG assisted projects.

The Homeless Management Information System (HMIS) lead agency, Community Service Council of Greater Tulsa, and the HMIS administrator participates in the AWHFT governance board meetings bringing forward HMIS data standards, policies and performance reports for review and approval. The administrator provides access to licenses, hands-on training and technical support to all of the ESG subrecipients and submits performance reports to the City of Tulsa for the ESG programs. The City of Tulsa and the HMIS lead have agreed to allocate three percent of the ESG funds each year to assist the HMIS lead in meeting the regulatory requirements with regard to data collection and mandatory reporting.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards and evaluate outcomes, and develop funding, policies and procedures for the administration of HMIS

A member of the CoC sits on the HUD Community Development Committee and provides input during the allocation process. To ensure compliance with the HEARTH Act changes, Grants Administration (GA) works closely with the local Continuum of Care and Emergency Solutions grant subrecipients. GA staff attends monthly CoC meetings to help establish ESG priorities, policies and performance standards.

AP-12 Citizen Participation

1. **Summary of citizen participation process/Efforts made to broaden citizen participation**

   **Summarize citizen participation process and how it impacted goal-setting**

The Citizen Participation Plan and Title 12 §800 of Tulsa Revised Ordinances (#23598) are the guiding documents that facilitate the process for the determination of needs, priorities, and allocation of HUD funds. The HUD Community Development Committee (CDC) receives citizen input and makes funding recommendations.

The CDC solicits public input regarding the long-term and short-term needs of the community to develop funding priorities. This committee consists of the following members who all have voting privileges: the nine City Councilors and Mayor who shall serve ex-officio; five residents of the city of Tulsa, designated by the City Council, three of whom shall reside within a low to moderate income census tract, with no more than one representative from each Council district; one representative from the Indian Nations Council of Governments (INCOG); one representative from a financial institution; one representative from the Continuum of Care; one representative with grant allocation experience; and one representative from the City of Tulsa Planning Department. The Mayor designates the member from a financial institution, the Continuum of Care, and the individual with grant allocation experience.

The priority needs for the City of Tulsa's 2015-2019 Consolidated Plan were determined through analysis of information gathered from a variety of sources and were approved by the Mayor and City Council on September 9, 2014 and September 11, 2014 respectively. In September 2016 the HUD CDC held a Needs Assessment Public Hearing to gather needs for the Third Year Annual Action Plan. During the meeting, the HUD CDC were provided with updated information on the 2017 priority needs compiled by Grants Administration, and listened to the concerns of the public. A list of 2017 needs and goals were presented to the Mayor and City Council and were approved on September 20, 2016 and September 28, 2016 respectively, and included in the 2016 Request for Proposals released by Grants Administration on October 3, 2016.

An Annual Plan Timeline was published to ensure citizens were aware of the process including opportunities for participation. The following is a list of the dates provided to citizens;

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

On June 14, 2017 HUD released the 2016 funding allocations. Using the figures provided, calculations were made to estimate the total amount available during the course of the Consolidated Plan. As all funding sources are subject to annual Congressional appropriations, as well as potential changes in funding distribution formulas, these figures are subject to change.

PI is realized and must be allocated. Prior year includes $46,136.82 in uncommitted carryover funds.

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The federal, state, and local resources available to address the needs identified in the plan include federal formula grant funds under CDBG, ESG, HOME, and HOPWA. The local Continuum of Care (CoC) also awards grant funds under the competitive McKinney-Vento Homeless Assistance Act. These funds will be leveraged with the City's general funds, various state and county resources, local nonprofit resources, and private foundation grants.

Public service projects will concentrate efforts to address the needs of families, children and youth in high risk populations consistent with the identified priority needs. Use of CDBG and ESG funds will leverage other nonprofit resources and private foundation funds to assist low-income households.
Physical improvements will use a combination of public funds, CDBG funds, City general funds, and nonprofit and private foundation funds to enhance selected projects.

HOME Match: The sources of matching contributions for HOME funds will be from developers and subrecipients’ nonfederal contributions, the City and its CHDOs. The City requires developers, subrecipients and CHDOs to match up to 25% of award. First re-use CHDO proceeds, as regulated by HOME, are used as leverage to fund HOME activities. Banked match is available if organizations are not able to generate the required match. The City had $9.1 million in available banked match as of July 1, 2016.

Emergency Solutions Grant Match: The jurisdiction will fulfill the ESG requirement of a matching contribution equal to the grant program funds. Each organization is required to provide matching funds equal to the amount of funds awarded. This stipulation is included in the written agreement. The City of Tulsa will provide in-kind administrative funds, as necessary, to match administrative funds received. Documentation of match is required when subrecipients submit the monthly request for funds.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Discussion:

The Expected Amount Available Reminder of ConPlan is an estimate of the funds expected to be received over the remaining two years of the Consolidated Plan. Estimates were calculated using the estimated funding to be received during the third year of the Consolidated Plan plus expected program income.

The CDBG program income total includes an estimated $725K in revolving loans funds received through economic development activities plus an additional $137K in general program income. It is estimated that a similar amount of revolving loan funds will be received over the remaining two years and this is included in the Expected Amount Available Reminder of ConPlan total.

ESG Annual Allocation includes $168,611 in a one-time supplement funding allocation.

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The priority needs for the City of Tulsa’s 2015-2019 Consolidated Plan were determined through analysis of information gathered from a variety of sources. Final priorities were approved in September 2014. In September 2016, a public hearing was held to invite additional comment on the designated priorities. Information received was reviewed by the HUD CDC and the 2017 priorities were finalized in September 2016. Priorities were included in the Request for Proposals issued in October 2016. Agencies were asked to identify which priority their program most closely related. During the evaluation phase, points were awarded to the applications that demonstrated the proposed projects tied to the priorities.

Most agencies do not have necessary funds to provide all services needed by the clients and have stated in their applications that, without HUD funds, the project or program may not be able to fully serve the client need.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

In the development of the Consolidated Plan, four target areas were defined and approved. These areas all suffered with high levels of poverty and unemployment, and with the exception of a small proportion of the South West target area, all are occupied by LMI census tracts.

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

Concentrating resources in specific geographies is necessary to adequately address the scale of needs and achieve short and long-term improvements to identified substandard conditions such as deteriorated housing and infrastructure, access to lead-based paint free housing, reconstruction, and overall revitalization. The City elects to focus activity in the areas of the city with the highest concentration of poverty, unemployment and greatest needs as a basis for allocating investments geographically with the jurisdiction. The result of geographical allocation of HUD funding is efficient and effective use of the funds to elevate and create more opportunities for areas where the need is the greatest.

Discussion

The percentages listed above only represent funded projects that will be located exclusively within the target areas. The geographic distribution of funds for funded projects involving activities such as homeowner rehabilitation and public services, where the location of services will vary during the year, will be included in the Consolidated Annual Performance and Evaluation Report (CAPER) due in September 2018.
Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

The HUD CDC has recommended utilizing CDBG, HOME, ESG and HOPWA funds to support the following affordable housing goals.

Non-homeless households:

- CDBG will support the rehabilitation of one hundred and ninety-four (194) housing units.
- HOME will support sixty-seven (67) housing units through homeowner/rental rehabilitation, new construction and down payment activities.
- ESG will support three hundred and seventy-five (375) individuals with homelessness prevention assistance.

Homeless individuals:

- ESG will support one hundred and forty-four (144) individuals with Rapid Rehousing assistance.

Special-needs households:

- HOPWA will support ninety-eight (98) households with TBRA, STRMU and Permanent Housing Placements.

Tulsa CARES will utilize HOPWA funds to support thirty-five (35) households with Tenant Based Rental Assistance and an additional forty-eight (48) households with Short-term Rent Mortgage or Utility Assistance. Permanent Housing Placement Services will be provided to 15 people. Rental assistance will be provided in the form of Rapid Rehousing and Homelessness Prevention with ESG funds managed by the Tulsa Day Center for the Homeless and Restore Hope Ministries respectively. A total of Five hundred and nineteen (519) individuals will be served.

The rehabilitation of owner-occupied units will be funded with both CDBG and HOME. CDBG funds will provide homeowners up to $5,000 to carryout energy conservation and other repairs to ensure safe and sanitary living conditions. HOME funds will provide loans up to $35,000 for major repairs of owner-occupied housing. One hundred and ninety-four (194) housing units will be supported with CDBG funds and ten (10) housing units will be supported with HOME.

HOME funds will be used for acquisition of single-family units to assist thirty-two (32) first-time homebuyers with down payment and closing costs to assist in the purchase of a home.
HOME funds will also be used towards the construction of a new forty (40) unit senior living development resulting in seven (7) HOME units and the rehabilitation of two apartment complexes resulting in eighteen (18) additional HOME units.

Discussion

The number for Special-Needs is not duplicated in the other categories.
Introduction

The City will continue to support public housing projects during the Consolidated Plan. One project has been recommended for funding during the third year and will address safety issues at a section 8 housing complex, more detail is provided below.

Actions planned during the next year to address the needs to public housing

The HUD CDC has recommended funding Tulsa Housing Authority twenty-seven thousand five hundred ($27,500) towards their Think Safety program. This program will provide additional security, including roving foot patrol and guard shack coverage, at the Towne Square Apartments during the summer months. The added security will coordinate with Tulsa Housing Authority (THA) and local law enforcement agencies to identify crime patterns and prevent criminal activity. These activities will assist in crime prevention and awareness.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The Tulsa Housing Authority (THA) provides Community Centers at each of the nine (9) public housing family communities. Within these Community Centers, is a furnished computer lab with updated systems and high-speed internet access which can be used for job searches and other related activities. The community centers are staffed by Service Coordinators that provide intake, assessment, planning, coordination and delivery of services that support economic development and self-sufficiency. The Service Coordinators identify barriers, such as transportation, childcare, and education, and offer programs that will enhance the resident’s quality of life and prepare them to enter the workforce, thereby breaking the cycle of poverty. The Service Coordinators also provide information to the residents to assist them with pursuing homeownership.

THA utilizes a ROSS Service Coordinator grant that provides case management services to residents with a focus on employment, education and self-sufficiency. The two case managers under this grant work with the residents to set goals pertaining to developing and maintaining a budget, childcare and obtaining health care. The grant coordinator also encourages residents to take advantage of Housing Partners of Tulsa’s financial literacy and first time homebuyer program.

Public housing residents are also encouraged to enroll in the Family Self-Sufficiency (FSS) Program. This program provides community support and resources to assist families with becoming self-sufficient. The Family Self-Sufficiency Coordinator meets with the interested resident and if selected for the program, the participant establishes a set of goals, such as employment or homeownership. Monthly meetings are held to assess progress and assist the participant with any barriers in reaching their stated goals. An incentive of the FSS is an escrow account; as the family’s income increases, contributions are made to the escrow account on the family’s behalf. Once the family is determined "Self-Sufficient" by meeting their goals and moving out of public housing, the money in the escrow account is paid to the participant. No
conditions are imposed on the use of the money, but the family is encouraged to pursue homeownership. Information regarding Homebuyer Education Programs is provided to the family.

In addition to providing programming and activities for the residents, the Service Coordinators work closely with Property Managers and residents regarding community service hours as mandated by HUD. The Service Coordinators, together with the residents, develop a work plan to meet the required hours – whether it is through activities on-site or with another organization in Tulsa. Residents must track their community service time and have a time log signed by the resident and the Service Coordinator or an agency representative who facilitated the activity.

Residents of THA communities are actively involved in the planning and development of programs for their communities. Each community is encouraged to establish a Resident Association which meets monthly to discuss areas of concern and plan events and activities for their communities. Each association has a set of by-laws, which they have voted on and approved, that outlines how the association will operate. Training involving job duties, parliamentary procedures, communication and financial bookkeeping is provided to all Resident Association officers. In addition, training is provided to assist the Resident Association with establishing and maintaining an active Neighborhood Watch program.

**If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance**

The Housing Authority of the City of Tulsa is not designated as troubled.
AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The HUD CDC has recommended funding for Rapid Rehousing and Homelessness Prevention with ESG funds to be managed by the Tulsa Day Center for the Homeless and Restore Hope Ministries respectively, with the goal to provide financial assistance and services to a total of five hundred and nineteen (519) individuals.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Although the City is not directly providing HUD funds towards reaching out to persons experiencing homelessness within the City of Tulsa, street outreach programs organized by faith-based and non-profit organizations are available to unsheltered individuals. Some of these groups target specific populations such as unaccompanied youth and street gang members. Youth Services of Tulsa's (YST) street outreach program includes services such as referrals and information, assistance obtaining identification, and options for employment and shelter. Youth Services Drop-In Center offers youth, ages 16 – 24, a place to get a meal, shower, wash clothes, etc. YST also coordinates the Safe Place program which provides youth a place to seek intervention in times of crisis. Multiple shelters are available to individuals, families and youth which offer case management services to address the needs of homeless persons.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City of Tulsa is providing ESG and CDBG funds to four (4) emergency shelters to assist with shelter services and operations. The non-profit agencies receiving funds include Domestic Violence Intervention Services, The Salvation Army (Tulsa Headquarters), Tulsa Day Center for the Homeless and Youth Services of Tulsa. Each shelter provides varying services or targets a specific population to avoid duplication of efforts in the community. Specialized assistance is provided to youth, victims of domestic violence and families with children. In addition to providing a safe place to stay, the shelters provide services in the form of case management, child care, counseling, safety planning for victims of domestic violence, medical services, life skills classes, parenting and relationship skills classes, therapeutic exercise classes and services to meet basic personal needs.
Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again.

The Tulsa Day Center for the Homeless will use funds to assist homeless individuals and families obtain housing through a Rapid Rehousing program. The program is designed to help individuals and families move as quickly as possible into permanent housing with a combination of rental assistance and housing relocation and stabilization services to aid each client in regaining stability.

Restore Hope Ministries will use funds for Homelessness Prevention by providing rent subsidies and other assistance so individuals and families have affordable access to safe and sanitary shelter.

Through a coordinated referral and application process Youth Services of Tulsa (YST) assists unaccompanied, homeless youth ages 17-24, move quickly out of homelessness and into transitional housing. While in housing, case management services are provided to increase personal, social, educational and occupational skills needed to transition into adulthood. Youth are also connected with mental health services and other YST and community services to ensure their needs are met and housing is sustained over time.

Mental Health Association Oklahoma will use HOME funds to rehabilitate Indianapolis Apartments. At least 4 units at this location are set aside for individuals recovering from homelessness.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The City of Tulsa awarded funds to two programs that assist individuals being discharged from correctional facilities. The Center for Employment Opportunities will provide men and women that were formerly incarcerated and reside in North Tulsa with life skills education, transitional jobs, permanent job placement assistance, and retention services. Resonance Center for Women will provide incarcerated and formerly incarcerated females in relapse prevention education, job readiness training, domestic violence, and education among other life skills training. Both projects work toward preventing individuals from becoming homeless after discharge.
There are a variety of efforts undertaken by the City of Tulsa and CoC member organizations to prevent homelessness. There are five primary preventative services offered by various provider organizations:

- Mortgage assistance
- Rental assistance
- Utilities assistance
- Counseling/advocacy
- Legal assistance

Each service is designed to assist families remain housed by offering services and support during times of financial or legal difficulty. HOPWA funds will be provided for homelessness prevention to individuals diagnosed with HIV/AIDS and their families in the form of short-term rent, mortgage and utility assistance, tenant-based rental assistance, permanent housing placement, resource identification and supportive services.

Because individuals and families who are being discharged from publically funded institutions or systems of care are at a high risk of becoming homeless or returning to homelessness, the CoC plans to place an emphasis on discharge planning with coordination of housing services. State statutes require that all publicly funded institutions, including mental health, corrections, health care and the foster care system, have discharge planning in place. Locally, the Tulsa Center for Behavioral Health (TCBH) is subject to discharge planning protocols mandated by the Oklahoma Board of Mental Health and Substance Abuse Services to ensure that individuals exiting TCBH are not discharged into the shelter system or street. Community Service Council of Greater Tulsa hosts a local Prisoner Reentry Initiative addressing system barriers to reintegration and operates The Tulsa Reentry One-Stop that provides employment, housing placement and retention services.

**Discussion**

The City of Tulsa and homeless services providers, including the HUD Continuum of Care, are committed to providing solutions and serving the needs of individuals experiencing homelessness. All parties are working with Community Solutions, Built for Zero campaign to end veteran homelessness and chronic homelessness in Tulsa.

AP-75 Barriers to affordable housing – 91.220(j)

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Tulsa, like many western cities, is not a high-density city. For over 40 years, Tulsa has relied on a zoning code that favors low-density, suburban-style development. A lack of housing diversity combined with the need to own and maintain a personal vehicle, present a substantial barrier to affordable housing. In recent years, the City has taken substantial steps to eliminate this barrier.

An overhaul of the City of Tulsa Zoning Code has been approved and went into effect on January 1, 2016. Several features of the Code will work in combination to support Comprehensive Plan objectives for increased housing density in select areas. Indirectly and over time, the Code will support transit and walkability. A combination of direct actions that make affordable housing in prime locations feasible, and indirect influences that decrease dependence on private cars, will help to remove barriers to affordable housing in Tulsa.

Some of the key features in Tulsa’s new Zoning Code:

- A new zoning district allowing smaller, single-family lots, cottage clusters, multi-unit houses, and zero-lot-line homes.

- New mixed use zoning districts that will allow the creation of new owner and rental housing in desirable locations close to jobs, goods, and services.

- Reduced and/or eliminated off-street parking requirements that will allow for higher development densities. Included in parking regulations are mandatory bicycle parking for new development.

- Increased flexibility in general, allowing for straightforward implementation of new housing options including tiny houses, off-site constructed permanent housing, and mixed-income development.

Consistent with PLANiTULSA, these districts are designed to work in consort with other initiatives to increase density, transit, walkable urban districts, and diverse housing opportunities throughout the City. These new zoning tools are expected to be popular choices in areas throughout the City that are seeking redevelopment and revitalization options. Market forces driving new demand for housing in close-in parts of Tulsa are just now emerging. The City believes that with these new tools in place, we should be able to keep pace with demand and avoid displacement of persons and families who require affordable housing.
AP-85 Other Actions – 91.220(k)

Introduction:

The City will use CDBG, ESG, HOME and HOPWA funds to provide a variety of services within the City of Tulsa. The sections below address specific projects recommended for funding. A complete list of activities recommended for funding, by source, is included in Appendix A

Actions planned to address obstacles to meeting underserved needs

For PY 2017, the HUD CDC has recommended funding thirty (30) external agencies and two (2) City departments to conduct forty (40) activities. By awarding a variety of agencies and multiple activities, the City is attempting to address obstacles to meeting the underserved needs of the community.

Recommended funding levels will allow the City of Tulsa to serve thirty thousand four hundred and seventy-two (30,472) people with CDBG public services, ESG and HOPWA funds. Broken down by funding source, CDBG public services will account for twenty-seven thousand, seven hundred and three people (27,703), Emergency Solutions will account for two thousand six hundred and sixty-nine (2,669) people, and HOPWA will serve one hundred people.

Two public facility improvements activities will benefit nine thousand seven hundred and sixty (9,760) people and will meet the low to moderate income clientele national objective. The City of Tulsa’s Streets and Stormwater Department will install new sidewalks in low and moderate income areas. The other project will involve the rehabilitation of an Early Childhood Education Center HVAC system.

Through an economic development activity for small business loans, forty-eight (48) jobs will be created of which at least fifty-one percent (51%) will be for low to moderate income persons. The CDBG funds are used to provide loans to businesses normally excluded from the economic mainstream. Additionally through a micro enterprise program, ten (10) businesses will be provided with technical assistance.

The City of Tulsa’s Working in Neighborhoods Department will use CDBG funds to conduct a clearance and demolition activity in low to moderate income census tracts within the city to remove approximately fifty-seven (57) substandard, uninhabitable, dilapidated structures.

Actions planned to foster and maintain affordable housing

Recommended funding will continue to foster and maintain affordable housing. Two (2) organizations will provide owner occupied housing rehabilitation projects for two hundred and four (204) homeowners. HOME and CDBG funds will assist homeowners in making emergency repairs or other necessary repairs to bring homes into code compliance, ensure safe and sanitary living conditions and improve energy efficiency.

HOME funds will be used construct a new forty (40) unit development for low and moderate income seniors resulting in seven (7) HOME units.
Additionally, HOME funds will be used to rehabilitate two (2) apartment complexes resulting in an additional eighteen (18) HOME units.

HOME and CDBG funds will also be used to provide down payment assistance to approximately thirty-two (32) first time home buyers

**Actions planned to reduce lead-based paint hazards**

The City of Tulsa ensures that inspections for lead-based paint (LBP) hazards will occur, as required, for all funded housing activities. Proper notifications will be provided regarding lead-based paint hazards. All housing units constructed prior to 1978 will be tested for LBP by a certified LBP inspector or Risk Assessor. If LBP is detected, all covered renovations will follow HUDs Lead Safe Housing Rules and be performed by certified firms using certified renovators and other trained workers.

**Actions planned to reduce the number of poverty-level families**

The City identified priorities that will encompass services that assist in breaking the cycle of poverty. Twenty-four (24) proposals were received for public service activities. All but four of the proposals received have been recommended for funding and will serve the following needs in an attempt to reduce the number of poverty level-families:

- Education programs for school aged children, including after school programs, summer camps, and transitional living programs for homeless youths
- Mentoring, life skills education and job training for individuals released from prison
- Educational and training classes for adults
- Assistance to victims of abuse
- Transportation assistance
- Housing counselling
- Provisions of food security
- Referrals to assistance for basic needs
- Emergency homeless shelter feeding and lodging
- Legal assistance for the homeless
- Additional security for low income housing residents

**Actions planned to develop institutional structure**

The City of Tulsa’s HUD Community Development Committee brings together residents from low to moderate income areas of the city, and representatives from financial institutions, the Continuum of Care, the City’s Planning Department, the Indian Nations Council of Governments, and City councilors to assess and recommend funding programs to address the City’s priority needs. The members of this committee learn from non-profit organizations, the community, and faith-based organizations as to where there might be gaps that can be filled with needed funding. In addition to HUD funding, The Tulsa Area United Way and other Tulsa
philanthropic organizations provide leverage so that as many of those in need as possible are served.

**Actions planned to enhance coordination between public and private housing and social service agencies**

Tulsa benefits from a strong and cohesive coalition of local government officials, service providers, lenders, and volunteers. These various groups coordinate effectively to avoid duplication of services and facilitate a delivery system which meets the needs of Tulsa’s various populations. The City continues a targeted public outreach effort to educate and engage the public.

HOME Investment Partnership Program (HOME)
Reference 24 CFR 91.220(l)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

The City of Tulsa does not use any form of assistance that is not described in Section 92.205(b).

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

The City of Tulsa homeownership program activity uses the recapture provisions of 24 CFR 92.254(a)(4)(ii). It is believed this process is the closest to normal market approaches to financing, the easiest for borrowers to understand, enables the deed restriction requirements of the alternative option to be avoided (which we believe constitutes a barrier to private financing participation), and better enables HOME funds to be marketed in coordination with other private lending. An ongoing homeownership assistance activity has been the City's goal and is in keeping with the basic HOME program descriptions.

A purchaser of a property may apply for and be provided HOME assistance subject to the property and said buyer meeting HOME program eligibility criteria, a written agreement to comply with program terms and conditions, and the availability of funds. Mortgages include the "principal residence" requirement of the program during the affordability period, failure of which will constitute a default of the second mortgage.

The recapture option is a mechanism to recapture all or a portion of the direct HOME subsidy if the HOME recipient decides to sell the house within the affordability period at whatever price the market will bear. Forgiveness will be tied to the length of time the homebuyer has occupied the home in relation to the period of affordability and the net proceeds of the sale. The affordability period is based on the amount of HOME funds provided for the property and is forgiven as designated in the Grants Administration’s HOME policies and procedures. Calculations for the recapture include the HOME Investment, the Homebuyer Investment, and the Net Proceeds. These are defined as:

1. **HOME Investment** is all HOME funds contributed to the unit and any direct subsidies consisting of any financial assistance that reduces the purchase price from fair market value to an affordable price, or otherwise subsidizes the purchase;
2. **Homebuyer Investment** consists of the portion of initial down payment paid by the homebuyer combined with the value of any capital improvements made with the homebuyer funds; and
3. **Net Proceeds** are the sales price minus closing costs and any non-HOME loan repayments. To allow low-income homebuyers to retain some equity in their property should they need to sell, the City of Tulsa recaptures HOME funds using the following steps:
a) Reduction during affordability period. The HOME investment amount to be recaptured will be reduced on a prorated basis for the time the homeowner has owned and occupied the housing measured against the required affordability period;

b) Owner investment returned first. From the net proceeds of the sale, the homebuyer may recover their entire investment before the HOME investment is recaptured; and

c) Shared Net Proceeds. If the net proceeds are not sufficient to recapture the full HOME investment (or a reduced amount according to the time the homeowner occupied the home), plus enable the homeowner to recover the amount of their down payment and any capital improvement investment made since purchase, the net proceeds will be divided proportionally. The formula used will be HOME Investment multiplied by Net Proceeds divided by HOME Investment plus Homeowner Investment equals HOME Recapture.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

The administration of homebuyer programs includes thoroughly informing each potential homebuyer of all the requirements under the HOME Program. This will ensure they understand what is required through the affordability period and the recapture provisions if they sell the property prior to the expiration of the affordability period. This information is included in the Homebuyer Written Agreement and explained verbally by a housing counselor. In addition, a Second Mortgage is executed at closing and is not released until after the affordability period has expired. Provisions in these documents include the following criteria, which are verified annually until the end of the affordability period:

- Principle Residence
- Current on Mortgage, Taxes, and Insurance
- Upkeep of Property (no code violations from the City of Tulsa)

All organizations that administer the program for the City are required to keep an inventory of all properties that remain under the affordability period. This information is submitted to Grants Administration at the end of each program year.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

The City of Tulsa does not use HOME funds to refinance existing debt.
Emergency Solutions Grant (ESG)  
Reference 91.220(l)(4)

1. Include written standards for providing ESG assistance (may include as attachment)

   The written standards for providing ESG assistance are included as Appendix D.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

   The common assessment and referral system developed by the Continuum of Care known as A Way Home for Tulsa ("CoC" or "Continuum" or "AWH4T") in conjunction with local ESG-funded programs' input, was created to assess the needs of homeless individuals and families or those at-risk of homelessness and match those needs to the most appropriate housing or service alternatives. All CoC- and ESG-funded programs are required to utilize the CoC common assessment system. If attempts at diversion or prevention do not solve a person's or family's housing problem when initially presenting to the homeless service provider and the participant has been homeless no more than one hundred eighty-one (181) cumulative days (or stays) the intake staff at the "no wrong door" point of entry can then proceed with an interview of the participant to ascertain the best immediate housing options within the Continuum. The Vulnerability Index & Service Prioritization Decision Assistance Tool ("VI-SPDAT") will be utilized as part of the initial screening process to gather enough information concerning the stability and acuity of the presenting individual. The interviewer will ask the participant a series of questions from the VI-SPDAT that are designed to identify the conditions affecting the individual's ability to secure or maintain housing. Information regarding such domains as housing history/status, physical health, mental health, substance abuse and other general risk factors will be gathered to assemble the risk profile necessary to assess the participant's vulnerability and level of need. All information from the participant will be self-reported, although surveyors conducting the interviews can also register their own impressions of the presenting participant's condition on the VI-SPDAT. Should the participant refuse to answer the questions posed in the VI-SPDAT, the interviewer will note that fact in HMIS. The intake staff will then have the discretion to do either one of the following:
   • Complete the surveyor observation questions contained within the VI-SPDAT without participant input
   • Refer the participant to another homeless service provider
   • Elect to initiate an intervention.

   Should the presenting participant(s) be fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking or human trafficking, the non-victim service providers in the Continuum will refer the victim to an appropriate shelter program that specifically targets such groups. Until the protection of one of these organizations can be assured, special care will be taken to ensure that the victim is afforded a secure
environment within the intake provider's organization and that the security of the participant's identity and privacy are given special consideration. This could include reserving a private area within the accepting agency's location or the creation of a special track within the assessment framework that is specifically designed for domestic violence victims.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

The HUD grant selections are made through a joint process adopted by the Tulsa City Council and Mayor in which applications are accepted from non-profit agencies serving within the corporate limits of the City of Tulsa. Through public meetings the HUD Community Development Committee determines the needs of the community, sets the funding priorities, and reviews the community development plan. Applications are created based on the priority needs and grant guidelines. After evaluators score the applications, a facilitator presents the scores to the HUD Community Development Committee (CDC) for review. The HUD CDC submits funding recommendations to the Mayor and City Council for approval. A member of the Continuum of Care is appointed by the Mayor to serve on the HUD Community Development Committee for the award of ESG funds as well as the other HUD funds.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

As part of the written agreement, subrecipients are required to provide for the participation of a homeless individual or formerly homeless individual in a policy-making function within the organization. This may include involvement of a homeless or formerly homeless person on the Board of Directors or similar entity that considers and sets policy or makes decisions for the organization. In addition, a Participant Advisory Committee actively participates in the monthly CoC meetings.

5. Describe performance standards for evaluating ESG.

The City of Tulsa contractually holds subrecipients responsible for meeting benchmarks established for each grant activity. The City works closely with the subrecipient and Continuum of Care to further develop performance standards and evaluate the outcomes. The City of Tulsa presents the outcomes to the CoC on a quarterly basis.

The following performance standards will be used to ensure the success and effectiveness of the ESG program.

1. Shorten time spent homeless - Shifting the focus of the ESG program from shelter operations to rapid rehousing, especially for families, is the primary goal. The
recommended benchmark to evaluate this standard is: 70% of families assisted will be re-housed within 45 days or less and 30% within 60 days.

2. Reduce returns to homelessness - A demonstration of effectively reducing housing barriers is whether people assisted later return to the system as homeless. The recommended benchmark to evaluate this standard is: 70% of families will remain housed for at least 6 months.

The current evaluation system in place requires organizations to report program participant demographics into HMIS, with the exception of victim service providers.

EXHIBIT A

City of Tulsa 2017 Program Year Annual Action Plan – Contingency Provisions

To account for potential cuts to HUD FY17 block grants, the City of Tulsa is recommending the following contingency provisions as directed by HUD CP Notice 16-18;

Community Development Block Grant (CDBG)

If cuts are made to CDBG allocations, the City will make the provision in the order listed below until all funds have been allocated;

- Reduce Administration costs to the maximum allowable 20% of grant allocations
- Fund City of Tulsa Working in Neighborhoods programs to recommended level
- Fund the TEDC administrative costs to recommended level
- Fund HPT Down Payment Assistance administrative costs to recommended level
- Fund public service projects to the recommended level starting with the highest scoring application.
- Fund remaining Physical and Economic Development projects to the recommended level starting with the highest scoring application.

HOME investment Partnership Program

If cuts are made to HOME allocations, the City will make the provision in the order listed below until all funds have been allocated;

- Reduce Administration costs to the maximum allowable 10% of grant allocations
- Allocate required 15% CHDO set aside to Vintage housing – Whittier Heights project
- Fund City of Tulsa Working in Neighborhoods Home Loan program to recommended level
- Fund HPT down payment assistance program to recommended level
- Fund remaining projects to the recommended level starting with the highest scoring application.

Housing Opportunities for People with HIV/AIDS (HOPWA) & Emergency Solutions Grant (ESG)

In the event that cuts are made to the HOPWA and ESG programs, all proposed activities and administrative costs will be proportionally decreased from the estimated funding levels to match actual allocation amounts.

In the event, grants receive increases in funding all proposed activities and administrative costs will be proportionally increased from the estimated funding levels to match actual allocation amounts.

Written Standards for Provision of Emergency Solutions Grant Assistance

In accordance with the Emergency Solutions Grant (ESG) program authorized by subtitle B of title IV of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11371-11378) the City of Tulsa implements the following written standards for the provision of ESG assistance. These standards must be consistently applied by ESG subrecipients to all participants served in ESG funded programs, as applicable.

Coordinated (or common) Assessment and Referral System

The coordinated (or common) assessment and referral system developed by the Tulsa County/Broken Arrow Continuum of Care (CoC or Continuum) known as A Way Home for Tulsa (AWH4T), was created with input from the City of Tulsa Grants Administration Division to assess the needs of individuals and families experiencing homelessness or those at risk of homelessness in an effort to connect them to the most appropriate housing and/or service alternatives. All CoC- and ESG-funded programs that serve individuals or families experiencing homelessness are required to utilize the CoC coordinated assessment and referral system.

If attempts at diversion or prevention do not solve a person's or family's housing problem when initially presenting to the service provider and the participant has been homeless no more than one hundred eighty-one (181) cumulative days (or stays) the intake staff at the "no wrong door" point of entry can then proceed with an interview of the participant to ascertain the best immediate housing options within the Continuum. The Vulnerability Index & Service Prioritization Decision Assistance Tool (VI-SPDAT) will be utilized for single adults as part of the initial screening process to gather enough information concerning the stability and acuity of the presenting individual (see Attachment A). The interviewer will ask the participant a series of questions from the VI-SPDAT that are designed to identify the conditions affecting the individual’s ability to secure or maintain housing. Information regarding such domains as housing history/status, physical health, mental health, substance abuse and other general risk factors will be gathered to assemble the risk profile necessary to assess the participant's vulnerability and level of need. Information gathered from the participant(s) will be self-reported, although surveyors conducting interviews can also register their own impressions of the presenting participant’s condition on the VI-SPDAT. Should the participant refuse to answer a question, the interviewer will note that fact in the Homeless Management Information System (HMIS) notes field.
The intake staff will then have the discretion to do either one of the following:

- Complete the surveyor observation questions contained within the VI-SPDAT without participant input.
- Refer the participant to an alternate homeless service provider.
- Elect to initiate an intervention.

Should the presenting participant(s) be fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking or human trafficking to a non-victim service provider the participant(s) will be referred to an appropriate shelter program that specifically targets such populations. Special care will be taken to ensure that the participant(s) is afforded a secure environment within the intake provider’s organization and that the security of the participant’s identity and privacy are given special consideration. This could include reserving a private area within the accepting organization’s location or the creation of a special track within the assessment framework that is specifically designed for victims.

**Evaluating Individuals or Families Eligible for Assistance**

Eligibility to receive assistance under all ESG-funded programs will be based on the guidelines outlined by the Department of Housing and Urban Development (HUD), initially by determining if the individual or family qualifies as “homeless” as defined in the HEARTH Act of 2009, SEC. 103, or as “at-risk of homelessness”, as applicable for the services being provided. Evaluation and eligibility policies and procedures are developed in accordance with the Continuum’s common assessment requirements set forth under SEC 578.7(a)(8) of HUD’s Interim Rule and 576.400(d).

Individuals or families receiving homelessness prevention assistance are required to be re-evaluated for eligibility and type and amount of assistance at least every 3 months and annually for those receiving rapid re-housing assistance. The re-evaluation should establish, at minimum: (1) the participant’s annual income does not exceed 30% AMI; and (2) the participant lacks sufficient resources and support networks necessary to retain housing without ESG assistance.

The standard for calculating annual income under 24 CFR 5.609 must be used when determining the annual income of an individual or family. During evaluation participants will be assisted in obtaining the appropriate supportive services and other Federal, State, local, and private assistance available in obtaining housing stability.

When determining eligibility for short- and medium-term rental assistance no program participant who is receiving tenant-based rental assistance, or living in a housing unit receiving project-based rental assistance or operating assistance, through other public sources is eligible, except for a one-time payment of rental arrears on the tenant’s portion of the rent.

**Local Coordination of Shelters and Service Providers**

The CoC network of providers serving individuals and families experiencing homelessness and those “at-risk” of homelessness will provide coordinated services that minimize any duplication of services in order to serve the most participants as possible.

Tulsa’s Homeless Services Network and Continuum members meet regularly to discuss issues such as evolving trends, challenges, and funding fluctuations in an effort to facilitate coordination between local service providers and shelters. A program called “Fresh Start”, created to assist coordination between local shelters, public officials, faith-based organizations and other entities that interact with individuals
and families experiencing homelessness, also meet regularly to discuss specific cases and share
information necessary to aid the homeless and those at-risk of homelessness. In addition, the Continuum
and the City of Tulsa will, to the maximum extent practicable, coordinate and integrate information with
outside organizations that provide similar services or mainstream support within the community.

**Determining & Prioritizing Eligibility Based on Local Characteristics**

ESG grant recipients and/or CoC members will carefully assess how their own program resources can
best be used to prevent and end homelessness. Information gained from HUD’s Homeless Management
Information System (HMIS) data, staffs’ observations, available funding streams, and a community-wide
assessment of the need for and availability of interventions to serve individuals and families experiencing
homelessness will be used to inform these assessment efforts. Assistance may be provided for those
program participants who meet the Rapid Rehousing (RRH) eligibility criteria under the HEARTH
definition of homeless. Homeless support services are offered to all other program participants that are at-
risk of homelessness.

Rapid re-housing assistance will serve only program participants who meet the criteria under paragraph
(1) of the “homeless” definition. Homelessness prevention will serve only program participants that meet
the criteria under the “at-risk of homelessness” definition, or the homeless definition paragraphs (2), (3),
or (4).

Rapid re-housing and homelessness prevention assistance will be provided in accordance with the
housing relocation and stabilization services requirements in 24 CFR576.105, or the short- and medium-
term rental assistance requirements in 24 CFR 576.106. No financial assistance may be provided to a
household for a purpose and time period supported by another public source.

Homeless individuals and families that are identified as belonging to special populations, such as
domestic violence victims, youth or veterans, etc., will be provided additional assistance at local
emergency shelters with programs specifically created to serve them. Those shelters that serve these
populations will prioritize the delivery of services based on the particular needs of the specific population
being served, as outlined in those organizations’ policies.

ESG grant recipients and CoC network members will work together to establish standard criteria for
prioritization based on the local characteristics in the Tulsa area. The ESG recipient and CoC supports the
Housing First philosophy for its RRH programs, as identified in Opening Doors: the Federal Strategic
Plan to End Homelessness, in that, it considers it a priority to connect people to housing with the
resources necessary to sustain housing and to facilitate the Tulsa community's accomplishment of its goal
to ending homelessness, reducing emergency shelter stays, limiting recidivism and documenting
outcomes.

A review of the participant's needs may result in one of the following possible outcomes:

- Shelter stay - a short-term stay (usually overnight) with minimal support services or financial
  assistance
- Transitional housing- Housing, the purpose of which is to facilitate the movement of individuals
  and families experiencing homelessness to permanent housing within twenty-four (24) months.
  To be qualified for Transitional Housing, program participants must have signed a lease or
  occupancy agreement with the HUD-funded organization that is for a term of at least one month
  and that ends in twenty-four (24) months. The lease or agreement cannot be extended without
  HUD approval.
• Rapid Rehousing - CoC funds may be used to provide supportive services and short-term and/or medium-term tenant-based rental assistance to help an individual or family, with or without disabilities, experiencing homelessness move as quickly as possible into permanent housing and achieve stability in housing. RRH project participants must meet with a case manager not less than once per month, as set forth in the Interim Rule's 24 CFR 578.37(a)(1)(ii)(F), except where prohibited by the Violence Against Women Act ("VAWA") and the Family Violence Prevention and Services Act ("FVPSA"). A full range of supportive services can be provided for up to six (6) months after the rental assistance stops. Although program participants may receive short-term or medium-term rental assistance under the HUD CoC programs that match the time frames set forth in the ESG programs, the supportive services available to program participants receiving RRH assistance under the CoC program are not limited to housing relocation and stabilization services as they are in the ESG program.

• Permanent supportive housing - While the term "permanent housing" means community-based housing without a designated length of stay and includes both permanent supportive housing (PSH) and rapid re-housing, PSH is housing in which supportive services are provided to assist homeless persons with a disability to live independently. And, just as for permanent housing, the PSH program participant must be the tenant on a lease or sub-lease for a term of at least one year (renewable in at least monthly increments) and the lease may only be terminable for cause. The chronically homeless within these populations will always be given priority.

**Determination of Participant’s Share of Costs**

The City will work closely with the ESG grant recipient to determine what portion of rent and utility costs, if any, the program participant will be required to pay. Fee structures are based on challenges associated with homelessness in Tulsa, availability of resources within the community, and the existing housing and economic conditions. Rental assistance programs may use a fixed amount of assistance per person to enable the funds to serve the maximum number of individuals/families.

**Determination of Participant’s Length of Time for Rental Assistance**

Subject to program funding availability, participants eligible for homelessness prevention and rapid re-housing rental assistance may receive assistance for a maximum of 24 months of assistance in a three year period.

Short-term assistance may be used for up to 3 months rent and medium-term assistance is may be used for more than 3 months rent, but no more than 24 months rent. Rental arrears may be paid for up to 6 months rent, including any late fees on those arrears. Guidelines to determine changes in assistance amounts over time will be establish in conjunction with the subrecipient(s) administering the program. Project-based participants must have a lease that is for a period of 1-year, regardless of the length of rental assistance.

**Determination of Housing Stabilization and/or Relocation Type, Amount and Duration**

Subject to program funding availability, participants eligible for homeless support services and RRH rental assistance may receive assistance for a maximum of twenty-four (24) months in a three (3) year period. Short-term assistance may be used for up to three (3) months' rent and medium-term assistance may be used for no more than twenty-four (24) months' rent. Accrued rental arrearages for ESG-funded programs may be paid for up to six (6) months' worth of rent, including any late fees on those arrearages. Guidelines to determine changes in assistance amounts that may become necessary over time will be
established in conjunction with the homeless service providers administering the program. Tenant- and project-based rental assistance are allowed for ESG programs while only tenant-based programs are allowed under CoC programs. Tenant-based participants must have a lease that is for a period of at least one year, regardless of the length of rental assistance, which is renewable for a minimum term of one month and is terminable only for cause.

Eligible RRH financial assistance may include the following:

- Rent or utility obligations in arrears up to six (6) months for ESG funded programs only per ESG Interim Rule (24 CFR §576.106 (a)(3))
- Application fees
- Security deposits in an amount not to exceed two (2) months' of rent
- Utility deposits and monthly utility payments. For ESG-funded programs only, utility arrearages may be paid.
- Rent for up to twenty-four (24) months provided the participant is not receiving any other federal, state or local rent subsidies. ESG-funded programs may also pay delinquent rent or fees.
- Moving costs, including temporary storage of up to 3 months after assistance begins.
- Other supportive services allowed under ESG-funded per 24 CFR 576.104-105.

The amount of assistance will be determined between the City and the grant recipient upon determination of funding awards. Stricter guidelines may be placed on the duration of assistance if the funds are allocated in small amounts to multiple projects.

Citizens Participation Plan
Citizen Participation Plan
For the
City of Tulsa, Oklahoma
Revised February 2013

This plan provides an outline of the citizen participation process and includes input from citizens and interested parties received through the public comment and hearing process. This plan supersedes any other existing Citizen Participation Plans for the City of Tulsa and will be implemented upon adoption to comply with the Consolidated Plan citizen participation requirements. This plan will be reviewed each fiscal year for regulatory and statutory compliance.

The City Council is the governing body of the City of Tulsa in matters related to the Consolidated Plan and associated housing and community development programs for the City of Tulsa, including Guaranteed Loan Funds. This body is composed of nine elected members representing nine council districts and makes final determinations regarding funding allocations.

The Mayor is the Chief Executive and Administrative Officer of the City of Tulsa and in matters related to the City’s Consolidated Plan is authorized by the City Council to execute and submit all documents necessary for the City’s Consolidated Plan and or any application for Guaranteed Loan Funds.

Objectives:

The goal of the City’s Citizen Participation Plan is to encourage active citizen’s involvement in the Consolidated Plan and Annual Action Plan development and implementation. Inclusive of a wide range of providers, citizens, advocacy groups, public and private agencies and community leaders. The Finance Department Division of Grants Administration administers several federal grant and loan programs from the U. S. Department of Housing and Urban Development (HUD) which funds housing, emergency shelter, economic development, infrastructure improvement, neighborhood revitalization and public service activities, among others. Each grant or loan program is required to invite public comment prior to the expenditure of funds to determine needs, establish funding priorities, and at the end of the program year, assess program performance. Some of the programs administered include the HOME Investment Partnerships (HOME) Program, Section 108 Guaranteed Loan Funds (Guaranteed Loan Funds), Emergency Solutions Grant (ESG), Community Development Block Grant Program (CDBG), and Housing Opportunities for People with Aids (HOPWA).

The intent of the Citizen Participation Plan is to provide clear guidelines citizens may follow in order to play a role in the community development planning process. In so doing, the City addresses the spirit of citizen participation requirements as defined in the Consolidated Plan and related regulations. In addition, this Citizen Participation Plan will provide a means of fulfilling the City of Tulsa’s commitment to further citizen involvement, with neighborhoods as the focal point of their involvement.
I. Encouragement of Citizen Participation

The City provides for and encourages citizen participation in the development and substantial amendments of the Consolidated Plan, Annual Action Plan, Guaranteed Loan Funds Application, and the Consolidated Annual Performance Report (CAPER). Low and moderate-income persons who reside in areas where the Consolidated Plan program or Guaranteed Loan Funds are proposed to be used are encouraged to participate. This also includes residents of public and assisted housing, non-English speaking persons, and persons with disabilities. This will be accomplished by the following procedures.

1. Adequate notice (10 days) will be given to notify the public that draft versions of the Consolidated Plan, Annual Action Plan, Guaranteed Loan Funds Application, any substantial amendments, CAPER, and changes to the Citizen Participation Plan are available for comment. Notices are provided through:
   - Press releases and legal notices in a local newspaper of general circulation and at least one minority-owned newspaper
   - Posting at City Hall
   - Posting on the City of Tulsa Website
   - E-mailing notices to individuals and agencies on the Grants Administration distribution list and appropriate City Departments for further distribution.

2. Public hearings will be held to solicit input and comments from citizens on the following proposed documents:
   - Consolidated Plan
   - Annual Action Plans
   - Guaranteed Loan Funds Application
   - Substantial amendments to the Consolidated Plan, Annual Plan, or Guaranteed Loan Funds Application
   - CAPER

Public hearings will be posted and advertised with adequate advance notice to citizens and contain enough information so the public will understand the event being announced. Hearings will be held at locations convenient for most low-income people. Public hearings will be conducted after normal business hours to solicit input from citizens.

3. The City will publish the proposed Consolidated Plan, Annual Action Plan, Guaranteed Loan Funds Application, substantial amendments, CAPER, and Citizen Participation Plan in draft form for comments. A reasonable number of free copies will be provided to citizens and groups upon request. Draft documents will be available for review as follows:
   - City Clerk office
   - INCOG
   - City/County Library Branches
   - City of Tulsa website
4. Time frames for the public to provide comments in writing will be as follows:

<table>
<thead>
<tr>
<th>Proposed Documents</th>
<th>Comment Period</th>
</tr>
</thead>
<tbody>
<tr>
<td>a. Consolidated Plan/Annual Action Plan and any substantial amendments to the plans</td>
<td>30 days</td>
</tr>
<tr>
<td>b. Guaranteed Loan Fund Applications</td>
<td>10 Days</td>
</tr>
<tr>
<td>c. CAPER and the Citizen Participation Plan</td>
<td>15 days</td>
</tr>
</tbody>
</table>

All comments or views of citizens received in writing or orally at the public hearings will be considered when preparing the final Consolidated Plan, Annual Action Plan, Guaranteed Loan Funds Application, including substantial amendments, and CAPER. A summary of these comments and a summary of any comments or views not accepted and the reasons therefore, shall be included in the final document.

**II. Information To Be Provided in the Draft Consolidated Plan, Annual Plan and Guaranteed Loan Fund applications**

Prior to the adoption of the Consolidated Plan, the City will make available to citizens, public agencies, and other interested parties appropriate information that includes at a minimum:

1. The amount and type of assistance the City expects to receive from Community Development Block Grant, HOME, Emergency Solutions Grant, HOPWA, and Guaranteed Loan Funds, including any program income anticipated to be generated from program activities;

2. The range of activities that may be undertaken with the proposed funds, including the estimated amount that will benefit persons of low- and moderate-income and the use of Community Development Block Grant funds in conjunction with Guaranteed Loan Funds;

3. Plans to minimize displacement of persons and to assist any persons displaced, specifying the types and levels of assistance the City will make available. Such information will be made available upon request and will be included in the Consolidated Plan or any Guaranteed Loan Funds Application as a Certification; and

4. Plans to apply for, or continue utilizing, Guaranteed Loan Funds Application and a description of Community Development Block Grant funds used in conjunction with said Guaranteed Loan Funds.
III. Criteria For Amendments To Consolidated Plan, Annual Action Plan or Guaranteed Loan Funds Application

The City will amend its approved plan when one of the following decisions occurs:

1. To make a change in its allocation priorities or a change in the method of distribution of funds;
2. To carry out an activity, using funds from any program covered by the consolidated plan, not previously described in the action plan; or
3. To change the purpose, scope, location or beneficiaries of an activity.

A substantial amendment, including public participation, will be required when the CDBG dollar amount involved exceeds twenty-five percent (25%) of the current annual allocation AND the proposed change moves funds between Priority Needs Categories identified in the Consolidated Plan.

IV. Performance Reports

Citizens will be provided with reasonable notice and opportunity to comment on the Consolidated Annual Performance and Evaluation Report (CAPER) as established in section I above.

The City will consider any comments or views of citizens received in writing, or orally at public hearings, in preparing the CAPER. A summary of these comments or views shall be included in the final document.

V. Public Hearings

The City will conduct the following public hearings:

- Three (3) public hearings per year, at different stages of the program year, to obtain citizens’ views on the Consolidated Plan or Annual Action Plan
  - The first public hearing will be held prior to the development of the Consolidated Plan/Annual Action Plan in order to obtain views of citizens, public agencies, and other interested parties regarding housing and community development needs, including priority non-housing community development needs.
  - A second public hearing will be held after a draft document has been completed for the purpose of public comment prior to submitting the final Consolidated Plan/Annual Action Plan to HUD. At this hearing citizens will have an opportunity to review the proposed use of program funds.
  - A third public hearing will be held after the draft CAPER has been
completed for the purpose of assessing program performance.

- Additional public hearings will be held for the following:
  - Guaranteed Loan Funds applications; and
  - Substantial Amendments to the Consolidated Plan or Annual Action Plan.

**VI. Meetings**

Meetings, other than those requiring Citizen Participation as noted in Section I, shall be posted in accordance with the Oklahoma Open Meetings Act.

**VII. Availability to the Public**

The requirement for publishing will be considered met by publication of a summary of the documents and making copies available of the proposed Consolidated Plan, Annual Action Plan, Guaranteed Loan Funds Application, including substantial amendments, and CAPER in draft form.

The summary will describe the contents and purpose of the Consolidated Plan, Annual Action Plan, Guaranteed Loan Funds Application, including substantial amendments, and CAPER. It will also include a list of the locations where copies of the entire document may be examined. Materials in a form accessible to persons with disabilities will be made available upon request.

**VIII. Access to Records**

The City of Tulsa will ensure that citizens, public agencies, and other interested parties will be given reasonable and timely access to information and records relating to the Consolidated Plan, Annual Action Plan, Guaranteed Loan Funds Application, including substantial amendments, and CAPER for the preceding five years.

All requests to inspect or copy public records must follow procedures set forth in Executive Order 95-04-Open Records Policy of the City of Tulsa found at [https://www.cityoftulsa.org/media/112075/openrecordsactpolicy.pdf](https://www.cityoftulsa.org/media/112075/openrecordsactpolicy.pdf)

ORDINANCE NO. 23598

AN ORDINANCE AMENDING TITLE 12, TULSA REVISED ORDINANCES, ENTITLED "U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT GRANTS," AMENDING SECTION 804, SUBSECTION 6.C. TO CLARIFY AND CORRECT PROPOSAL REQUIREMENTS RELATING TO FLOOD PLAINS FOR PROPOSED REHABILITATION AND NEW CONSTRUCTION PROJECTS; AMENDING SECTION 807, SUBSECTION A BY EXPANDING THE 1% OF PROGRAM YEAR'S ANNUAL AWARD IN THE GRANT CATEGORY TO 1% OF HUD GRANT FUNDING FOR THE APPLICABLE PROGRAM YEAR AND LIMITING THE APPLICABILITY OF THIS PROVISION; AMENDING SECTION 807, SUBSECTION B AND SUBSECTION C BY EXPANDING THE 10% OF PROGRAM YEAR'S ANNUAL AWARD IN THE GRANT CATEGORY TO 10% OF HUD GRANT FUNDING FOR THE APPLICABLE PROGRAM YEAR; AND FURTHER AMENDING SECTION 807 BY ADDING SUBSECTION D, A NEW CATEGORY FOR OFF CYCLE AWARDS AND ALLOCATIONS; PROVIDING FOR SEVERABILITY; PROVIDING FOR REPEAL OF CONFLICTING ORDINANCES; AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE CITY OF TULSA:

Section 1. That Title 12, Chapter 8, Section 804, be and the same is hereby amended to read as follows:

"Section 804. Grant processes.

A. City of Tulsa Departments. If the Development Committee identifies needs that are to be managed by City departments, these projects will not be subject to the proposal review. However, City departments should submit project information including budget information, program description and project goals and measurable outcomes. HUD funds may not be used to replace local general government funds on City projects or services, unless, the City department can document that the services to be provided represent an increase in services beyond the services provided with government funds in the previous year. If a non-profit agency located in the City of Tulsa can provide or perform services which could be performed by a City department, the City's RFP process must be followed to allow non-profit agencies to be considered for the services needed.

B. Applicant Workshops. Grants Administration staff shall conduct at least three (3) workshops for potential applicants seeking federal grant funds. One (1) workshop shall be conducted for those applicants who have not participated in prior HUD funding processes or have not
received funding in the past two (2) years. All workshops will be free and open to the public. All potential applicants are required to attend at least one (1) workshop or their proposal will not be considered.

C. Proposal Deadline.

1. All proposals shall be submitted no later than 5:00 p.m. on the date and location set forth in the applicable Request for Proposal (RFP). The proposal deadline will be no less than forty-five (45) days after the final applicant workshop.

2. An applicant will be allowed one opportunity within a five-year period to submit a proposal within one (1) business day after a proposal deadline. Such late applicants will also have an additional three (3) business days to submit missing documentation, as provided in Section 804(D)(5). An application accepted pursuant to this provision will be identified as late in Development Committee recommendations, and will receive a reduction of one percent (1%) from the applicant’s overall average score.

D. Proposal Review: Grants Administration shall:

1. Procure a professional facilitator to manage and maintain the integrity of the evaluation process.

2. Select a minimum of five (5) reviewers for each application expected to be received. Every application shall be reviewed by no more than one (1) employee from Grants Administration.

3. A list of the reviewers selected to review the RFP must be provided to the Development Committee for review prior to commencement of proposal reviews.

4. Provide training for the reviewers on the application and criteria to be used to score the proposals prior to commencement of the proposal reviews.

5. Pre-screen the applications for missing documentation. Applicants will have three (3) business days to submit the missing documentation. Applicants who do not submit the minimum required documentation as specified in the RFP will not be considered for funding.

6. Pre-screen proposed rehabilitation and new construction projects, excluding homeowner minor repairs, emergency repairs, and rehabilitation loans, for the following required information and documentation:

   a. Demonstrated financial capacity of the applying agency;

   b. Documentation of funding sources committed toward the total cost of the project, excluding HUD grant request;
c. Documentation of site control, proper zoning, and a map showing whether the proposed project is located in a flood plain;

d. Architectural/engineering design for the entire project;

e. Cost estimate provided by a licensed Professional Engineer (PE) licensed in the State of Oklahoma and authorized to sign and seal plans, drawings, and costs that will be submitted to a public authority for approval;

f. Timeline and certification that the project will commence within six (6) months from the date of the grant award and that all HUD grant funds will be spent within two (2) years; and

g. Proof that the project will meet a HUD national objective within two (2) years from completion.

Applicants who do not submit the required documentation will not be considered for funding.

7. Transmit final scores from the reviewers to the Development Committee. The Development Committee will be responsible for making the funding recommendation to the City Council.

E. Public Hearings. The Development Committee shall hold public hearings in accordance with the City's Citizen Participation Plan and as required by HUD regulations. The public hearings will be scheduled to meet statutory deadlines for the submission of the Consolidated or Annual Action Plan and the Consolidated Annual Performance and Evaluation Report (CAPER). A minimum of three (3) public hearings will be held annually to receive public comments regarding:

1. The needs of the community.

2. The Consolidated or Annual Action Plan and funding allocations; and

3. The CAPER.

Additional public hearings shall be held as required, including but not limited to:

1. Section 108 loan applications; and

2. Substantial amendments to the Consolidated Plan.

F. Policies for Allocation of HUD Grant Funding.

1. On or before February 1 or each calendar year, Grants Administration shall publish a calendar showing the dates of all activities related to the development of the
Consolidated Plan, Annual Action Plan, CAPER, and other related documents and activities.

2. The annual calendar and the following documents shall be posted on the City of Tulsa website (Community Programs - Grants):

   a. The current Citizen Participation Plan; and

   b. The City of Tulsa Policies and Procedures Manual related to the administration of HUD Grant Funds.

3. Each year, subsequent to the final Needs Assessment Public Hearing, the Development Committee shall draft a Priority Needs Statement for the allocation of HUD Grant Funds in accordance with HUD statutes and regulations and shall submit it to the Mayor for review and recommendation, who shall forward it to the City Council for approval.

4. Upon approval, the Priority Needs Statement shall be incorporated into the Request for Proposals.

5. Within fifteen (15) days of receipt of the final scores from the reviewers, the Development Committee shall make funding recommendations based upon the tabulated scores and in accordance with the priorities of the Consolidated Plan and the Annual Action Plan. The Development Committee must submit funding recommendations to the Mayor for review and recommendation.

6. In the event there is a tie vote of the Development Committee, the final scores of the reviewers shall be submitted to the Mayor for review and recommendation.

7. Within ten (10) business days of being placed on the Mayor's agenda, the Mayor (i) may review the recommendations and submit them to the City Council, or (ii) may recommend changes and submit them to the City Council. Recommended changes to funding recommendations submitted by the Mayor must meet at least one (1) of the annual priorities set by the Development Committee for the program year being approved and provide a written justification for the change.

8. After receipt of the recommendations from the Development Committee and the Mayor, the City Council (i) may approve the recommendations or (ii) change and approve the recommendations, and submit them to the Mayor for signature no later than the second Thursday in April. Changes to the recommended allocations of the Development Committee or the Mayor must meet at least one (1) of the annual priorities set by the Development Committee for the program year being approved and provide a written justification for the change.

9. This process shall meet the date and time requirements set forth in the Annual Calendar.
G. Final Resolution on Consolidated Plan and Use of Funds. The City Council will take action in accordance with the Annual Calendar to approve the Consolidated and Annual Action Plans and projected use of funds. The Council shall forward the final resolution to the Mayor on the first business day following the Council action for approval and signature.

H. Submission to HUD. The Mayor shall be responsible for submitting completed federal grant applications and required annual reports to the appropriate federal offices in a timely manner.”

Section 2. That Title 12, Chapter 8, Section 807, be and the same is hereby amended to read as follows:

“Section 807. Off cycle awards and allocations.

Recommendations for allocations and awards outside of the regular annual funding cycle shall be made as follows:

A. If available funding can be carried over to the next HUD Program Year, off-cycle awards will generally not be considered in amounts less than one percent (1%) of the current Program Year’s HUD Grant Funding.

B. If the available funds comprise less than ten percent (10%) of the Program Year’s HUD Grant Funding, the Community Development Committee may initiate off-cycle award(s) by making a recommendation to the Mayor, prioritizing currently funded agencies that have expended at least 90% of their project allocation or current program year applicants whose applications were unfunded, where additional funding would address priority needs identified in the Consolidated Plan and Annual Action Plan. The Development Committee’s recommendation will include a list of all departments and agencies requesting or considered for funding and written justification for the recommendation. Within ten (10) business days of the recommendation being placed on the Mayor’s agenda, the Mayor will make a recommendation to the City Council, and within fifteen (15) business days of the Mayor’s recommendation, the City Council will consider a resolution to allocate the identified funds.

C. If the available funds comprise ten percent (10%) or more of the Program Year’s HUD Grant Funding, Grants Administration may initiate off-cycle award(s) by notifying the Development Committee and potential applicants of available funds, and proceeding in accordance with the proposals procedure established in Section 804 B through D.

D. If Grants Administration determines that the process set forth in Section 807B, or C. above for off-cycle awards cannot meet HUD’s fund commitment deadline or will exceed HUD’s timeliness standards and if these funds cannot be carried forward to the next grant year, rather than having the funds recaptured by HUD, the Development Committee may initiate an off-cycle award by making a recommendation to the Mayor to disperse the unused grant funds to one or more of the funded grant recipients in the grant category for which funding is available. The Development Committee’s recommendation will include a list of all funded grant recipients within the grant category and written justification for the recommendation. Within ten (10) business days of the recommendation being placed on the
Mayor's agenda, the Mayor will make a recommendation to the City Council, and within fifteen (15) business days of the Mayor's recommendation, the City Council will consider a resolution to allocate the identified funds."

Section 3. SEVERABILITY CLAUSE. If any section, sentence, clause or phrase of this ordinance or any part thereof is for any reason found to be invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remainder of this ordinance or any part thereof.

Section 4. REPEAL OF CONFLICTING ORDINANCES. That all ordinances or parts of ordinances in conflict herewith be and the same are now expressly repealed.

Section 5. EMERGENCY CLAUSE. That the amendments hereby enacted are essential to the proper, orderly and ethical conduct of the business of the City of Tulsa by its City Officials; therefore, an emergency is hereby declared to exist for the preservation of the public peace, health, and safety, by reason whereof this ordinance shall take effect immediately upon its passage, approval and publication.

Council Committee Room # 411
City Hall, 175 E. 2nd St., Tulsa, OK 74103

Members Present:
Calvin Moniz (Vice-Chair), Carmen Pettie, Kristi Ostler, Robert Winchester, Bryan Day, Julie Miner, Michael Mills, Dennis Whitaker

Members Absent:
Councilor Hall-Harper, Councilor Cue, Councilor Patrick, Councilor Ewing, Councilor Gilbert, Councilor Dodson, Councilor American, Councilor Lakin, Councilor Kimbro

Others Present:
Nancy Robbins, Gary Hamer, Sandra Baca

1. Call to Order
   Vice-Chair Moniz called the meeting to order at 4:02 p.m.

2. Chairman’s Introductions and Remarks
   Each member present gave a brief introduction.

3. Approval of Minutes – September 7, 2016, Public Hearing
   Carmen Pettie moved to approve the minutes as presented; Michael Mills seconded the motion. The motion carried unanimously.

4. Vote to Elect Officers
   Nominations for officers were made during the September 7, 2016, meeting. Calvin Moniz was nominated for Chair; Robert Winchester and Julie Miner were nominated for Vice-Chair. Ms. Miner withdrew her name from consideration. Carmen Pettie moved to elect Calvin Moniz for Chair and Robert Winchester for Vice-Chair; Bryan Day seconded the motion. The motion carried unanimously.

5. Review of PY15 Accomplishments – Grants Staff
   Gary Hamer presented the City of Tulsa HUD Accomplishments Report which is used as a summary of HUD Programs and activity for the past year.

   Nancy Robbins presented the list of 2017 RFP Applications by category, including CDBG, ESG and HOME. She added that Gary Hamer would be meeting with the City Council to discuss the City projects and set aside amounts for these projects. She added that having those amounts would be helpful in estimating funding available for the other projects. In addition, she stated that funds will be very tight this year because there are no
longer any rollover funds available to new HUD rules requiring that funds be spent within the same program year. She added that the HUD Committee will have some very tough decisions to make in February because the amounts requested by agencies are much greater than the funding that will be available.

7. Review List of RFP Evaluators – Grants Staff
   The Committee was provided with the list of the HUD RFP Evaluators. The list included 45 volunteers from the community.

8. Status of ESG Reallocation – Grants Staff
   Gary Hamer provided an update on the reallocation of ESG funds approved by the HUD Committee to the Tulsa Day Center, DVIS and Youth Services, as a result of the Salvation Army declining their award. Mr. Hamer added that they were not able to forward the reallocation requests immediately to the Mayor because of ordinance requirements. As a result, staff worked with the Legal department, Mayor and City Council to include a clause in the ordinance that allows the HUD Committee to make a recommendation to the Mayor in cases where timeliness is an issue in meeting HUD requirements. Mr. Hamer stated that the change to the ordinance was just recently approved and staff is now working to amend the three agencies’ contracts to include the additional award amounts.

9. Timeline
   Nancy Robbins presented the grant process timeline for Program Year 2017. The timeline included important dates for meetings, events and deadlines related to the grant process. She stated that the timeline would be added to the Grants webpage.

10. Comments
    Carmen Pettie asked about CHDO training. Nancy Robbins said they are working with two agencies through the process but noted the limited benefits and legal requirements pose a substantial challenge.

11. Adjournment
    Kristi Ostler moved to adjourn the meeting at 4:31 p.m.; Dennis Whitaker seconded the motion. The motion carried unanimously.

1. Call to Order
   Chair Moniz called the meeting to order at 4:01 p.m.

2. Chair’s Introductions and Remarks
   Each member present gave a brief introduction.

3. Facilitator’s Report
   Herman Meyer presented his review of the 2017 Grant Application Scoring Form
   Summaries and concluded that they were solicited and processed in compliance with
   applicable ordinances and included procedures developed by Grants Administration. He
   added that while there was variance in the Reviewers’ opinions, scoring was consistent
   with prior years. Finally, he noted that program costs and sources of funding presented on
   the executive summaries indicated that eight programs would be overfunded if the
   requested amounts are granted. He stated that if any of these organizations are funded, the
   amount should be reexamined.

4. Review ESG Applications and Allocation Recommendations
   Nancy Robbins from Grants presented their recommendations for the ESG program. She
   noted that recommendations were based on estimated funding figures. The ESG
recommendations were divided into three categories including data, non-shelter and shelter. In the Data category, staff recommended $8,515.00 for Community Service Council for Homeless Management Information System. In the Non-Shelter category, staff recommended $48,723.00 for Tulsa Day Center for the Homeless for Emergency Rapid Rehousing and $35,000.00 for Restore Hope Ministries for Homeless Prevention. Finally, in the Shelter category, staff recommended $80,155.00 for DVIS for Emergency Shelter, $54,078.00 for Youth Services of Tulsa for Emergency Shelter and $36,051.00 for Tulsa Day Center for the Homeless for Shelter Operations. Robert Winchester moved to approve funding for ESG as presented by Grants staff; Kristi Ostler seconded. The motion carried unanimously.

5. City Department Projects and Set-Aside
Gary Hamer began by informing the Committee that funding would be far less than in previous years. He added that this only makes the decision-making process more difficult because most projects would not receive the amount requested while others may not receive any funding at all. Mr. Hamer informed the Committee that the City Council had already reviewed the City applications for the non-competitive projects as well as funding recommendations submitted by Grants staff. This includes funding for Various Sidewalks at $399,318.95, Clearance and Demolition at $387,000.00, Emergency Repair Projects Fund at $661,000.00, and Housing Services for Home and Emergency Repairs at $377,660.21. The City Council agreed to move forward with the funding recommendations for these non-competitive projects totaling $1,824,979.16. Mr. Hamer added at this means that $942,728.00 will be available to fund the remaining $2.9 million in requests in the Physical, Economic Development and Public Service categories. In addition, he stated that there is a 15% cap of annual award for the Public Service category. This means that the maximum amount that could be awarded for Public Service is $466,164.00. Grants staff presented 3 options that included funding for public service at 15%, 12% and 9% levels.

6. Review CDBG Applications
The Committee reviewed CDBG applications including Economic Development, Physical, Housing and Public Service. Each member received a workbook that included executive summaries and score sheets for each application. The Committee also reviewed the 3 options presented by staff showing funding for Public Service at 15%, 12% and 9% levels. The 15% level would provide funding for the most number of projects while the other two would reduce the number of projects that could be funded. Bryan Day moved to keep funding for Public Service at 15%; Kristi Ostler seconded. The motion carried unanimously.

7. CDBG Allocation Recommendations
The Committee discussed the allocation recommendations presented by Grants Staff. In regards to Economic Development, Physical and Housing applications, Robert Winchester said he favored excluding any new applicants due to the very limited funding. He also mentioned excluding projects that produce few accomplishments and added that projects without leveraged funds should also be reviewed. Additionally, he noted that the Down Payment Assistance Project was important to fund due to the priority placed on Housing as well as ECDC Reed Preschool. Robert Winchester moved to fund TEDC –
Small Business Loan Fund at $350,000.00, Housing Partners of Tulsa – Down Payment Assistance at $48,000.00 and Tulsa Children’s Coalition – ECDC Reed Preschool at $78,564.00. No funding was awarded to Route 66 Main Street, Rebuilding Together Tulsa, Area Councils for Community Action or Gatesway. Bryan Day seconded. The motion carried unanimously.

Pleas Thompson from Area Councils for Community Action asked for an opportunity to speak to the Committee. He stated he didn’t think it was fair that his organization was not awarded funds. He noted that CDBG funds were designed to help low moderate income people in target areas. He added that not having a professional grant writer or fundraiser should not be held against them or the lack of leveraged funds.

In response to the Committee’s inquiry, each agency awarded funding noted that they would be able to continue to carry out their programs with the given funding levels.

Robert Winchester moved to adopt the funding recommendations for Public Service at the 15% level as presented by Grants Staff in Option 1; Michael Mills seconded. The motion carried unanimously.

8. Comments
Gary Hamer added that Grants staff would do a final review of the numbers to check for accuracy and let the Committee know of any changes.

9. Adjournment
Robert Winchester moved to adjourn the meeting; Michael Mills seconded. The motion carried unanimously. The meeting adjourned at 5:23 p.m.

2017 ESG Request for Proposal Applications

*Funding recommendations based on ESG regulations. Estimated funding available is based on HUD 2016 Awards.*
City of Tulsa – HUD Community Development Committee

A review of 2017 Grant Application Scoring Form Summaries concludes they have been solicited and processed in compliance with applicable ordinances and enabling procedures developed by the Grants Administration staff.

Applications were solicited through advertising and notification sent to prior applicants and other interested parties.

Three applicant workshops were held.

All applications were received by the deadline.

Applications were prescreened for missing documentation. Five bonus points were awarded for those found complete. Applicants submitting incomplete applications were given 72 hours to furnish missing information.

Each application was scored by five Reviewers selected from a variety of sources.

Training sessions were held for Reviewers.

Scoring summaries and Reviewer comments were reviewed by the Facilitator.

Each application was judged in four categories. While there was variance in Reviewer’s opinions, scoring was consistent with prior years.

Program costs and sources of funding presented on Executive Summary’s prepared by applicants indicate that eight of the programs will be overfunded, if the requested amount is granted. These are:

MINUTES OF MEETING
February 7, 2017, 4:00 p.m.
Council Committee Room # 411
City Hall, 175 E. 2nd St., Tulsa, OK 74103

Members Present:
Calvin Moniz (Chair), Rober Winchester (Vice-Chair), Julie Miner, Michael Mills, Dennis Whitaker, Carmen Pettie (arrived during item 3)

Members Absent:
Kristi Ostler, Bryan Day, Councilor Hall-Harper, Councilor Cue, Councilor Patrick, Councilor Ewing, Councilor Gilbert, Councilor Dodson, Councilor America, Councilor Lakin, Councilor Kimbro

Others Present:
Gary Hamer, Nancy Robbins, Rhys Williams, Sandra Baca, Matthew Letzig, Terri Cole, Angela Letzig, Greg Shinn, Janet Pieren, Rose Washington, Tom Gorman, Mark Brewer, Brent Isaacs, Vicki Jordan, Pleas Thompson, Jessica Brent, Lottie Nealy, Dwain Midget

1. Call to Order
Chair Moniz called the meeting to order at 4:03 p.m.

2. Chair’s Introductions and Remarks
Each member present gave a brief introduction.

3. Final review of CDBG Economic Development and Physical Applications
The Committee reviewed the seven RFP projects under the physical and economic development category. They asked some of the applicants present to give a brief summary of their projects.

   Jessica Brent – Route 66 Main Street, Inc., provided a brief summary of their work and added that they have tried to do a better job of targeting the microenterprises in their district. She added that their goal is to target a smaller number of people with a higher potential of translating into new businesses. Ms. Brent added that they will target the Shoppes on Peoria as well as the Crystal City area. She noted that many financial institutions do not want to provide assistance to starting businesses so that has been a challenge. Finally, she added that the CDBG funding is used to help pay for staff salaries that help carry out their program but also receive other sources of funding.

   Rose Washington – Tulsa Economic Development Corporation (TEDC), stated her organization has worked very hard on behalf of the City of Tulsa to utilize CDBG funds to make a great impact. She noted that the positive impact of CDBG is present throughout the City through job opportunities which create economic development. Finally, Ms.
Washington added that they are very proud of their success in carrying out the goals of the program with great leverage.

Carmen Pettie stated she was disappointed at some of the decisions made in the previous meeting. She added that agencies such as Rebuilding Tulsa Together and Area Council for Community Action do great work and deserve funding. Finally, she noted the priority placed on housing efforts should not be forgotten.

Robert Winchester added that he would be open to reconsider funding for Route 66 Main Street and Area Councils for Community Action because they had previously received funding.

Gary Hamer mentioned that since the TEDC program delivery was about $300,000.00, the option to reallocate $50,000.00 from TEDC to other projects along with $19,697.00 in remaining funds was available if the Committee decided to do so.

Carmen Pettie motioned to reallocated $50,000.00 from Tulsa Economic Development Corporation and to combine it with the remaining funds of $19,697.00 and award one half to Route 66 Main Street and the other half to Area Councils for Community Action. Robert Winchester seconded. The motion carried unanimously.

4. Review HOME Applications

Gary Hamer stated that staff recommended awarding $300,000 to City of Tulsa WIN for Housing Rehabilitation as done in the previous year. In addition, he stated that they were in favor of adding a contingency to award the City of Tulsa WIN any additional funds that might become available in HOME. Mr. Hamer added that there is a requirement to set aside 15% of HOME funds for a CHDO. As a result, he said that staff recommended awarding $191,061 to Vintage Housing for Whittier Heights since they are currently the only CHDO in the City of Tulsa. Staff also recommended the full amount requested of $206,899 for Mental Health Oklahoma for Indianapolis Apartments because this project does not dependent on tax credits. He also noted that in regards to Housing Partners of Tulsa for Down Payment Assistance, their program delivery cannot exceed 30% of total award per HUD regulations. This means that if they are not awarded their requested amount of $160,000, then their CDBG funding of $48,000 would need to be modified as well.

Mr. Hamer stated that there is one CHDO Off-cycle application from Vintage Housing for Whittier Villas as a result of CHDO set-aside funds left over from the two previous years. He added that since Vintage Housing is the only certified CHDO, staff recommended funding in the amount of $624,000. Mr. Hamer added that Vintage Housing will build 6 units with these funds in the Kendall Whittier area and will also partner with Habitat for Humanity to build an additional 16 units as well.

Tom Gorman gave a brief presentation about the Pecan Creek project. He stated that the apartment complex was built in 1972 and was located off of 61st & Yorktown. The complex is made up of 48 units ranging from 1 to 3 bedrooms. The residents receive assistance through the Section 8 program. He added that HOME funding would allow them to install adequate fencing and provide controlled access to their residents. In addition, he said that are planning to spend $50,000 per unit to replace kitchens, flooring and lighting.

Greg Shin – Mental Health Oklahoma, stated that the Indianapolis Apartments project is an older multi-family apartment complex that they purchased several years ago. He
added that the HOME funds would complement private capital funds they have raised for this project. In addition, he added that their work will not be dependent on tax credits. Their goal is to rehabilitate the units by upgrading stairways, parking lots, and addressing ADA accessibility issues in bathrooms.

Lottie Nealy and Dwain Midget with the City of Tulsa WIN stated that the funds for their Housing Rehabilitation project go towards addressing a critical need in the community. Mr. Midget said that they currently have over 300 residents on their waiting list. He added that they offer assistance to residents throughout the City of Tulsa but do see a higher concentration of need within the City’s older neighborhoods.

After brief discussion, Robert Winchester moved to award $160,000 to Housing Partners of Tulsa, $168,589 to Vintage Housing, $190,061 to Vintage Housing (Required CHDO Reserve), $206,899 to Mental Health Oklahoma, $300,000 to City of Tulsa WIN, and $168,589 to Gorman Management. The motion also included a contingency to award available funds to the City of Tulsa WIN project, should there be remaining funds due to tax credits not being awarded to other projects. Carmen Pettie seconded the motion.

Carmen Pettie moved to award $624,000 to Vintage Housing – Whittier Villas for CHDO Off-cycle application. Dennis Whitaker seconded the motion. The motion carried unanimously.

5. Final Allocation Recommendations
   Michael Mills moved for final approval of funding recommendations to be sent to the Mayor. Carmen Pettie seconded. The motion carried unanimously

To account for potential cuts to HUD FY17 block grants, the City of Tulsa is recommending the following contingency provisions as directed by HUD CP Notice 16-18:

**Community Development Block Grant (CDBG)**

If cuts are made to CDBG allocations, the City will make the provision in the order listed below until all funds have been allocated;

- Reduce Administration costs to the maximum allowable 20% of grant allocations
- Fund City of Tulsa Working in Neighborhoods programs to recommended level
- Fund the TEDC administrative costs to recommended level
- Fund HPT Down Payment Assistance administrative costs to recommended level
- Fund public service projects to the recommended level starting with the highest scoring application.
- Fund remaining Physical and Economic Development projects to the recommended level starting with the highest scoring application.

**HOME investment Partnership Program**

If cuts are made to HOME allocations, the City will make the provision in the order listed below until all funds have been allocated;

- Reduce Administration costs to the maximum allowable 10% of grant allocations
- Allocate required 15% CHDO set aside to Vintage housing – Whittier Heights project
- Fund City of Tulsa Working in Neighborhoods Home Loan program to recommended level
- Fund HPT down payment assistance program to recommended level
- Fund remaining projects to the recommended level starting with the highest scoring application.

**Housing Opportunities for People with HIV/AIDS (HOPWA) & Emergency Solutions Grant (ESG)**

In the event that cuts are made to the HOPWA and ESG programs, all proposed activities and administrative costs will be proportionally decreased from the estimated funding levels to match actual allocation amounts.

In the event, grants receive increases in funding all proposed activities and administrative costs will be proportionally increased from the estimated funding levels to match actual allocation amounts.
Meeting Minutes
September 7, 2016, 5 p.m.
Council Chambers – 2nd Floor
City Hall, 175 E. 2nd St., Tulsa OK 74103

Members Present:
Calvin Moniz (Vice-Chair), Bryan Day, Julie Miner, Kristi Ostler, Carmen Pettie, Michael Mills, Dennis Whitaker

Members Absent:
Robert Winchester, Councilor Henderson, Councilor Cue, Councilor Patrick, Councilor Ewing, Councilor Gilbert, Councilor Dodson, Councilor America, Councilor Lakin, Councilor Bynum,

Others Present:

1. Call to Order
Calvin Moniz called the meeting to order shortly after 5p.m.

2. Chairman’s Introductions and Remarks
Each committee member present gave a brief introduction including newly appointed member, Michael Mills.

3. Approval of Minutes
Carmen Pettie motioned to approve the minutes from the April 13, 2016, meeting. The motion was seconded by Julie Miner. The motion carried unanimously.

4. Discuss Revising HUD CDC meeting and times
Gary Hamer informed the Committee that due to the recent decision by the City Council to change their meeting days to Wednesdays, the HUD CDC meetings would need to be moved to a different day. Once a new day is selected, a new schedule will be filed with the City Clerk’s office. The Committee suggested the 2nd Thursday of each month as an option. Mr. Hamer said he would go back and review to make sure of no other conflicts with that day.

5. Discussion and Election of Officers
Gary Hamer informed the committee that CDC Bylaws require the committee to elect a Chair and Vice-Chair on the 1st meeting after the Annual Action Plan is filed with HUD. He added that nominations would be the first step, followed by a vote at the next committee meeting. Julie Miner moved to nominated Calvin Moniz as Chair; Brian Day seconded. Bryan Day moved to nominate Julie Miner as Vice-Chair. Dennis Whitaker also moved to nominate Robert Winchester for Vice-Chair and Carmen Pettie seconded. Carmen Pettie moved to close nominations; Julie Miner seconded. The motion carried unanimously.
Rhys Williams presented a slide presentation of accomplishments for PY15. His
presentation included accomplishments in relation to each of HUD’s three objectives
including Decent Housing, Economic Opportunities and Suitable Living Environments.

7. Motion and Vote to Enter into Public Hearing
Bryan Day moved to enter into public hearing; Carmen Pettie seconded the motion. The
motion carried unanimously. No public comments were made.

8. Motion and Vote to Exit Public Hearing
Bryan Day moved to exit public hearing; Carmen Pettie seconded the motion. The motion
carried unanimously.

9. PY2016 Emergency Solutions Grant (ESG) Unused funds
Nancy Robbins informed the Committee that one of the agency’s awarded $42,571 in ESG
funds had recently declined their award. She added that according to the Ordinance, off-
cycle awards may be initiated if the funds exceed 10% of the Program Year’s annual
award. The $42,571 represents 15% of the ESG award. Ms. Robbins stated that due to time
constraints and the number of shelters, they recommended that the Committee request a
waiver to the Ordinance. She also asked for feedback from the Committee on how to
divide the funds among the three remaining agencies.

10. Discussion and Vote on Request for Waiver of Ordinance Requirement to Reallocate
Emergency Solutions Grant Funds
Brian Day moved to request a waiver to the Ordinance; Carmen Pettie seconded. The
motion carried unanimously. The Committee discussed dividing the funds based on a
percentage of the initial request amount of the three remaining agencies as well as dividing
it into equal parts. Brian Day moved to divide the funds into thirds awarding each agency
$14,190.33; Carmen Pettie seconded. The motion carried unanimously.

11. PY 2017 Needs Assessment Public Hearing
Rhys Williams presented a slide presentation on Needs Assessment which described the
HUD Consolidated Plan’s purpose of identifying community needs, resources and
proposed activities. Ordinance 22813 requires the HUD CDC to solicit public input and
develop funding priorities for the Consolidated Annual Action Plan. The public’s input will
be taken into consideration when developing the Priority Needs Statement.

12. Motion and Vote to Enter into Public Hearing
Julie Miner moved to enter into public hearing; Carmen Pettie seconded the motion. The
motion carried unanimously.

    Jeff Jaynes, Restore Hope Ministries, said he hopes that preventing homelessness
remains a top priority and highlighted some of the important achievements accomplished
by the two organizations that he works with. He added that much more help is needed and
thanked the Committee for all their efforts.

    Donna Mathews, Domestic Violence Intervention Services (DVIS), said that their agency
provides critical services and assistance to people suffering domestic violence and/or
sexual assault. She added that they work with people from every part of the community
through their emergency shelter and legal services. She thanked the Committee for their
help and continued support.
Suzy Sharp, Youth Services of Tulsa, said that her agency served 462 runaway or homeless youth last year. She added that the number of homeless youth in the country is at an all-time high and said that many of the homeless programs available are geared towards homeless veterans and adults. She said that she hopes more attention will be paid to this special population. She also thanked the Committee for their help.

Greg Shinn, Mental Health Association, said that he agrees with the previous speakers and added that all of their programs focus on priority needs. He added that ending homelessness is critical and it is also a form of economic development because it leads to self-sustainability which adds great economic value to the local community. He thanked the Committee for their hard work.

Donnie House, 211 Helpline, said that the Community Development Block Grant (CDBG) funds they receive are crucial to their agency and helps them maintain 24/7 access to services for the community. She added that last year, they received 65,000 requests for help from Tulsa residents. Many of the requests were for housing, utilities, food, mental health and legal services. She expressed her appreciation for the support.

Nathan Harvill, Community Service Council, shared statistics from a recent study about housing conditions in the state of Oklahoma. He stated that the poverty rate in Tulsa increased 43% faster than the national average between 2000 and 2013. He added that more affordable housing is greatly needed but much of the new constructions is not considered affordable. He said new and more creative ideas to tackle this issue are going to be needed, including a holistic approach that looks at fair housing and economic development together. He thanked the Committee for their time.

Wayne Kindrick, Community Service Council, said that the work to end homelessness is a shared goal between many of the agencies represented today and aligns with the consolidated plan. He said the need to address homelessness in the community continues to grow every year while funding continues to decrease. He expressed appreciation for all of the support provided and emphasized the need to continue it.

Kendall Minnix, Morton Comprehensive Health Services, said that their program provides transportation for low-income people who need assistance to access shelter, food, employment opportunities and healthcare. Their route makes stops at various agencies including John 3:16, Tulsa Day Center, Iron Gate, Goodwill and the Morton facility. He added that last year they provided approximately 48,000 rides, made possible by CDBG funds. He thanked the Committee for their time.

Scott Hamilton, Legal Aid Services of Oklahoma, said that their program, which provides legal assistance to the homeless, is partly funded by CDBG. He added that some of the most common issues that affect the homeless population are lack of proper identification and getting approved for disability benefits in order to afford housing. Currently, there are two attorneys who work with the homeless population. Mr. Hamilton expressed his appreciation for the Committee’s support and asked that homelessness remain a top priority.

Drew France, Community Action Project, emphasized the importance of prioritizing early childhood education as well as childcare programs and considers it a valuable investment. He also stated that building new facilities, as well as maintaining existing facilities, is necessary in order to keep up with the need in the community. He provided statistics of the growing number of young children living in poverty, including dual-language learners and the growing Hispanic community. He asked that this population not be forgotten and remain a priority. He thanked the Committee for their service and efforts.

13. Motion and Vote to Exit Public Hearing
Kristi Ostler moved to exit public hearing; Brian Day seconded. The motion carried unanimously.
14. **Discussion and Vote on Program Year 2017 Priority Needs**
Gary Hamer said that after hearing from all of the agencies during public hearing it was clear that the goals in the consolidated plan are in sync with the goals of the community. He added that the two areas where the goals have not been met are down payment assistance and acquisition and rehabilitation of rental housing. He commented that down payment assistance is now funded in the current program year and there are numerous projects in regards to acquisition and rehabilitation of rental housing, which once complete, will meet half of the identified goals in the five year plan.
Brian Day moved to approve Program Year 2017 Priority Needs; Carmen Pettie seconded. The motion carried unanimously.

15. **Public Comments**
No public comments were made.

16. **Adjournment**
Calvin Moniz adjourned the meeting.
